Qin: YEAH! But either way Musa looked awesome as a mermaid there.

Camie: I agree.

Carol: That was awesome though.

Lola: Yep.

We arrived at the ruins of the Castle of The Two Sisters.

Me: Whoa man.

Camie: Is this it?

Twilight Sparkle: Yep this is it.

Me: My god. This place has REALLY seen better days.

Nico saw some footprints.

Nico: Look here.

We saw footprints unlike anything we have seen.

Me: These footprints look alien-like.

Camie: Yeah.

Nico: Hmm. There's something familiar about them though.

Qin: Really?

Nico: Yeah.

Nico: Lets follow them.

We followed them and went into the castle.

Me: Man this place REALLY went to hell.

Lola: Yeah.

Me: Well maybe we can restore it like I did to Skyros.

Camie: Good idea.

Qin: Yeah.

We then saw a huge crystal treehouse.

Me: WHOA! I don't think we've ever seen this before.

Twilight Sparkle: Oh this is the crystal clubhouse of Gallus, Yona, Ocellus, Smolder, Silverstream and Sandbar.

Me: Wow! This is amazing.

Lola: Yeah!

Qin: It's beautiful.

Nico: What's left of it anyway

Me: At least Opaline didn't destroy this.

Qin: Probably because she didn't know it was here.

Camie: Yeah.

Lincoln: Okay now according to my dream the princesses are under the castle through the library.

Me: Lets go then.

We went to the library and we saw LOTS OF BOOKS!

Me: Wow! Look at all these books. Many of them are still intact.

Twilight: Thank goodness!

Me: Yeah.

Nico: Many of them can be use to us.

Qin: Good idea.

Me: Lets get to searching. There should be a secret door somewhere.

We went and got to searching.

Me: Hmm.

I saw a book that was interesting.

Me: What's this? "Secrets of Elemental Alicorns." That looks interesting.

I pulled it out and read it and it was interesting.

Me: Whoa! This is cool.

I put it back.

Nico: Anything else?

Me: Hmm.

I looked and saw a book behind a bunch of books.

Me: Hmm.

I put the books aside and revealed it and pulled it out.

Me: This is interesting. (Blows dust) (GASP) "The Chronicles of Grogar the Terrible!"

Nico: Oh boy.

Me: I'm burning this.

I fired a blast of fire and incinerated it.

Me: There.

Lana: Hmm.

Lana then saw something.

Lana: Wait look here.

Lana pressed a hidden button and then a secret door opened and it revealed a hidden staircase!

Nico: A secret passage.

Twilight Sparkle: The castle is FULL of secret passages.

Eli: Wait! I sense two powerful energy signals down there.

Me: They must be down here.

Nico: Lets go.

I formed an energy ball and used it as a flashlight and we went down the stairs.

Nico: Maybe those footprints were nothing.

We went down the stairs but little did we know that there were 6 pairs of pink eyes watching us.

Then my Sword of Harmony started reacting to something.

Me: My sword.

I unsheathed it. It was glowing.

Me: We're getting close.

We then got to a huge door and we saw that it had Princess Celestia and Luna's Cutie Marks on it.

Lincoln: This is it! This is what I saw in my dream.

Nico: It wasn't kidding.

We pushed the doors open and we entered a huge room and swe saw that we were in a room that looked like outer space! We saw the Sun and the Moon and under them in crystal coffins were Princess Celestia and Luna!

Me: (GASP) There they are!

Nico: Now to get them out!

Me: Here we go!

I fired two beams of light form my sword and then the coffins opened and then a massive flash of magic and light blasted out with intense force! Then the castle was rebuilt in an instant and then it swept over all of Equestria and the ruins of Canterlot and all over Equestria was rebuilt and more!

They woke up.

Princess Celestia (G5): (Groans) What happened?

Princess Luna (G5): Sister what happened?

Me: We woke you up after 1,000 years of hibernation.

Princess Celestia (G5): J.D.? Everyone!?

Me: Welcome back princesses.

Nico: What up?

Princess Luna (G5): How long has it been?

Me: Its been over 1,000 years princesses. We have got so much to tell you.

Sunny Starscout: Yeah. We sure do.

We told them everything that has happened over the course of the millennium.

Nico: And that's it in a nutshell.

Me: Yeah.

Princess Celestia (G5): Oh man. Twilight my faithful student I am so sorry that Opaline did all this.

Princess Luna (G5): This is all our fault sister.

Me: It's not your fault princesses. Opaline was pure evil incarnate and she was willing to do anything possible to destroy Equestria.

Nico: She was headed towards a path of no return long before you turned her away

Me: Yeah. We killed her.

Sunny Starscout: It's true.

Princess Celestia (G5): Wow. And Sunny we are very impressed that you are the first Earth Pony in Equestria History to become an Alicorn.

Sunny Starscout: It sure is amazing.

Camie: Yeah.

Nico: You should be very proud of her.

Princess Celestia (G5): We are.

Eli: (GASP) Whoa! We got huge powers upstairs in the main foyer!

Me: Uh oh!

We went up to the main foyer and we saw THE SENTIENT ULTIMATES! We saw Sentient Ultimate Swampfire, Spidermonkey, Humongousaur, Echo Echo, Big Chill and Cannonbolt!

Me: WHOA! The Sentient Ultimate Aliens!

Sentient Ultimate Cannonbolt: It's about time you guys noticed us!

Shanan: WOW! Evolved Vaxasaurian, Methanosian, Necrofriggian, Arachnichimp, Sonorosian and Arburian Pelorota!

Me: And they were given sentience!

Lola: Wow!

Sentient Ultimate Big Chill: Did you guys see what happened here?

We saw THE ENTIRE CASTLE ALL FIXED UP AND GOOD AS NEW! AS IF IT NEVER WAS DESTROYED!

Me: WHOA! The whole castle is restored!

Twilight Sparkle: How did this happen!?

Princess Celestia (G5): It must've been because of our restoration.

Me: That could be it.

Sentient Ultimate Echo Echo: (Techno Voice) It's really impressive.

Sentient Ultimate Big Chill: Can you explain what happened here?

Me: Well we're on a mission to bring back all of the Guardians of Harmony in Sunny's world. Now that it merged with our world we can restore all the damage was done because of Opaline Arcana. She destroyed EVERYTHING Twilight Sparkle worked so hard to accomplish and we're going to undo her damage. But when we restored Princess Celestia and Luna it brought their castle back fully restored after over 2,000 years.

Nico: Yeah.

Lola: Same thing happened with Fluttershy and her cottage.

Lana: And Vinyl Scratch and her music and more.

Nico: Yeah.

Sunny Starscout: It was awful what happened to us in my time.

Sentient Ultimate Humongousaur: Oh man! I'm sorry.

Sunny Starscout: It's okay.

Nico: But what are you guys doing here?

Me: Yeah we were about to ask the exact same thing.

Sentient Ultimate Cannonbolt: We want to help you guys out on your adventures. Also to be one of your frenemies in the M.O.E.

Me: That is understandable.

Sentient Ultimate Humungousaur: Honestly, we wanted to be free before. But now, we've gotten very bored.

Me: I see.

Lola: Yeah.

Me: You know we had a very similar incident happen with us like with you guys and Ben. The Astral Drops of Will and the Guardians of Candrakar rebelled and were trying to kill them. Just like how you guys were going after Ben.

Sentient Ultimate Big Chill: Really?

Me: Yeah it was back in 2019.

Camie: Wow!

Nico: Well, Will's Astral Drop became friendly before that incident

Sentient Ultimate Swampfire: That is completely coincidental.

Lola: Yeah no kidding.

Camie: Wow.

Nico: Wait. Why are your eyes pink now?

Albedo: Probably to differentiate between me and Ben's eyes in alien form.

Me: Yeah Albedo's are red and Ben's are Green.

Nico: Good point.

We had a nice talk.

* * *

Later we were over in Paleozoic World.

Camie: Ahh Paleozoic World.

Eli: So awesome coming here.

Varie: It sure is.

Sentient Ultimate Humungousaur: I like this place already!

Me: It's awesome.

Lola: Yeah!

Qin: It sure is cool.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Paleozoic World and just as we heard: Dennis Nedry has broken out of prison and he wants revenge on us for ruining his scheme to steal the dinosaur embryos from Jurassic Park.

Me: Figures.

Nico: That moron's got some nerve trying to come here to Jurassic World to get revenge on us. That is the last straw, he's gonna be thrown into a pit of velociraptors and torn apart!

Lincoln: No, Nico, I've got a better idea: we're going to have him sent to The M.O.E. and Vypra's going to keep a close eye on him, so that way, he won't try anything like this again.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and The Midnight Princesses have resurrected Audrey Blade, Abigail Callidora, Emily Constantia, Eleanor Cruorem, Amelia Daedalus, Chloe Desikan, Scarlett Dragomir, Maya Drusilla, Ella Edwardson, Emma Eleazar, Charlotte Eliodoro, Luna Enoch, Olivia Erasmus, Isabella Ezdemir, Sophia Fayez, Alice Gaspare, Carla Gobara, Scottie Ingrumangel, Aurelia Karayan, Maeve Kearne, Eloise Kieran, and Ophelia Lazarus, The Ghostrick Destroyers, and sent those evil vampires after us!

Lincoln: Are you kidding me?! Morgana, you little...!

Me: What is it, Lincoln? Did Morgana...?

Lincoln: Afraid so, it appears Morgana Midnight Sparkle and The Midnight Princesses have resurrected Audrey Blade, Abigail Callidora, Emily Constantia, Eleanor Cruorem, Amelia Daedalus, Chloe Desikan, Scarlett Dragomir, Maya Drusilla, Ella Edwardson, Emma Eleazar, Charlotte Eliodoro, Luna Enoch, Olivia Erasmus, Isabella Ezdemir, Sophia Fayez, Alice Gaspare, Carla Gobara, Scottie Ingrumangel, Aurelia Karayan, Maeve Kearne, Eloise Kieran, and Ophelia Lazarus, The Ghostrick Destroyers, and sent those evil vampires after us.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's skeleton came out!

Qin: Oh, that is not good!

Nico put his skeleton back.

Nico: I hate when that happens. Lincoln, I hope you drain those vampires dry of all their powers and blood and send them all to The Black Abyss.

Lincoln: That is exactly what I'm going to do to them, Nico.

Ed Cowart: Nedry has got some nerve coming here to Jurassic World to try and get revenge on us, he's insane.

Lori: He clearly needs to be taught a painful lesson before we send him off to Vypra.

Lincoln: That's for sure, and he'll wish he was back in prison after Vypra gets done with him. Plus, Buster and his friends are coming with us on my rescue, we're implementing our anti-Sebastian countermeasures today, and we're going to bust Elias Devereaux.

Me: That 20th century warlock had some nerve coming back from the dead, but he was clever to cover his tracks, but not clever enough.

Camie: Who was Dennis Nedry?

Me: He was a spy sent by a rival company of John Hammond to steal dinosaur embryos from Jurassic Park and sabotage the park to get rich.

Nico: Yep.

Lana: We busted him before he could do that.

Lucy Loud: It's how we made him get sent to prison.

Me: He was a saboteur that worked for InGen.

I went over his history.

Dennis Nedry is the main antagonist of the 1993 film Jurassic Park, the first installment in the Jurassic Park franchise.

He is a troublesome and overweight InGen computer-network engineer for the successful dinosaur-cloning faculty he was ordered to program without many details on what the park actually did and was called to the island to fix numerous bugs in the system. His meddling resulted in the dinosaurs escaping and going on rampage and berserk, as well as the deaths of several characters in the film, including himself.

He was portrayed by Wayne Knight, who also played Newman in Seinfeld, Krudsky in Scooby-Doo and the Goblin King, The Penguin in Harley Quinn, Al McWhiggin in Disney/Pixar's Toy Story 2, and Emperor Zurg in Buzz Lightyear of Star Command.

After Nedry got hired by John Hammond, he asked him to pay him extra money for his work, but Hammond refused his offer. Eventually, Lewis Dodgson arranged a meeting with Nedry and offered him $1,500,000 to steal embryos worth of fifteen dinosaur species from Jurassic Park's labs for his company Biosyn, and gave him a canister disguised as Barbasol shaving cream to store the embryos inside.

In order to do this — and make a swift escape from the visitor center and drive away in a Jeep Wrangler — Dennis Nedry had to turn off the park's security systems, including the electric fences surrounding the dinosaur paddocks, with the exception of the raptor fences (due to the fact they were the most dangerous dinosaurs due to their speed, agility, and intelligence). Without electricity power, the electric fences turn off and shut down, thus allowing all the dinosaurs, except the Velociraptors, to escape.

Later that night, Dennis was driving toward the docks to deliver the stolen embryos when he got lost in the jungle during the angry storm and accidentally hit a stack of logs. His car got stuck, so he had to get out and use a winch to help him get out of this dilemma.

Unfortunately, for him, while looking for a tree to tie the other end of the winch to, he came across a juvenile Dilophosaurus. The dinosaur was initially curious and hesitant, cautiously sizing Dennis up. Flustered and knowing practically nothing about dinosaurs or how they behave, Nedry frantically tried to shoo it away with a stick. After that, he said to the dinosaur he'll run it over when he comes back down.

Eventually, the animal concluded that Dennis was weak enough to kill and the Dilophosaurus began spraying venom in Dennis' chest and then into his eyes. Dennis, now blind, attempted to make his way for his car, but hit his head, causing him to drop his Barbasol can. He scrambled into the Jeep, but upon closing the door he immediately realized that the Dilophosaurus had found its way into the car, where it subsequently mauled and devoured Dennis.

The actions of Dennis Nedry led to the death of at least four people, including himself, on Isla Nublar. In the years that followed, it led to a positive advantage for the dinosaurs on Isla Sorna. The dinosaurs were originally created as tourist attractions, but thanks to Nedry, the dinosaurs were released into the wild without any fences, guards, or even government involvement. Sometime after the incident, Dodgson collected the Barbasol can that Nedry used to steal the embryos, and used it as a souvenir.

In a deleted scene for The Lost World: Jurassic Park, Nedry is the only deceased Jurassic Park employee that Peter Ludlow doesn't mention, and Ian Malcolm said that the incident left only three people dead (Donald Gennaro, Robert Muldoon, and Ray Arnold), while Dennis is a fourth victim. Assuming this isn't just a mistake, then it can be presumed that no one learned of Nedry's death and assumed he got away without any consequences, or alternatively, everyone knew about Nedry's death, yet didn't feel any sorrow about it.

The origins of Jurassic World were built upon Dennis Nedry's actions in 2005, as InGen, now under the ownership of Masrani Global, did everything to prevent the same thing that happened to Jurassic Park about 12 years earlier. In 2013, Dodgson, Nedry's employer from Biosyn, became the company's CEO, and two years later, the park ended up the same way as the original despite

InGen's efforts, at the jaws of the Indominus rex. A year later, Dodgson went on an expedition to Isla Nublar with Mantah Corp president Daniel Kon and the latter's son Kenji, where Dodgson retrieved the Barbasol can he gave Nedry 23 years prior.

The incident at Jurassic World later led to the creation of the Indoraptor, by extension, and dinosaurs escaping to the mainland in 2018. Four years after that, Dodgson began having his scientists create giant locusts to be unleashed on his competitors, but Jurassic Park's original guests Alan Grant, Ellie Sattler, and Ian Malcolm discovered Biosyn's plot concerning the locusts, and Dodgson was eaten alive by a Dilophosaurus pack, the same species of dinosaur that killed Nedry 29 years ago.

When it was done everyone gasped.

Qin: Oh man!

Xenia: Crazy!

Me: Yeah.

Nico: We found him ripped to shreds by a Dilophosaurus.

Eli: That was a juvenile that did that though.

Me: Yeah. Imagine what a fully grown one would have done.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were

bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and

massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Dennis Nedry) AHA! There you are, you dino embryo stealing spy! I just spotted Dennis Nedry, he's 20 yards away and he's heading for us in a fit of rage. (Sensed The Ghostrick Destroyers) And I just spotted Morgana's next set of puppets.

Nico: Let's tear them apart.

Vakama heard a Pokemon cry

Vakama: Look guys.

We saw a Chimchar.

Me: Cool a Chimchar!

Ash: Awesome! Just like the one I had.

Me: And I remember Paul hurt his badly. What a jerk!

May: Yeah!

Chimchar: That is crazy. Got any bananas?

Me: Sure.

I gave him a huge bunch of them.

She was eating them.

Vakama: Wanna come with me?

Chimchar: Sure!

Me: Cool!

Vakama: Awesome! Now I have a mascot.

Me: You sure do!

Then we heard a roar and looked and saw GIRATINA!

Me: WHOA! Giratina!

Nico: What's that doing here?!

Me: I think I know!

Diamond Tiara: Me too!

Diamond Tiara used telepathy and then she gasped!

Diamond Tiara: Oh man! That's my sister Blue Diamond Rich!

Poliwag: Blue Diamond Rich!? Oh wow!

Diamond Tiara: We'll explain later! We got to help her!

Me: Right!

Me, Diamond and Poliwag went to face her.

Diamond Tiara: Blue calm down! It's me Diamond Tiara!

Poliwag: And Poliwag!

All she did was use Shadow Force

She fired a blast of darkness and I used a Mirror Force power and blasted her back.

Me: Whoa! That was close.

Diamond Tiara: Yeah!

Poliwag: Lets take her down.

I fired a blast of lightning and blasted her.

Diamond Tiara and Poliwag blasted her too.

Me: Now this.

I snapped my fingers and she reverted back. She had blue hair and purple eyes and had blue angel wings and had Giratina in the middle of her forehead and had a blue version of Diamond Tiara's cutie mark on her arm.

Me and Diamond wrapped her in a blanket and we brought her over.

Me: There.

Nico: Wow! That was awesome.

She woke up to see Poliwag staring at her.

Blue Diamond Rich: (Groans) Wait Poliwag?

Poliwag: Hiya Blue!

Blue Diamond Rich: Poliwag!

She hugged and cuddled him.

Me: So cute.

Diamond Tiara: Sis I'm so glad you're okay.

Blue Diamond Rich: (GASP) Diamond? Is that you?

Diamond Tiara: It sure is.

Blue Diamond Rich: Oh sis!

She hugged her.

Diamond Tiara: You were turned into a Giratina because of Dark Gale.

Me: It's true.

Blue Diamond Rich: Oh man! I remember!

She was wearing a dark purple suit and was injected and then she busted out and vanished through a portal. She wound up in the Reverse World and then turned into a Giratina and appeared out of a portal outside the lair.

FLASHBACK ENDS

Blue Diamond Rich: It was awful.

Nico: What's your role in Sonya's team?

Blue Diamond Rich: Well I'm the jewelmancer of the team and I use jewels as bombs. Also I'm the chief financial specialist and bookkeeper of the team. We got to gather funds to keep the team going.

Me: Ah yeah. Got to get your money from somewhere.

Blue Diamond Rich: Yeah. Outside the team I work as a business secretary for a huge financial firm.

Me: Wow.

Qin: That is amazing.

Lola: Yeah.

Me: You should be proud of your sister Diamond Tiara. She has come a long way since she joined up with us.

Diamond Tiara: It's true sis.

She told her how she became an amazing and wise girl that helped people that are rich and snobby turn their lives around and become better people and more.

Blue Diamond Tiara: Wow! Who are you and what have you done with my sister?

We laughed!

Blue Diamond Tiara: Wow! You have become so wise beyond your years sis.

Me: She has come a long way.

Lola: Yeah.

Horsea: How did you meet Poliwag?

Blue Diamond Rich: I met him when he was over in Vegas and won an amazing and awesome car.

Nico: I remember that. That was cool.

Lola: Neat.

Poliwag: Yeah I only used one penny and then it gave me an awesome Lamborghini.

Me: Wow!

Nico:...I didn't know that.

Me: Wow.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome new blue clothes.

Blue Diamond Rich: Wow! I look great.

Diamond Tiara: And sis this is yours.

She gave her an amazing and beautiful blue diamond necklace.

Blue Diamond Rich: (GASP) My necklace. You held on to it for me after all this time sis.

Diamond Tiara: I sure did.

Nico: Wow!

She put it on.

Blue Diamond Rich: This necklace is my favorite and it's my namesake because of the blue diamonds.

Me: It's beautiful.

Poliwag hopped on her head.

Poliwag: This will be awesome.

Me: Now to head out.

We then took off into the air and we set out to take down Dennis Nedry and send him to The M.O.E. and send The Ghostrick Destroyers to The Black Abyss forever.

We were flying in the air, and we spotted our target: Dennis Nedry, and he was screaming with rage and hatred towards us, and our energy auras flared up extremely as we gained a massive power boost from his hatred.

Lincoln: Yeah, keep spewing hatred at us, Nedry.

Lincoln fired waves of leaves, plants, and green energy from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings and they hit Dennis Nedry and he screamed in pure rage as we landed.

Nico: You've got some nerve breaking out of prison, Nedry, you moron.

Me: Too bad for you, you're gonna regret breaking out to get revenge on us because once we're done with you, you'll wish that we left you for dead.

Dennis Nedry: I hate all of you so much! You ruined my life! I could've finally been rich after getting those dinosaur embryos!

Our energy auras flared up again as we gained another power boost from his hatred.

Lincoln: That was all your doing, Nedry, your greed almost led to the sabotage of Jurassic Park, but we stopped you and sent you off to prison and we also sent your former employers to prison as well for what they've done. Now, we're gonna make you regret breaking out of prison.

I went over to him.

Me: Nedry listen to me. You would have died if you did your mission.

Dennis Nedry: What do you mean?

Me: This is what would have happened.

I showed a viewing window of what happened to him.

Me: You were ripped to shreds because of it by a juvenile Dilophosaurus.

Eli: A full grown one would have done worse.

Me: Yeah. Also Nedry you probably didn't hear about this but Isla Nublar is gone.

Dennis Nedry: What do you mean?

Me: Mount Siba erupted and sunk Isla Nublar into the ocean. It's gone. After 500 years of dormancy, it exploded with Mount Tambora strength and destroyed the entire island.

Nico: He's right on that.

Xenia: Hence why we moved all the dinosaurs here.

Me: Yep.

Dennis Nedry: I didn't hear about that. So all my efforts would have destroyed it?

Me: Yep. And you as well.

Camie: Ugly story.

Dennis Nedry: But lets show some pain.

Me: Gladly!

Chimchar charged at him and blasted him with fire.

Me: YEAH!

Nico: Jurassic Park is gone. I'm sorry Dennis.

Me: That was back in 2019.

Eli: He's right and we made Paleozoic World here.

Me: It's a massive success.

Xenia: And those embryos you stole? We found them and brought them back to their rightful owners.

Camie: Yep. We sure did.

Lola: Yeah.

Tahu got out his Gaia Memory

Tahu: And it's truly fun.

TAHU! TYSON!

Tahu and Tyson: FURY FOR THE FLAME BEYBLADE!

They fired waves of fire and enegry and blasted him all over.

Tahu: And this.

TAHU! MICKEY MOUSE!

Tahu and Mickey: DISNEY FLAME STORM!

They fired waves of energy and fire and blasted him down.

Gali got out her Gaia Memory

Gali: Jurassic Park is amazing now as Paleozoic World.

Donald Duck: YEAH!

GALI! DONALD DUCK!

Gali and Donald: WATER DUCK MASTER BLAST!

They fired waves of energy and water and blasted him all over.

Lewa got out his Gaia Memory.

Lewa: Everyone has fun here.

Goofy: Gawrsh they sure do.

LEWA! GOOFY!

Lewa and Goofy: FUNNY SILLY WIND STORM!

They fired waves of wind and bashed him down

Kopaka got out his Gaia Memory.

Kopaka: John Hammond is an amazing guy and has done lots of good for everyone.

Minnie Mouse: It's true.

KOPAKA! MINNIE MOUSE!

Kopaka and Minnie: MAGIC OF DISNEY ICE BLAST!

They fired waves of ice and blasted him.

Me: And to think that all this started because of finding perfectly preserved dinosaur blood in a mosquito perserved in amber.

Nico: That was back in Jurassic Park.

Me: Yeah.

Onua got out his Gaia Memory

Onua: Can you believe that Jurassic Park did all that?

Daisy Duck: That is so cool.

ONUA! DAISY DUCK!

Onua and Daisy: DISNEY FURY EARTH BLAST!

They fired waves of energy and blasted him all over.

Pohatu got out his Gaia Memory.

Pohatu: It's just amazing how the team of Jurassic Park brought all the dinosaurs back after millions of years.

Bambi: Yeah no kidding! That is awesome.

POHATU! BAMBI!

Pohatu and Bambi: STONE DEER BLAST STORM!

They fired waves of energy and earth and blasted him all over.

Qin: YEAH!

Takanuva got out his Gaia Memory.

Takanuva: How many codes are in the DNA Strand all together?

Me: Well from what I learned, there are over 3,000,000,000 Genetic Codes and if you looked at a screen with that for once a second for 8 hours a day it would take 2 years to decode it. It's that long.

Takanuva: WHOA! That is massively complex.

Nico: No kidding!

Lisa Loud: Pish posh. Not for someone of my intellect and calibur.

Me: That is true. Geniuses like those of Lisa and Dexter and some of our scientists can easily understand it in minutes.

Nico: Indeed.

Thumper: That is too cool.

TAKANUVA! THUMPER!

Takanuva and Thumper: BUNNY LIGHT BLAST!

They fired light and energy blasts and blasted him.

Zick got out his Gaia Memory

Zick: That is amazing that the genetic code is that long and complex.

Faline: It sure is!

ZICK! FALINE!

Zick and Faline: DEER FURY BLAST!

They fired waves of energy and blasted Nedry all over.

Zick: YEAH!

Camie: How did they bring the Dinosaurs back like this?

Me: After finding 100,000,000 year old Dinosaur Blood perfectly preserved in a mosquito, Jurassic Park Geneticists used the DNA of frogs to reconstruct the code. Frogs have been on Earth for over 200 million years and their DNA made the Dinosaurs get reborn again.

Eli: That is amazing!

Ilana got out her Gaia Memory

Ilana: It's just incredible how all this happened.

Me: It sure is.

Friend Owl: I agree there everyone.

ILANA! FRIEND OWL!

Ilana and Friend Owl: OWL FURY BLAST STORM!

They fired waves of energy and blasted him all over.

Eli: I think it's a big step to helping humans and Dinosaurs coexist.

Aylene Carter: Just like how me and Littlefoot and the Dinosaurs of the Great Valley can work.

Me: That is true.

Princess What's Her Name got out her Gaia Memory.

Princess What's Her Name: I think it's amazing too.

Great Prince: It most certainly is.

PRINCESS WHAT'S HER NAME! GREAT PRINCE!

Lola: OH MAN!

Nico: That wasn't who I thought it was, was it?

Me: Unfortunately yes it was. Now they are making a horror movie version of Bambi.

Me: YEAH!

Poromon: LOOK AT IT!

Nico: Wait Gopher was never in that movie.

Me: Because he was hardly mentioned in the show and all that. He is a secondary character.

Nico: Oh.

Sentient Ultimate Humungousaur turned his hands into cannons.

He fired missiles and blasted him all over the place.

Mevya hopped over to him and belched in his face.

I fired a wave of darkness and it formed into the ZOMBIE ARGENTINOSAURUS and it roared ferociously and mauled Nedry all over.

Mevya: GEEZ!

Me: Yeah that was awful and no one was laughing on April 1st, 2020 when that one came out.

Camie: YIKES!

Qin: Yeah.

Lola: It was awful.

Deadpool: He's right on that one. That episode came out on April 1st, 2020 on Primal and it was brutal and sad and dark. Made Aylene cry hard.

Manaphy: I'm actually not laughing at this

Me: Sorry.

Nico: No one's supposed to laugh at this!

Me: Besides we just do this to bring justice.

Qin: Yeah!

Manaphy: Okay okay.

Camie: Yeah!

Me: Hey Nedry I got two friends for you.

Dennis Nedry: Who?

I whistled and then two Dilophosaurus came!

Me: Attack.

They roared and spit poison slime into his eyes and he screamed in pain.

Nico: Just like in the movie.

Me: Yep.

I gave the two Dilophosaurus steaks and they went back to their paddocks.

Nico: Good boys.

Me: Yep.

Eli: That was cool.

Me: Yeah it sure was.

Camie: Can Dilophosaurus do that with the frill and the spitting thing?

Me: No there was no evidence in paleontology that shows that they could do that in reality.

Nico: But it was cool that they can do that.

Poromon: It sure was.

Qin: I agree.

Me: Okay lets finish this.

Qin: Yeah.

Lincoln: And Audrey Blade, you and your minions better get out here, I can smell your blood from a mile away.

We then saw our secondary targets: Audrey Blade, Abigail Callidora, Emily Constantia, Eleanor Cruorem, Amelia Daedalus, Chloe Desikan, Scarlett Dragomir, Maya Drusilla, Ella Edwardson, Emma Eleazar, Charlotte Eliodoro, Luna Enoch, Olivia Erasmus, Isabella Ezdemir, Sophia Fayez, Alice Gaspare, Carla Gobara, Scottie Ingrumangel, Aurelia Karayan, Maeve Kearne, Eloise Kieran, and Ophelia Lazarus of The Ghostrick Destroyers, and they all had the demonic Alicorn on their foreheads.

Audrey Blade: You miserable vermin! You will all pay for this humiliation!

Suddenly, Cage Blunt, Travis Tackett, and James Blunt attacked The Ghostrick Destroyers, and one by one, they bit them on the neck and sucked out all of their blood along with their vampire powers and abilities and made them their own, and they even sucked out their souls and drained their souls dry of energy and sent them to The Black Abyss.

James Blunt: Uh, sorry about that, Lincoln.

Cage Blunt: We know you wanted to do the job, but we got a bit hungry.

Nico: A bit hungry? Didn't you three drink three bottles of blood this morning for breakfast?

Travis Tackett: We did.

Caleb Maxwell: In other words, you three wanted to kill another of Lincoln's enemies to save him the trouble, and I understand. We already got our hands full with Sebastian who's gone rogue thanks to Elias Devereaux returning from the dead and turning him back into a monster, so we don't need the trouble of Morgana's resurrected minions to add to the current trouble.

Lincoln: I appreciate the assistance, guys. Plus, you saw for yourself that was a huge group you had to deal with.

Allie Maxwell: A huge group of vampire hunters who are also human-despising vampires against three vampire cats: two of them who've given my older brother trouble for a month and a half eight years ago and the third vampire who took Caleb in after his return from the dead eight years later and who has been known to kill in less than a split second, it was obvious they weren't going to live for long.

Dennis Nedry ran at us to kill us annoyed that we were talking, only for him to get punched right in the face hard by James Blunt and sent flying into a huge rock, and when he hit the rock back first, it crumbled into pieces and fell on him. Nedry got back out, but boy, was he boiling mad!

Me: Jeez, he survived that?!

Caleb Maxwell: He's stubborn, I'll give him that. Let's see him survive this!

Caleb Maxwell summoned armies of vampire bats who clawed at him with their talons and left scars on his face and body, and some of them even bit him on the arms and legs.

Buster Bunny: He also survived getting bitten by vampire bats?

Yeesh, he sure is stubborn, but let's see him survive this!

Buster Bunny formed a massive red energy ball and condensed it to the size of his body.

Luna: (GASPS) No, dude! Get rid of that!

Buster Bunny: (Smirks) Okay, if you say so. NEGATIVE KARMA BALL!

Buster Bunny fired the energy ball and it hit Dennis Nedry and exploded with incredible power, and he was really mangled.

Caleb Maxwell: Must you always make things go from bad to worse?

Buster Bunny: (Points to Dennis Nedry) He started it.

WHAM!

CALEB MAXWELL HIT DENNIS NEDRY ON THE HEAD WITH HIS LARGE TWIN PISTOLS AND LEFT A BIG LUMP ON HIS HEAD!

We laughed.

Lincoln: That was good. (Smirks) But, so's this!

LOUD CRACK!

LINCOLN CRACKED HIS KNUCKLES!

Dennis Nedry: (SCREAMS AS HE COVERS HIS EARS)

Ed and Mascots: WHAT A PEST!

Edd: That's disgusting.

Ed and Mascots: MAKE HIM STOP!

WE WERE LAUGHING OUR BUTTS OFF!

Me: Oh! Oh man, now that's just wild!

Ed: So this. (Gets out a large onion)

Ed: The more you peel away its layers, the more it stinks. (ED OPENS HIS MOUTH AND A LION ROARS)

THEN, HE TAKES A BIG BITE OF HIS ONION!

Eddy: Man, I hate it when he does that.

Ed: Watch me. (EXHALING STINKY BREATH AT DENNIS NEDRY) HI, DENNIS NEDRY!

Me and Nico: OH! ONION BREATH!

Lincoln, Talia Spinosaurus, Stacy Stegosaurus, Bianca

Brachiosaurus, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Dennis Nedry, and we fired extremely powerful blasts of rainbow, white, and blue energy, yellow and orange, green, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Dennis Nedry and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Talia Spinosaurus, Stacy Stegosaurus, and Bianca Brachiosaurus did the same by firing golden yellow and orange, green, white, and blue energy slashes from her gold plated claws and massive greatsword, and Lincoln, Talia Spinosaurus, Stacy Stegosaurus, and Bianca Brachiosaurus, Crash Bandicoot, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Dennis Nedry even angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Dennis Nedry, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Nedry, this is where your freedom ends here.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Dennis Nedry.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything you've done in trying to steal the dinosaur embryos and destroy the security systems in Jurassic Park, you don't deserve to run free any longer.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Dennis Nedry's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your freedom comes to an end.

Lincoln attacked her with two powerful energy slashes, and then...!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) NOW, GO TO HELL, YOU PIECE OF TRASH!

Lincoln did one final powerful energy slash that hit Dennis Nedry hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Nedry was on his last legs and he was really really mangled.

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope,

Then, Lincoln fired rainbow, white, and blue energy blasts that turned into a straitjacket and tied up Dennis Nedry before he could escape, and then, he threw that asshole into a portal that led to The M.O.E.'s HQ, and when he was dropped in front of Vypra and the others, he was in huge trouble now!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And that...is the end.

Everyone cheered as we holstered our weapons and we powered

down, and the new bodies, clothes, weapons, jewelry, Third Eye, eleven massive and long Spinosaurus, Stegosaurus, and Brachiosaurus tails, 28th Century backpack, large gold halos with four large orbiting gold rings on each corner behind the heads, large twenty colored planets orbiting around the legs and twenty smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of large colored angel wings underneath her massive colored angel wings of Talia Spinosaurus, Stacy Stegosaurus, and Bianca Brachiosaurus are permanent.

Me: Have fun being forced to serve Vypra for eternity, Nedry.

Nico: You deserve it, you asshole.

Lincoln: That serves him right.

Suddenly, our wrist computers went off, and we got them online, and it appears Sebastian under the possession of Elias Devereaux has broken out of the dungeons and escaped to another world, and it appears he's also planning on murdering Lincoln's harem and we heard him call them whores, sluts, banshees, and all sorts of disgusting vicious names.

Lincoln: So, Elias is finally on the move, is he? Good, now we can bust him and take him down.

Laney: We've already sent cameras to that lunatic's location.

Luna: Once he's busted, everyone's gonna be pissed at Elias Devereaux.

Selene Arcangela: (GROWLS) And he had the nerve to call us those disgusting vicious derogatory names?! That bastard, I'm gonna tear his throat out!

Nico: Elias or Sebastian's?

Selene Arcangela: Does it matter?! No one gets away with...!

Lincoln: You're right, Selene, he thinks he can call my harem whom I love those kinds of disgusting vicious and derogatory names and get away with it? He just got himself a one-way trip to the Nine Circles of Hell for that!

Nico: For sure, if anyone called my harem that, I'd give them the same treatment.

Me: Same here along with Naruto and Clyde.

Babs Bunny: I hope we stuff a bomb down his throat for that.

Plucky Duck: Or a crate full of dynamite.

Nico: Whoa! Whoa! Too much, you two. As much as you want to blow his brains out, stick to the plan Lincoln has: and that's the anti-Sebastian countermeasure, once we find him and rat out Elias, then, you guys clobber him.

Bugs Bunny: May I suggest using the mallet on him, bub?

Me: Or a frying pan to the face?

Nico: Those'll work, and there's also a rolling pin to the head as well.

Eli: I thought we stopped using it especially when he gets like that.

Me: Well, this one's made of titanium steel, and not even his claws are sharp enough to scratch it.

I got out a titanium steel rolling pin.

Lincoln: Whoa.

Caleb Maxwell: That's the same type of steel used for my head after that incident with Drake seven years ago that caused me to go to the hospital.

Cage Blunt: I had no idea about that.

Travis Tackett: Me neither.

James Blunt: Unfortunately, I found out about it when I asked some of my connections for medical records, and I was really stunned at the extent of injuries that he'd gotten from Drake before Caleb decided to kick his brother and father out: his body was basically a roadmap of physical abuse and violence. Caleb ran his body ragged trying to save his sister and mother from Drake's violence and the sheer extent of it shortened his lifespan to a dangerous degree.

Captain Whitten: That explains why he looked so pale and sickly by the time he was 20, he would've been dead by the time he turned 21.

Caleb Maxwell: But, it was Drake's shooting spree that ended my soon-to-be shortened life, and when the eight years passed and I came back, I was suddenly back in good health and the titanium plate in my head was removed, but more than that, when I looked at my reflection in a window, I saw that I was suddenly 18 again: the same age I was when Drake and Dad's secret was exposed.

Nico: Somehow, Lincoln's Dark Side Eternal Purification also had the effect of shaving two years off you along with bringing you back from the dead and restoring you to good health.

Lori: So, Lincoln's technique not only permanently separates someone from their dark side, but also brings back the dead, restores them to good health, and shaves off a couple of years. Wow.

Lincoln: I created one mega powerful purification technique.

Nico: But, it only affects those who are pure of heart. Nice.

Me: Yeah.

Nico: Hope we didn't disturb any of the dinosaurs here.

Me: No we didn't.

Nico: Good.

Lola: Yeah.

Me: Lets be glad that we prevented many things from happening in Jurassic Park.

Xenia: And that is Nedry sabotaging it.

Nico: I agree. Nice job Chimchar.

Chimchar: Thanks Nico.

Poromon: Want some beer?

Chimchar: Yes please.

Poromon: Here you go.

He gave one to him and he drank it.

Chimchar belched.

BARNEY GUMBLE BELCH!

Barney: Welcome to the drunk party. (BELCH)

He got drunk.

Poliwag: Sing the ABC's!

Chimchar: (SINGING AND BELCHING) ABCDJHJJTMSJHKWWMMWKKBEWF!

WE LAUGHED HYSTERICALLY!

I snapped him back to normal.

Nico: Oh, Chromastone, what do you like to do in your free time?

Chromastone: Haven't given it thought. But if I were to decide it would be help make awesome crystal attractions in museums.

Me: Cool.

Qin: Awesome.

Varie: I agree.

Nico: (to the Sentient Ultimates) You guys are welcome to be in the

Masters of Evil. But we may need your help later.

Sentient Ultimate Humungousaur: What for?

Nico: I think I know the main target we're facing later. So we might need some extra muscle in case things get messy. If you guys see P'andor and any villains with him, tell them we sent you.

Sentient Ultimate Humongousaur: We will.

Lola: Yeah.

Xenia: Yeah.

Me: Princess Celestia, I'm sorry about everything that Opaline did. But that's why we're trying to return Equestria to what it was before.

Princess Celestia (G5): I know.

Lola: If we run into the Together Tree that Opaline is trapped in, I got a few words to say to her.

Camie: She was sealed in there forever.

Me: That's right.

Sunny Starscout: I know where that tree is too.

Me: You'll have to lead us.

Nico: Good idea.

Sentient Ultimate Cannonbolt: We had a fun time, guys!

Me: Glad you all had fun.

Xenia: Yeah we love coming to Paleozoic World.

Nico: Yep.

Poromon: Oh guys we have an awesome surprise to show you.

Nico:…we'll prepare the bail money

Me: Nico!

Nico: What?

Poromon: It's not that kind of surprise. It's a surprise all of us will love.

Poliwag: Yeah!

Poromon: But first, we're going to Vegas!

Me: Ooh!

Lola: Nice!

Qin: Cool!

Poromon: The surprise is after Vegas.

Me: Oh.

Nico: We JUST discussed Vegas!

Me: That is funny! But yes we sure did.

Lola: Yeah!

KRAWHAP!

SQUIDWARD 2 WAS SCREAMING IN PAIN AS HE GOT HIT IN THE BUTT WITH A PADDLE!

Me: Oh that's a new game we're testing at Phoenix Land. Test Your Strength, Hitting Squidward Style.

Nico: I like it.

Me: Yep.

The mascots grinned at each other.

Xenia: Me and Varie will go with the Mascots.

Me: Okay.

Nico: Make sure they don't do anything bad.

Me: And arrest any criminals there too.

Varie: Will do.

Xenia: Awesome.

Camie: Yeah.

Lola: Great.

Me: Now for the Anothers.

Eli: (Concentrates) WHOA! We got Another Moonstone (Steven Universe), Sydney, Crazy Gem, Supergiant (X-Squad), Lego Dementors, Darklord Amdusc and Rex Shard

WE GASPED!

Sydney: Another Me!? WHOA!

Me: Wow! So Chromastone, Vika, Morphin Master Pink, Cadance Cadenza, Helena Brooks and Jesse Anderson are up.

Qin: Yep.

Camie: Cool.

Eli: I sense the Anothers minus Moonstone and Sydney are one person.

Me: Cool.

Nico: THERE THEY ARE!

We saw Another Crazy Gem, Supergiant (X-Squad), Lego Dementors, Darklord Amdusc and Rex Shard.

Me: WHOA! This will be good.

Another Crazy Gem: It sure will.

They merged and she reverted back and was the gene-slammer of Great Moth!

Nico: (GASP) Katydid Underwood!

Me: WOW! The gene-slammer of Great Moth.

Katydid: I know and it's awesome.

Me: Katydid's are beautiful and they look just like leaves which is cool. Wait your last name is Underwood then...

Katydid Underwood: Yep Weevil Underwood is my little brother.

WE GASPED!

Me: WHOA!

Xenia: Your little brother caused lots of problems to many of us.

Me: Yeah!

Katydid: I know. I apologize for all that he did. But I'm still trying to help him get back to his normal life.

Me: Well he redeemed himself thankfully. By the way is the Another Moonstone and Sydney friendly or hostile?

Katydid: Little bit of both. Mostly friendly. Hostile because she has hatred towards (Points to Marik) him.

Me: Uh oh.

Qin: I wonder why.

Laney: We'll find out.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: Now we wait.

Qin: Yep.

Me: We don't have to wait long!

we saw Another Moonstone and Sydney!

Me: WHOA!

Another Moonstone: (In a girls voice) YOU MAKE ME SICK MARIK!

She reverted back and it was the gene-slammer of Harpie Lady.

Mai Valentine: (GASP) SARI! It's you!

Sari Valentine: Mai!

She went and hugged her.

Me: She's the Harpie Lady Gene-slammer.

Xenia: You know her Mai?

Mai Valentine: She's my little sister.

Sari Valentine: I'm so happy you're okay. NOW I GOT TO KILL THIS MONSTER!

She unsheathed her sword and went at Marik!

Me: WHOA WAIT SARI! Why do you want to kill Marik?

Sari Valentine: WHY?! BECAUSE HE HURT MAI! HE DESTROYED HER MIND ENOUGH TO HURT HER AND GET HER BRAINWASHED BY DARTZ!

Me: Sari that was the evil inside Marik! His Yami side! He was the worst of them all! He did all that!

Nico: But he's gone for good!

Sari Valentine: NO HE ISN'T IS SAW HIM BEING SAVED BY ANTI-MONITOR!

WE GASPED!

Tea Gardner: Then he is still out there! We got tbe ready.

Me: Sari listen. I know Marik hurt Mai but let us worry about him later when the time comes.

Lola: YEAH!

Sari Valentine: Fine.

Me: It's fitting that you are the gene-slammer of Harpie Lady because that's Mai's signature monster.

Sari Valentine: It sure is.

Harpie Lady: I'm truly honored that you are my gene-slammer.

Sari Valentine: I know. Also I have crystal powers.

Moonstone (Steven Universe): It sure is cool and fitting.

Me: And who is your friend?

Another Sydney: I'm someone she knows.

She reverted back and it was a younger version of her.

Sydney: (GASP) Abigail!

She and Abigail hugged.

Me: Wow!

Nico: You two know each other?

Sydney: She's my younger sister. Someone I have been wanting to reunite with for a while.

Me: Wow! That is cool!

Camie: At least you are reunited.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sari Valentine: That's right. But I knew he was lying to me.

Me: He lied to everyone.

Sari Valentine: Yeah. But we ran out off there.

Me: Good.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you girls.

They used the powers of Moonstone (Steven Universe), Sydney, Crazy Gem, Supergiant (X-Squad), Lego Dementors, Darklord Amdusc and Rex Shard and blasted the Anothers.

Then Shining Firefly, Veena, Puppet King, Opavinia Monstrosity Regalis, Flinty Stone and Pahrak came.

Me: WHOA!

Nico: Nice team Shining Firefly!

Shining Firefly: Thanks Nico!

Stone: That means my team next!

Me: Yep it sure does!

Me: WHOA! Pipismon and BlackWarGreymon!

Nico: WOW!

BlackWarGreymon: (Kosovo Accent) This will be fun.

Nico: Arlinda Krasniqi! Wow!

She reverted back and was a girl with black hair, red eyes, blue and black clothes and had BlackWarGreymon on her skirt and shirt and had a new crest on her forehead and she had black angel wings and had Kosovo's coat of arms on her arm and had a blue digivice and had a blue sword.

Arlinda Krasniqi: Good to see you Nico. We got this one.

They fired waves of energy and blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Arlinda Krasniqi: Thanks Nico.

Me: Yeah! Wow you're one of Kosovo's Digidestined. I can tell because of the Coat of Arms of Kosovo on your arm.

Arlinda Krasniqi: That's right.

Me: Wow! That is cool! I remember reading about a terrible war that happened between Yugoslavia and Kosovo that lasted for 16 months. From February 28th, 1998 to June 11th, 1999 Yugoslavia and Kosovo and it was for Kosovo to be independent.

Nico: Yeah! That was terrible!

Qin: No kidding.

Me: Yeah. Now Yugoslavia doesn't exist anymore. It's now Serbia and Montenegro.

Nico: Yep.

Vika: Wow that is rough. Do you have a favorite memory of Nico?

Arlinda Krasniqi: I sure do. When me and Nico met and we battled a bunch of Mamemon in Pristina and it was fun.

Me: So not even Kosovo was safe from the International Digimon Skirmish.

Arlinda Krasniqi: Nope.

Vika: Wow.

Nico: Yep.

Nico and Arlinda hugged.

Nico: I've missed you.

Arlinda Krasniqi: Same here.

We went back home.

But, the really bad news is the criminal is actually a serial killer that Lincoln help the police bust a long time ago, his name is Antoine Babineaux, France's most notorious serial killer who'd murdered tens of innocent people throughout France and even in the United States when he escaped from French authorities, and Lincoln is going to find out Antoine has returned to France to kill the family we're going to meet. But, Lincoln's going to finish this once and for all by killing Antoine Babineaux and send his black soul straight to The Black Abyss forever.

Lincoln: Whoa, we're here in the world of the French cartoon Living with Dad, and I know what we're going to do here, not only am I going to rescue the fourteen girls here, but we're going to take on a career criminal coming after a father and his 4 daughters, ages 2, 8, 12 and 18.

Nico: I found the intel on them, the daughters' names are Bella, Roxane, Ondine and Pandora who goes by the nickname "Panda".

Me: This is going to be awesome, plus, we heard from the police the victims of this career criminal had their arms and legs sliced open and they bled to death from massive external bleeding, and their hearts were torn out of their chests and staked to their heads.

Eli: That's just sick.

Lincoln: Wait a second: arms and legs sliced open and bled to death from massive external bleeding and hearts torn out of their chests and staked to their heads?! Oh God, this is no ordinary career criminal we're dealing with, this is the work of an old enemy of mine!

Me: An old enemy of yours? Who is he?

Lincoln: None of you are going to like him, J.D., his name is Antoine Babineaux, and he's not just an ordinary career criminal, he's the most notorious serial killer in France who murdered hundreds of innocent people throughout France and the United States when he escaped from French authorities. I busted him two weeks before you moved to Michigan, J.D., and he was sentenced to death after he was convicted for his crimes.

WE GASPED!

Chromastone: I had no idea you stopped a notorious serial killer long ago.

Me: Wait, I remembered hearing about it, so that was you who stopped that psychopath, nice one.

Lincoln: But, before his death sentence could be carried out, he escaped from America. But, now I've found out he's back in France, and it looks like he's going to kill the family we're going to meet. But, I'm going to finish this once and for all by killing Antoine Babineaux and send his black soul straight to The Black Abyss forever.

Eli: We better hurry and stop that murderous son of a bitch before he tries to murder the family, but where could he be?

Suddenly, we felt a cold black chill in the air.

Me: Brr, did you guys feel that cold black icy chill in the air?!

Nico: We did.

Gohan: Oh no, that cold black icy chill in the air means one thing: Sebastian's here.

Lincoln: So, we've finally found him. Okay, now we got to stop him and bust Elias at the same time as well.

Then, Buster Bunny, Babs Bunny, Furrball, Plucky Duck, Shirley the Loon, Fifi La Fume, and the rest of the gang from Acme Acres arrived here.

Buster Bunny: So, Sebastian's here, we caught the cold black icy chill in the air, and now, we can put a stop to him.

Ace Bunny: I'm still surprised that you guys had fought against him and won especially since he had the enemies of The Z-Fighters fighting with him.

Buster Bunny: They may be powerful, but they can't be trusted, and neither can Sebastian, and we'd used their treachery to our advantage.

Nico: So, you guys used their treachery to the advantage along with Sebastian's bloodthirsty nature to win against him? Smart move. Alright, let's get going.

We eventually set out to meet the family and destroy Antoine Babineaux and send Sebastian who's been possessed by Elias Devereaux running back to The World Tree Estate after we bust Elias and expose him to the public.

We were flying over France, and there we saw the father and his 4 daughters, ages 2, 8, 12 and 18, Bella, Roxane, Ondine, and Pandora who goes by the nickname "Panda".

Lincoln: Ah, and there they are.

We landed.

Roxane: Team Loud Phoenix Storm, alright!

Nico: Yep, we made it right on time.

Pandora: I'm glad you all did. We got a criminal that's after us.

Me: We know, and this criminal is someone whom Lincoln had busted long ago: Antoine Babineaux.

Pandora: The most notorious serial killer in France?! Oh no.

Lincoln: Don't worry, we're going to get rid of him.

MYSTICAL MUSIC PLAYS

Suddenly, we saw a vampire flying in the skies and it left an amazing wave of darkness and vampire bats flying all across the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, red eyes and fangs, massive black angel wings, white short-sleeved blouse with a vampire on it and on her forehead, red sleeveless crop top, black skirt, black knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, blood, vampire bats, vampires, phoenixes, and angels on the coattails, and on the back is the vampire, she has a darkness greatsword, and with her are the fourteen girls.

Lincoln: (GASPS) Valerie Vampire, Avatar of The Vampires.

Valerie Vampire: That's right, and I got the girls away from Antoine Babineaux, and the bad news: I just spotted Sebastian who's possessed by Elias Devereaux.

Eli: It's time.

Lincoln: Yep. (Deep Sapphire Eyes turn red) Antoine Babineaux, prepare yourself, your murder spree ends here and now.

We headed out to confront Antoine Babineaux and destroy him and expose Elias Devereaux who's possessed Sebastian to the world. As we were flying, we saw a man with wild dark brown hair, black eyes full of hatred, and he was in an orange prison jumpsuit: it was Antoine Babineaux, France's most notorious serial killer, and we saw Sebastian who's been possessed by Elias Devereaux.

Lincoln: There they are.

Lincoln fired waves of blood and darkness which hit Antoine Babineaux and the possessed Sebastian, and that angered Antoine Babineaux and we landed.

Sebastian Mendez: Oh, guys, thank goodness you're here, now we can...!

But, we had our arms crossed.

Sebastian Mendez: Hey, what's wrong? Why are you looking at me like that?

Lincoln: The jig is up, Elias Devereaux, we know you're here and you're inside Sebastian.

Me: We didn't even suspect you'd be back after you got sent to The Black Gates until Lincoln's dream told us that you've returned last night.

Suddenly, Sebastian's midnight blue eyes turned demonic blood red and Elias Devereaux took hold.

Elias Devereaux: (GROWLS) So, you ratted me out! Damn you all! And it's all because of you that my chance to get rid of you all by resurrecting Barok the Nameless to send you all to the darkness had failed last night! I despise you for that, Lincoln Loud! You and your whores, sluts, and bitches!

But, what Elias Devereaux hadn't known was that Babs Bunny's cameras were recording the whole thing, and it was played to everyone across the world, and they were stunned.

Man: Oh man! Elias Devereaux's returned, and he's inside Sebastian.

Woman: I would've thought he'd be inside Darren Devereaux since he is his descendant, but I just remembered, he was kicked out and after he had his powers stripped from him on Mon Calamari, he was turned to stone and his soul was sent to Hell.

Man: That 20th century bastard, I hope they tear him apart! GO, TEAM LOUD PHOENIX STORM! SHOW THAT EVIL WARLOCK NO MERCY!

We were getting cheers and support from the people in the world and the universe, and that made our rainbow, white, and blue energy auras explode with such astronomical power and fury, and we gained a massive power boost from all corners of the universe, and that made Elias Devereaux scream in pain and agony as our power was really hurting him.

Antoine Babineaux: LINCOLN LOUD!

Antoine Babineaux charged at Lincoln with a knife, only for Lincoln to kick the knife out of the killer's hand and punch him hard in the face giving him a black eye and smashed some of his teeth out of his mouth. Then, Buster Bunny and the rest of the Tiny Toons pounced on the possessed Sebastian and they were fighting him like they did long ago.

Nico: Alright, while Buster and the others are fighting Sebastian, let's take care of Antoine once and for all.

Lincoln: Right. This is where it ends for you, Antoine.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

Antoine Babineaux: W-WHAT THE HELL?! WHAT ARE YOU!?

Lincoln: (Beastly Voice) Me? I'm your worst nightmare, and I'm not the same 11-year-old kid who had busted you, Antoine. Now, it's time for me to release the wolf!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Antoine Babineaux and proceeded to brutally smash him into the ground with his massive brute superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HIM! HE WAS REALLY GOING APESHIT ON HIS HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SCREAMS OF PAIN!

WE THEN SAW LINCOLN SLASHED HIM ON THE CHEST WITH HIS MASSIVE GREATSWORD AND HE LEFT BLEEDING SCARS ON HIS CHEST AND HE EVEN SLASHED OFF HIS CROTCH!

Me: WHOA! DAMN! NOW, THAT'S JUST BRUTAL!

Nico: Really brutal!

Nicole: That's only reserved for perverts, but he's a notorious murderer, so that also works as well.

Antoine Babineaux: (French Accent) YOU! YOU PIECE OF SHIT! YOU THINK YOU CAN GET AWAY WITH THIS?!

Lincoln: (Beastly Voice) You don't have any right to say anything at all, murderer. You murdered so many innocent people in France and the United States, and you don't care about anyone except for yourself, you're just like Gabriel Tinsley. You're the one who's not getting away with this, for what you've done, you've forfeited your miserable life!

LINCOLN SHOT HIM AN EXTREMELY DEATHLY GLARE AND THAT GLARE MADE ANTOINE BABINEAUX SO SCARED, HE SCREAMED IN FRIGHT AND PISSED HIS PANTS IN HORROR!

Me: Nice one.

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKER, YOU MESSED WITH THE WRONG MAN, YOU JUST BOUGHT YOURSELF A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, FUCKER!", "YOU EVIL BASTARD DESERVED TO GET BEATEN AND KILLED BY LINCOLN! SCREW YOU!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending death threats at Antoine Babineaux, and they are also really explicit!

We saw the explicit threats, and they were too graphic to even say!

Me: Wow. I didn't think they'd also put that kind of language in the posts as well.

Nico: Man, they really are going all out to say those threats to that dirtbag!

Lincoln shot him in the arms and legs, and he screamed in agony.

Lincoln: (Beastly Voice) Serves you right.

Buster Bunny: TAKE THIS!

POW!

BUSTER BUNNY THREW ONE FINAL PUNCH THAT HIT THE POSSESSED SEBASTIAN IN THE FACE AND HE FELL DOWN IN DEFEAT!

Buster Bunny: It's over, Elias Devereaux!

Buster Bunny tied the possessed Sebastian and beamed him back to his room, but he then had him chained to the wall of his room with Neutronium chains lined with rainbow, white, and blue energy.

Lincoln: (Beastly Voice) That was quick.

Babs Bunny: Elias didn't stand a chance. Now, all that's left is for you guys to get rid of this serial killer.

Buster Bunny: We'll report this back to the others. See you.

Buster and the others left to report this back to the others.

Lincoln: (Beastly Voice) (Smirks) You've run out of options, Antoine, and your ally, Elias Devereaux, is now back in chains. Now, all that's left is for us to get rid of you once and for all. Well, then, let's put an end to this once and for all.

Suddenly, the skies turned dark and the full moon was shining, and Lincoln's rainbow, white, and blue energy aura flared up extremely as he was growing even stronger, and we heard the wolves howling in the distance.

Me: This is it, the werewolf of justice is going to tear this monster apart.

Nico: This is going to be one bloody fight that'll end this serial killer apart.

Then, Lincoln swung his massive greatsword and fired a massive shower of blades of light, and they pierced Antoine Babineaux all over the place, and when the final blade of light hit his black heart, he exploded in pure light, and his dark soul was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) And that is the end for you, Antoine Babineaux. (ROARS AND HOWLS IN VICTORY)

Lincoln changed back.

Me: It looks like your unfinished business with Antoine Babineaux is finally done.

Lincoln: Yep. Now, France won't have to deal with him ever again. (To Valerie Vampire) And it's so good to see you again, Valerie.

Valerie Vampire: You too, Lincoln, it's been seven years since we last met.

Suddenly, Valerie Vampire had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Valerie Vampire was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered.

Valerie Vampire: Sorry about that, but it's so good to see you again,

Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Valerie Vampire and hugged her, and Valerie Vampire is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, he's also even more taller, more handsome, buffer, hunkier, and much more muscular, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Valerie Vampire: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Valerie Vampire, Avatar of The Vampires, she's Lincoln's Guardian Angel and she's known as The Dark Vampire Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Darcy is a powerful master of the powers of darkness, blood, vampire bats, and vampires, and she's also known for her incredible tactics in war and for being one of the most powerful vampire queens ever in ancient history. She lived during an age of darkness and she was said to have been born to a powerful ancient vampire clan in a long forgotten castle that ruled over parts of Romania, and over time, as she grew, she gained all of the incredible strengths and powers of the vampires along with immortality, but none of their weaknesses, and she'd fought to defend her family from the hatred and fear wrought on by the paranoia that humans had towards her clan, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, vampire bats, blood, and the powers of the vampires, and he also gained all of the incredible strengths and powers of the vampires and none of their weaknesses, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 vampires and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Valerie kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of the vampires.

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: And we all know the legends of the vampire all too well.

Lincoln: That's right, and we've dealt with many evil vampires before, and now that you're here, Valerie.

Lincoln with his massive muscular arms still wrapped around Valerie Vampire leaned his head down to the right side of Valerie Vampire's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Valerie Vampire: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valerie Vampire with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Valerie Vampire: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Valerie Vampire.

Valerie Vampire had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Valerie Vampire's waist, and he leaned down to her face and kissed her on the lips, and with Valerie Vampire's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Valerie Vampire had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Valerie Vampire: (In Heaven) My God. Oh, Lincoln, the thirteen girls I rescued are...

Travis Tackett: And that's our cue to go.

We left for The World Tree Estate leaving Lincoln, Nicole, and his harem, and they went up to the thirteen girls, and when Lincoln saw them, his nose wound up gushing out blood as he saw them, the thirteen girls are Ayame Amasaki, Kanna Miyanoue, Kasane

Lincoln: Oh whoa, it's Ayame Amasaki, Kanna Miyanoue, Kasane Sakura, Miru Yaezakura, Nazuna Satogami, Ren Ameria Matsunaga, and Yuri Satogami from Real Eroge Situation! and Arisu Hibari, Chikage Ootori, Nanako Nanamine, Nao Rindou, Nodoka Rindou, Rin Kujou, and Rino Tokitou from Real Eroge Situation! 2

Nicole: No wonder Travis and the others left for home, the girls here are beautiful and sexy.

Lincoln: And easy targets for perverts, and I'll smash them into the dirt. Are you girls okay?

Ayame Amasaki: Yes, we're okay thanks to you.

Then, when Ayame Amasaki and the other twelve girls saw who it was that saved him from Antoine Babineaux, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True

Ayame Amasaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ayame Amasaki: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayame Amasaki, Kanna Miyanoue, Kasane Sakura, Miru Yaezakura, Nazuna Satogami, Ren Ameria Matsunaga, Yuri Satogami, Arisu Hibari, Chikage Ootori, Nanako Nanamine, Nao Rindou, Nodoka Rindou, Rin Kujou, and Rino

Tokitou with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home, and we also welcomed Bella, Roxane, Ondine and Pandora and their father to our home.

Maria: J.D. told us everything, and I can't believe the villain you guys went after was the notorious serial killer, Antoine Babineaux, and an old enemy of yours, and Buster told us of the fight against the possessed Sebastian, and everyone absolutely despises Elias for what he's done.

Lincoln: I never thought I'd have to deal with Antoine Babineaux again, but now, he's finally gone for good.

Nico: Good riddance to that piece of shit.

Me: A murderer like him doesn't deserve to live ever again.

Eli: And now, Elias has been exposed, and he's still forever hated by everyone even after 100 years.

Selene Arcangela: It's a given though, all of New York despised that monster back in the 1920s, he'd kept his professional image clean and he did pass himself off as one of the richest businessmen in the world, but that was only a cover to the real Elias Devereaux: a demon-worshipping warlock who got into black magic and The Black Arts and has used his dark magic arts and curses to murder his rivals and cause misfortune to his enemies.

Nicholette Torrington: But, eventually, your ancestor, Angelico Arcangela, defeated Elias Devereaux, and she crushed his medallion: the symbol of his curse, and that led to him being dragged away to Hell forever.

Jackie Wren: But, that of course, led to him cursing his own family line, and throughout the decades, all members of the Devereaux line fell to the curse leading them to a life of crime that ends with the cursed victims dying, but the four of them: Antoine, Michelle, Logan, and Darren, were spared, so the curse skipped a generation. But, as we saw a year ago and before we went to Mon Calamari, the curse would eventually claim Darren and he'd wound up tainted by the family's curse, and while his good self, Darren Arcangela, is going to be reborn, Darren Devereaux would suffer the fate that befell his other cursed relatives: eternal damnation in the flames of Hell.

Bertha Sellington: That's a fate that befell those infected with a generational curse.

Lincoln: And a dark fate that's been foretold, Bertha.

After Lincoln and all of us viciously slaughtered Antoine Babineaux and sent him to The Black Abyss forever, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Valerie Vampire saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Valerie Vampire: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those

900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Valerie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Valerie Vampire: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Valerie Vampire: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Jack Howard got out another video.

Jack Howard: Alright, gang, this video I got here is from eight years ago and this takes place when Caleb was about to come home after finishing up something for a friend of his at the university that got him tied down, but of course, the sun went down, and he would have some trouble.

Jack Howard put the video in as it played on the big screen, and we saw Caleb Maxwell was outside at the canteen and he was finishing up something for a friend of his, but as soon as he was done, the sun has set.

Past Caleb Maxwell: Oh man, I was hoping it wouldn't take that long to finish up, but it did, and now, the sun's gone down.

Caleb Maxwell packed up his stuff and was about to leave, but then, he heard a noise coming from the science room, and he went inside to check it out.

Past Caleb Maxwell: Hello? Is anyone here?

Caleb Maxwell looked around, but there was nothing.

Past Caleb Maxwell: That's odd. I thought I heard something.

Suddenly, Caleb Maxwell's mark on his right arm started to react as he winced in pain and blood drops seeped out.

Past Caleb Maxwell: You've got to be fucking kidding. The chemistry lab.

Caleb Maxwell ran to the chemistry lab, and he saw two figures breaking into the fridge and getting out frozen bags of blood and draining them dry: it was Cage Blunt and Travis Tackett. Suddenly, they picked up on the scent of his blood.

Past Cage Blunt: (Smirks) Well, well, well, look who stayed behind while everyone left for home.

Past Travis Tackett: (Smirks) You should've left for home while you had the chance, Caleb.

Past Caleb Maxwell: Don't you dare think you two are getting away with this!

Past Travis Tackett: (Smirks) Bring it on.

Travis Tackett did a "Bring it on" gesture to Caleb Maxwell, but that pissed Caleb off.

Past Caleb Maxwell: Alright, that's it! Now, you're both going to get it!

Caleb Maxwell charged at Cage Blunt and Travis Tackett with his left fist raised, and he tried to punch Travis Tackett, but he missed, and then, he tried to sweep kick him and Cage Blunt, but they jumped and were in the air.

Past Cage Blunt: Tsk, tsk, tsk, don't you know the rule? No fighting in school.

Past Caleb Maxwell: You both better give up now! You're trapped!

Past Cage Blunt: (Smirks) Now, why would we do that?

Cage Blunt and Travis Tackett came back down and were laughing as they approached Caleb Maxwell who could only look in terror as they're about to attack him. But, everything went black in his mind, but he went into a blind rage and punched Cage Blunt in the stomach and he did the same to Travis Tackett, and he kept on attacking them like an animal!

Nico: Whoa! What the?!

Me: Damn, you attacked them in blind rage!

Caleb Maxwell: Not my best memory.

Caleb Maxwell continued attacking Cage Blunt and Travis Tackett, but then, he suddenly snapped back to reality, and he saw what he did to Cage Blunt and Travis Tackett: he punched them in the stomach and face really hard and his knuckles were really bloody.

Past Caleb Maxwell: W-what the?!

Caleb Maxwell was literally in such a panic, he grabbed his stuff and ran out of the chemistry lab and science lab and ran out of the campus. Back in the chemistry lab, Cage Blunt and Travis Tackett woke back up.

Past Cage Blunt: (Smirks) So, the kid has some fight in him. Well, then.

Cage Blunt grabbed the tape of the fight, then, he opened the window and he and Travis Tackett flew out and followed Caleb Maxwell who was still running out of there in a panic.

Past Caleb Maxwell: My God, I can't believe I did that. I'm gonna get in so much trouble for this, but these weren't students like me, they're vampires. But, does it matter? The university has a strict rule in no fighting!

But, unaware to Caleb Maxwell, Cage Blunt earlier after he and Travis Tackett woke up took the tape of the fight. Caleb Maxwell was already fast approaching home.

Past Caleb Maxwell: Okay, okay, I'm gonna make it! I'm gonna make it!

He made it back home and he got in and locked the front door, and he locked the windows as well as he sat on the living room couch.

Past Caleb Maxwell: I...I made it. I'm safe. (Remembers the events) Oh, but even if I'm safe, what'd happened just now, I'm gonna get in huge trouble. Fighting is strictly prohibited on the university and even if they were vampires, that policy is strictly enforced. Damn it, why did those two have to show up and at the university of all places?! Damn it.

Suddenly, Caleb's mark acted up yet again.

Past Caleb Maxwell: Agh! Damn it! Why can't you two just...?

Caleb Maxwell ran to the front door and opened it, and he went outside, but then, he turned around and he saw Cage Blunt and Travis Tackett on top of the roof and they landed in front of him as he'd slowly started to back up and went inside the house, but they followed him inside.

Past Caleb Maxwell: Can't you two just leave me alone?! Just this once!

Caleb Maxwell then raised his left fist and tried to punch Cage Blunt, but all the adrenaline he had before was gone, and Cage Blunt grabbed his left fist with his right hand and Travis Tackett grabbed his right arm and put him in an armlock.

Past Cage Blunt: That's enough of that. Now, we're gonna let go, and when we do, you need to take a deep breath and cool down. Got it?

Past Caleb Maxwell: (Growls) Fine.

They let go of his left fist and right arm, and Caleb Maxwell took a deep breath and cooled down. The two vampire cats sat on the couch, and Cage Blunt took out a video.

Past Cage Blunt: This is the video of our fight at the chemistry lab, we're going to destroy it since you care about your future and you don't want to lose everything and fall down the same road as your dad and brother.

Past Travis Tackett: Oh, and we got you some food to eat, you really don't look too good. Your skin's pale and you look like you're going to die.

Travis Tackett got out some food for Caleb Maxwell, and he was right: we saw that Caleb Maxwell was pale and he looked so weak, and they continued on with a more pleasant conversation as the video ended.

Nico: Well, that was something: a fight that began brutally ended with something more pleasant.

Lincoln: And Travis and James were right, you did look pale and so weak, you looked like you were going to die.

Caleb Maxwell: It was due to the extent of the injuries Drake dealt unto me, and like James said, my body was a roadmap of physical abuse and violence because I ran my body ragged trying to save Allie and Mom from Drake's violence and the sheer extent of his violence and abuse shortened my lifespan to a dangerous degree, plus I wasn't eating well, and Captain Whitten was the first to notice it, I looked so pale and sickly by the time I was 20, and by the time I turned 21, I would eventually die.

Me: That bastard, you should've reported him earlier.

Marlene Maxwell: I did tell him to report it to the police back when he was sixteen. But, Caleb knew it wouldn't do any good, Drake was too unpredictable, and he knew he'll get revenge on him, and it will possibly end in murder.

Caleb Maxwell: Which it did on October 31st.

Nico: Drake really is nothing more than a monster, but his death brought an end to a cycle of violence that your family had to deal with for years.

Caleb Maxwell: I would like to think it's true, but that cycle of violence was due to Dad's parents who tried to kill one of the vampires 40 years ago, and his scumbag relatives continued the cycle, and that continued on before and after I was born, along with Drake and Allie following later.

Marlene Maxwell: It was basically a curse that we've had to deal with, but with them gone along with Drake, that curse is finally gone for good.

Maria: You said it.

We got a shower, and then, Lincoln, Panda, Susie Miller, Isla, Flora, Marva, Ardbey, Fiona, Assie, Bonnie, Lorna, Mawina, Shona, Nora, Piesil, Shanath, Euspeth, Edme, Freya, Gilbartha, Gesha, Grizela, Innes, Dawntha, Cora, Davina, Kina, Oban, Bradana, Murdina, and Alana are heading to Sirena Beach.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

Plus, we found out Panda, Susie Miller, Isla, Flora, Marva, Ardbey, Fiona, Assie, Bonnie, Lorna, Mawina, Shona, Nora, Piesil, Shanath, Euspeth, Edme, Freya, Gilbartha, Gesha, Grizela, Innes, Dawntha, Cora, Davina, Kina, Oban, Bradana, Murdina, and Alana all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Isla: (Scottish Accent) Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Isla, and it's perfect for our first date, shall we?

Lincoln, Panda, Susie Miller, Isla, Flora, Marva, Ardbey, Fiona, Assie, Bonnie, Lorna, Mawina, Shona, Nora, Piesil, Shanath, Euspeth, Edme, Freya, Gilbartha, Gesha, Grizela, Innes, Dawntha, Cora, Davina, Kina, Oban, Bradana, Murdina, and Alana dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Panda, Susie Miller, Isla, Flora, Marva, Ardbey, Fiona, Assie, Bonnie, Lorna, Mawina, Shona, Nora, Piesil, Shanath, Euspeth, Edme, Freya, Gilbartha, Gesha, Grizela, Innes, Dawntha, Cora, Davina, Kina, Oban, Bradana, Murdina, and Alana got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Marva: (Swooning) (Scottish Accent) The wee lad whom we'd met seven years ago has now grown into a man and become even more of a true warrior, and to also find out he's also a descendant of Scottish royalty, truly amazing.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Panda, Susie Miller, Isla, Flora, Marva, Ardbey, Fiona, Assie, Bonnie, Lorna, Mawina, Shona, Nora, Piesil, Shanath, Euspeth, Edme, Freya, Gilbartha, Gesha, Grizela, Innes, Dawntha, Cora, Davina, Kina, Oban, Bradana, Murdina, and Alana and hugged them in their abnormally massive and powerful muscular arms, and Panda, Susie Miller, Isla, Flora, Marva, Ardbey, Fiona, Assie, Bonnie, Lorna, Mawina, Shona, Nora, Piesil, Shanath, Euspeth, Edme, Freya, Gilbartha, Gesha, Grizela, Innes, Dawntha, Cora, Davina, Kina, Oban, Bradana, Murdina, and Alana placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Panda, Susie Miller, Isla, Flora, Marva, Ardbey, Fiona, Assie, Bonnie, Lorna, Mawina, Shona, Nora, Piesil, Shanath, Euspeth, Edme, Freya, Gilbartha, Gesha, Grizela, Innes, Dawntha, Cora, Davina, Kina, Oban, Bradana, Murdina, and Alana and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, thirty Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Panda, Susie Miller, Isla, Flora, Marva, Ardbey, Fiona, Assie, Bonnie, Lorna, Mawina, Shona, Nora, Piesil, Shanath, Euspeth, Edme, Freya, Gilbartha, Gesha, Grizela, Innes, Dawntha, Cora, Davina, Kina, Oban, Bradana, Murdina, and Alana on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Panda, Susie Miller, Isla, Flora, Marva, Ardbey, Fiona, Assie, Bonnie, Lorna, Mawina, Shona, Nora, Piesil, Shanath, Euspeth, Edme, Freya, Gilbartha, Gesha, Grizela, Innes, Dawntha, Cora, Davina, Kina, Oban, Bradana, Murdina, and Alana are in your harem, Linky.

Panda, Susie Miller, Isla, Flora, Marva, Ardbey, Fiona, Assie, Bonnie, Lorna, Mawina, Shona, Nora, Piesil, Shanath, Euspeth, Edme, Freya, Gilbartha, Gesha, Grizela, Innes, Dawntha, Cora, Davina, Kina, Oban, Bradana, Murdina, and Alana showed the marks Lincoln made on the right sides of their necks.

Girl Jordan: We knew Susie also had feelings for Lincoln, and Panda joined as well after we got rid of Antoine Babineaux.

Me: And The Scotsman's daughters have also joined his harem too. I knew they were impressed by his skills and strength when we began our journey in the days of The Brave 12, now eight years later, they're now part of his harem.

Jenna: You guys had no trouble at all.

Marva: (Scottish Accent) Not at all, lass, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nco: Lake Kingdom for another round.

Qin: Cool!

Nico: Who wants to come with me?

Chris Taylor: Me, Qin and Captain America will go with.

Me: Cool! Me too.

Isaribi: I'll go too.

Me: Okay.

We went into the simulator and it activated and we were in Lake Kingdom!

Me: Here we are.

Qin: Wow! Lake Kingdom.

Isaribi: It sure is beautiful. Perfect for me because of my abilities.

Nico: It sure is.

Nicole: You guys are gonna be shocked facing the next baddie.

Nico: Which is?

Lincoln: I had a premonition and it was Isaribi's Akuma, Oceanlion. The Hypothetical Akuma of Isaribi and a master of water, oceans and all the fish. She was made because of the atrocities of Amachi and vowed to kill him and make him pay for his crimes against nature and send him off to Hell.

WE GASPED!

Lincoln came in and showed us a picture of her and she looked like a blue hair lionfish mermaid and had blue angel wings.

Me: Wow! She looks amazing.

Isaribi: Wow my Akuma is amazing and beautiful. And fitting for me too because of my powers.

Me: Amachi is a fucked up asshole! If we face him in the future he will pay for his crimes.

Chris: Captain America, D Smash!

He summoned Captain America of his world!

Captain America: Avengers Assemble!

Me: YEAH!

Captain America: Let go!

Me: Better get my gameface on! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON! 🌙!

Me: (HOWLS)

Nico: Yeah!

We went to find her.

Me: Look!

We saw OCEANLION!

Me: Wow!

We went over.

Oceanlion: So you all made it.

Me: We sure did.

Isaribi: Wow! I look awesome and amazing as a lionfish mermaid.

Oceanlion: Thanks.

Nico: Remind me again what Amachi did.

Me: He was one of Orochimaru's fuckbuddies. He was a mad scientist that specialized in making ninja that can live, breath and fight underwater. They had all the skills and powers of fish. This was his work.

I showed a hologram of Amachi in his fish monster form and it was ugly and horrible.

Nico: I see.

Me: Yeah. It was all part fo a massive piracy operation. We were sent to the Land of the Sea in 150,000 years and brought down Amachi and his entire operation. We arrested him and sent him to prison and Isaribi was made an honorary member of the Knights of the New Fire.

Isaribi: It's true.

Me: Yep.

Oceanlion: I remember that.

Me: Yeah that was really crazy mission.

Nico: Was Amachi going to cure her?

Me: No. He double-crossed her. He only kept her alive just to dissect her. That motherfucking fishfaced freak!

Nico: That fucking son of a bitch!

Lincoln: What a dirtbag.

Me: Yeah! I swore that if I ever came across him again I would kill him and banish him to the Black Abyss.

Nico: I agree with you!

Oceanlion: I'm glad you do.

Qin: What a monster!

Chris Taylor: Yeah!

Nico: But now, we need you to calm down.

Me: Not that it will help stop you.

Oceanlion: I'm afraid not.

Me: Then you leave us no choice.

I fired waves of blue fire and she fired waves of water and the blasts collided and massive steam clouds blasted out.

I fired more waves of blue fire and blasted her all over.

Disk Wars Cap: Shield Throw!

He threw his shield and bashed her.

Me: Nice one!

Qin, Lincoln and Isaribi fired waves of lightning, ice and water and blasted her all over.

But then there was a roar and we looked up and saw ETERNATUS!

Me: WHOA! Eternatus!

Lori: I think I literally know her

Me: Really?

Lori: Lets see.

She used telepathy and gasped!

Lori: That's Malachite Arcana the Benevolent!

WE GASPED!

Me: Wait is she?

Lori: She is literally the Twin Sister of Opaline Arcana!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Poliwag: You need to stop doing that!

Me: That's what I keep trying to tell him!

Nico put his skeleton back.

Nico: I hate it when that happens. But that is shocking!

Lori: She is literally the polar opposite of Opaline.

Maria: We better help her.

Lori and Maria came in.

Me: We'll be right back Isaribi.

Oceanlion: Okay.

Me, Lori and Maria went to face her.

Lori: Malachite! It's literally me Lori!

All she did was fire an energy beam

I punched the beam and deflected it and she dodged it and it hit the ground far away and then...

MASSIVE AND INCREDIBLY POWERFUL EXPLOSION OF AMAZING POWER!

A HUGE MUSHROOM CLOUD COULD BE SEEN FOR MILES!

Me: WHOA!

Maria: WOW! What power!

Me: Yeah! Lets get her!

We fired waves of wind, water and energy and blasted her all over.

She roared.

I blasted her and then snapped my fingers and she reverted back and was a girl with green hair, blue eyes and had green angel wings and had Eternatus in he middle of her forehead and had a double green version of Opaline's cutie mark on her arm.

Me and Lori caught her and wrapped her in a blanket.

Me: WOW!

Lori: That was literally close.

She woke up.

Lori: Malachite are you okay?

Malachite Arcana: Lori? Lori! It's you!

She hugged her.

Lori: I'm literally so glad you're okay.

Malachite Arcana: Me too.

Me: You were turned into an Eternatus because of Dark Gale.

Malachite Arcana: (GASP) I remember!

FLASHBACK!

She was in a green suit and injected and she busted out and turned into ETERNATUS! She flew out and blasted the entire lair into dust! Thankfully she didn't hit her team. But she flew out of there.

FLASHBACK ENDS

Malachite Arcana: That was awful.

Me: Well we're going to kill Dark Gale soon.

Maria: Lets get you some new clothes though and we have a lot to talk about after we're done here.

Maria dressed her and she was in a green outfit and had a Wolf Moon symbol on her sleave.

Malachite Arcana: Wow! I look great!

Me: You sure do.

We went to face Oceanlion again.

Me: Sorry about that. Long story.

Oceanlion: I understand.

Nico: (gets out Universe 666 Omega and Moonstone's Ridewatches) Time for Maverick and Gem power!

He activated them and fired waves of energy and blasted her.

Malachite Arcana: Like old times Lori?

Lori: You know it.

Lori and Malachite: CRYSTAL WIND BEAUTY BLAST!

They fired waves of malachite crystal and wind and blasted her all over the place.

We all then fired waves of energy and blasted her all over.

Me: YEAH!

We won! We high five!

Nico: How did you meet Lori?

Malachite Arcana: I'm one of her golfing buddies and I helped Lori become an amazing and good golfer.

Lori: She literally calls me a female Tiger Woods. She got me into the Womens Amateur at Augusta in Georgia and it was literally an honor to be there.

Me: Wow! Augusta is an amazing course. But it's super, super private. You have to be invited to participate there.

Lori: Yep.

Nico: Wow!

Malachite Arcana: Yep. Me and Lori won the Augusta Women's Amateur there.

Laney: I remember seeing that on TV. That was so cool and I was so happy for Lori.

Lincoln: Same here. That was awesome to watch.

Nico: Wow! That is cool!

Me: But what shocks us is that your sister was Opaline Arcana.

Malachite Arcana: I know. But let me tell you what happened that lead her to becoming the way she did.

Me: She was pure evil incarnate.

Nico: Yeah and we killed her.

Malachite Arcana: Not the one from Sunny's time. That is the one that I know and she was sealed inside her own Together Tree for eternity. Let me explain my story. It was many eons ago in Skyros. Around 2,000 years ago. My sister was not very well liked amongst my fellow Alicorns. But I was very good friends with Celestia and Luna as well as Cadance. We were very much like sisters. But I loved my sister Opaline too. She and I got along great. We loved each other. When Opaline tried to befriend Celestia and Luna. They turned her down as I'm sure you know. After that something changed in her. She became dark and evil and wanted nothing more to do with me. I tried to help her regain her senses but no luck. She turned into this monster. I didn't recognize her anymore. She did so many horrible things. She tried everything she could to destroy Equestria. But then I heard about how she faced Twilight Sparkle and destroyed everything she accomplished and tore all of friendship apart and then 1,000 years later Sunny Starscout and her friends defeated her and sealed her inside her own together tree for eternity. Then I heard about how you guys killed her in this universe. I'm so sorry about what she did. But I know that there is still hope for my sister. I still love her even though she did terrible things. I know there is still good in her. Let me try to reach out to her.

Me: Malachite.

But then my eyes glowed.

The Spirit of Harmony came to me.

Me: Okay Malachite. I know we can try to redeem her. The Spirit of Harmony told me to try to help her.

Nico: Okay we'll trust the Spirit. And your role in Sonya's team?

Malachite Arcana: I am the Pyromancer and Magic Master of the team and use magic to bring down my enemies.

Me: Cool!

Malachite Arcana: And I am a historian on the history of Skyros.

Me: Wow! Skyros is back to what it was before. And we have it in orbit around the estate.

Malachite Arcana: Wow! It'll be awesome to see it again.

We left and everyone cheered for us.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Amanda Excarion: I'm going with you guys too. So you guys don't go to jail!

Poromon: Okay.

Me: Be careful guys.

Poromon: We will.

They were off.

Nico: J.D., be careful.

Me: Right.

Indiana Jones: J.D., how about I go with you?

Me: Well okay Indiana.

Me, Indiana Jones, Malachite, Sunny Starscout and Princess Celestia and Luna were off to the site of Opaline's Together Tree.

We arrived at the Together Tree in the ruins of Opaline's Castle. But it was not in the Kamchatka Peninsula, it was outside of Manehatten.

Me: This it?

Malachite Arcana: Yep.

Me: I definitely sense her in there.

Indiana Jones: Wow.

Malachite went over to the tree and put her hand on the tree.

Malachite Arcana: Opaline? Can you hear me? It's me Malachite.

Opaline: (Muffled) GO AWAY MALACHITE! I told you that I don't want anything more to do with you! I can never forgive that wretched Earth Pony for ruining me!

Malachite Arcana: Sister listen! This has gone on long enough! For over 2,000 years you have done terrible crimes against Equestria! And I am not going to let you go down this path anymore! Opaline what happened to the sweet and loving girl that I remember all those eons ago? What happened to the very kind and giving Alicorn that I used to love and would always support more than anyone!?

Opaline: You don't understand! I wanted power to make Alicorns superior!

Malachite Arcana: That's not a good enough reason! Power is one thing! But Friendship is another! I know there is still good in you Opaline. You just forgot your true self! This is not who you are! You are NOT THIS MONSTER! You are my sister! You are a good person! I love you! I will never give up on you and I never will let you go down this terrible path again!

Opaline then realized that she was such a fool! She was then realizing that she did all kinds of HORRIBLE THINGS just to slake her own selfish and evil ways! She couldn't believe she did all that and was a heartless and evil monster. She then did something we never saw her do. SHE CRIED HARD! HER HEART OF STONE WAS BROUGHT BACK INTO THE LIGHT!

She broke down crying and wailing hard.

Opaline: (Crying) I am such a fool! I WAS AN IDIOT! OH SISTER I AM SO SORRY! I HATE MYSELF! I CAN NEVER FORGIVE MYSELF FOR EVERYTHING I DID! OH MALACHITE I AM SO SORRY!

Indiana Jones: Just to let you know, we had a... talk with Constantine and Diesel 10.

Me: It's true.

Sunny Starscout: Opaline there is one thing I am going to do. I forgive you.

Malachite Arcana: I forgive you too.

The tree glowed and it opened and out came Opaline who was crying hard and Malachite hugged her.

Opaline: I'm so sorry sister!

Malachite Arcana: It's okay sister. I forgive you.

Princess Celestia: Opaline I'm sorry too. We should have given you a chance all those years ago.

Princess Luna: But now we CAN do so like we should have done.

They became her friends too.

Same with Sunny.

I did too.

Opaline was crying really hard and she was really in shock and guilt about all the atrocities that she committed.

Me: Oh man.

Malachite Arcana: Just let it all out sister. I'm here for you.

Princess Celestia: Me too.

Poromon: Here we are in Vegas!

Varie: Good ol' Sin Sity.

Xenia: Yep.

They went to the Venetian.

Poliwag: I always love coming here

Xenia: It's fun.

Varie: It sure is.

Poliwag: Yeah!

They got to gambling.

They won LOTS AND LOTS OF MONEY!

French Narrator: (French Accent) 6 Hours Later

The Mascots came back earlier and then got to work on an amazing project and got it done fast. They had us blindfolded and brought us to Phoenix Land.

Poromon: TADAH!

They took off the Blindfolds and we gasped!

Ironbison: WHAT THE HELL!?

We saw PHOENIX LAND MADE MORE ADVANCED AND MORE AMAZING THAN EVER BEFORE! IT WAS INCREDIBLE!

Poromon: This is NEO PHOENIX LAND! It's like Euro-Reptarland on steroids.

The mascots showed us around. It was more amazing than ever and it has bigger rides, bigger games, bigger food stands and more and even has a casino for the adults and a massive all you can eat buffet with foods from all over the world. Think of it as EuroReptarland on steroids. There's even game where you throw rotten fruit, vegetables and rotten eggs at people dressed like many of our enemies that we hate. Also the hotel there is shaped like fire and that is cool and also the rooms are all like penthouse suites and it's fun.

WE WERE ABSOLUTELY IN AWE!

Poromon: We won billions of dollars in Vegas and used our winnings to do all this to Phoenix Land to make it more fun than ever.

G1 Lightspeed: WHOA! This is amazing!

Lola: WOW!

Varie: This is amazing! Well done guys!

Nico: WOW! I'll say!

Malachite Arcana: I agree! Wow! Well done guys!

Poromon: Thanks.

Top Man: We should visit the upgraded version in the future.

Me: Good idea. Wow! Poromon you and the mascots did a great job.

Poromon: Thanks! It was fun. Oh did you guys redeem Opaline from Sunny's world?

Me: We sure did. All it took was a little talk from her sister and the princesses. After 2,000 years Opaline has the one thing in the world she couldn't live without: Friendship.

Nico: Thank goodness.

Me: Yeah.

Twilight Sparkle: I didn't think someone like her could be reformed. That was amazingly well done J.D.

Me: Thanks Twilight.

Sunny Starscout: Yeah that was awesome.

Me: It sure was.

Nico: Now all we need is to fight her minions that worked for her before. Oh, and I forgot we fought Lars too

Me: Yep. That's true.

Qin: Yeah.

Lola: Yeah.

Camie: That is true.

Zarya Moonwolf: Necrafa was amongst them.

Me: And I promised that I would save her from herself.

Nico: We just need to fight her on a rescue

Me: Right I forgot about the Mysticons having their Ambassador Mission enemies from back then.

Qin: Yeah.

Nico: Yeah sorry. But it was a nice try.

Lola: Yeah.

We later went back home.

We were watching TV

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: to our anger, it was none other than The Fold, they've returned from the dead, and they want revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think I we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than The Fold, they've returned from the dead, and they want revenge on us.

WE GASPED!

Qin: WHAT?!

May: ARE YOU KIDDING ME?!

Sydney: So, The Fold's returned. That's it, this time, we're going to destroy those nanomachines forever.

Lincoln: And I've got another idea: we'll have the fight filmed, and the fight will be shown to the Ultimate Alliance version of Maria Hill.

Nico: That'll make that bitch go mad with rage and show her what for, and it'll make her swear like mad. I like that idea.

Me: Same here. You have no idea of how pissed I still am at that bitch.

Nico: She may be in prison, but that doesn't mean we can still have fun by pissing her off. Let's get some cameras ready to film the fight, but first, where are they at, Lincoln?

Lincoln: The Fold's back in New York.

Me: Where it all began long ago.

Nico: And where it'll end for good. Alright, let's get going to New York, this is the last time we ever have to deal with The Fold.

Lincoln: The Fold's time is up, we'll make sure those nanomachines are destroyed forever.

The Previous Group came.

Avalanche: Can me, P'andor, Man Ray, Kitty, Tar Pit, Moonstone, Kyd Wykkyd, Tri-Klops, Enchantress and Bizarro go with you guys?

Nico: Yes you all can come with.

Avalanche: Awesome! We heard you guys brought back Opaline from Sunny's world.

Malachite Arcana: Because it was from me. I asked them to because she is my sister and I love her. I got 2,000 years of redemption to help her with.

Camie: Yeah.

Avalanche: I can tell but I know you can help her.

Lola: Yeah.

Me: I have a feeling that Nitro will be there to so I am going to unleash hell on him for that Kamikaze stunt he did that killed 600 people!

Nico: Good for you!

Misfire: Boss, which Gene Slammer do you think you'll meet next?

Nico: Poromon will like this one! A gene-slammer of him.

Poromon: A gene-slammer of me!? Wow! I like it already!

Me: I knew you would like that!

Nico: Me too!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Carly Sanders, the next of Billie Muldoon's thugs, and she's coming after us for revenge. When we saw it, we knew it meant trouble.

Lincoln: So, you're now on the move, Carly.

Me: Carly Sanders is on the move, Lincoln?

Lincoln: You got it. After what we did to Damian Phillips yesterday, it's pissed off Billie Muldoon badly.

Adele Douglas: So, now she's sent Carly Sanders after us. Okay then, time to show that flat-chested dumb bitch what for.

Nico: Hope you two really make her suffer big time. Alright, team, let's go, this is the last time we ever have to deal with The Fold.

Lincoln: This time, those nanomachines are going to be destroyed forever, and once we get done with them, you're next, Carly Sanders.

Adele Douglas: I can't believe that you and those other dirt-filled piles of garbage have come back after finding out that Billie Muldoon has come back from The Black Gates. Well, too bad for her, her little scheme of revenge against Leni and all of Team Loud Phoenix

Storm's about to be ground into dust, and I'm gonna start by getting rid of you, Carly Sanders.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to New York to deal with The Fold and send those nanomachines to The Black Abyss for good, and once we destroy them, Lincoln and Adele Douglas, Bikini Babe of Water, are going to destroy Carly Sanders, the second of the minions of Belle Muldoon's insane evil sister, Billie Muldoon, and send her straight to The Black Abyss to piss Billie Muldoon off!

We were off to New York City.

We arrived in New York City.

Me: Here we are guys.

Qin: New York City.

Pumbaa: The City that Never Sleeps!

Xenia: Yep.

Lola: Always fun to come here.

Camie: It sure is.

Man Ray: We should call Trap Jaw

Me: Good idea.

Trap Jaw came.

Trap Jaw: I'm here guys!

Me: Awesome.

Clown Man: Let's also invite the Sentient Ultimates to the party.

Nico: Way ahead of you on that.

Nico called them and they came.

Me: Awesome!

Sentient Ultimate Big Chill: We're here and ready.

Xenia: Cool!

Moonstone: Those asses have nerve enslaving that version of me!

Me: You got that right!

Lola: Same with Molten Man and many more!

Me: What really pisses me off is seeing Nitro blow himself up and kill all those innocent people!

Camie: Yeah! That was horrible!

Sydney: I'll never forget seeing that!

Me: Yeah me too! He was responible for starting that whole shitstorm!

UA Wolverine: I'll let you know when those dirtbags are close.

Me: Thanks Logan.

Thrust: Rex, I hope you have your nanites ready. We're gonna need them!

Rex Salazar: Good idea! Have me cure them by getting rid of all of their nanites.

Me: I like that idea. Your EVO powers will be perfect for this.

Nico: Yeah no kidding.

Tri Klops: I honestly like that you're with us now, Trap Jaw

Trap Jaw: Thanks Tri-Klops.

Ace Ukiyo: Did Nitro really blow himself up like that in his universe?

Me: Oh yeah he sure did Ace. It was horrible. I'll never forget seeing that.

An image of what I saw from back then showed in my eye and it was intense.

Charge Man: That got the SRA passed

Qin: Yeah.

Lola: And plunged that world into darkness.

Camie: Yeah no kidding.

Me: A lot of shit hit the fan back then.

Xenia: Yuck.

Varie: Yep.

Bizarro: It all wasn't horrible

Me: It wasn't.

But then we saw a man come and he looked like he was in a state of utter horror and fear.

Me: Sir what's wrong?

Man: (CRAZY SCREAMING)

He grabbed me and was shaking in horror!

Me: Sir what's the fucking matter with you!?

SLAP!

Nico slapped him.

Me: Jeez! It's like he saw something that was horrifying!

Camie: Yeah!

Me: Sir?

Man: I saw a horrible moth creature! It was horrible!

Lincoln then gasped!

Lincoln: OH MAN! So that's why he went insane! He encountered Sydney's Akuma. Her name is Horrormoth! The Hypothetical Akuma of Sydney Burlington and a monster out of your worst nightmares. She has the power to bring your nightmares to life and make people go insane! She also can fire powerful laser blasts from her piercing red eyes. She was made because of the Shredder turning her into a monster and she vowed to find The Shredder and kill him and make him pay for his crimes

WE GASPED IN SHOCK!

He showed us a sketch of her and we saw that she looked like the Legendary Mothman and it was scary!

Me: WHOA! That is scary!

Zak: Like the Mothman!

Camie: Horrifying!

Varie: Whoa! And he can bring your worst nightmares to life and make you go insane!? That is horrible!

Tengu Man: Geez!

Qin: Yeah!

Camie: Yikes!

Me: That son of a motherfucking bitch Shredder!

Leo 2003: Yeah what a monster!

Qin: No kidding!

Me: If we meet the Utrom Shredder and Tengu Shredder again they are DEFINITELY getting the Black Abyss for sure.

Lola: Yeah!

Enchantress: Don't forget Cyber Shredder

Me: Him too.

Lola: Yeah!

Eli: Here she comes!

We saw a scary figure come with PIERCING RED EYES and it was HORRORMOTH!

WE GASPED!

Me: WHOA MAN!

Horrormoth: So you are all here.

Trap Jaw: Sydney? My god is that you?

Horrormoth: Yes it's me.

Me: Wow! You look amazing and scary as an Akuma that is like the legendary Mothman.

Horrormoth: I sure do.

Zak: This is very reminiscent to how me and my family first met you guys.

Me: It sure is.

Horrormoth: That sure is coincidental.

Qin: Yeah.

Edward: You know you scared someone, right?

Horrormoth: I know. But he was not my intended target.

Me: Sorry to disappoint you but the Shredder is my target. I will kill all of them.

Horrormoth: I know how the Shredder affected you J.D.

Kyd Wykkyd: You need to calm the fuck down!

Horrormoth: Not until I kill the Shredder.

Me: Sorry but I already called dibs on him.

Horrormoth: Then how about this?

Lincoln then saw HIS WORST NIGHTMARE COME TO LIFE! He was in the crazy dimension where the whole place was changing all over the place in a horrific manner and all of his family was naked and sinking in quicksand and Lincoln was too scared to do anything about it and the whole dimension was changing shape and showing all kinds of horrible shapes and terrain.

LINCOLN SCREAMED IN SHOCK AND HORROR AND HE BROKE DOWN CRYING!

I fired energy blasts and blasted her.

She then fired red laser blasts from her eyes and we dodged them.

Trap Jaw charged at her and bashed her all over.

Horrormoth: My turn!

I formed a wall of adamantium and she fired a wave of acid from her mouth and it dissolved a huge hole through it.

Me: WHOA MAN!

Eli: THAT is insanely lethal acid!

Me: Strong enough even to dissolve adamantium!

UA Wolverine: Better keep my distance then!

Me: Yeah!

I fired waves of energy and blasted Horrormoth and knocked her out.

Qin: That did it.

Anna Anyanova: Linky it's okay. It's okay.

Lincoln was crying hard.

Ground Man: Think it also could've gotten past our immortality?

Me: I don't know but man that was awful.

Nico: Lincoln really got hit hard.

Qin: Yeah.

Natilee: It's that nightmare he had when he was eating his dad's food.

Me: The Quicksand Dimension nightmare! That one scared him horribly.

Tar Pit: How'd he have that?!

Me: He ate some of his dads leftovers for midnight snacks and got terrible nightmares from it.

Nico: I remember that! Geez! That was back when we first met Johnny Test.

Qin: Whoa!

Johnny Test: Yeah Lincoln was scared out of his mind and had to take the day off from that.

Android 21: That's what happens when you eat bad food

Me: What can I say? His family loves their dad's cooking.

Nico: Too true.

Malachite Arcana: Yeah. Poor Lincoln.

Anna Anyanova: It's okay Linky. It's okay.

They hugged him as he was crying.

Nico: Oh man.

Me: Lincoln it's gonna be okay. It's gonna be okay.

Lincoln: (Crying) That was scary!

Me: It was. I know. What Horrormoth did in making you live that was low.

Kitty: But then again, we know why she became that

Me: Yeah the Shredder.

Qin: Yep.

But then Lincoln's stomach grumbled and then a black smoke figure came out of his bellybutton!

Me: WHAT IN THE NINE FUCKING LEVELS OF HELL!?

Lincoln's Fear Feaster: (LAUGHS) YOU ARE PATHETIC LINCOLN LOUD! You can't even live through your own fears of a pathetic nightmare. You are just as worthless as your sisters are.

Lincoln: Wait who are you!?

Finn: OH MAN! That's a Fear Feaster!

Nico: A What?!

Finn: A Fear Feaster! They are evil spirits that torment you by hurting you with your own fears. I went through one of these myself! I was scared of the ocean.

Me: Oh man!

Finn: Yeah! It was not fun.

He went over what they were

The Fear Feaster is an evil spirit that is fear incarnate and the main antagonist of the Adventure Time episode "Ocean of Fear".

He was voiced by Mark Hamill.

He first introduces himself as the manifestation of Finn's fear, but Finn and the Three Wise Men later call him the Fear Feaster. He appears to live inside Finn's stomach and emerges from his bellybutton when Finn realizes that he is afraid of the ocean. He mentions repeatedly that he hates this arrangement, as Finn's guts aren't very pleasant. The Fear Feaster is defeated when the Three Wise Men—who appear to be similar kinds of entities—emerge from Finn's belly and convince him that he is still a hero. After his defeat, the Fear Feaster is banished back into the depths of Finn's guts. Finn said to the Fear Feaster, "Everybody has a flaw, and it looks like yours is smelling like my nasty guts."

Fear Feaster makes a brief appearance in "King Worm" unlocking a chest that contains Finn's deepest gut fears in order for him to defeat King Worm.

We were shocked!

Brittney: Oh man!

Brittney looked it up in her book of Supernatural Creatures and found it.

Brittney: Here it is! Look!

She showed a picture of it.

Me: WHOA! Ugly creature!

Nico: I get it now! This monster was inside Lincoln when he had that nightmare and it laid dorment!

Me: Horrormoth making him live that nightmare again awoken it!

Nico: Yeah!

Kitty: This is crazy!

Me: Yeah!

Fear Feister: HE WILL NEVER BE A GREAT HERO!

Me: SHUT YOUR FUCKING TRAP YOU DISGUSTING SMOKEFACE! You don't know anything about Lincoln! He is a strong and courageous guy that I have known for 7 years and he is amazing and a billion times more awesome than you! And as long as he has his friends to help him then you can't touch him!

Nico: YEAH!

All of us: YEAH!

UA Wolverine retracted all but his middle claws, giving them the appearance of middle fingers as he pointed them at the monster

UA Wolverine: That is true! SO FUCK OFF!

Me: YEAH!

I fired a wave of light and banished him to a darkness void in the M.O.E. Prison.

Kitty: You banished him to the Darkness World Prison we built. It's a prison for spirits that we made in the M.O.E. Prison.

Me: That is cool Kitty.

Lincoln: Thank you guys! Thank you.

Nico: No problemo

Hitch Trailblazer: He'll be a perfect archenemy for the critters.

Qin: Good idea Hitch.

Me: Yeah the Raccoonicorns will love that.

Nico: Now we need to go after the Fold.

Eli: I sense them coming.

Me: Where?

Eli: In Central Park!

Nico: Lets go!

Marie: ENTRANCE TIME!

We went to Central Park.

The Fold were waiting and then the spirits of the Marvel heroes and villains appeared and then swirled around it and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above it and a Phoenix Cry was heard! We came out and landed.

Me: Hello Fold!

He had Nitro with him!

Me: Robert Hunter A.K.A. Nitro! Just the man I wanted to meet. I got a score to settle with you for the Kamikaze stunt that you pulled that killed over 600 people!

UA Nitro: You think you can...

POW!

I punched him in his face and sent him crashing into a tree! He got up and fired energy blasts and I fired energy blasts and the blasts collided and exploded all over.

KRABBBBBOOOOOOOOOMMM! KRABBBBBOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOMMMMM!
KRABBBBOOOOOOOOOMMMM!

Massive fiery explosions were blasting off all over the place!

I jumped back and he came back.

P'andor: (Russian Accent) It doesn't matter if you have Nitro with you. You're still alone.

UA Fury: Oh, we're not alone. You're forgetting that we still have the nanites the Tinkerer from our world put into us. That means we can draw in the powers of ANYONE that we got in our collective, cured or not.

UA Nitro: Now, who wants to die first?

Me: How about you!?

I fired a blast of energy and blasted him down.

Me: You've got some serious nerve coming back from The Black Gates.

Sydney: This just proves Anti-Monitor truly is a blasphemous monster, especially if he's freed you from The Black Gates. Now, we're gonna end this once and for all!

Fold: We'll see about that! Tronics, destroy them!

Suddenly, we saw a massive army of Tronics rise from the ground arise to destroy us. But, then, Lincoln unholstered his massive greatsword and he swung it and fired a massive barrage of blades of magic and they sliced and diced the army of Tronics to pieces and all of them were destroyed forever.

But, then, we saw more of them arise.

Caleb Maxwell: Now, that's what I call playing unfair. I didn't want to do this, but you left me no choice.

Suddenly, Caleb Maxwell loosened the grip of his twin pistols and he let go and they were levitating beside him. Then, Caleb Maxwell clenched his fingers tightly in a clawed up position, and then, we saw he drew blood as it fell onto the ground and formed into a large pool of blood, and then, we saw black and blood red energy come out of the large pool of blood.

Then, the army of Tronics were caught in a dark magic circle that appeared below their feet and they couldn't move.

Caleb Maxwell: It's over. (ECHOING VOICE) RAIN OF BLOOD!

Then, a massive geyser of blood shot up into the sky, and blood came raining down from the sky and the blood rain hit the Tronics, and then, we saw them start to dissolve into a mess, and the blood rain ended and Caleb's twin pistols went back into his hands.

Then, Caleb's wounds on his hands healed and the white gloves repaired themselves.

Caleb Maxwell: You've lost your armies of Tronics, and you're now all out of tricks.

Nanite Fury: Are we?

Nanite Fury used Wonder Man's powers and fired a purple energy blast at Sentient Ultimate Swampfire

Sentient Ultimate Swampfire fired blasts of blue fire and countered the energy blast and blasted him back.

P'andor charged at him and blasted him with energy blasts.

Raiden: Lets show lightning.

P'andor and Raiden: LIGHTNING RADIATION THUNDERSTORM!

They fired waves of lightning and fire and blasted Nanite Fury all over.

Nanite Fury used Multiple Man's powers and made Duplicates of himself that ran at Sentient Ultimate Spidermonkey

Sentient Ultimate Spidermonkey webbed them up and knocked them down.

Man Ray charged at them and blasted and bashed them.

Sonya Blade: Lets rip them apart!

Man Ray and Sonya Blade: MORTAL DRAGON BLAST STORM!

They blasted and smashed them all over and destroyed the clones of Nanite Fury.

I fired energy blasts and blasted UA Nitro.

Nanite Fury used Molten Man's powers and launched fireballs at Sentient Ultimate Big Chill.

But he fired waves of Endothermic Fire and froze them and Lana fired them back and bashed Nanite Fury!

Kitty fired waves of energy and blasted him all over.

Paulina (Danny Phantom): Lets make this fun!

Kitty and Paulina: GIRL POWER BLAST!

They fired waves of energy and blasted him all over.

I fired waves of energy and more explosions blasted UA Nitro all over.

Nanite Fury used Havok's powers and launched energy discs at Sentient Ultimate Humungousaur.

But Sentient Ultimate Humongousaur fired missiles and blasted the disks and Nanite Fury all over.

Avalanche fired energy blasts and blasted him all over.

Carol: NO ONE STEALS THE POWERS OF OUR FRIENDS!

Carol fired blasts of Atomic Rays with Godzilla's power and blasted him all over.

Avalanche and Carol: ATOMIC KAIJU AVALANCHE BLAST!

They fired waves of energy and atomic energy and blasted Nanite Fury all over.

I punched UA Nitro all over the place.

Qin: Take that!

Nanite Fury used A Bomb's powers and charged at Sentient Ultimate Cannonbolt.

But Sentient Ultimate Cannonbolt rolled and blocked him and smashed him down.

Tar Pit fired globs of tar and stuck him to the ground.

Lana: Lets bring the mud!

Tar Pit and Lana: ICE TAR MUD BLAST!

They fired waves of ice and tar and mud and blasted him all over.

Nico: OH YEAH!

Nanite Fury used Electro's powers and fired lightning at Sentient Ultimate Echo Echo.

Sentient Ultimate Echo Echo fired a powerful sonic blast and deflected the lightning back and it hit him. Sentient Echo Echo formed a ring of sonic blasters around him and blasted Nanite Fury All over.

Qin: WHOA!

Nico: That is loud!

Moonstone: NO ONE USES MY POWER!

She fired waves of energy and blasted him all over.

Captain America: Like old times?

Moonstone: You know it!

Captain America and Moonstone: AMERICA MOON BLAST!

They fired waves of energy and blasted him all over.

I fired waves of energy and blasted UA Nitro all over the place and massive and powerful fiery explosions blasted off all over.

Nico: (sighs) Since you have no more tricks up your sleeve, might as well help J.D.

Nico went and helped me.

Kyd Wykkyd teleported and kicked and bashed him all over.

Woody Woodpecker: (LAUGHS)

Kyd Wykkyd and Woody: WOODPECKER FURY BLAST!

They fired waves of energy and blasted Nanite Fury all over.

Me and Nico blasted UA Nitro all over the place.

Nico gave him a wedgie!

HOING!

I punched UA Nitro in his face brutally!

Tri Klops blasted Nanite Fury all over.

Man At Arms: Lets bring this monster down.

Tri Klops and Man At Arms: ETERNIA LASER STORM!

They fired waves of laser blasts and blasted him all over.

Enchantress fired waves of maic and blasted him all over the place.

Madison Taylor: Lets bring the magic!

Enchantress and Madison: FURY OF THE CLOW BLAST!

They fired waves of magic and blasted Nanite Fury all over.

Bizarro blasted and bashed Nanite Fury allover.

Earthworm Jim: EAT DIRT YOU NANOCHIPS OF DESTRUCTION! (BLASTS AND LAUGHS MANIACALLY!)

HAHAHAHAHAHAHAHAHAHA!
AHAHAHAHAHAHAHAHAHAHAHA!

Bizarro and Earthworm Jim: BIZARRE EARTHWORM BLAST!

They fired waves of energy and blasted him all over.

Varie: OH YEAH!

I punched UA Nitro all over.

Malachite was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Blue Diamond Rich.

Blue Diamond Rich: NO! We control the power...

Malachite Arcana: It doesn't control us!

They concentrated and reigned it in.

Blue Diamond Rich took off her necklace and gave it to Diamond to hold on.

They turned into Giratina and Eternatus and blasted Nanite Fury all over.

Beautifly blasted him all over.

Blue Diamond Tiara and Malachite Arcana reverted back.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF THE FOLD TO NO END! NOW, THE BATTLE TO FINALLY DESTROY THE FOLD WAS ON!

Lincoln, Crash Bandicoot, Sydney, Nico, and I and the rest of us went after The Fold, and we fired extremely powerful blasts of rainbow, white, and blue energy, aura energy, pink energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Fold and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Crash Bandicoot also did the same by firing rainbow, white and blue energy slashes from his massive greatsword and gold-plated claws, and Lincoln, Crash Bandicoot, Sydney, Nico, and I and the rest of us attacked them super hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making The Fold even angrier than ever.

Sydney: Time to make you feel some pain.

Lincoln fired ricocheting rainbow, white, and blue energy beams from his fingers and the planets orbiting his fingers like rings and ankles as they hit The Monitor Orb embedded in The Fold and it shattered, and not only did we gain a massive power boost, they were screaming in agony.

Eli: Ouch, that's got to hurt.

Poliwag slapped UA Nitro with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP!

I punched UA Nitro all over.

Lincoln fired a wave of lightning and blasted Nanite Fury all over.

Rex grabbed Nanite Fury!

Rex: Time to drain you!

Nanite Fury roared and glowed and he screamed as he was being sucked of all the nanites in him!

Rex had a huge mass form on his back.

Qin: WHOA! That's a lot of nanites he has!

Eli: OH MAN! He is overloading!

Beverly Holiday: Leave this to me and Rebecca!

They got a machine and pumped the nanites out of Rex as he was draining him!

Nanote Fury kicked Rex off him!

Rex Salazar: OOF!

Qin: Still too strong!

Eli: But that weakened him significantly!

Lana: We got to freeze him long enough for us to drain him.

Lana fired waves of ice and froze him in place and Rex resumed draining him!

Rex: Shouldn't be too much now!

He was REALLY STUFFED NOW!

Qin: He's gonna blow!

Rebecca Holiday: He's almost there!

Camie: He's gonna reach critical mass!

Eli: COME ON REX! YOU CAN DO IT!

We saw Rex stuffed to the brink with Nanites!

Me: WHOA! He's stuffed like a Thanksgiving Turkey with Nanites!

Nico: HE'S GONNA BLOW!

Me: DUCK AND COVER!

We went for cover!

Rebecca Holiday: GOT IT!

He was sucked out of the nanites in him that he got and they were put into containers!

Nanite Fury was skinny and weak as a toothpick!

Qin: WHOA!

Me: WHEW! That was close!

UA Hulk: HA! Puny Nanites not so tough now!

Eli: Nope.

Laney: We can just snap him in two like a twig.

Camie: Yeah!

UA Maria Hill then came!

UA Maria Hill: NO! THIS CAN'T BE HAPPENING! YOU MEDDLING FOOLS RUINED EVERYTHING!

Sydney: Maria Hill! You have some nerve!

UA Iron Man: I gave into you pressuring me before. Never again!

Sydney: Same here!

Lincoln: You will pay for everything you did Maria!

Lincoln fired waves of lightning and blasted her all over.

Nico punched UA Nitro.

I kicked him.

Me: Nico you go help with the usual battles. I can handle this.

Nico: Okay.

Nico went and helped us.

Vakama: They were in the ruins of the Castle of the Two Sisters behind a secret hidden wall in the library.

Optimus Primal: Yeah that was really interesting to see too.

Beast Wars Inferno: It was a most amazing royal adventure.

Sunset Shimmer: You should have seen what the Castle of the Two Sisters was like. It was really torn apart and left to rot like an open wound.

Firestorm Shimmer: 1,000 years ago Princess Luna turned into Nightmare Moon and the castle was turned into a massive warzone which left it destroyed and in shambles.

Pyro: That's terrible!

Pipsqueak: (British Accent) It was! But it's full of amazing history. We found the princesses and brought them back.

Sunburn: But the princesses were racked with guilt because of how Opaline became the way she was.

Pyro: They didn't know that she was that evil and had already chosen her path that lead to her own destruction. Lets do it!

?: Awesome!

A figure came out and it was JETARA from episode 3 of Time Force.

Jetara is a ladybug-like mutant who serves as the main antagonist of the episode "Something to Fight For". He is the first mutant defeated by the Rangers.

Like all other mutants, Jetara was created as a result of an accident. He was captured by the Time Force Police and frozen in the Cryo Prison.

He was the first mutant released by Ransik and Frax from his frozen state and was sent to destroy the city. Jetara attacked Silver Hills and easily defeated the police and then encountered the Rangers.

The Rangers nearly defeated Jetara, but Wes accidentally cut off the chain of Jetara's DNA and the mutant was enlarged. The Rangers couldn't defeat Jetara, so Circuit phoned Captain Logan, and the Rangers for summoned their Time Force Zords for the first time.

Jetara was very powerful in his giant form. His right arm could transform into the powerful drill and his left can turn into strong claws. He could fly and shoot energy lasers. The Rangers formed the Time Force Megazord to battle the mutant. Jetara was finally defeated by Time Force Megazord Mode Red, frozen, and placed into a container by Jen.

Jen: Jetara!

Jetara: Been a long time rangers.

Nico: I remember you! And I'm sure J.D. remembers you too. You were sent to destroy the city by Frax. Also you were the first mutant released by Ransik.

Kousuke Kyo: Kousuke Kyo. Pleasure to meet you.

Nico: You too Kousuke. What caused you to get pissed off that lead you to become the Kuuga Riders Hitotsuki?

Kousuke Kyo: I was upset because everyone didn't believe me about the Gods of Olympus.

Nico: We believe you. Many of us are the champions of the Gods from Around the World.

Jetara: He's right on that.

Nico: Yep.

Jetara: (to the viewers) Hey, don't look at me like that. You think Hitotsukis grow on trees?

Lincoln and the girls fired waves of energy and elements that transformed into said Marvel Comics Heroes and they smashed into The Fold and exploded with incredible power!

Lincoln and his harem: Now, for the grand finale, this is where your life ends here and now! MARVEL HERO FINAL SMASH: MARVEL STRIKE!

Lincoln and his harem summoned all the Marvel Heroes and they laid a brutal smackdown on The Fold!

Trap Jaw: Time to end this!

He blasted Nanite Fury and obliterated him into nothing.

Me: And to end the Fold forever.

I fired energy blasts and obliterated the Fold forever.

Me, Lincoln, Nico, and our harems: AND THIS IS WHERE WE SAY FAREWELL AND GOOD FUCKING RIDDANCE TO YOU NANOMACHINES! ULTIMATE MARVEL FINAL SMASH: MARVELOUS KAMEHAMEHA!

Me, Lincoln, Nico, and our harems fired a massive Marvel-themed Kamehameha at The Fold, and it exploded with such incredible power, and it destroyed those nanomachines and sent every last one of them to The Black Abyss forever! Plus, the footage was broadcasted to the hated UA Maria Hill who was horrified at what we did destroying The Fold forever, and she went mad with rage and we showed her what for, and it made her swear like mad.

UA Maria Hill: GODDAMN IT! I HATE THOSE GODDAMN TEAM LOUD PHOENIX STORM SO MUCH! THEY RUINED EVERYTHING!

All of us: YEAH, FUCK YOU TOO, BITCH!

THAT MADE U.A. MARIA HILL GO EVEN MORE BERSERK WITH RAGE AND HATRED TOWARDS US AS SHE SWORE LIKE MAD EVEN MORE!

We cheered as we holstered our weapons and powered down.

Sydney: And that is that!

Nico: You got that right, we're now rid of The Fold forever!

Me: Good riddance, and it made U.A. Maria Hill go even more mad!

Lincoln: If she keeps this up, she won't last for much longer. Now, there's one last thing to do and one last loose end to tie up: Carly Sanders.

?: (ENRAGED SCREAM) YOU GODDAMN BITCHES! YOU'RE GONNA PAY FOR WHAT YOU DID TO BILLIE MULDOON!

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of bullets and the kinetic energy of the bullets were absorbed into us and made us even stronger and the bullets fell to the floor.

Lincoln: (Catches the stench of cheap perfume) UGH! There's no mistaking the stench of cheap perfume from anywhere, you better get out here, Carly Sanders, I can see the stink lines of your cheap perfume coming off you.

A female with long black hair, black eyes of hatred, and dressed in black leather punk clothes came out, it was Carly Sanders, the second of Billie Muldoon's minions.

Lori: I should've known you'd be the second of Billie's minions to show up here, you literally don't even know when to quit or stay away for good, do you?

Carly Sanders: SHUT THE FUCK UP, BITCH! SCREW YOU! YOU ALL ARE DEAD!

Adele Douglas: Ah, shut up! The only person who's going to die here is you, you piece of crap, and I'm gonna make sure of that!

Suddenly, Adele Douglas' blue eyes turned neon blue and she was surrounded by an aqua blue, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, water, ocean waves, water bikini babes, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Carly Sanders, she left aqua blue, white, and blue energy, stars, aura energy, white and blue heavenly flames, water, ocean waves, water bikini babes, phoenixes, and angels with every step.

Adele Douglas: I knew from the very moment that Billie Muldoon had returned from The Black Gates, you five shitheads would also return to try and take revenge. But, that's not going to happen, Carly, I'm putting you down for good, and I'm gonna enjoy pissing that insane bitch off by showing her how we're going to kill you.

There's a reason why we kicked you all out of Royal Woods after we took care of Billie Muldoon: all of you plotted to destroy the city if that happened, and you wanted to turn the city into a graveyard. Your plans were eventually ruined after we took down Billie Muldoon that day, but none of you refused to give in, you walked the path of a coward crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. But, for now, we better take care of you right here and right now.

Lincoln, Adele Douglas, Nico, and I went after Carly Sanders, and we fired extremely powerful blasts of rainbow, white, and blue energy, aqua blue, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Carly Sanders, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Adele Douglas did the same by firing aqua blue, white, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Adele Douglas, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Carly Sanders even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of larger white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Carly Sanders, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and four other sets of larger white angel wings underneath his massive angel wings fired chains of gold energy that bound Carly Sanders.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Carly Sanders' stomach and a cluster of white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Carly Sanders hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Carly Sanders was now on her last legs and she was really really mangled.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Carly Sanders' chest, and he began absorbing her, and he and all of us assimilated her massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of Carly Sanders except for her clothes, and he drained the female thug's soul of energy, and he sent her to The Black Abyss.

We cheered wildly as we holstered our weapons and powered down and Adele Douglas' new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large aqua blue planets orbiting around her legs and twenty smaller aqua blue planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized aqua blue planets orbiting around her wrists and ankles, eleven massive and long aqua blue wolf tails, and massive aqua blue angel wings and four sets of large aqua blue angel wings underneath her massive aqua blue angel wings are permanent.

Adele Douglas: And this is goodbye and good riddance forever, I don't want to see your face ever again! Thanks for helping me take down Carly Sanders, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Adele.

Me and Nico: Our pleasure, Adele.

Suddenly, Adele Douglas wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Adele Douglas' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and a water bikini babe flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Adele Douglas sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: That's two down and three more to go. A good start.

Suddenly, we heard Billie Muldoon's insane scream of pure rage.

Me: And she found out we already got rid of Carly Sanders, and she's really gone berserk. Serves her right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a zombie flying in the skies and it left an amazing wave of darkness and dark magic flying all across the skies.

Selene Arcangela: (GASPS) The zombie...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Zarya Zombie, Avatar of The Zombies.

Enya Phoenix: I knew it was her, and you guys are going to like hearing her story, Zarya Zombie, Avatar of The Zombies, is Lincoln's Guardian Angel and she's known as The Dark Zombie Voodoo Master of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Zarya is a powerful master of the powers of darkness, dark magic, voodoo, and zombies, and she's also known for her mastery of voodoo and necromancy not seen in ancient times. She lived during an age of darkness and she was said to be born in a graveyard long forgotten, and over time, as she grew, she gained all of the incredible strengths and powers of the zombies along with immortality and she also mastered the powers of the darkness, the undead, dark magic, and bringing back the dead, and she'd fought to defend the graveyards all over from the hatred and fear wrought on by the paranoia that humans had towards the zombies, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, dark magic, voodoo, necromancy, and the powers of the zombies, and he also gained all of the incredible strengths and powers of the zombies, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 zombies and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Zarya kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of the zombies.

Me: Whoa!

Lucy: Gasp! I remember her all too well.

Nico: Wait, so you also have an Avatar of The Zombies in your group? Whoa!

Lincoln: Yep, and she taught me everything she knows, and I can also summon zombies under my control to attack villains, and I can also drain the villains dry of their life-force and turn them into zombies instead of biting them since my fangs contain both vampire and werewolf venom, and they go both ways: either get turned into a vampire or a werewolf whichever I choose.

Me: Oh right.

Titanium Titan: Hasta La Vsita, Fold!

Count Vertigo: Took the words out of my mouth.

Juggernaut: The Nanites aren't gonna be taking over anymore hosts.

Sportsmaster: Thanks to Rex.

Pied Piper: Now, what do we do about her?

He gestured to UA Maria Hill who was tied up, gagged and blindfolded.

Me: Send her back to prison.

Nico: Good idea. But this time it will be in a much more secure cell.

Qin: Good idea.

Nico: Yep. Great job today everyone.

Sydney: This was awesome! (To the viewers) No nanochips are gonna take over the world on our watch.

Varie: That is for sure.

We sent UA Maria Hill to the Neptune Cryo Triple Max Prison. We then went back home.

We returned home, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase, and Thomas A.K.A. Panther, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Cage Blunt: Now that Elias Devereaux's been busted, now we can find a way to sever him from Sebastian and send him to The Black Abyss.

Roxy Drake: Lincoln said he's working on a powerful spell to do just that, but it needs a lot of time.

Caleb Maxwell: And one final ingredient: the blood of a Devereaux who hadn't given into the curse and had also been given the powers of an Arcangela and the angels and archangels of God.

Jack Howard: It'll take time for Darren to finally recover his full strength, so we got to endure Elias' madness and wait for the right moment.

They went to bed.

We went to sleep too.

PINK PONY VS MAD TURTLE MAYOR

This is the sequel to the Rango Chapter

In the early morning hours of 3:24 AM, Lincoln, Nico, and I went down to the dungeons and we went to Sebastian's cell, and just as predicted, Elias Devereaux took hold and tried to break out, but our Anti-Dark Magic bars knocked him down and Lincoln chained him up.

Lincoln: Don't even think about it, Elias. This is where it ends for you.

Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Justice, and then, a white magic circle appeared below his feet, and he was chained with holy light chains.

Nico: Okay, this is it.

Me: Now, comes the final part: the exorcism.

Lincoln: Angels of Heaven, heed my call. I ask you for your help: to remove the dark shadow of Elias Devereaux from Sebastian and to forever purge him of the evil that still lingered within his heart even after he was freed from his dark side nine years ago.

Suddenly, the white magic circle glowed with intense heavenly light as the light of Heaven shined on Sebastian, and then, we saw a black shadow come out of him, it was Elias Devereaux who was trying to fight, but it didn't work. Then, beams of light were fired at Elias Devereaux and that not only broke Elias' hold on Sebastian, but it also purified and cleansed him of the evil that still lingered within his heart even after he was freed from his dark side nine years ago.

Elias Devereaux screamed in anger and agony, but before we could send him to The Black Abyss, he escaped. The circle stopped glowing and Sebastian woke up.

Sebastian Mendez: I...I'm freed? At long last?! Guys, I...!

Nico untied him and hugged him tightly.

Nico: Thank God you're finally free. I thought we were going to lose you again.

Me: We almost did, but now, you're freed.

Sebastian Mendez: Thanks. But, now we have a big problem: Elias is free.

Lincoln: I know, and we'll get rid of him. Right now, let's head back to bed.

We headed back to bed. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet.

Qin: And we felt a dark presence being removed. What was...?

Then, Sebastian came in.

Sebastian Mendez: That was from Lincoln, Nico, and J.D. Last night, they freed me from Elias and the evil that I still had within my heart even after I was freed from my Dark Side was destroyed for good. But, before they could send him to The Black Abyss, Elias escaped.

EVERYONE GASPED!

May: This is not good.

Nico: No, it isn't. But, we'll deal with Elias very soon.

Lincoln: You bet.

Suddenly, Drakus and The X-Squad came in.

Drakus: Uh, guys, we have a big problem.

Sebastian Mendez: What do you mean by? (Realizes something) No...! Drakus, you don't mean...?!

Me: What's wrong?

Sebastian Mendez: I'm afraid we have some really dangerous and problematic girls that need to be taken care of: The Jetstream Sisters, they're six sisters that hunt down fractures in reality to ensure the time space continuum is stable enough to not collapse in on itself, and they're blaming all of TLPS for everything: bringing people back from the dead, killing Lucifer from Dante's Inferno, sealing Fenrir from Legend Quest away before he joined the MOE, killing Galactus, and merging universes together.

Nico: What the?! Who the Hell do they think they are?! The Reality Police?!

Sebastian Mendez: They're not, they're a bunch of reality extremists whom I despise so much, but the only people they respect are the X-Squad and the Mitternacht Clan.

X-Squad Cell: But, you guys have been doing a lot of good throughout the universes and reality.

Lincoln: That's right. They're in so much trouble for this when we go after...!

Sebastian Mendez: No, Lincoln. I'm going to be the one to go after them, I'm not going to kill them, but those girls need to see that what you guys have been doing in the past seven years is right and true, and I'm going to condemn them to spend eternity with us, and if they try anything, I'm gonna bring them before the Gods and have them punished.

We saw how serious he is.

Me: You really are serious about this. Alright, then, but who are these Jetstream Sisters?

Drakus got out six photos of six girls.

Sebastian Mendez: The first girl is Zoe Jetstream, the eldest Jetstream sister and the Aztec Rex gene-slammer. She takes defending the fabric of reality very seriously due to knowing that reality is something one shouldn't treat like a toy, and doesn't have the time or patience for people who break the laws of reality due to her thinking that those who treat reality like putty put multiple universes at risk of collapsing, so someone like you is at the top of her list of people who piss her off, mostly because she's appalled by you killing Lucifer from Dante's Inferno twice over 'poisoning our minds with evil', which resulted in his Hell turning into a lawless realm that had her scrambling to bring him back and get that particular Hell back in order before it got worse, and she won't rest until TLPS is shut down and they serve their designated sentence: doing community service helping rebuild Hell, helping ferry souls to their designated eternal resting place, helping heal Galactus, training Fenrir for Ragnarok, and helping ferry denizens to their home realities after helping unmerge the universes for every sentence they racked up for breaking reality.

Me: What the? She's delusional!

Lincoln: Without a doubt, Lucifer betrayed God eons ago and is responsible for eons of pain and suffering and Galactus was a danger to the universe!

Nico: Now, I really hate her.

Everyone: Same here.

Sebastian Mendez: You'll hate the next one, the second is Michelle Jetstream, the second eldest Jetstream sister, and the Poseidon Rex gene-slammer. She's playful, cocky, and all-around arrogant, but when it comes to defending the fabric of reality, she takes that seriously. She likes to mock and bully those who break reality, letting it really sink in that they fucked up and now have to face the facts: they screwed up reality itself, and it has consequences. She really doesn't wanna put up with your so-called "bullshit", mostly because she's disgusted by you just casually reviving the dead, which causes the gods of death to have a breakdown because souls are being dragged out of their eternal rest back into the living world, and she's not gonna let you live it down.

Lincoln: She's getting every bone in her body broken! Some of those souls are my Guardian Angels who didn't deserve to die!

Me: And many of them are our lost loved ones!

Sebastian Mendez: I'll be sure to break every bone in her body for this. The third girl is Bela Jetstream, the third oldest Jetstream sister and the Loch Ness Monster gene-slammer, who's generally professional and doesn't believe in letting those who break reality off easy, mostly because they literally shattered the fabric of reality and don't understand how badly they messed up. She doesn't respect you, J.D., because thanks to you sealing Fenrir from Legend Quest away, Ragnarok would be unable to happen, and Jormungandr had a stroke when he heard the news and almost died, so Bela has low expectations for you owning up to your actions.

Me: Hey, Fenrir is now part of The M.O.E., and he needed to be sealed away.

Sebastian Mendez: That's right, he needed to be, and under Vypra, he's now well behaved. The fourth girl is Lea Jetstream, the third youngest Jetstream sister and the Supergator gene-slammer, she's generally a sweetheart and is willing to give those who break reality a chance to make up for their crimes, but is perfectly willing to sentence them to community service if they make it abundantly clear that they don't want to fix their crimes against reality, so she's perfectly willing to give you a chance to try and at least make amends for the problems you caused for reality. But, I know that's not true, you've done a lot to help reality!

Nico: That's right, we have.

Lincoln: She'll be part of The Redemption Squad once she sees that what we've been doing is right and true.

Sebastian Mendez: I'll need you for that one, Lincoln. The fifth girl is Hayley Jetstream, the second youngest Jetstream sister and the Dinocroc gene-slammer, she's rather eager to torture those who break reality, and is more than happy to make you suffer, mostly because TLPS killed Galactus and literally caused imbalance between Eternity and Death, so she's planning on making you see how badly he screwed over reality in his madness.

Me: Psychotic bitch. If we hadn't killed Galactus, Earth would've been destroyed.

Sebastian Mendez: And I'm gonna make her experience true pain and suffering when I go after her, and the sixth girl is May Jetstream, the youngest Jetstream sister and the Pirahnaconda gene-slammer, a total blood knight with a love for violence and loves to see those who break reality see how weak they truly are, she's rather eager to make you see how badly you "screwed up" reality before she forces you to make amends with every person he screwed over due to you "letting TLPS break reality so many times".

Nico: I'm not going to let that happen. Sebastian, you have your orders: hunt down The Jetstream Sisters and make them see that what Team Loud Phoenix Storm has been doing for the past seven years is right and true.

?: You don't need to come after me.

Suddenly, we saw Lea Jetstream come in.

Drakus: Lea?

Lea Jetstream: I now see that what you guys have been doing for the past seven years is right and true, and I want to join you guys.

Lincoln: That was quick, but how did...?

Drakus: She had a change of heart, but her sisters. (Sighs) I can't believe I'm saying this, but Sebastian, go ahead and beat them to a pulp and bring them back here.

Sebastian Mendez: Right. But, I'll be keeping a very close eye on them so they won't try anything funny. If they do, they won't like my demonic side.

Sebastian disappeared in a tornado of darkness to confront Zoe, Michelle, May, Haley, and Bela Jetstream.

We were still finishing breakfast, but then...!

Sebastian Mendez: (OFF-SCREEN) YOU GODDAMN BITCHES!

We looked through a telescope that Lincoln got out, and we saw Sebastian trashing the crap out of Zoe, Michelle, May, Haley, and Bela Jetstream, and they were in a massive fight cloud.

Nico: WHOA! Oh man, this is one brutal fight!

Lincoln: Sebastian's really giving them pain.

Lea Jetstream: I know it's harsh since they're my sisters, but it needs to be done.

Then, Sebastian kicked them out of the fight cloud and tied them up, and brought them back here, and they were really roughed up.

Drakus: Zoe, Michelle, May, Haley, Bela, are you girls..?

Zoe Jetstream: We're fine, nothing we can't handle, Drakus, and I'm not going to stop until TLPS is shut down!

Sebastian electrocuted her and the others with dark lightning.

Sebastian Mendez: Shut up already. Seriously, you're like a broken record!

X-Squad Cyclonus: Sorry about this, but Sebastian got pissed after finding out you were here, and he still despises you five. Lea he's forgiven, but you five have a lot to make up for.

Sebastian Mendez: That's right, you five are going to observe for yourselves that what TLPS has been doing for the past seven years is good and true.

Caleb Maxwell: And to make sure you muttonheads don't try any sort of misdeeds.

Caleb Maxwell put the same collars on the necks of Zoe, Michelle, May, Haley, and Bela Jetstream.

Caleb Maxwell: If you five so much as try anything to hurt us, you're gonna get electrocuted, and I had to do the same thing to Drakus when Brainiac of the prime universe returned, I wasn't going to let him go off on his own.

Michelle Jetstream: WHAT THE?! That's disgraceful, you made Drakus into a dog?!

Caleb Maxwell pressed the button, and they got electrocuted.

Cage Blunt: He didn't turn him into a dog, he didn't want Drakus to go off on his own after his hated enemy, we took him down together as a team.

Haley Jetstream: YOU FUCKING MAKE ME SICK, ALL OF YOU!

Sebastian Mendez: I'm warning you, you say one more insult, and you five are in big trouble, YOU GOT ME?!

Zoe Jetstream: (GROWLS) Fine!

Suddenly, Lincoln's eyes glowed and he was in his subconscious, and he had a premonition, and it's not good: his premonition took him back to Sherbrooke, Canada, and as he was flying, he flew to Torrington Academy, the former school of Diana Lombard, Jenni Anderson, Caitlin, Amanda, Polly Potswagal, and Darla Simmons. Suddenly, he sensed a massive energy signal and he saw a familiar figure, it was none other than Nikiya's former brother, the bloodthirsty Legendary Super Saiyan, Broly, he's returned from The

Black Gates thanks to Morgana Midnight Sparkle to again seek revenge on us for killing him, and he found out Anti-Monitor didn't bring him back because of how bloodthirsty and dangerous he truly is, and he's causing havoc.

Lincoln came back.

Lincoln: No..., Morgana, you didn't...!

Me: What is it, Lincoln, what's wrong?

Lincoln: We've got a huge emergency: my premonition took me back to Sherbrooke, Canada, and as I was flying, I flew to Torrington Academy, the former school of Diana Lombard, Jenni Anderson, Caitlin, Amanda, Polly Potswagal, and Darla Simmons. Suddenly, I sensed a massive energy signal and I saw a familiar figure, it was none other than Nikiya's former brother, the bloodthirsty Legendary Super Saiyan, Broly, he's returned from The Black Gates thanks to Morgana Midnight Sparkle to again seek revenge on us for killing him, and he found out Anti-Monitor didn't bring him back because of how bloodthirsty and dangerous he truly is, and he's causing havoc.

WE GASPED IN HORROR!

Diana Lombard: Oh no. Martin, Java, and Billy are in trouble, along with all of our former classmates and teachers.

M.O.M.: Martin, Java, and Billy don't stand a chance against him. I managed to message them and told them they need to focus on getting everyone to safety, and we'll head there immediately.

Jenni Anderson: This is seriously not good. We can't leave our old classmates and teachers to deal with that brute.

Nikiya: I knew my brother wasn't going to stay dead, and Anti-Monitor was smart enough to realize how dangerous and bloodthirsty Broly really is, but Morgana, she intended to use him for her own schemes. That's it, he's done for when we get to Torrington Academy.

Nico: That's for sure, Nikiya. I've had quite enough of that brute to last an eternity.

We then finished our breakfast, and we set out for Nico's rescue, and then, after that, we're going to be heading for Sherbrooke, Canada, specifically Torrington Academy, for one final showdown with Broly, The Legendary Super Saiyan.

Pinkie Pie woke up to see Nihilego staring at her.

Nihilego: Morning Pinkie!

Pinkie Pie: Morning Nihilego! You ready for some sweet fun?

Nihilego: I sure am! Time for breakfast!

Pinkie Pie: OOH! Time for some fun!

She went and got dressed and went to the table and she was having her favorites and man was it a lot of sweets.

But then...

Nico: THAT SON OF A FUCKING BITCH!

Me: Uh oh!

We went to his bathroom.

Me: Nico!?

We saw that someone wrote on his mirror.

Me: (Reading) "Nico Chan is a Big Dumb Fatass! Love Max Terrance."

WE GASPED!

Jack Spicer: WHY THAT SUPER MORON!

Qin: Man no kidding!

NICO WAS SUPER PISSED! HE WAS GOING TO GIVE THAT STUPID JERK KID A PIECE OF HIS FUCKING MIND!

Jack Spicer: I thought he was in math camp!

Me: He must've gotten kicked out of the place.

Qin: Yeah!

Nico: I WILL KILL HIM FOR THIS!

Later it was time for the rescue and the U.S.S. Valorous Phoenix was flying through space.

Me: Team Loud Phoenix Storm Log, Stardate 12351.8: The U.S.S. Valorous Phoenix is en route to an interesting and awesome planet in the Cigar Galaxy and our mission is to investigate this world.

May: Nico calm down.

Qin: Man this is a bad one.

Xenia: Yeah.

Me: Man I've never seen Nico this upset.

Camie: Yeah no kidding.

Lola: This is awful.

Girl Jordan: It sure is.

Nico: Stone Man, I want to thank you, Shining Firefly, and your teams for coming

Stone Man: No problem Nico. This will be fun.

Pinkie Pie: It's gonna be fun with mom with us too.

Cloudy Quartz: I'm ready for a fun adventure.

Me: Always a pleasure having you with us Cloudy.

Nico: Cloudy, are you happy Pinkie's day is today?

Cloudy Quartz: I most sure am Nico. Pinkie is really excited.

Pinkie Pie: I sure am mom! I'm so happy!

Me: You sure are Pinkie.

Izzy Moonbow: YAY! Me too!

Qin: Yeah!

Cloudy Quartz: Indeed.

Nico: You should be very proud of Pinkie.

Cloudy Quartz: I am.

Laney: Awesome.

Me: Wow! Yesterday was awesome.

Laney: Yeah! We got rid of the Fold.

Sydney: And killed Nitro too.

Qin: And avenged the 600 people he killed.

Nico: We also met the Sentient Ultimates

Ben: It was cool seeing them again too.

Qin: That was awesome.

Lola: Yeah!

Me: It sure was.

Lola: Yeah!

Lincoln: Sydney's Akuma scared me bad and a Fear Feaster came out of me.

Nico: That was crazy!

Finn: Yeah it sure was! I got a fear feaster from my fear of the ocean.

Nico: We also arrested UA Maria Hill

Me: Yep. Thank goodness.

Qin: Yeah!

Lola: Yeah! She had it coming.

Me: At least both the Fold and Nitro are forgotten memories.

UA Iron Man: Good riddance.

Nico: Yeah. (GROWLS IN RAGE) I WILL KILL MAX! I WILL FUCKING SNAP HIS NECK!

Eddy: Oksy, you got to get out of this bad mood.

Me: Eddy this is not the result of a wood tick or a rock in his shoe.

Nico: (Sighs) He's right. I should tell you why I am so angry. I ABSOLUTELY HATE being called a Fatass. You know how Kushina hates being called a tomato? I HATE BEING Called a Fatass. I HATE THAT NAME with a vengeance.

Kushina: Really Nico?

Nico: Yeah. It started back when I was in kindergarten.

Ed: Tell us more!

Me: I was gonna say. Can you tell us what happened?

Nico: Sure. It was back when I was in kindergarten.

It showed a young Nico joining his school in New Jersey.

Nico: (VOICEOVER) I had just moved to New Jersey from the Philippines. I was very shy but I was excited to join my school and make some friends.

Teacher: Why don't you introduce yourself?

Young Nico: I am Nicholas Chan. But you call me Nico.

Everyone: HELLO NICO!

Nico: I was ready to take on the school and learn. But then came recess and we were at the park and a bunch of kids called me the WORST NAME EVER!

Kid 1: FATASS! That is your name!

Kid 2: From now on your new name is Fatass!

Nico: I was made fun of because of my butt. My butt wasn't even that big.

Kid 3: You are a big butt freak! FATASS!

Nico: That was when I snapped!

Nico then grabbed the kids arm.

Young Nico: WHO ARE YOU CALLING A FATASS!? AT LEAST I DON'T CRY LIKE A MOMMIES BOY YOU LOSER!

Nico then smashed the kids bodies into pulp!

MASSIVE SOUNDS OF FIGHTING AND BRUTAL BEATDOWNS!

Nico: I HATED BEING CALLED A FATASS with a vengeance! Anytime someone call me that I would smash all their fucking bones in their bodies into dust! And make them permanently boneless and braindead. It's how I got the nickname the Bloodsoaked Skullsmasher!

FLASHBACK ENDS

Nico: And I've hated being called a fatass ever since. Anytime someone called me that they would sign their death warrant.

Me: Man KIDS can be so cruel!

Carrie White: They sure can.

May: Boy you really socked it to those kids.

Kushina: Nico I had no idea we were so much alike. I would beat up kids for calling me tomato.

Nico: It's true Kushina.

Naruto: Yeah no kidding.

Me: That's true. Now we know what not to call you. Or you're going to wish you were never born.

Lincoln: Well, you need to get over this. Otherwise, J.D.'s gonna end up being leader again.

Lincoln then realized what he said.

Lincoln: (smiles) On second thought, keep being in a bad mood

Me: LINCOLN!

Lincoln: Sorry.

Lily: Squidward said almost the same thing back then.

Me: Really?

Squidward: It's true.

Lily: Yeah SpongeBob got a taste of the Fame Bug after we made and aired a commercial for the Krusty Krab and the fame went to his head.

SpongeBob: I learned the hard way from that.

Qin: Wow.

Nico: I'm sorry guys. This is personal for me.

Poromon got an idea and pulled Ed's pants down

Ed: HEY!

Eddy: (LAUGHS) Nice drawers Lumpy!

Ed: (LAUGHS)

Me: That was funny.

Qin: Yeah!

Poromon: Cheered up yet?

Nico: No.

Me: How about this one?

I snapped my fingers and then...

CLANG!

Larry 3000's arms fell off!

Larry 3000: OH! TUDDRUSSEL!

Tuddrussel: (LAUGHS) IT WASN'T ME! I SWEAR!

Nico: (SMILES)

Me: How about this one?

I snapped my fingers and then May fell into a pool full of barbecue sauce and honey glazed chicken wings!

SPLORF!

Nico laughed.

May: Hey Look Nico! I'm your favorite! EAT ME!

Nico licked her.

Me: (LAUGHS) One last thing. Rhonda?

Rhonda Romulus: You got it.

She gave the mascots Romulan Ale.

They drank it and got drunk.

Mascots: (SINGING AND BELCHING AND FARTING)

NOBODY KNOWS! (HIC) (BELCH) (FART) HOW DRY I AM!

NOBODY KNOWS! (HIC) (BELCH) (FART) HOW DRY I AM!

WE LAUGHED HYSTERICALLY FROM THAT!

THEY WERE BELCHING AND FARTING TOO!

Then they puked!

LOUD VOMITING!

Me: OKAY THAT WAS FUNNY!

Qin: (LAUGHS) YEAH!

I snapped them back to normal!

Nico: (LAUGHING HYSTERICALLY) THAT WAS FUNNY! I NEEDED THAT ONE!

Xenia: YEAH!

Jack Spicer: Good. Save the anger for later

Me: Yeah unleash it on Max.

Nico: Okay. I'm gonna spank him hard.

I gave Nico a metal paddle.

Me: Use this on him. It has this too.

SHEEN!

It had metal spikes pop out.

Slinkman: And you know what.

Me: Ol' Spankful.

WHAP! (SCREAM OF PAIN)

Nico: Nice! Thanks.

Me: You're welcome. Count Spankulot can help you with that.

Nico: Good.

Me: Cool.

Lisa Loud: We have arrived at our destination.

Me: On screen.

We saw that we were at a red and brown planet and it was cool.

Me: So this is the planet Napolos.

Xenia: Wow.

Maria: Cool!

We landed and we were getting ready and then 2003 Mikey smelled something.

2003 Mikey: Hey I know that smell!

We got out and saw that it was a PIZZA SWAMP PLANET! It was a swamp planet made of pizza ingredients and the lily pads were huge pizzas!

Me: WHOA! It's a pizza swamp planet!

Camie: OH WOW!

Nico: WOW! This is amazing!

2003 and 2012 Turtle Brothers: PIZZA!

Poromon: PIZZA!

Nico: Boy this is cool!

Qin: Yeah!

We got to eating!

Me: (Eating) Mmm! Delicious!

Xenia: (Eating) It sure is!

Laney: (Eating) Yummy!

Poromon and 2003 Mikey fought over a pizza

Poromon: (Growling)

2003 Mikey: (Growling)

Me: HEY!

I stopped them.

Me: What did we say about sharing?

They whimpered.

Me: Besides there's MORE than enough for everyone.

I slashed the slice in half and it was perfect.

Me: There.

Poromon: Thanks.

Polly Pizza: (Eating) Mmm! This is just as delicious as my family's pizza back home.

Poromon ate his

Poromon: Mmm! It sure is good!

Qin: Yeah!

Xenia: I'll say!

Poliwag ate his.

Poliwag: MMM! So good!

Qin: It sure is.

Nico: This is a cool planet.

Me: It sure is.

Varie: I agree.

Lincoln: Yeah! When me and my siblings woud have pizza we would always fight over the last slice.

Lynn: Yeah but not anymore.

Horsea ate hers.

Horsea: Mmm! Delicious!

Eli: I'll say!

Me: Yep. Nico I'm sorry that happened to you.

Nico: It's alright.

Me: Good. Nico I hope you spank Max's butt so hard that it bleeds.

May: Same here! NO ONE does that to my husband and his harem's future husband.

Xenia: That is for sure!

Qin: YEAH! You said it!

Chris Taylor: Yeah that is for sure.

Jack Spicer: I'll tell his parents

Me: You do that Jack.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here on Planet Napolos, but here's the situation: it appears Jirachi's hypothetical Akuma has been sighted here.

Nico: Jirachi's hypothetical Akuma? Whoa, who is it?

Lincoln: His name is Mayhemwish Comet, the Hypothetical Akuma form of Jirachi and a powerful comet and bringer of wishes of chaos. He was made this because of Team Rocket trying to steal him during the Festival of The Millennium Comet and vowed to make them pay for their crimes.

Lincoln got out his sketchbook, and we saw it: the hypothetical Akuma of Jirachi is a comet with a very scary face with red eyes and an evil grin.

Me: Whoa!

May: Oh boy, this is going to be one dangerous battle.

Nico: Yep, but we're ready for this Akuma.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and The Midnight Princesses have resurrected Zinyak and the entire Zin Empire, and sent them after us.

Lincoln: Are you kidding me?! Morgana, you little...!

Me: What is it, Lincoln? Did Morgana...?

Lincoln: Afraid so, it appears Morgana Midnight Sparkle and The Midnight Princesses have resurrected Zinyak and the entire Zin Empire, and sent them after us.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's skeleton came out!

Qin: Oh, that is not good!

Nico put his skeleton back.

Nico: I hate when that happens. Lincoln, I hope you absorb them.

Lincoln: That's what I'm going to do, Nico.

Ed Cowart: So, now we got Jirachi's hypothetical Akuma to take care of, this should be good.

Lori: And we're literally here on a swamp planet of pizza, we're literally in heaven.

Lincoln: It sure is.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Mayhemwish Comet) AHA! There you are! I just spotted Mayhemwish Comet, he's 20 yards away, but he's heading for us. (Sensed Zinyak and the entire Zin Empire) And I just spotted Morgana's next set of puppets.

Nico: Let's tear them apart.

Bloom heard a Pokemon cry.

Bloom: Look guys.

We saw an Ekans!

Me: Whoa an Ekans.

Jessie: Just like the one I got.

Me: Oh the poor thing is hungry.

Ekans: Yeah I am.

Bloom gave it apples.

Ekans: Ahh thanks.

She ate them.

Bloom: You're welcome.

Ekans: Tasty.

Me: Awesome.

Bloom: Wanna come with us?

Ekans: Sure!

Me: Awesome!

Then I sensed something.

Me: Uh oh. LOOK!

We saw a bunch of figures coming and they were THE BLOOD AND HONEY VERSIONS OF POOH AND FRIENDS!

WE GASPED IN SHOCK!

Laney: And look behind them!

We saw DARKRAI!

Me: WHOA! Darkrai!

Poromon: LOOK AT- Hey, wait a minute!

Me: It's all a trick played by Darkrai.

Nico: WOW! That is cool though.

May: Wait a sec.

May used her telepathy and gasped!

May: (GASP) COCYTUS FROST!

Me: WHOA! Cocytus Frost?

Manaphy: Cocytus!? Oh man!

Poromon: Besides, it's not my day yet

Me: It was a clever trick.

May: Lets go help her!

Me, May and Manaphy went to help her.

May: Cocytus! It's me May!

Manaphy: And Manaphy!

Me: (In my head) That is cool how she is named after the 9th Circle of Hell.

All she did was use Dark Void

She fired a darkness blast at us and we dodged it.

I fired a light blast and it hit her and blasted her down.

Manaphy and May blasted her all over.

Me: Lets see how she likes this.

I fired light blasts and blasted her all over the place. Then I snapped my fingers and she reverted back and had black hair and blue eyes and had dark blue angel wings and had Darkrai in the middle of her forehead and had a black and blue version of Frozen Fright's cutie mark on her arm.

Me and May wrapped her in a blanket and we brought her over.

Me: Wow that was cool.

May: And you guys are gonna be shocked about this. She's the older sister of Frozen Fright.

Me: Wow! So I guess the Fearful 5 all have siblings.

Camie: Maybe.

She woke up and saw Manaphy staring at her.

Cocytus Frost: (Groans) Manaphy?

Manaphy: Cocytus!

She hugged her.

Cocytus Frost: Good to see you Manaphy. May! Wow!

May hugged her too.

May: I'm so happy you're okay.

Cocytus Frost: Me too.

Me: You were turned into a Darkrai because of Dark Gale.

Cocytus Frost: (GASP) I remember! Those monsters made me into my favorite Pokemon which is perfect for me.

She was in a black and blue suit and was injected and then she turned into Darkrai and then formed all the nightmares of the Dark Gale Members and killed many of them. Then she flew out of there as a dark mist.

FLASHBACK ENDS

Cocytus Frost: It was awful but it was cool being Darkrai.

Camie: Wow!

Me: Darkrai is a really cool Pokemon. He is a Pokemon that is fitting for the Goths of Darkness.

Brittney: He sure is.

Nico: How did you meet May?

Cocytus Frost: I met her when she was going attending the Wallace Cup.

Me: Wow! Ash told me all about the Wallace Cup. The beautiful outfits there were amazing.

Dawn: Yeah we know how it is and it was fun.

May: Yeah I went as an Arabian Princess.

Me: We'll have to see that soon.

May: Yep.

Cocytus Frost: Yeah and Jessie of Team Rocket was there and I was there for support for May. She and her Pokemon did really well.

Nico: Cool!

Cocytus Frost: When May got mad when Team Rocket took her food, I helped her defeat them.

Nico: One thing we know NEVER to do is swipe her food.

Me: Or your death warrant is signed. Nico jumps into my arms in fright when he sees May mad.

Nico: He's right on that.

May: I agree.

Cocytus Frost: Some things never change though. (Sees May's Wedding Ring) Wow! May you got married?

May: A While back.

Cocytus Frost: Wow! Congratulations. Who is the lucky guy?

Nico: You're looking at him.

Cocytus Frost: Wow! I missed a lot.

Me: Yeah it's okay.

Nico: And your role in Sonya's team?

Cocytus Frost: Well I am the Elemental Fearmaster of the team. Me and my sisters are called that. I bring our enemies fears to life through the powers of darkness and ice. I also use darkness and ice blasts too.

Nico: Whoa! That is cool.

Cocytus Frost: Yeah. And also outside the team me and my sisters battle bad guys with our powers and sometimes for fun we got to prisons and scare the crud out of criminals.

Qin: WHOA!

Me: That explains why some of the prisoners were scared shitless.

Cocytus Frost: Yep.

Nico: Wanna come with us?

Cocytus Frost: Sure.

Rarity: Lets get some new clothes for you first darling.

The Fashion brigade gave her new black clothes and a scary nightmare scythe and she looked great.

Cocytus Frost: Wow! I look awesome!

Nico: You sure do.

Me: Yep. Also your name Cocytus is like the 9th Circle of Hell.

Cocytus Frost: That's right. My powers all come from the 9th Circle of Hell in its entirety.

Me: Whoa! We've been to hell many times before and it's NOT a pleasant sight.

Nico: No it ain't.

Me: Yeah.

Cocytus Frost: Wow!

Me: Yeah.

Nico: Lets go face our target.

We went to do so.

We then took off into the air and we set out to take down Mayhemwish Comet and send him to The M.O.E. and Lincoln's going to absorb Zinyak and the entire Zin Empire and send them all to The Black Abyss forever.

We were flying in the air, and we spotted our target: Mayhemwish Comet, the hypothetical Akuma of Jirachi, and we sensed his energy, and it's really powerful.

Lincoln: Whoa! He's really powerful.

Me: WHOA! He looks cool as a comet.

Lincoln fired waves of purple energy, stars, and aurora from his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings and they hit Mayhemwish Comet and we landed.

Me: Jirachi, is that you?

Mayhemwish Comet: Yep, it's me.

Jirachi: Wow, I look great as a comet.

Me: You sure do.

Max: That is fitting too since you are from the Millennium Comet.

Poromon: Awesome.

Lincoln: We were really stunned ourselves when we found out about you.

Mayhemwish Comet: I know.

Nico: Listen, Team Rocket already redeemed themselves.

Mayhemwish Comet: I know. Jessie, James and Meowth are good guys and I'm happy about that.

Me: We are too.

Mayhemwish Comet: What about the rest of them?

Me: Many of them are all dead and locked in prison forever.

Qin: It's true.

Me: And Giovanni is in the Black Abyss.

Mayhemwish Comet: Good. I'm glad.

Me: Yep.

Mayhemwish Comet: Would you like to see my wishing power in action?

Me: Sure.

Mayhemwish Comet: What would you like to see?

Me: I wish for Squidward to get the Worst Spanking of His Life!

Squidward: HEY!

Nico: Long story.

Cocytus Frost: WOW! That was awesome!

Camie: It sure is.

Lincoln: And Zinyak, you and your entire empire better get out here right now, I can smell your blood from a mile away.

We then saw our secondary targets: Zinyak, leader of The Zin Empire, along with all the soldiers of The Zin Empire, and they all had the demonic Alicorn on their foreheads.

Zinyak: You will all pay for this humiliation, and you will all be enslaved to serve us.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into the chests of Zinyak and all of the soldiers of The Zin Empire, and he began absorbing her, and he and all of us assimilated Zinyak's Genius-level intelligence, Telekinesis, Advanced alien technology, Leadership, Strategist skills, Formidable Strength, Gunmanship, Superior reflexes, Immense marksmanship, Scientific knowledge, and Charisma, and the Zin Empire's soldiers and agents' extremely sophisticated arsenals and firearms, Capability of travelling through space and time, Powerful futuristic warships, Stronger, tougher and more durable alien warriors, Belligerence born of militaristic culture, Brainwashing, Vast and deadly military, Capable of using super powers including telekinesis, Destructive disposition, Can create virtual reality that can revive dead people within that world, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Zin and his entire empire except for their suits of armor, and he drained all of their souls dry of their energy and he sent them all to The Black Abyss forever.

Lincoln: Good riddance.

Suddenly, Lincoln sensed a group of thugs who were coming at us, and he used the Zin Empire's own firearms against them and he blasted all of them into dust.

Me: Whoa! Nice one!

Nico: Serves them right.

Lincoln: That was awesome.

Lincoln used telekinesis and lifted Mayhemwish Comet off the ground and sent him flying into a tree of pepperoni pizza, and he got back out and he ate one of the pepperoni pizza slices.

Mayhemwish Comet: (BURPS) That was good.

Me: (WHISTLES) You survived that?!

Caleb Maxwell: He's tough, I'll give him that. Let's see him survive this!

Caleb Maxwell summoned armies of vampire bats, but they wound up getting burned by the stars and fire around him.

Buster Bunny: Bad move, Caleb, but let's see him survive this!

Buster Bunny formed a massive red energy ball and condensed it to the size of his body.

Luna: (GASPS) No, dude! Get rid of that!

Buster Bunny: (Smirks) Okay, if you say so. NEGATIVE KARMA BALL!

Buster Bunny fired the energy ball and it hit Mayhemwish Comet and exploded with incredible power, and he was really mangled.

Caleb Maxwell: Must you always make things go from bad to worse?

Buster Bunny: (Points to Mayhemwish Comet) He started it.

WHAM!

CALEB MAXWELL HIT MAYHEMWISH COMET ON THE HEAD WITH HIS LARGE TWIN PISTOLS AND LEFT A BIG LUMP ON HIS HEAD!

Mayhemwish Comet: Ouch! Buster!

We laughed.

THEN, HE TAKES A BIG BITE OF HIS ONION!

Eddy: WOOHOOHOOHOO! UH OH, HE'S GONNA HIT HIM WITH HIS ONION BREATH! TAKE COVER!

Ed: Watch me. (EXHALING STINKY BREATH AT MAYHEMWISH COMET) HI, JIRACHI!

Lincoln, Connie Comet, Callie Comet, Aurora Knudson, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Mayhemwish Comet, and we fired extremely powerful blasts of rainbow, white, and blue energy, dark blue, white, and blue energy, neon sea foam green, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Mayhemwish Comet and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Connie Comet, Callie Comet, and Aurora Knudson did the same by firing dark blue and purple, dark blue and black, and neon sea foam green, white, and blue energy slashes from their gold plated claws and massive greatswords, and Lincoln, Connie Comet, Callie Comet, Aurora Knudson, Crash Bandicoot, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Mayhemwish Comet, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Mayhemwish Comet, this is where our conflict ends here.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Mayhemwish Comet.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) What Team Rocket did in your world can never be forgiven, and I made sure of that when I used a little dark magic to drain the life out of them.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Dennis Nedry's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where our conflict comes to an end.

Lincoln attacked him with two powerful energy slashes, and then...!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) NOW, THIS IS THE END!

Lincoln did one final powerful energy slash that hit Mayhemwish Comet hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and the Akuma was on his last legs and he was really really mangled.

Then, Lincoln fired rainbow, white, and blue energy blasts that turned into a straitjacket and tied up Mayhemwish Comet, and then, he threw him into a portal that led to The M.O.E.'s HQ.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And that...is the end.

Everyone cheered as we holstered our weapons and we powered

down, and the new bodies, clothes, weapons, jewelry, Third Eye, eleven massive and long colored wolf tails and longer Comet's tail, 28th Century backpack, large gold halos with four large orbiting gold rings on each corner behind the heads, large twenty colored planets orbiting around the legs and twenty smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of large colored angel wings underneath her massive colored angel wings of Connie Comet, Callie Comet, and Aurora Knudson are permanent.

Me: Now, that was one awesome battle.

Sebastian Mendez: (To Zoe, Michelle, Bela, May, and Haley Jetstream) Now, do you see that you're wrong? At least, Lea saw it for herself.

Michelle Jetstream: Fuck you, shithead!

Suddenly, Sebastian's midnight blue eyes turned blood red with hatred, and he called down lightning from the darkness of Hell and they got electrocuted.

Zoe Jetstream: Ow! What the fuck is your problem?!

Sebastian Mendez: I am no longer in the mood to even put up with your insane actions any longer, Zoe. You five are just going to make things far worse for yourselves, even if you can withstand any sort of punishment, you forgot that I can call down the darkness of Hell if you dare to anger me. So, unless you want to spend eternity in the blackest depths of Hell, do not do anything to piss me off.

May Jetstream: Grr, fine.

Drakus: Jeez, your sisters aren't going to change, are they?

Lea Jetstream: I hope they do, otherwise, Sebastian is going to call down the darkness of Hell, and we haven't forgotten what he's capable.

X-Squad Cell: And it also included the murder of Rachel Carrington all those years ago.

Rachel Carrington: Yeah, I know, but I forgave him since Chase Young's Dark Side was to blame for it, that 1,500-year-old scaly bastard.

Lincoln: Yep, he made Sebastian lose his humanity and put me through Hell and caused misery to all in his path, but he'll get his rightful punishment for his misdeeds soon.

Nico: You said it. And Sebastian's cruelty towards the insane might be what we need, if Elias dares to cause trouble and get Lea's sisters to backstab us, we'll need him to call down the darkness of Hell on him.

Me: That might slow Elias down a bit, I overheard Caleb say that the final ingredient to destroy that 20th Century warlock is the blood of a Devereaux who hadn't given into the curse and had also been given the powers of an Arcangela and the angels and archangels of God.

Selene Arcangela: And Darren Devereaux wasn't sent to Hell though, he was sent to Purgatory.

Selene Arcangela made an orb, and we saw it for ourselves: Darren Devereaux's not in Hell with the rest of his cursed family members, he's in Purgatory.

Lincoln: Whoa. So, what we saw on Mon Calamari and what happened last year, that was Elias' doing, he knew Darren wasn't going to give in, so he casted another curse on him to make him give in to the curse. We got to do is bring him back and reunite him with Darren Arcangela, that way, his strength can fully return.

Zoe Jetstream: I will kill you if you dared to do that!

Nico: Uh, Sebastian.

Suddenly, Sebastian's midnight blue eyes turned blood red with hatred, and he called down lightning from the darkness of Hell and they got electrocuted again.

Sebastian Mendez: That's it, I've tried to be nice, but not any longer. You five clearly don't even know when to stop your bullshit and running your fat mouths, and it's wearing on my patience for the last time!

Lincoln: And you're still not going to see that we've been doing good for the past seven years since we started?

Bela Jetstream: OH, FUCK YOU, YOU WHITE-HAIRED LOSER! YOU HAVE AND ALWAYS WILL BE A BORN LOSER WITH NO TALENT AND YOU'LL ALWAYS DESTINED TO BE ALONE BECAUSE WE'RE GONNA KILL ALL YOUR WHORES AND STUPID KIDS WHEN WE GET OUT OF HERE!

WE GASPED IN UTTER HORROR! THAT WAS A LOW FUCKING BLOW!

Me and Nico: THAT WAS A LOW FUCKING BLOW, BITCH!

Diana Lombard let out a shriek as her brown hair turned crazy, her green eyes shrank and the sclera turned bloodshot, and she raised her right hand open with the word TNT on it, and she brought it down...!

POW!

DIANA LOMBARD SLAPPED ZOE, HALEY, MICHELLE, BELA, AND MAY JETSTREAM REALLY HARD AND THEIR CHEEKS SWELLED UP LIKE A BALLOON AND THEY ALSO GOT A BLACK EYE AS A RESULT!

Suddenly, Lily the Mermaid and the rest of Lincoln's harem and his kids hugged him hard to show their love will always be eternal, and he had a smile on his face as he returned it.

Lincoln: Thanks.

Nico: What you five just said was really out of line, and if you dare to say something like that again, I will personally let Sebastian torture you five for all eternity!

Zoe Jetstream: (Starting to panic) D-Drakus..., say something!

Drakus: Zoe..., just shut up. That low blow you said about Lincoln, that crossed a serious line. I don't want to talk to you five for a long while.

Zoe Jetstream: (SCREAMS) Damn it!

Lea Jetstream: Same here. I've seen that the team are doing the right thing, but it's clear you and the rest really need some more brutal treatment from Sebastian. So, he can do whatever he wants to you.

Selene Arcangela: And what you said about Lincoln, you're lucky that we're not going to kill you!

Nico: Another day, another Akuma of a mascot fought

Me: Yep but this one was a really awesome one.

Lana and me sat Squidward on a big block of ice and his butt was glowing neon red. SIZZLING NOISES AND STEAM CAME OUT OF THE ICE.

Squidward: Ahhh!

Me: Sorry about that Squidward.

Squidward: It's okay.

Ekans: That was a cool one though.

Max: It sure was.

Cocytus Frost: Wow! Max you grew a lot the last time I saw you.

Max: I know Cocytus. It has been a while.

Jirachi: Yeah he sure has grown hasn't he.

Ekans: I'll say.

Nico: Nice job Ekans!

Ekans: Thanks Nico!

Poromon: Want some beer?

Ekans: Oh I can't drink beer! I'm allergic. I break out in hives.

Poromon: Oh man! Sorry.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough. He can't drink it.

Poliwag: Okay okay sorry.

Nico: Oh, Stone Man, what do you like to do in your free time?

Stone Man: Oh I'm a construction robot. I make houses that are hurricane and tornado proof out of solid rock and reinforced concrete and steel.

Me: Wow! That is cool!

Xenia: It sure is.

Camie: Yep.

Deadpool: (to the viewers) Don't worry, foiks. As soon as the Ambassador mission part starts, you'll find out who's been helping out the King Ohgers since day one. We just need to fight the Anothers right now

Me: Yep.

Jamesdean5842: I have a feeling this is gonna be awesome and fun.

Qin: It sure will be.

Lana: I'm so excited for this though. It'll be awesome.

Nico: Well, you heard the last part of what the man said.

Eli: Yep. Time for the Anothers. (Concentrates) We have Another Shining Firefly, Pinkie Pie, Veena, Puppet King, Opavinia Monstrosity Regalis, Flinty Stone and Pahrak.

Abigail Brodie: We're glad to be back too.

Me: WOW! These are all your sisters?

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: Time for Backup! (TURNS DIAL) MOONSTONE CRYSTAL 6!

She summoned Moonstone (Steven Universe), Crazy Gem, Supergiant (X-Squad), Lego Dementors, Darklord Amdusc and Rex Shard!

Me: We don't have to wait long!

We saw Another Shining Firefly and Pinkie Pie!

She reverted back and it was the gene-slammer of Waterdragon Fairy!

Tristan: (GASP) Talia!

Talia Taylor: Brother!

They hugged!

Talia Taylor: I am happy to see you.

Tristan Taylor: Same here.

Me: Boy this has been an amazing reunion.

Tristan: Talia is a master of light and water.

Shining Firefly: Wow! Just like me with light.

Me: Yep.

Nico: Who's your friend?

Another Pinkie Pie: (In a boys voice) Someone who loves baking right sis?

He reverted back and it was a boy with grey hair and purple eyes and purple clothes and had a cracked rock cutie mark.

Pinkie Pie: (GASP) Octavio!

Octavio Pie: Octavio Pie!

Me: Wait you two know each other?

Pinkie Pie: Yep. This is my brother Octavio Pie.

We were shocked!

Me: WHOA! Pinkie we didn't know you had a brother! I thought it was just you, Maud, Limestone and Marble.

Limestone Pie: We don't really like to talk about our brother very much. He was pretty much of a recluse.

Nico: Why's that?

Maud Pie: (Monotonously) He always wanted to be a fancy baker like Pinkie Pie is.

Me: What's the matter with that? Pinkie makes really awesome sweets and desserts.

Octavio Pie: Yeah. I do it because I love my sister and we baked a lot to show friendly competition.

Camie: Boy that is cool.

Mary Knudson: I love all of Pinkie's treats she makes and man they are some of the best ever. I'm sure yours are just as good too.

Octavio Pie: Thank you very much.

Me: Does your family have a tradition of sorts Cloudy?

Cloudy Quartz: Yes it does. We work in making good geologists.

Nicole: Nothing wrong with that. I am a geologist myself and it's fun learning all about rocks.

Octavio Pie: That is true.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Octavio Pie: The cakedowich on a stick.

He gave one to me.

Me: Ohh Cake, Donuts and Sandwich Cookies Shish-Kabob Style. I like it.

I ate it and it was so delicious!

Me: Oh wow! That is so delicious!

Sakura Knudson: That is amazing! I wondered why so many shish-kabob sticks were on the ground and Swartz was so fat like a sumo wrestler.

Me: I can see why.

Nico: Boy that looks awesome.

Me: It sure is.

Kaito and Zocks: ZENKAIJU GEAR!

They donned their Zenkaiju Armor.

Me: You should be really proud of your sister Octavio. She has come a long way ever since she and her friends joined us after the Great War With the Royal Defenders.

Octavio Pie: I am proud of her.

Lincoln: Awesome. Lets separate you both.

We did so.

Nico: (gets out Shining Firefly's Ridewatch) Time to see the light!

May: (Gets out Puppet King's ridewatch) I control your power!

Maria: (Gets out Flinty Stone's ridewatch) Time for some rock power.

Cloudy Quartz: (Gets out Veena's ridewatch) Time for some art power!

They used the powers of Shining Firefly, Veena, Puppet King, Opavinia Monstrosity Regalis, Flinty Stone and Pahrak and blasted the Anothers all over the place.

Then Condor, Suitsukiman, Beast Opera Gopera, Sarracenia Monster, Gecko Monster and Frog Monster came.

Me: WHOA!

Nico: Nice team Condor!

Condor: Thanks Nico! It's gonna be cool! And this is a first here. Me and these guys are all the archenemies of the Maskman Rangers.

Me: WOW! That is awesome!

Takeru: My team is literally next!

Me: Yep!

Lola: That is cool!

Takeru: YEAH! We're back in business after 37 years!

Qin: Yeah!

Another Poromon came.

Poromon: WHOA! Another of me!

Poromon 2: (In a girls voice) Awesome to see you Poromon!

Poromon: Wait! Phoenix Poros!? Wow!

She reverted back and was a girl with red hair, orange eyes, fire clothes and had fire angel wings and had Poromon on her skirt, shirt and forehead and had a phoenix tattoo on her arm and had a phoenix staff in her hand.

Nico: Wow! Awesome to see you!

Phoenix Poros: You too Nico. I got this! (ECHOING) PHOENIX FIRE!

She fired waves of fire and blasted the Anothers and I caught the ridewatches and purified them!

Me: YEAH!

Zhuqiaomon: WOW! Do you have my powers?

Phoenix Poros: I sure do.

Poromon hugged her.

Phoenix Poros: Awesome to see you Poromon.

Poromon: Beer?

Phoenix Poros: Yes please.

Poromon: Here you go!

Poromon gave one to her and she drank it.

Phoenix Poros: Thanks.

Nico: (LAUGHS) That is funny. You like beer as much as Poromon.

Me: Yep.

Cloudy Quartz: Does thou have a good memory of Nico?

Phoenix Poros: I sure do. It's a funny one. When me and Nico went to my family's beer factory and we drank all the beer and got drunk and stripped ourselves naked and made out.

WE LAUGHED HYSTERICALLY!

Me: Oh that is crazy and silly.

Nicole: Yeah no kidding! I hope the factory was closed.

Phoenix Poros: It was.

Poromon: I was a witness!

Nicole: That is funny!

Me: Yeah!

Nico: Yeah.

Nico and Phoenix hugged.

Nico: I've missed you.

Phoenix Poros: Me too.

We went back home to Earth.

But, when we get there, they're going to explain the situation, and it's definitely not good at all: Nikiya's former brother, the bloodthirsty Legendary Super Saiyan, Broly, has returned from The Black Gates thanks to Morgana Midnight Sparkle to again seek revenge on us for killing him, and this morning, Lincoln revealed that Anti-Monitor didn't bring him back because of how bloodthirsty and dangerous he truly is, and the one person behind it was Morgana Midnight Sparkle, and Broly's here in Torrington Academy and causing havoc. So, we got to get everyone out of Torrington Academy and to safety, and then, we're gonna tear Broly apart and send that bloodthirsty brute to The Black Abyss for good.

When we arrived at Torrington Academy, a powerful thunderstorm was raging.

Lincoln: Whoa, we're here in Torrington Academy, and I know what we're going to do here, not only am I going to rescue the four girls here, but we'll be meeting up with your stepbrother, Martin Mystery and her friends, Java the Caveman and Billy, Diana.

Diana Lombard: That's right, and they like me are also agents of The Centre. Plus, your premonition this morning revealed what's about to happen.

Nico: Yep, Nikiya's former brother, the bloodthirsty Legendary Super Saiyan, Broly, has returned from The Black Gates thanks to Morgana Midnight Sparkle to again seek revenge on us for killing him, and this morning, Lincoln revealed that Anti-Monitor didn't bring him back because of how bloodthirsty and dangerous he truly is, and the one person behind it was Morgana Midnight Sparkle, and Broly's here in Torrington Academy and causing havoc.

Me: So, we got to get everyone out of Torrington Academy and to safety, and then, we're gonna tear Broly apart and send that bloodthirsty brute to The Black Abyss for good.

Eli: Yep. Plus, this is our first time coming here to Torrington Academy.

Diana Lombard: It's good to be back at Torrington, but Morgana's got some nerve to cause another attack and here of all places.

Jenni Anderson: I hope everyone's okay.

Lincoln: Only one way to find out, Jenni. Let's go.

We ran to the entrance of Torrington Academy, and we went inside.

Nico: Wow. Torrington is even bigger on the inside, now where are the other students and staff?

Polly Potswagel: They've got to be around here somewhere.

Amanda: Wait, in the case of an emergency, the students and staff evacuate to the safest place in Torrington: the basement.

Lincoln: The basement, of course.

Suddenly, we heard footsteps approaching, and we were about to jump the person behind it.

Lincoln, Sam, Clover, Alex, and Diana Lombard: Wait, guys. Stop!

We stopped, and we saw just who it was we were about to jump: it was Diana's stepbrother, Martin Mystery, along with her friends, Java the Caveman and Billy.

Diana Lombard: Martin, Java, Billy!

Martin Mystery, Java the Caveman, and Billy: Diana!

They hugged.

Java the Caveman: Diana okay?

Diana Lombard: I'm okay, Java.

Billy: M.O.M. told us that you, Jenni, Caitlin, Darla, Amanda, Polly, and Louise were living in Gotham Royal York.

Diana Lombard: Along with her, Beatrice, Emma, Jane, Katie, Louise, Michelle DuBois, Olivia, Sadie, and Zowie Quinn. We joined Lincoln's harem three years ago, oh, the rest of you guys should introduce yourselves.

We did so.

Sam Simpson: We've heard about the situation thanks to Lincoln's premonition this morning.

Martin Mystery: You heard right. I can't believe Morgana resurrected that brute and let him loose on Torrington Academy.

Stone Man: Well, we'll be rid of him very soon. Now, we got to get everyone out of the basement, there is no telling when we'll run into that bloodthirsty brute.

Lincoln: We'll get them to the safety of Gotham Royal York and under the protection of the others.

We ran to the basement, and we saw all of the students and staff there.

Me: Alright, now let's get everyone to the city.

Lincoln beamed the students and staff to the city and they're now under the protection of the rest of the team.

Nico: Alright, now we need to stop Broly.

Suddenly, we felt a cold black chill in the air.

Martin Mystery: Brr, did you guys feel that cold black icy chill in the air?!

Nico: We did.

Gohan: Elias Devereaux, he's here.

Billy: I thought you guys sent him to The Black Abyss forever after you removed him from Sebastian.

Lincoln: The only person who can destroy him forever is the blood of a Devereaux who hadn't given into the curse and had also been given the powers of an Arcangela and the angels and archangels of God.

Diana Lombard: Which means we need to free Darren Devereaux's soul that was sent to Purgatory and reunite him with Darren Arcangela, then, we can deal with Elias. Which means, he'll be running loose until that day comes.

Eli: Right now, let's go hunt down Broly and get rid of him.

MYSTICAL MUSIC PLAYS

Suddenly, we saw a zombie flying in the skies and it left an amazing wave of darkness and dark magic flying all across the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long purple hair, red eyes, massive black angel wings, white short-sleeved blouse with a zombie on it and on her forehead, purple sleeveless crop top, purple skirt, purple knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, gravestones, zombies, phoenixes, and angels on the coattails, and on the back is the zombie, she has a darkness greatsword, and with her are the four girls.

Lincoln: (GASPS) Zarya Zombie, Avatar of The Zombies.

Zarya Zombie: That's right, and I got the girls away from that bloodthirsty brute and that murderous warlock. (To Martin Mystery) And don't even think about it, Martin.

Martin Mystery groaned as we snickered. Suddenly, we sensed a really really massive power signal!

Lincoln: He's here. Let's get going and hunt that brute down.

We immediately ran outside as the storm continued.

Java the Caveman: Java no like storm.

Diana Lombard: It's alright, Java. Now, where is that brute?

Suddenly, we dodged an incoming green energy blast.

Nikiya: Figures. No doubt about it, it's my brother.

?: How perceptive, "Sister".

We turned around and we saw our old enemy, Broly, the Legendary Super Saiyan. Suddenly, we saw Caleb Maxwell's eyes start to leak tears of blood and his blood red eyes glowed even more, and then, we saw the storm suddenly fade, but then, we saw a blood red moon appear in the skies and a black shadowy cloaked figure with a scythe and eight sets of black wings appear behind Caleb Maxwell.

Caleb Maxwell: Did you really think you could surprise us with that? You really are nothing more than a brute, but it doesn't matter anymore. It's time we bring an end to this once and for all! (Raises his twin pistols) This is where you die once and for all, Broly!

?: Not before I destroy all of you in the process!

We then saw our secondary target appear from a tornado of darkness and levitating in front of the school: it was Elias Devereaux, but he's been returned to life.

Diana Lombard: That's it, we've had it with you, Elias.

Diana Lombard formed a massive greatsword of pink energy and she hurled it like a javelin, and it pierced Elias Devereaux right through the chest and he was pinned to the wall.

Martin Mystery: That'll hold that maniacal warlock.

Suddenly, we saw Elias Devereaux struggling as he was trying to get out and get free.

Martin Mystery: (Sweat drop) For about ten seconds!

Nico: Dang it. We'll worry about Elias later, right now, we got to take care of Broly and fast.

Lincoln: Right. This is where it ends for you, Broly. I never want to see your face here ever again!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

Martin Mystery: What the?!

Diana Lombard: We should explain, Lincoln's an Alpha Vampire-Werewolf Hybrid, he got turned by two of his Guardian Angels, Adriana Ardelean Dracula and Rudina Adalwulf, no doubt thanks to Lori, Lynn, Lola, Lisa, and Luan.

Lincoln: (Beastly Voice) For too long, you've been nothing more than a living nightmare to every last living being in the universe, and your appetite for destruction has caused the loss of far too many innocent lives. Plus, I can't forget about what your sister went through when she was inside of your fractured mind! (Deep sapphire eyes glow) You've lived for far too long, Broly, and for that, I'm going to make sure that you stay gone forever!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Broly and proceeded to brutally smash him into the ground with his massive brute superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HIM! HE WAS REALLY GOING APESHIT ON HIS HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SCREAMS OF PAIN!

WE THEN SAW LINCOLN SLASHED HIM ON THE CHEST WITH HIS MASSIVE GREATSWORD AND HE LEFT BLEEDING SCARS ON HIS CHEST AND HE EVEN LEFT ANOTHER BLEEDING SCAR ON HIS BACK!

Me: WHOA! DAMN! NOW, THAT'S JUST BRUTAL!

Nico: Really brutal!

Nikiya: Incredible.

Suddenly, while Lincoln was still fighting Broly, we saw Elias Devereaux still trying to get out, and he fired a black energy blast at us, but I deflected it and it exploded in the skies.

Martin Mystery: Doesn't this guy ever give up?!

Diana Lombard: He won't give in that easily. But, we better take care of Broly and fast before Elias breaks loose.

Nico: Then, let's give Lincoln a hand and get rid of this brute once and for all.

MARTIN MYSTERY OST - ACTION THEME PLAYS

We charged out and we assisted Lincoln with attacking Broly as we blasted him with energy blasts and elemental forces, all while Elias Devereaux was trying to get out and get revenge on us.

Elias Devereaux: (ENRAGED SCREAM) DEMONS OF HELL, ARISE AND AID YOUR MASTER!

Suddenly, we saw demons from Hell arise, but Lincoln fired blasts of holy light that hit the demons and sent them back to Hell, and that only angered Elias Devereaux even more. Suddenly, Broly ran at Nikiya and tried to strangle her and Paragus, but Lincoln kicked him hard in the face and sent him into a wall Lincoln formed, he got back out, but that pissed him off even more.

Lincoln: (Beastly Voice) You're not laying one hand on your sister and father ever again!

Nikiya: Nice one, Lincoln.

Martin Mystery: Let me give you a hand, Lincoln.

Martin Mystery used his U-Watch and got out the I-Cutter, and he charged at and slashed Broly on the back leaving another bleeding scar on him. Then, Java threw a massive boulder at Broly, but he destroyed it with an energy blast, and Elias Devereaux was still struggling to get out and kill us in a fit of rage.

Sam Simpson: That's it, Jerry's so getting us an I-Cutter when we get home.

Then, Sebastian blasted him with a black fire blast.

Sebastian Mendez: I don't know what I was even thinking when I constantly brought you back among the other scum, but that ends here today.

Sebastian Mendez summoned massive armies of demons that attacked Broly and they also attacked Elias Devereaux and that pissed him off even more.

Nico: That'll teach them.

Suddenly, Broly rushed at Lincoln who turned invisible, and all of Broly's punches and kicks phased right through him.

Lincoln: (Beastly Voice) Nice try, you can't hit what you can't see.

POW!

Lincoln punched Broly hard in the face and sent him flying into a wall!

Jenni Anderson: Nice shot!

Caitlin (Martin Mystery): (Sees Broly get out) Uh oh.

Broly got out, but that pissed him off even more.

Clover: Now, we've really made him mad. Guys, it's time.

Caleb Maxwell: You heard her, boys. It's our turn!

Musk-Ox Yuki-Onna Thundersnow Ice Dragon Phoenix God Angel Hope, and Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholster their massive greatswords and transformed, and we went after Broly and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit him.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Broly's chest, and he began absorbing her, and he and all of us assimilated Broly's Incredible superhuman strength, speed, agility, durability, endurance, and powers, Extremely strong Ki manipulation, Flight, Very strong fighting skills, Ability to transform into a multitude of increasingly powerful forms, Ability to gain Zenkais, Regeneration, Extremely high power level, and Enhanced senses, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS)

Then, when Lincoln was done and the stingers changed back,

nothing was left of Broly except for his clothes, and he drained Broly's soul dry of all his energy and he forever sent him to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) And that is the end for you, Broly. I don't ever want to see your face here ever again, you're no longer welcome in this world or the afterlife (ROARS AND HOWLS IN VICTORY)

Elias Devereaux literally let out a scream of pure rage and insanity, and then, he tore the pink energy greatsword out of him, and he charged at us. Then, Lincoln made heavenly lights shine down as the red moon and sky disappeared, and Elias Devereaux screamed in agony, and he ran away and into a portal of darkness.

Suddenly, Lincoln was hugged by Nikiya and kissed on the lips which he returned as he hugged her too.

Nico: We did it, now we're finally free of Broly once and for all.

Me: That's for sure. But, Elias has escaped, and there's no telling what he'll be plotting next.

Zoe Jetstream: I don't care, as long as he gets rid of you all, we don't give a shit about any of you at all or mankind! You broke reality and I hope you all die!

Suddenly, Lea Jetstream lost it!

Lea Jetstream: ALRIGHT, THAT'S IT!

LEA JETSTREAM POUNCED ON HER FIVE OTHER SISTERS AND BEAT THE CRAP OUT OF THEM AND AS SOON AS SHE WAS DONE, HER SISTERS LOOKED LIKE THEY WERE BADLY BEATEN AND HAD BLACK EYES AND MISSING TEETH!

Zoe Jetstream: Lea...!

Lea Jetstream: You just don't even know when to shut your big mouth at all, Zoe! Same with you, Michelle, Hayley, May, and Bela! God sent us to be the Guardians of Reality, and he saw our potential, but he hadn't seen just how hideous of a person that you five are. J.D. and all of Team Loud Phoenix Storm has always done their job to protect not only Earth and the universes beyond, but that also included reality from the most dangerous threats ever! But, you five just don't care, you want to make him and the rest of the team suffer because of your fanatical devotion to being the Guardians of Reality. (Sighs) Now, I'm really pissed off at you five for this, I'll be sure to tell God about all this, I'm sure you five are bound to receive some sort of punishment.

Suddenly, Lincoln's deep sapphire blue eyes glowed, and then, they changed from deep sapphire blue to a heavenly golden yellow as we felt a massive and powerful divine force coming from him, as we saw heavenly lights shining down from Heaven and the angels of Heaven descended and surrounded Zoe, Michelle, Hayley, May, and Bela Jetstream with their swords out. Then, Lincoln snapped his fingers and we were suddenly back in Gotham Royal York in less than a second and right in front of the rest of the team who are literally seeing everything.

God: (Through Lincoln's body) (Divine Heavenly Godly Beastly Voice) There is no need for that, Lea Jetstream. It's my fault for not seeing just how much the responsibility of being Guardians of Reality has badly damaged the thinking ways of your five other sisters, but I'm glad you were the only one who realized that what the team's been doing for the past seven years is right and true.

Michelle Jetstream: What?!

God: (Through Lincoln's body) (Divine Heavenly Godly Beastly Voice) That's enough! I've seen what Team Loud Phoenix Storm has done ever since they first started out, and for the past seven years, they have accomplished so much and dealt with many dangerous and powerful villains, and they've always done their job to protect not only Earth and the universes beyond, but that's also included reality from the most dangerous threats ever. But, it's clear you five don't care, you just wanted to make J.D., Lincoln, and the rest of the team suffer because of your fanatical devotion to being the Guardians of Reality. This is something I cannot overlook at all.

The authority of God's voice was that powerful, even Zoe, Michelle, Hayley, May, and Bela Jetstream were literally shaking in their boots, and we were all stunned as well.

Nico: Everyone in the city's not going to believe this.

Maria: We're seeing it for ourselves, and it's already happening.

God: (Through Lincoln's body) (Divine Heavenly Godly Beastly Voice) Lea Jetstream, because you're the only one who's seen that what Team Loud Phoenix Storm has done is indeed right and true, you are going to be appointed as Warden for your other five sisters who need to be taught a serious and divine lesson. I saw your potential and appointed your five other sisters as Guardians of Reality, but what's also needed is responsibility, cooperation, and compassion, something they've forgotten when they let power go to their heads.

Zoe Jetstream: (GULPS) We're in so much trouble!

Michelle Jetstream: No shit!

Hayley Jetstream: God has been known for mercy, but for those who anger him by disobeying the commandments or breaking the sacred vows, there's always consequences.

May Jetstream: Isabella Abaddon paid that price when she turned against Lincoln and the rest of the Guardian Angels.

Bela Jetstream: And it got her sent to Hell forever.

Zoe, Michelle, Hayley, May, and Bela Jetstream: Now, imagine what's going to happen to us?!

God: (Through Lincoln's body)(Divine Heavenly Godly Beastly Voice) I believe I know what's going to happen to you five. Zoe, Michelle, Hayley, May, and Bela Jetstream, as punishment for abusing the very power you were entrusted, you five are going to be imprisoned inside a special necklace that shall be entrusted to Lea Jetstream, and she'll not only be keeping a close eye on you, but you're going to see for yourself that what Team Loud Phoenix Storm has been doing is right and true, and perhaps then, your eyes will be open to the truth.

Hayley Jetstream: NEVER! THEY WILL ALL PAY!

God: (Through Lincoln's body) (Divine Heavenly Godly Beastly Voice) It's clear that you refuse to see it for yourselves for you five are blinded by letting the power go to your head.

Suddenly, Lincoln was surrounded by a mighty white, golden yellow, and blue energy aura, and the heavenly lights shining down from Heaven are suddenly getting even stronger.

God: (Through Lincoln's body) (Divine Heavenly Godly Beastly Voice) DIVINE HEAVENLY JUDGEMENT STYLE: HEAVENLY CRYSTAL IMPRISONMENT!

God through Lincoln's body fired waves of white, golden yellow, and blue energy from his massive white angel wings and four sets of larger white angel wings which hits Zoe, Michelle, Hayley, May, and Bela Jetstream, and they were put into crystals that were hanging on a necklace, and the necklace is put around Lea Jetstream's neck.

Drakus: W-what did we just witness?!

Selene Arcangela: That was God's punishment at work. Usually, it ends with someone being eternally damned or sent to Hell forever, but he still shows mercy, even towards those five jerk-offs. Since he'd appointed them as Guardians of Reality along with Lea Jetstream, but she was the only one who had seen what we've done is right and true, so her eyes were finally opened, but her five other sisters are still blind.

God: (Through Lincoln's body) (Divine Heavenly Godly Beastly Voice) It will still take time for them to fully open their eyes, Selene. Until we meet again, Team Loud Phoenix Storm. Farewell.

God left as Lincoln's heavenly golden yellow eyes turned back to deep sapphire blue.

Lincoln: (Beastly Voice) Oh man, it felt like a very powerful divine force really awakened inside me. But, what happened?

We explained what happened.

Lincoln: (Beastly Voice) Whoa. That was really intense, but still, at least, everything's over and done with.

Lincoln changed back.

Lincoln: (To Zarya Zombie) And it's so good to see you again, Zarya.

Zarya Zombie: You too, Lincoln, it's been seven years since we last met.

Suddenly, Zarya Zombie had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Zarya Zombie was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Zarya Zombie: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Zarya Zombie and hugged her, and Zarya Zombie is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, he's also even more taller, more handsome, buffer, hunkier, and much more muscular, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Zarya Zombie: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us,

and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Zarya Zombie, Avatar of The Zombies, she's Lincoln's Guardian Angel and she's known as The Dark Zombie Voodoo Master of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Zarya is a powerful master of the powers of darkness, dark magic, voodoo, and zombies, and she's also known for her mastery of voodoo and necromancy not seen in ancient times. She lived during an age of darkness and she was said to be born in a graveyard long forgotten, and over time, as she grew, she gained all of the incredible strengths and powers of the zombies along with immortality and she also mastered the powers of the darkness, the undead, dark magic, and bringing back the dead, and she'd fought to defend the graveyards all over from the hatred and fear wrought on by the paranoia that humans had towards the zombies, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, dark magic, voodoo, necromancy, and the powers of the zombies, and he also gained all of the incredible strengths and powers of the zombies, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 zombies and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Zarya kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of the zombies.

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: And we all know the legends of the zombie all too well.

Lincoln: That's right, and we've dealt with many zombies before, and now that you're here, Zarya.

Lincoln with his massive muscular arms still wrapped around Zarya Zombie leaned his head down to the right side of Zarya Zombie's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Zarya Zombie: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Zarya Zombie with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Zarya Zombie: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Zarya Zombie.

Zarya Zombie had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Zarya Zombie's waist, and he leaned down to her face and kissed her on the lips, and with Zarya Zombie's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Zarya Zombie had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Zarya Zombie: (In Heaven) My God. Oh, Lincoln, the four girls I rescued are...

Travis Tackett: Boys, cover your eyes! You too, Martin!

Martin Mystery: Why?

Suddenly, Diana Lombard slapped Martin Mystery hard and sent him flying into his new room, and the rest of us covered our eyes. Then, Lincoln, Nicole, and his harem went up to the four girls, and when Lincoln saw them, his nose wound up gushing out blood as he saw them, the four girls are Manatsu Enoshima, Minato Kurasaki, Nanami Odera, and Riko Katsurahama from Shabura Rental - Ecchi na Onee-san to no Eroero Rental Obenkyo.

Lincoln: Oh whoa, it's Manatsu Enoshima, Minato Kurasaki, Nanami Odera, and Riko Katsurahama from Shabura Rental - Ecchi na Onee-san to no Eroero Rental Obenkyo.

Nicole: No wonder Travis and the others to cover their eyes, and Diana slapped Martin hard and sent him flying into his new room.

Lincoln: And the girls are easy targets for perverts, and I'll smash them into the dirt. Are you girls okay?

Manatsu Enoshima: Yes, we're okay thanks to you.

Then, when Manatsu Enoshima and the other three girls saw who it was that saved him from Broly and Elias Devereaux, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-

Manatsu Enoshima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Manatsu Enoshima: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Manatsu Enoshima, Minato Kurasaki, Nanami Odera, and Riko Katsurahama with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

We came out.

Maria: That's the last time we ever have to deal with Broly, that brute deserves to die. But, now Elias is still running loose.

Lincoln: Don't be so sure.

We then saw that Lincoln had Elias Devereaux sent to Hell and he trapped him there until we can set the soul of Darren Devereaux free.

Nico: This'll keep him trapped in Hell until we free Darren Devereaux's soul and reunite him with Darren Arcangela.

Me: And when we do, Elias will pay.

Eli: That's for sure.

Drakus: (Sighs) I'm still angry that Zoe, Michelle, Hayley, May, and Bela Jetstream hadn't seen that what you guys have been doing for the past seven years is right and true. Plus, I was almost that close to really pulverizing them especially when I heard the nasty things they said about Lincoln, that was absolutely cruel and evil.

Lea Jetstream: It's okay, Drakus. But, at least, I've opened my eyes, and God made sure that my five other sisters would be punished by putting them in the necklace he made for me. So, now I'm their warden and I'll be keeping a close eye on my sisters until their eyes are finally open to the truth.

X-Squad Cyclonus: Good.

Lori: What they literally said about Lincoln and his harem and kids along with wanting to make J.D. suffer along with all of us, if they weren't appointed by God and if we hadn't brought them in along with the fact that they're friends with Drakus and the X-Squad, if we could, I wish we could kill them on the spot!

Lori's eyes turned red and bloodshot with absolute fury and steam blew out of her nose: she almost turned into an angry bull! And so did the rest of Lincoln's sisters, friends, parents, and his harem, Guardian Angels, and kids.

Maria: Whoa!

Me: They really crossed it: saying those sorts of vile things to Lincoln, it's like we're dealing with the Version 2.0. of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan.

Nico: Maybe, some time imprisoned in those crystals for Lea's new necklace will give them time to reflect on their fanatical behavior, and hopefully, their eyes will be open to the truth, though I won't waste my breath around those bitches.

Lincoln: Same here. I was about to lose it, but when God intervened, he decided on their punishment and it was indeed justified.

Me: And it was right through you.

Maria: We wanted to get a photo, but we couldn't, we were far too stunned.

After Lincoln and all of us finally dealt with Broly and Lincoln absorbed him and sent him to The Black Abyss forever, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Zarya Zombie saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Zarya Zombie: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Zarya, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Zarya Zombie: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Zarya Zombie: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, James Blunt got out another video.

James Blunt: Now, this next video is around the time Caleb was with me after he'd returned from the dead, but of course, we ran into trouble from some local thugs, and you're about to see what he did to them.

James Blunt put the video in as it played on the big screen, and there we saw James Blunt and Caleb Maxwell working in the front yard of the house and this was during the time after Caleb returned from the dead. Caleb helped with mowing the lawn while James was working on a car for one of the nearby neighbors.

Past James Blunt: Thanks for helping out with the yard, Caleb.

Past Caleb Maxwell: No problem, Mr. Blunt. Besides, our neighbor needed the car fixed after what had happened. I can't believe the engine broke down like that.

Past James Blunt: Luckily, I had a few spare parts I got from a nearby auto shop.

Suddenly, they heard some motorcycle engines in the distance.

Past James Blunt: Not again, more of Drake's thugs.

Past Caleb Maxwell: It better not be.

Then, the motorcycles stopped at the house, and the riders got off.

Motorcycle Thug: Alright, you better give us some money or else.

Past Caleb Maxwell: Back away right now. You have no business here.

Motorcycle Thug: What did you say?!

The thug got out a switchblade knife and was about to attack Caleb, but then, he grabbed the thug's wrist and applied so much pressure to it, he broke the thug's wrist, and then, he kicked him so hard in the stomach, he sent him flying into the other thugs and they crashed into each other.

Past James Blunt: (Thinking) Did he just break his wrist and kick a fully grown adult mortal hard in the stomach, he sent him flying into the other thugs?

Motorcycle Thug Leader: Why, that little...! Get him!

The thugs went after Caleb Maxwell, but he stood his ground and he used his Judo moves and karate moves from long ago and he really kicked their butts, and when he was done, the thugs were on the ground and in serious pain.

Past James Blunt: You..., you took down a whole gang of motorcycle thugs and all by yourself? Where did you learn those kinds of moves?

Past Caleb Maxwell: I enrolled in Judo and karate class when I was eighteen and it wasn't that long after I found out Dad and Drake's secret and got those two kicked out of the house, I was worried if they were to come after me for revenge, so I had to go through those classes to defend myself.

Past James Blunt: But, what I saw, it's as if your normal human strength has somehow increased to that of the unnatural strength of the vampires. Consider me impressed, let's call the cops on them and get them sent to jail.

James Blunt called the cops and the thugs were taken to prison as they gave their statements to the police and the video ended.

Nico: Whoa!

James Blunt: I had no explanation on how he was able to take them all down like that, those thugs are brutes and spent their whole lives fighting.

M.O.M.: They're street brawling thugs, Caleb had Judo and karate. But, when he was brought back by Lincoln's Dark Side Eternal Purification, his base physical strength, speed, agility, durability, stamina, and endurance increased to the same level as you and the other vampires, and we saw in the other videos, he got bitten and fed on by Cage and Travis. Somehow, a drop of their vampire blood wound up going inside Caleb after The Hallowshade Bloodbath, and it changed his physiology, but he didn't turn into a vampire.

Marcus Mackenzie: You are right about what you said, Caleb has the ability to heal through feeding on the blood of a vampire, but he doesn't get turned into one. All those in his family on his mother's side have that power.

Lori: But, Caleb didn't feed on their blood because he didn't want to get turned into a vampire, yet he didn't know about that ability of his.

Lincoln: After being afraid of them for a month and a half, I don't blame him.

Diana Lombard: Same here, but when he came back from the dead, he wasn't apprehensive to James at all not like with Cage and Travis.

James Blunt: True, and that over time grew into a strong bond as he helped me out in the field and in the yard at my home.

Eli: And time in the country led to his eventual recovery.

Lincoln: Until the last bit of his memory came back and he had to head back home to New York and to get revenge on Drake.

We got a shower, and then, Lincoln, Helga, Simulator Astrid Hofferson, and April the Gorlock are heading to Shangri-Spa.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Helga, Simulator Astrid Hofferson, and April the Gorlock are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Helga, Simulator Astrid Hofferson, and April the Gorlock all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Helga: (Swedish Accent) Wow, so this is Shangri-Spa, it sure is beautiful.

Lincoln: It sure is, Helga, and it's perfect for our first date, shall we?

Lincoln, Helga, Simulator Astrid Hofferson, and April the Gorlock went inside, and they each went to the hot springs of Shangri-Spa: The Spring of Purification, The Spring of Bliss, The Spring of Jungle Mist, The Spring of Sanctuary, and The Spring of Rainbows, and the hot springs' waters helped to relieve their stress, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went into a workout area Lincoln created, and Helga, Simulator Astrid Hofferson, and April the Gorlock got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Helga: (Swooning) (Swedish Accent) The true image of a God and warrior: tough, strong, brave, courageous, and manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Helga, Simulator Astrid Hofferson, and April the Gorlock and hugged them in their abnormally massive and powerful muscular arms, and Helga, Simulator Astrid Hofferson, and April the Gorlock placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Helga, Simulator

Astrid Hofferson, and April the Gorlock and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Shangri-Spa, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Helga, Simulator Astrid Hofferson, and April the Gorlock on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Helga, Simulator Astrid Hofferson, and April the Gorlock are in your harem, Linky.

Helga, Simulator Astrid Hofferson, and April the Gorlock showed the marks Lincoln made on the right sides of their necks.

Cindy: April found out much about Lincoln especially when she saw what he did in getting rid of Broly, and she immediately joined.

SpongeBob: Same with Helga.

Astrid: And I also introduced my Simulator counterpart to him, and she was easily impressed by his skill and strength.

Jenna: You guys had no trouble at all.

Helga: (Swedish Accent) Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons

of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12353.4: The U.S.S. Valorous Phoenix is en route to he home planet of the King Ohgers, Chikyu and it's going to be for Lana, May and Starfire's missions. Or mission is to meet the King Ohgers for the first time on their home planet and help them on their adventures.

Me: This is gonna be awesome!

Qin: It sure is! I'm excited for this.

Itachi: You guys are gonna be amazed at what we did here. From day 1 helped the King Ohgers and it was a really harrowing journey.

Me: That is so cool Itachi.

Sasuke: It sure is. I'm amazed you know the King Ohgers too.

Me: Yeah.

Sarada: That s awesome Uncle Itachi.

Itachi: I know.

Nico: Anyone else want to go with Lana, Starfire, and May? Besides 3 Rabbids?

Palutena: I'll go.

Electropede: So will I.

Superman: I'll go as well.

Peter Pan: Me too as well.

Zocks: And me and Vroon will go too.

Will: If they are going then me and the mascots will too because of dancing with Zocks too.

WE LAUGHED!

Me: (LAUGHS) Yeah we know how much you love to dance with Zocks.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet Chikyu.

Me: Wow!

Laney: So THAT'S Chikyu.

Xenia: It's beautiful.

Itachi: We're going to Yanma's kingdom first.

Me: COOL!

We got to landing.

We landed and we arrived in Yanma's kingdom N'Kosopa and it was a REALLY HIGH TECH and massively advanced kingdom. Like something out of the 61st Century.

Me: WHOA! So this is Chikyu and this is N'Kosopa. This is really cool!

Nico: WOW! This is incredibly advanced.

Eli: Amazing!

Lana: Boy I'll say!

Then we saw the King Ohgers!

Me: There they are!

Gira: Itachi? Is that you?

Itachi: It's good to see you Gira.

Gira and Itachi hugged.

Me: Awesome to see you Gira and same to all of you.

Gira: You to J.D. We saw your battle with Master Org all the way from here and man it was intense!

Me: Wow! You saw my battle with Master Org? News sure reached here huh?

Yanma Gast: It sure did.

Rita Kaniska: But it's so good to see you all here.

Hymeno Ran: It sure is.

Me: Yeah.

Lana: Well this is gonna be awesome too. Me, Starfire and May are your ambassadors.

Me: It's true.

Itachi: It's part of the diplomatic mission program I told you all about.

Jeremie: This is gonna be so cool.

Gira: Oh, and you're forgetting one thing.

Nico: What?

Gira (laughs evilly): I am the evil king who has conquered this world!

Me: That is cool! I know you're sounding dramatic Gira. No offense though but to me that sounds a bit intimidating.

Gira: No worries. But yeah I know what you mean.

I unsheathed my King Ohger Ohgercalibur.

Rita Kaniska: You have your own Ohgercaliburs!? Wow!

Me: It's a long story on that but it's cool. We got a lot to talk about since you were with us on your last visit to us.

Rita Kaniska: And not to worry. Racules is doing fine too.

Me: Good. When I first watched you guys I thought he was the main bad guy. But after the series progressed I saw that it was Dagded Dujardin, I knew that you all were played for a bunch of fucking patsies.

Hymeno: Yeah we sure were.

Yanma: We also know that the Anti Monitor brought back the majority of your enemies. But you know what? That just means you either get to settle unfinished business or do what you guys forgot to do regarding them.

Me: To be honest Yanma I wanted to have another crack at them and it's gonna be awesome to destroy them again and send those that aren't worth it to prison.

Eli: Yeah.

Rita Kaniska: Good. That shows they are worthy of prison.

May: I gree.

Lana: (sighs) And these are Rabbids

Hymeno Ran: Aw they are so cute. I remember them.

Lana: Yeah and they are funny too.

Me: They sure are.

Yamna: Lets head inside to my castle.

Me: Okay. By the way Yanma that was so funny with that Whoopee Cushion prank. That practically made my day.

Yanma: Yeah me and Jeremie pulled that off. It was funny.

Me: Yeah it was.

Nico: I don't think Racules is ever going to live that down, being humiliated like that.

Me: Like how I was beaten up by Billy.

Hymeno: Really?

Me: Ugly story on that.

A Rabbid tried to hump Gira's leg

Gira: Hey!

Me: Now stop that.

Rabbid gibbering.

Eli: See what I mean? They are stupid.

Lana: Yeah.

Zocks: Yeah but it's funny.

We got to the castle and sat down.

Me: Boy this is just as amazing as I remember.

Yanma: It sure is.

Shiokara: So you're Team Loud Phoenix Storm?!

Me: Shiokara, I remember you. And yes that's us.

Nico: Yeah. There's many more of us.

Me: You'll see more of us soon.

Gira: First of all congratulations guys on destroying Xehanort and Galactus.

Me: Thank you. That was awesome and epic.

Rita Kaniska: It was.

Me: A couple of days ago after Ocellus, Ink Rose and Lola Ferrington's missions wrapped up we had a run in with one of the Bugnarak's on Earth.

Poromon: Yeah they were after the secret formula to my beer.

Gira:...say what?

Me: Yeah it's a crazy story. Turns out they are coming to Earth to steal the formula for the mascots beer.

Poromon: Like the Krabby Patty at the Krusty Krab, me and the mascots made our own beer. Very secret recipe.

Me: It's so widely coveted by many companies all over the country that they are going to great lengths to steal the recipe. But it's not just them. The Bugnarak are after it too.

Lana: My sister Lily calls it land battles to defend the Krabby Patty Secret Formula. It was an awesome to get the three of us warmed up.

Starfire: It was really glorious.

Me: Yep.

Gira: Which Bugnarak appeared?

I showed the Pillbug Soul Stone

Jeremie: Danjim.

Gira: The first one we faced.

Me: That's right.

Hymeno: That is amazing.

Me: It sure is.

Yanma: Right now, I'm working on restoring the bodies of the Shugods

Me: Whoa! I can easily do that. (SNAPS FINGERS)

I instantly restored them like that.

Nico: Tadah!

Kaguragi Dybowski: Wow! That was amazing!

Me: I can do anything.

Eli: Yep.

Yanma: Personally, you should've just let that Powell guy hang himself.

Rita: Well, I agree with the style of execution by trial

Me: Yeah we were a little divided on that.

Rita Kaniska: But your perspective of the law on him was just.

Me: Thanks Rita.

Hymeno: How did you guys get your own King Ohger Swords?

Me: Well I'm sure you've heard about everything because of Swartz and his Anothers right?

Gira: How can we forget.

Kaguragi Dybowski: (sees something on the monitor) I hate to interrupt but you're about to see us fully in action very soon

Me: Uh oh!

We saw GOMA ROSALIA! THE LONGHORN BEETLE BUGNARAK!

Goma Rosalia is the Longhorn Beetle and Ninja-themed general of the Galactinsect and a major antagonist in Ohsama Sentai King-Ohger.

He is voiced by Kazuhiro Yamaji who previously voiced Leo Imagin in Kamen Rider Den-O, Bel in DokiDoki! PreCure and Emperor Yodon in Mashin Sentai Kiramager.

Dagded Dujardin is an immensely powerful, almost God-like being who decided that he would have fun by destroying planets and thus "organising" the universe, he gathered a group of powerful and dangerous insect-like aliens to form the Galactinsect (which included Goma) and reduced multiple inhabited planets into rocky wastelands.

King-Ohger

The Galactinsect are summoned to Earth by Kamejim after he reveals his betrayal of Earth to Naraka King Desnarak VIII and the King-Ohgers. Two years later, they return to Earth when Dujardin first sends down Kamejim to slaughter the Bagnarak and his other four generals to suppress the other four kingdoms whilst he himself goes to attack Shuggodam. Goma is sent to N'Kosopa and manages to murder many of its population and capture Shiokara. Before he can kill Shiokara though, Yanma Gast returns from exile and fights Goma.

Goma was the first of the Jesters to be destroyed. With his death, began the downfall of the Uchu.

Me: Goma Rosalia! I remember him! He tried to take over N'Kosopa and kill most of the population and capture Shiokara!

Yanma: That's right!

Nico: Yeah that was brutal.

Me: I take it you guys know about the Blackwing Eatos 12 embodiments too?

Hymeno: Yes we saw many of them.

Me: Okay good then we don't have to explain it.

We were off.

We got there and saw LEX LUTHOR AND CAPTAIN HOOK WITH HIM!

Me: (GASP) Lex Luthor and Captain Hook!

Luthor: Team Loud Phoenix Storm.

Superman: I would say it's good to see you again Luthor. But I would be lying.

Gira: So, you're the scum who tried to force J.D. to break the timeline!

Luthor: All I did was give J.D. an opportunity to heal the world by destroying all evil. (to me) An opportunity that I'm going to give you again.

Me: You shut your fucking mouth!

Luthor: How about you make me permanently? And to do that, you know what you have to do. You can end this war with the Anti Monitor so easily any time you want. (smirks evilly) All you have to do is go back in time and snap your fingers. What do you have to lose?

Yanma then began laughing. We got concerned as it began to grow into a near maniacal one.

Nico: Yanma, you okay?

Me: Yanma?

Captain Hook: All you heroes have done is about to be erased. And you think that's funny, boy?

Yanma: No, what's funny is the fact that you think J.D. is gonna take your so called offer.

Goma Rosalia: Why not? That also means everything bad that happened to your kingdom will be undone.

Yanma: Oh, I thought you had gone silent. Anyway, those bad things you're talking about? That only brought me and my team together. Same goes with J.D. and the rest. Besides, they also know that with great power comes great responsibility. And that applies to us king as well. Sure, we're sometimes tempted to use our power for selfish reasons like what you're offering. But we know we have to do the right thing even if it's not fair to our personal needs. That's something you slack jawed tanukis will never understand.

We were proud of Yanma's speech.

Me: Wow!

Nico: (smiles) Well said, dude.

Luthor (Growls): How disgustingly heroic.

Gira: (cries tears of joy) That was very heartwarming, Yanma!

Yanma: (sighs) Don't make such a big deal out of it, octomush. Just accept I love you guys and get ready to morph.

Me: I know you have a reputation to uphold Yanma. Lets get them!

Tone boy!

Jeramie: (to us) You heard the man. He said everything that needs to be told. And this IS his kingdom

Guys! Go!

Yanma: First, let me lead the morph. Royal Arms!

THEY TRANSFORMED!

Gira: Tyrant King of Shugoddam, Gira Husty! (Kuwagata Ohger) (laughing)

Yanma: Intelligent King of N'Kosopa, Yanma Gast! (Tombo Ohger)

(hmph)

Hymeno:Dazzling Queen of Ishabana, Hymeno Ran! (Kamakiri Ohger) (giggle)

Rita Kaniska: Steadfast Ruler of Gokkan, Rita Kaniska! (Papillon Ohger) (screaming)

Kaguragi: Abundant Lord of Toufu, Kaguragi Dyboswki! (Hachi Ohger) (Douskoi!)

Jeramie: Rift King of the Bugnarak, Jeramie Brasieri! (Spider Kumonos) (Bang!)

All: Six kings united... to form a tale of legend! Ohsama Sentai... King-Ohger! We will rule the universe!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready for action!

Me: AWESOME!

Eli: YEAH!

Me: And another thing Luthor, you can take your offer that you said to me on Zarya's big day and FUCK OFF! I'm not a fucking coward like you! You are nothing more than a fucking, conniving and manipulative coward! I would never kill all evil like you suggested with Time Travel. THAT IS THE WAY OF A COWARD! LIKE YOU!

I teleported and punched him in the face and knocked him down!

I kicked Hook down.

I punched Goma Rosalia down!

I teleported back.

Peter Pan: Me and Superman will fight Goma Rosalia!

Yanma: Me and Vroon will fight Luthor.

Jeramie: That leaves me and Zocks with Hook

Vroon: Change Zenkai!

Zocks: Change Twokai!

They transformed and Will and the Mascots danced with Zocks!

Will: OH YEAH! We love this song!

Poromon: We sure do!

Vroon: "Rumbling Power! Zenkai Vroon! ゼンカイブルーン

Zocks: "Pirate Power! Twokaizer! ツーカイザー

They were ready!

Me: I'll fight Luthor too. I've got a score to settle with him!

Luthor: Two geniuses and a janitor.

Vroon: You're no genius. You're a scumbag!

Yanma: A genius uses his brains to protect the people. You just use yours for yourself.

Me: And that shows that you are nothing more than a pathetic monster!

Luthor: Be that as it may, I'm going to be the only one walking out of this alive.

May: (Gets out Lockseed) We'll see about that!

Me: Took the words right out of my mouth!

May activated her Lockseed for Loki.

She fired a Winterberry blast and smashed him all over.

I Unsheathed my King Ohger Sword and slashed him all over and then...

SLASH! SLASH! SLASH SLASH!

I slashed my initials into Lex Luthor's chest!

Me: To let your friends in the future in the Black Abyss know that I sent you!

Hook: (to Zocks) After I kill you, Chloe is next! I wonder what her screams of pain will sound like!

Zocks: You're not laying a hand on her!

Jeramie: It is not the end of her story yet.

Lana: (gets out Lockseed) Yours on the other hand...

Lana slashed him with her sword!

Lana: It's going to end later!

She activated her Sassafras Lockseed and blasted hm with forests blasts.

Starfire blasted Goma Rosalia all over the place.

Superman: Don't even think about using Kryptonite!

Peter Pan: It won't work!

Goma Rosalia: Who says I need Kryptonite?

Starfire: (gets out Lockseed) He has the point

Starfire activated her Zorka Berry Lockseed and blasted Goma all over.

I kicked Luthor in his face.

Luthor: You won't win with Superman!

He pulled out a chunk of Kryptonite and ran over and shoved it in his face! But to his shock, nothing happened!

Luthor: WHAT!? The Kryptonite! Why isn't it working!?

Me: Being in the black gates rotted your brain Luthor! Superman is now immune to Kryptonite!

I punched him and knocked the Kryptonite out of his hand and put it in a container.

Then I knocked him down.

Luthor: You can't do it, can you? After all, if I'm dead, who will Superman face?

Nico: You're right, Lex. We're not going to send you to the Black Abyss yet. But we can't have you in a position where you can hurt anymore people until that day comes!

Me: Until then... (Holds hand out) HAKAI!

He glowed purple and was banished to the Warp.

Eli: Good! One down!

Me: I was sick of hearing his fucking voice.

Nico: Me too!

Nico: J.D., you brought the croc, right?

Me: First this.

I punched Hook and knocked him down and drenched him in barbecue sauce, teriyaki sauce, herbs and spices and pineapple slices.

Me: Mwah! Pirate Crocodile Ala Mode. (RINGS DINNER TRIANGLE) TICK TOCK! DINNER!

Hook groaned.

Nico: Is he?

Me: Wait for it. (CLOCK TICKING) Oh I hear something.

TICK TOCK TICK TOCK TICK TOCK TICK TOCK!

Nico: Wait. Yanma, is there even water here?

Yanma: There.

We saw a river around the kingdom.

Me: There he is.

Hook: (Fearful) OH NO!

His eyes and mustache twitched.

Tick Tock jumped out and then...

CHOMP!

HE ATE HIM AND CHEWED UP HOOK AND SPIT OUT HIS HOOK!

Nico: Nice!

Me: Good boy Tick Tock!

Zocks rubbed Tick Tock's head

Zocks: That's our awesome crocodile friend.

Tick Tock: (LOUD BELCH)

He belched out Hook's spirit and I banished him to the Warp.

Me: He is full.

Eli: Nice!

Me: Also Yanma we have another problem we're dealing with now.

Then a blast of light blasted Goma Rosalia and knocked him down.

We saw CRESSELIA!

Me: WHOA! Cresselia!

Yanma: Hey, what's that doing here?

Me: That's the second of our problems that we're facing right now. We are facing the creations of an evil Organization lead by an enemy of my past. It's named Dark Gale.

Nico: Long story.

SpongeBob came.

SpongeBob: (LAUGHS) Yeah and it's amazing.

Me: SpongeBob!

Yanma: Hey SpongeBob.

SpongeBob: Good to see you guys. Lets see if I know this one.

He used Telepathy and gasped.

SpongeBob: Lightning Voodoo!

Me: Whoa! We'll be right back. You guys hold off Goma Rosalia.

Nico: Right!

SpongeBob and me faced her.

SpongeBob: Lightning it's me SpongeBob!

All she did was use Lunar Dance

She fired blades of lunar light and we dodged them.

SpongeBob: Lets see if she still likes Krabby Patties!

He fired Krabby Patties and one went into her mouth and calmed her down after she ate it.

I snapped my fingers and she reverted back and was black hair, yellow eyes, yellow angel wings and had Cresselia in the middle of her forehead and had a black version of Thunder Terror's Cutie Mark on her arm.

I wrapped her in a blanket and helped her up.

Lightning Voodoo: (Groans) What happened?

SpongeBob: You're back to normal.

Lightning Voodoo: SpongeBob? J.D.? What happened? Where am I?

Me: You're on the home planet of the King Ohgers, 2023's Ranger Series from Japan.

SpongeBob: You were turned into a Cresselia by Dark Gale.

Lightning Voodoo: (GASP) I remember!

She was in a yellow and black outfit and was injected and turned into light and then teleported out of there as a Cresselia.

FLASHBACK ENDS

Lightning Voodoo: It was awful.

Me: I know.

Lightning Voodoo: Hey I taste Krabby Patties.

Me: SpongeBob tossed one into your mouth and calmed you down. Lets get you some new clothes.

I snapped my fingers and she had all black clothes and also had an amazing scythe of lightning.

Lightning Voodoo: Wow! I look great!

Me: You sure do.

Nico: How did you meet Spongebob?

Lightning Voodoo: I met him at Lynn's Table and he showed me how to cook Krabby Patties and they are cool.

Me: Nice.

Lightning Voodoo: Lets help battle him first.

Me: Lets do it!

Lightning Voodoo fired a blast of lightning and it formed into terrifying lightning ghosts and blasted Goma Rosalia all over and blasted him down.

Me: Time to finish him!

Nico: Wait. Aren't we forgetting something?

Me: I have a feeling the next Embodiment is coming when he goes giant.

Nico: OOH! Okay.

Me: Time for this monster to face the Wrath of the Knights!

King Ohgers and me: DRAGONFLY SUPER BLADE SLASHER!

We fired waves of blades of energy and slashed Goma Rosalia all over and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: YEAH! He's not dead yet. I know what's coming next.

THEN RIGHT ON CUE HE GREW GIANT!

Gira: We can do that too!

They summoned their Zords!

They formed their awesome MEGAZORD!

Me: THAT IS ALWAYS SO COOL!

Back on the ship Fu, Shino and the bug lovers were watching and everyone was in awe!

Fu: That is so cool!

Shino: I agree.

Me and Nico punched him down.

Then massive blasts of lightning hit Goma Rosalia and blasted him down.

We saw a girl with purple hair and red eyes and had black clothes and wings and had A tiara with Surge on it.

Me: (GASP) Xinnia Surge!

Nico: WHOA! Surge's Embodiment!

Xinnia Surge: (Grunts) Good thing (GRUNTS) I showed up.

Me: You sure did!

Then she clutched her head!

She then lost control!

She shot a blast of lightning at Electropede

But he absorbed it.

Electropede: Good thing I came along for this.

He fired waves of lightning and blasted her down.

I fired an electron antidote ray and injected her.

Lightning Voodoo: Lets dance.

She fired lightning blasts and blasted her.

Lightning Voodoo: Like old times SpongeBob?

SpongeBob: (LAUGHS) Like you have to ask.

Lightning Voodoo and SpongeBob: LIGHTNING KRABBY PATTY FUN BLAST!

They fired waves of lightning and Krabby Patties and blasted her all over!

Palutena charged at and blasted her with light.

Palutena: This will be fun!

Palutena got out her Lockseed.

Palutena: Taste this fruit!

She activated a Yovo Fruit Lockseed and blasted her down with powerful energy waves.

Nico: Nice!

Me: Yeah!

Superman and Peter Pan fired energy waves and blasted her down.

Lightning Voodoo fired blasts of lightning and blasted her down and she was cured as the antidote took effect.

Xillia Surge: (Groans) What hit me?

Nico: Long story.

Me: Time to finish him.

I grew giant.

Goma Rosalia: Lets dance.

Me: Gladly.

I blasted him all over the place.

Me: Lets finish him!

Me and the King Ohgers: INSECT KINGDOM DOOM BLAST!

We fired a massive blast of energy and blasted him and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Me: OH YEAH!

Nico: Goma Rosalia you have failed this world!

Me: YEAH!

I caught the Soul Stone of Goma Rosalia and it was the Longhorn Beetle Soul Stone.

Me: Longhorn Beetle Stone. Nice.

We regrouped.

Yanma: If you guys tell anyone what I said, I'm going to deny it.

Nico: Relax. Your secret's safe with us

Me: Like I said, we know you have a reputation to uphold.

Eli: But that was a very eloquent line.

Me: What you said had a lot of meaning.

Yanma: True.

Me: That was fun.

We went back to the ship.

Nico: Next time, Kai, Shane, and Emerald Goldenbraid should come

Me: Good idea. Oh right.

Nico: Right! Lightning what is your role in Sonya's team?

Lightning Voodoo: I'm the Lightning Fearmaster of the team. I use lightning and darkness to bring people's fears to life and blast them. Outside the team I am a superhero. Also I am the elder sister of Thunder Terror.

Nico: Cool!

May: Yeah!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Camie: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Popeye: Now, let's find that Max Kid!

Eli then came in and had him.

Eli: I have him here!

Nico: YOU ARE IN A LOT OF TROUBLE MISTER!

Max Terrance: OH YEAH? AND WHAT ARE YOU GONNA DO ABOUT IT MR. FATASS! (LAUGHS)

Me: YOU JUST MADE A BIG MISTAKE!

We had him put into Medieval Stocks.

Me: START PRAYING!

Strafe: Stings, don't it?!

Max's parents came.

Me: Now you are in trouble. Mr. And Mrs. Terrance, Your son called Nico a fatass.

I showed a picture of what he did to Nico.

They were shocked!

Jack Spicer: And don't forget the other stuff he did to me!

Mrs. Terrance: We know about that. But Max you are in A LOT OF TROUBLE YOUNG MAN!

Me: Big time!

Nico: YEAH!

Me: Now unless you want your bones reduced to dust, you better apologize to Nico.

Jack Spicer: You know what? Just ground him like all the other times!

Mr. Terrance: Good idea. After he apologizes.

Max Terrance: (CRYING) I'M SORRY! I'M SORRY! I'M SORRY!

Nico: Fair enough. (Viciously) Let me make one thing clear to you Max! WE GASPED AND MAY JUMPED INTO MY ARMS IN FRIGHT!

Me: WHOA! Nico you are just as scary as May!

Nico: Sorry!

Mr. Terrance: He is grounded for the rest of the year!

They took him home.

Me: WHOO! Man that felt good.

Nico: It sure did.

Ilia: If it makes you feel better Nico, I don't think you're fat. In fact, I think you're skinny

Nico: That makes me so much better.

Qin: Good.

Lola: Yeah.

Xenia: Cool.

Me: The nerve of that brat! Calling Nico a Fatass!

Eli: Yeah what a jerk!

Jack Spicer: First he kidnaps me and then later calls Nico a Fatass!

Me: YEAH!

Nico: Let's not forget annoying you at that hotel the first time.

Jack Spicer: Yeah that too.

Me: Next time he tries this a spanking will be the least of his worries.

Camie: Yeah!

Poromon: We'll show him the trailer and put Romulan Ale down his throat.

Carly Douglas: And he took advantage of my tutoring!

Me: YEAH! (GROWLS) That kid is like a male version of Heather!

Gohan: Or like a mini version of Mr. Shu.

Me: Yeah!

Qin: No kidding!

Nico: Okay guys we get it.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: to our anger, it was none other than Mayor Tortoise John, he's returned from the dead, and he want revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think I we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Mayor Tortoise John, he's returned from the dead, and he want revenge on us.

WE GASPED!

Qin: WHAT?!

May: ARE YOU KIDDING ME?!

Pinkie Pie: He's not worth killing anymore, he's going straight to prison for good.

Lincoln: Good idea, Pinkie.

Nico: Same here.

Suddenly, the alarm system went off, and it appears Elias Devereaux's escaped from Hell and is out to kill us again.

Lincoln: You really are a stubborn jackass, Elias. Okay, forget the plan of getting Darren back and waiting a month, even though we're throwing that rotten tortoise in prison, I'm not letting Elias live any longer. Today, he dies.

Billy (Martin Mystery): He's not going to give up without a fight.

Nico: He won't, but we'll be ready for him too. So, where's that corrupt tortoise at, Lincoln?

Suddenly, the Element of Laughter glowed.

Lincoln: Aha, he's at Pinkie Pie's family's rock farm from Sunny's world.

Me: That's where we'll find Pinkie Pie from Sunny's world just like the dream pointed out.

Nico: Awesome. Alright, let's get going, this is the last time we ever have to deal with Sheriff Tortoise John.

Lincoln: That varmint's going to be spending the rest of his life in a prison cell.

Nico: First we're going to head to the Pie Family rock farm and bring back Pinkie from Sunny's World.

Camie: Yeah.

The previous group came.

Goliath: Can me, Pyro, Dirty Bubble, Chemistro, KGBeast, Titanium Titan, Count Vertigo, Juggernaut, Sportsmaster and Pied Piper go with you guys?

Nico: Yes you all can come with. And we better call INSTIGATOR too.

Qin: Good idea.

Pyro: I think I was gonna suggest that.

Me: Okay.

Qin: Yeah.

Goliath: We saw that kid Max Terrance and he was dripping blood from his ass. What happened?

Me: Don't fucking ask.

Commander Mars: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. Diaboromon next.

WE GASPED!

Me: WHOA! That one was a brutal one!

Qin: Yeah!

Nico: I know. Okay first we're going to the Pie Family Rock Farm and then we're going to Dirt.

Me: Okay.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Bruce Davis, the next of Billie Muldoon's thugs, and he's coming after us for revenge. When we saw it, we knew it meant trouble.

Lincoln: So, you're now on the move, Bruce.

Me: Bruce Davis is on the move, Lincoln?

Lincoln: You got it. After what we did to Carly Sanders yesterday, it's pissed off Billie Muldoon badly.

Amber Adamina: So, now she's sent Bruce Davis after us. Okay then, time to show that overgrown big ape what for.

Nico: Hope you two really make her suffer big time. Alright, team, let's go, this is the last time we ever have to deal with that varmint, Sheriff Tortoise John.

Lincoln: He's heading for a one-way trip to the hoosegow, and as for Elias, he's heading for The Black Abyss forever, and once we get done with them, you're next, Bruce Davis.

Amber Adamina: I can't believe that you and those other dirt-filled piles of garbage have come back after finding out that Billie Muldoon has come back from The Black Gates. Well, too bad for her, her little scheme of revenge against Leni and all of Team Loud Phoenix Storm's about to be ground into dust, and I'm gonna start by getting rid of you, Bruce Davis.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Pinkie Pie's family's rock farm from Sunny's world to not only find Pinkie Pie from Sunny's world, but also take down Sheriff Tortoise John and send him to prison and send Elias Devereaux to The Black Abyss for good, and once we destroy them, Lincoln and Amber Adamina, Bikini Babe of Earth, are going to destroy Bruce Davis, the third of the minions of Belle Muldoon's insane evil sister, Billie Muldoon, and send him straight to The Black Abyss to piss Billie Muldoon off!

We were off to the Pie Family Rock Farm.

We arrived at the Pie Family Rock Farm.

Pinkie Pie: It's good to be home!

Me: Yep.

Ace Ukiyo: Wow! Pinkie's family has a rock farm?

Me: Yep. And they are amish which is really cool.

Pyro: I already called INSTIGATOR.

Me: Okay.

INSTIGATOR arrived.

INSTIGATOR: I'm here guys.

Me: Awesome.

We went up to the door and I knocked on it.

Answering it was Igneous Rock Pie.

Me: Good marrow to thee Igneous.

Igneous Rock Pie: Good marrow to you too Team Loud Phoenix Storm.

Me: We have something to tell you though. We have reason to believe that the Pinkie Pie from Sunny Starscout's world is buried underneath your farm.

Zillius Zox: It's true.

Igneous Rock Pie: Ah Cloudy told me all about that. Come on in.

We went in.

Izzy Moonbow: Okay the dream I had told me that she is under the table.

Me: Lets see. There should be a button somewhere.

I got under the table and was feeling for it.

Me: Lets see.

Then...

CLICK!

Me: Found it!

Then a rumbling was felt and I got up and the table moved and the floor opened and we saw a hidden staircase!

Me: WHOA!

Nico: A hidden passageway!

Limestone Pie: Underneath our family's table!

Maud Pie: That is really amazing.

Cloudy Quartz: We never even knew this was there.

Me: Yeah.

Nico: Stay close everyone.

We went down and it was dark and full of cobwebs and dust. I formed an energy ball and used it as a flashlight.

Me: Wow! Looks like no one has been here for years.

Pinkie Pie: This is amazing that this is here!

My sword then started glowing.

I unsheathed it and saw that the jewel of laughter was glowing.

Me: We're getting close.

Chemistro: Really?

Me: Yep.

We got to the bottom of a staircase and then came to a door with Pinkie's Cutie Mark on it.

Nico: This must be it.

Me: Yeah.

I opened it and then...

POOF!

A MASSIVE CONFETTI BLAST CAME OUT AND COVERED US!

Tso Lan: I'm not surprised.

Me: I actually knew that was coming.

We went in and saw everything ready for a party.

Me: This is DEFINITELY Pinkie's style

Qin: It sure is.

We then saw Pinkie Pie in a crystal coffin!

Me: There she is!

Pinkie Pie: Wow! There is me!

Count Vertigo: Let's get her out

Me: Just like Izzy's dream said.

Izzy Moonbow: Now to open the coffin.

Izzy went over and touched the coffin and then it glowed and a massive blast of magic blasted out and it made the Rock Farm more amazing and more and then made Sugarcube Corner more awesome and cool!

Me: MAN WHAT POWER!

Nico: YEAH!

Then she woke up for the first time in 1,000 years!

Pinkie Pie (G5): Wow! I feel ike somepony partied in my brain for over the eons.

Me: Welcome back to the land of the living after 1,000 years Pinkie.

Pinkie Pie: (GASP) J.D.! Maud, Limestone, Marble, EVERYONE AND EVERYPONY!

She hugged us!

Buzz: Hey, Pinkie. Remember these.

Buzz got out the pictures from his party.

Pinkie Pie: I sure do Buzz! AND I COMPLETELY REGRET DOING THAT PARTY! (CRYING)

Ace Ukiyo: What party?

Me: Oh we had an incident with Megan's brother Buzz and two of the mascots where they had a party without our consent and they ruined one of our bathroom doors so we wouldn't notice.

Nico: Yeah and we were really mad.

I showed them pictures.

Ace: Wait. Buzz, are you wearing eyeliner there?!

Buzz: I have a hidden lifestyle.

Megan: He's right.

Me: We were pretty pissed. Mrs. McCallister caught on to him. You know how smart moms can be.

Nico: He's right on that. But he ruined the door.

Me: I always have a bunch of spare doors in the basement for such an emergency.

Ace Ukiyo: Wow way to come prepared.

Me: Yeah this was back in (Thinking) 2022?

Nico: Yep.

Me: Yeah I thought so.

Ace Ukiyo: Oh man. Pinkie I can understand because of her love of parties.

Me: We said the exact same thing.

Pinkie Pie (G5): I know and I'm sorry guys.

Me: You learned your lesson back then.

Ace Ukiyo: How did they ruin the door?

Me: They painted it with permanent ink marker.

Ace Ukiyo: Yikes.

Qin: Yeah.

Me: Pinkie that was a long time ago and we forgave you for that.

Qin: Yeah.

Pinkie Pie (G5): Really?

Me: Yeah.

Calypso: And we settled things with Opaline

Me: Opaline of this universe is dead and we dodged a massive bullet.

Malachite Arcana: But I saved my sister from herself by showing her the error of her ways. After 2,000 years I got through to her and she is redeemed.

Nico: It's a long story.

Juggernaut: One we can explain later

Me: Right now we got to get to Dirt.

Pinkie Pie: Lets get a move on!

We were off to Dirt in Utah!

We arrived in Dirt.

Me: We're here.

Rango: Good to be home.

Xenia: I'll say.

Chef Pepperjack: Who wants some grub?

Me: (Stomach Grumbles) I guess we are a little hungry.

Fluttershy: I am a little hungry.

Sportsmaster: Is the mayor a mud turtle?

Me: Not really sure.

Qin: Yeah.

But then...

KRASPLAT!

Some chum splattered all over Fluttershy and she swallowed it too and then got sick to her stomach really bad!

Me: What the!?

Fluttershy: (GROANS) (STOMACH GRUMBLES) Oh no! (PROJECTILE VOMITS!)

Me: Oh man!

Lilja: Mom!

Me: Where did that come from!?

Lincoln then had a premonition!

Lincoln: OH MAN! This one is as Dangerous as Luan on April Fools! I just had a premonition and saw the Akuma we're facing! Her name is Party Pooper! The Hypothetical Akuma form of Pinkie Pie and yes she is a turd attached to balloons. Funny and silly. She is a master of deadly pranks and makes them hurt so bad that they wind up in the hospital. Also she was made because of a party crasher running around and making her parties a laughingstock. That party pooper is none other than Diamond Tiara's mom Spoiled Rich. She vowed to make HER into a humiliated laughingstock and pelt her with deadly pranks!

We gasped!

Lincoln showed a sketch of her and we saw that Pinkie's akuma was a living turd with balloons!

WE THEN BURSTED INTO LAUGHTER!

Me: Okay that is funny!

Pinkie Pie: (LAUGHS) That is really funny!

Sunny Tennyson:…are you serious?!

Me: As serious as Pumbaa's farts knocking out birds. No offense Pumbaa.

Pumbaa: None taken. But that is still funny!

Timon: Boy Spoiled Rich you really turned into a mook didn't you.

Diamond Tiara: Man what mother in Party Pooper's world did really crossed the line.

Qin: YEAH!

Xenia: That is awful.

Me: One thing we should never do is humiliate Pinkie. Or else.

Pied Piper: Where is she right now?

Me: Lets..

LOUD FART!

I stepped on a whoopee cushion and then...

LOUD SPLAT!

I got covered in chocolate sauce!

Me: HEY! (SLURPS) Yummy chocolate sauce.

Nico: Whoopee cushion chocolate sauce bomb!? Very funny.

Xenia: Yeah!

Eli: She's up ahead at 250 yards.

Chompy Mage: Was this her doing?!

Me: Yep!

Qin: Oh boy.

We went to face her.

LOUD VOMITING!

Fluttershy got REALLY SICK!

Lilja was comforting her mom.

Camie: Poor Fluttershy.

Nico: After we're done here we'll get her back.

But then...

SEAL BARK!

Me: (SNIFFS) EW! Oh good god! What is that stench!? Ed?

Ed: Not me!

Laney: It's her!

We saw PARTY POOPER!

Party Pooper: Hey guys!

Lana: Boy Pinkie you look awesome as this!

Party Pooper: Thanks Lana! It makes me feel Poopy!

WE LAUGHED!

Me: Okay that was a good one!

Luan: She sure Poops upon the competition! (LAUGHS) Get it?

WE LAUGHED!

Izzy Moonbow: (LAUGHS) That was funny!

Me: (LAUGHS) Yeah! That was funny!

Titanium Titan: (Spanish Accent) Pinkie? Is that you?!

Party Pooper: (LAUGHS) Yes it's me! And I still love parties!

Me: That is her alright!

Party Pooper: I know I look unpleasant but it's still me!

Me: Good.

Nico: I hope the M.O.E. can put up with your stench.

INSTIGATOR: You need to calm down!

Me: Yeah you got Fluttershy sick from Chum poisoning!

LOUD VOMITING!

Fluttershy vomited!

Party Pooper: Oh man! I'm sorry Fluttershy! I was aiming that at Spoiled Rich.

Fluttershy: It's okay.

Me: Before we fight, how did Spoiled Rich of your world turn you into this?

Nico: That's what I want to know.

Party Pooper: She dumped a massive bomb of chum and raw sewage on my party and laughed at me and made me really mad. Everyone and everypony laughed at me and humiliated me and they went to somepony else for their parties!

Me: (GASP!) That is REALLY CROSSING THE LINE!

Nico: What she did REALLY Crossed the Moral Event Horizon!

Maria: So, no calming you down, huh?

Party Pooper: Nope.

Me: Lets fight pranks with pranks! FART GUNS FIRE!

LOUD NASTY LONG UGLY FART!

THE MINIONS FIRED FART GUNS AND IT SMELLED WORSE THAN HER!

Party Pooper coughed and gagged!

INSTIGATOR charged at her

SPLAT!

He smashed her down.

INSTIGATOR: OH YUCK!

Maria: That is gonna stink!

Qin: YUCK!

Party Pooper: My turn!

She fired spring loaded boxing gloves and we dodged them.

Luan: Boy her pranks are as deadly as mine! Time to use my pranks!

She fired Jellyfish and they landed on Party Pooper and then...

ZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPPP

Ed: Zappity Zap Zap!

She was knocked out!

Starlight Glimmer: That was gross.

INSTIGATOR: Tell me about it.

Maria cleaned him off.

Qin: There we go.

Lola: Good.

KGBeast: Now for one more target

Me: Mayor Tortoise John.

Qin: Lets rally the town together in an angry mob.

Xenia: Yeah!

Nico: Good idea!

Lisa Simpson: Mom can do that!

Marge Simpson: I am on it.

She pulled out a megaphone and rallied them and they all had pitchforks, torches and weapons.

Thunder: Entrance time!

We went to face Tortoise John.

Tortoise John: Where is everyone?

Then the spirits of reptiles came and swirled around him and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of confetti, balloons and streamers blasted out and Pinkie Pie's cutie mark appeared and we came out.

Pinkie Pie: PARTY TIME!

Me: Hello Turtle Face. Miss us?

Tortoise John: You and your sister have put a wrench in all my plans, Mr. Rango. I'm gonna have to do something about that, won't I?

Rango: To stop you from hogging all the water and leaving people here to die.

Me: That's right! Also you tasted really good in turtle soup.

Xenia: Yeah!

Camie: That tasted good!

Lola: YEAH!

Tortoise John: AND YOU WILL PAY FOR THAT!

Me: Well this time we're going to tar and feather you!

We had a big pot of tar ready and also had a bunch of feathers.

Rattlesnake Jake: I've had enough taste of you to last two eternities. Seriously, eating you is old news now.

Me: That's for sure!

Qin: YEAH! I'm not in the mood for Turtle Soup now.

Me: You know what I'm in the mood for?

Tortoise John: What!?

Me: I'm hungry for Salisbury Steak Lasagna and Garlic, Sour Cream and Chicken Mashed Potatoes and gravy!

Fluttershy vomited!

Me: Oops.

Qin: But what you said sounds tasty.

Camie: Yeah!

Nico: Luxurious.

Me: Yep.

Dirty Bubble: We got in a dirty situation earlier. Like the one you're about to be in!

Me: Yeah! And it's gonna be painful!

Crowd: YEAH!

Lola: LETS GET HIM!

Man: YEAH ENOUGH TALK!

Woman: IT'S BURN TIME!

Buttercup: Welcome to the corner of PAIN AND PAYBACK!

We went at him and I punched and smashed and pulverized and bashed him.

Lola: YEAH!

Lola fired waves of fire and blasted him all over.

Lincoln: You've got some nerve coming back from the dead, you lowdown, sidewinding, two-faced, no-good, snaggletooth, mangy, good-for-nothing, lawbreaking varmint!

MY JAW DROPPED AT WHAT LINCOLN SAID!

CLANG!

ELI CLOSED MY JAW!

Me: Jeez, and I thought my cowboy tough talk was good. In any case, you heard what the man said.

Nico: That's right, now ya gonna come quietly or do we have to get rough?

?: I WILL KILL EVERY LAST ONE OF YOU FOR THE HUMILIATION YOU'VE DEALT UNTO ME!

Lincoln: Ah, jeez, don't you know when to quit, Elias?!

We then saw our next target, Elias Devereaux, and he was pissed off to the extreme!

Me: Yikes, seems like Lincoln's detour of sending you to Hell wasn't a pleasant experience for you.

Nico: I thought you liked being around demons.

Elias Devereaux: We'll see who's laughing, you filthy ape! Hidiacs, Styxoids, destroy them!

Suddenly, we saw a massive army of Hidiacs and Styxoids rise from the ground arise to destroy us. But, then, Lincoln unholstered his massive greatsword and he swung it and fired a massive barrage of blades of magic and they sliced and diced the army of Hidiacs and Styxoids to pieces and all of them were destroyed forever.

But, then, we saw more of them arise.

Caleb Maxwell: Now, that's what I call playing unfair. I didn't want to do this, but you left me no choice.

Suddenly, Caleb Maxwell loosened the grip of his twin pistols and he let go and they were levitating beside him. Then, Caleb Maxwell clenched his fingers tightly in a clawed up position, and then, we saw he drew blood as it fell onto the ground and formed into a large pool of blood, and then, we saw black and blood red energy come out of the large pool of blood.

Then, the army of Hidiacs and Styxoids were caught in a dark magic circle that appeared below their feet and they couldn't move.

Caleb Maxwell: It's over. (ECHOING VOICE) RAIN OF BLOOD!

Then, a massive geyser of blood shot up into the sky, and blood came raining down from the sky and the blood rain hit the Hidiacs and Styxoids, and then, we saw them start to dissolve into a bloody mess, and the blood rain ended and Caleb's twin pistols went back into his hands.

Then, Caleb's wounds on his hands healed and the white gloves repaired themselves.

Caleb Maxwell: You've lost your armies of Hidiacs and Styxoids, and you're now all out of tricks.

Lincoln: And you're out of time, Elias Devereaux.

Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Justice, and he fired a very massive barrage of holy light blades with one swing of his massive greatsword, and the holy blades of light pierced and slashed Elias Devereaux all over the place and he screamed in agony as steam was coming off him.

Martin Mystery: Amazing! The blades of light are tearing him apart. But, it won't keep him down for much longer.

Diana Lombard: Don't be so sure.

Suddenly, the final blade of light pierced Elias Devereaux through his black heart and he let out a very painful scream, and we saw flames coming off of him.

Elias Devereaux: NOOOOOOOOOOO! (FADES AWAY AS HE FINALLY TURNS TO ASHES)

Elias Devereaux, the demonic warlock of the 20th Century, was no more, as his body was turned to ashes and his evil spirit was sent to The Black Abyss forever.

Java the Caveman: Elias gone?

M.O.M.: Yep, he's gone forever, Java, he died over 100 years ago. Now, his spirit won't be causing any trouble to any more of Darren's family.

Suddenly, the spirits of the Devereaux family that were sent to Hell began rising to the surface and they began ascending to Heaven.

Jenni Anderson: You avenged their spirits, Lincoln. They fell victim to Elias' curse, and now, they can finally rest in peace.

But, then, we saw one soul heading back to Gotham Royal York: it was the soul of Darren Devereaux.

Beatrice: Darren's soul. You freed him from Purgatory when you killed Elias, and he's gone back to Gotham Royal York and to the coffin Darren Arcangela's in.

That really angered Sheriff Tortoise John to no end.

Eli: Looks like you've lost the help of your only ally, ya varmint. Now, you're all alone.

Me: Yeah! Lets party!

Pinkie Pie: PINKIE PIE AND BUTTKICKING STYLE!

Nihilego charged at him and blasted him with intense energy and blasted him more.

They fired waves of energy and blasted him down.

Lightning Voodoo was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Cocytus Frost!

Lightning Voodoo: NO! We control the power.

Cocytus Frost: It doesn't control us.

They concentrated and reigned it in and then they turned into Darkrai and Cresselia and blasted them with light and darkness and blasted him all over.

Erica Yamane: Yes that's right. Emiko Yamane is my grandmother.

Me: Whoa! Your grandmother is one of my grandfather's friends. He helped her with some of the survivors of the 1954 Attack by Godzilla.

Erica Yamane: That's right and it's an honor to meet you J.D. I was told so much about you.

Me: I'm honored. What caused you to get pissed off that lead you to become this?

Erica Yamane: I was pissed because of not being accepted into the college of my dreams. I wanted to become a doctor and my application was rejected.

Me: I'm sorry about that. But maybe we can help you with that in Gotham Royal York.

Barbed Wire Org: Varie can help you with that.

Varie: It's true. I'm a doctor and I'm more than happy to take you on as a student.

Erica Yamane: I would be honored.

We found out that when he was in kindergarten, Nico was bullied and called a fatass all the time and HE HATED CALLED THAT! It's taboo for him. Anytime someone calls him that Nico would beat them up so bad that EVERY SINGLE bone in their bodies would be broken and some of them would stick out of their skin. He would make sure they never walk again! Like how Kushina got the nickname the Red Hot Habanero, Nico got the nickname the Bloodsoaked Skullsmasher.

Vulture: HOLY SHIT! Man Kids can be so cruel! But man Nico sure was someone you don't want to fuck around with.

Xenia Lin: Yeah that was crazy and is a total understatement! We were shocked that Nico and Kushina had so much in common back then. They both hate being called bad names and they got powerful nicknames as a result.

Rainbow Dash: Anybody that calls Nico a fatass just signed their death warrants!

Brain Freezer: (CRINGES) OOH! MAN THAT MUST REALLY HURT! Max REALLY got himself in trouble!

Tigra: You got that right! MAN! IT WAS BRUTAL! Nico said this too...

She pulled out her phone and showed a video.

Nico: (On the Video) (Viciously) Let me make one thing clear to you Max! YOU CALL ME A FATASS ONE MORE TIME AND I WILL RIP YOUR SKULL RIGHT OUT OF YOUR FUCKING HEAD AND THEN I'M GOING TO SMASH YOUR BRAINS AND SPLATTER THEM ALL OVER THE STREET AND THEN RIP YOUR HEART OUT AND EAT IT AND THEN THROW YOUR ENTIRE BODY INTO THE PATH OF AN ONCOMING BULLET TRAIN AND SPLATTER THE REST OF YOUR MOTHERFUCKING INNARDS ALL OVER THE RAILS AND THEN SEND YOUR FUCKING SPIRIT RIGHT TO THE BLACKEST PART OF THE BLACK ABYSS FROM WHENCE YOU CAME!

THEY GASPED!

We were amazed by Amber Adamina' transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Bruce Davis saw it, he went ballistic and got out his machine gun and fired more bullets at her, but Amber Adamina fired a massive barrage of green, white, and blue energy, stars, aura energy, white and blue heavenly flames, rocks, leaves, earth, plants, earth bikini babes, phoenixes, and angels that melted the bullets and hit Bruce Davis and sent him flying into a wall, he got back out, but he was so enraged, he bellowed like a madman and tore off his leather jacket and tank top!

There's a reason why we kicked you all out of Royal Woods after we took care of Billie Muldoon: all of you plotted to destroy the city if that happened, and you wanted to turn the city into a graveyard. Your plans were eventually ruined after we took down Billie Muldoon that day, but none of you refused to give in, you walked the path of a coward crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Bruce Davis, may you suffer for all eternity with not a kindred soul to give you solace!

THAT PISSED OFF BRUCE DAVIS EVEN MORE!

When we also found out your four other buddies have also returned here, that meant Billie Muldoon has returned from The Black Gates.

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

But, for now, we better take care of you right here and right now.

Lincoln, Amber Adamina, Nico, and I went after Bruce Davis, and we fired extremely powerful blasts of rainbow, white, and blue energy, green, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Bruce Davis, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Amber Adamina did the same by firing green, white, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Amber Adamina, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Bruce Davis even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Bruce Davis, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Bruce Davis, This is where your rampage end here and now.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Bruce Davis.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) For far too long, you and the rest of those buttheads have caused too much destruction to our city an in the name of Billie Muldoon for the last time!

Then, Lincoln charged and smashed his rainbow energy infused left fist into Bruce Davis' stomach and a cluster of white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your life ends here and now!

Lincoln attacked him with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit Bruce Davis hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Bruce Davis was now on his last legs and he was really really mangled.

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) JUMPING JACKRABBITS!

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Bruce Davis' chest, and he began absorbing him, and he and all of us assimilated his massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness,

Then, when Lincoln was done and the stingers changed back, nothing was left of Bruce Davis except for his leather pants, and he drained the thug's soul of energy, and he sent him to The Black Abyss.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) See you never, moron.

We cheered wildly as we holstered our weapons and powered down and Amber Adamina's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large green planets orbiting around her legs and twenty smaller green planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red planets orbiting around her wrists and ankles, eleven massive and long brown wolf tails, and massive green angel wings and four sets of large green angel wings underneath her massive green angel wings are permanent.

Amber Adamina: And this is goodbye and good riddance forever, I don't want to see your face ever again! Thanks for helping me take down Bruce Davis, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Amber.

Me and Nico: Our pleasure, Amber.

Suddenly, Amber Adamina wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Amber Adamina's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and an earth bikini babe flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Amber Adamina sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: That's one down and four more to go. A good start.

Suddenly, we heard Billie Muldoon's insane scream of pure rage.

Me: And she found out we already got rid of Bruce Davis, and she's really gone berserk. Serves her right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a golem flying in the skies and it left an amazing wave of earth around the land as it was flying all across the skies.

Selene Arcangela: (GASPS) The golem...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Gina Golem, Avatar of The Golem.

Me: The Avatar of The Legendary Golem of The Czech Republic?!

Awesome!

Enya Phoenix: I knew you'd pick her, and you guys are going to love meeting her, same with you, J.D., Gina Golem, Avatar of The Golem, is Lincoln's Guardian Angel and she's known as The Earth Golem Master of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Gina is a powerful master of the powers of earth and golem, and she's also known for her mastery of magic and summoning the Golem in ancient times. She lived during an age of darkness and she was said to be born in Jerusalem, and over time, as she grew, she gained all of the incredible strengths and powers of the golems along with immortality and she also mastered the powers of the golem, and she'd fought to defend the graveyards all over from the hatred and fear wrought on by the paranoia that humans had towards the golem, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of earth and the powers of the golems, and he also gained all of the incredible strengths and powers of the golem, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 golems and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Gina kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of the Golem.

Me: Awesome!

Nico: I remembered you saying you showed Lincoln and his family and everyone else the golem during your huge trip around the world, and you went to The Czech Republic, that's really cool!

Vulture: That's the end of the mayor's reign of terror.

Man Boy: You said it.

Chalmers: Good riddance

Me: Yeah.

Riddler: Riddle me this: What now?

Diabolico: We get Fluttershy home.

Me: Yeah.

Nico: And have that amazing dinner J.D. said. Good job today everyone!

Pinkie Pie: (To the viewers) My day to shine was AMAZING!

Lincoln: It sure was Pinks!

Lincoln kissed her.

We went back home and got Fluttershy into bed to rest.

We had an awesome meal.

Cage Blunt: Looks like The Starfire Agency needs our help.

Caleb Maxwell: We have to help them, Lieutenant Ray's going straight to jail for trying to capture Sychar and also for making Rachel and Roger's dad disappear, he's going to pay for this.

They went to bed.

We did too.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the world of the web comic Starfire Agency, and we're going to meet with The Starfire Agency and the other heroes there, and we're going to take down Lieutenant Ray who's been trying to capture the winged wolf angel, Sychar, and he's also for making Rachel and Roger's dad disappear, so he's going straight to jail for what he did after he gets a dishonorable discharge, and we're going to meet the next Avatar of The Mythical Beasts, her name is Gina Golem, Avatar of The Golem, she's Lincoln's Guardian Angel and she's known as The Earth Golem Master of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Gina is a powerful master of the powers of earth and golem, and she's also known for her mastery of magic and summoning the Golem in ancient times. She lived during an age of darkness and she was said to be born in Jerusalem, and over time, as she grew, she gained all of the incredible strengths and powers of the golems along with immortality and she also mastered the powers of the golem, and she'd fought to defend the graveyards all over from the hatred and fear wrought on by the paranoia that humans had towards the golem, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of earth and the powers of the golems, and he also gained all of the incredible strengths and powers of the golem, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 golems and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Gina kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of the Golem.

Next is Vakama's day to shine and we're going to battle Victor Veloci who is back for revenge. This time we're going to unleash all of the fury of Jurassic Park on him!

See you all next time.

66 Million Years of Vengeance

This is the sequel to the Dinosquad Chapter

In the early morning hours of 3:24 AM, Lincoln had an interesting dream: it took him to a massive and amazing looking castle in the center of the multiverse, and as he was flying, he saw something appear in the skies: it was the symbols of the Shiranui, Ice Barrier, T.G., Battlewasp, Thunder Dragon, Utopia, Blackwing, and Timelord Duel Monsters, he soon saw six figures appear from those symbols, they were eight girls all too familiar to him. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh man! Lincoln, what you just told us, there's no doubt about what you just saw in your dream, it's them: The Guardians of Reality!

Lincoln: There's no doubt it's them, and it's the ones I know, and the ones whom Lea Jetstream had said hated her five other sisters.

Selene Emperyous: Oh no. Lincoln, since what you saw is true, there's no doubt they're coming here, and if they see Lea's five other sisters, they're gonna kill them!

Lincoln: Don't be so sure, Selene, in fact, they're going to finally break down and see that what we've been doing for the past seven years is right and true, and they won't try those sorts of stunts ever again, and God will free them from their crystal prisons within Lea Jetstream's necklace.

Michelle Emperyous: I remembered The Guardians saying that long ago.

Paige: Which is why, we'll explain the whole thing once The Guardians arrive tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear it, and no doubt about it, everyone's going to be surprised.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to a massive and amazing looking castle in the center of the multiverse, and as I was flying, I saw something appear in the skies: it was the symbols of the Shiranui, Ice Barrier, T.G., Battlewasp, Thunder Dragon, Utopia, Blackwing, and Timelord Duel Monsters, and I soon saw six figures appear from those symbols, they were eight girls all too familiar to me.

Nico: Wait, really? Who are they?

Lincoln: The Guardians of Reality, but on my side.

WE GASPED!

Me: Wait, what?!

Selene Arcangela: It's all true, guys, The Guardians of Reality are a group of extremely powerful girls with the powers of reality and the elemental forces and they've been chosen by God to not only help TLPS in their neverending adventures, but also, to protect the world, the universes beyond, and also, reality itself from the dangerous and powerful beings in the known multiverse, and of course, they're Lincoln's Guardian Angels who also protected him from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of his enemies, and they despise Lea Jetstream's sisters, Zoe, Michelle, Hayley, May, and Bela Jetstream because when they found out that Zoe, Michelle, Hayley, May, Lea, and Bela, The Guardians of Reality from The X-Squad's universe, have gone rogue and intend to undo all of Team Loud Phoenix Storm's efforts, they swore they would kill them. But, when they saw that Lea's finally opened her eyes to the truth, they decided to show her mercy, but as for Zoe, Michelle, Hayley, May, and Bela, they'll never show them any mercy at all and they'll fulfill their duty to protect TLPS and Lincoln from those rogues. In fact, they'll kill The Jetstream Sisters with Lea being the exception.

Me: That's incredible.

Lea Jetstream: Oh no, I suspected that dream would come to Lincoln. Which means, if they see Zoe, Michelle, Hayley, May, and Bela Jetstream, they're gonna kill them.

Suddenly, we saw the symbols of the Shiranui, Ice Barrier, T.G., Battlewasp, Thunder Dragon, Utopia, Blackwing, and Timelord Duel Monsters appear and our rainbow, white, and blue energy auras flared up as we suddenly gained a massive power boost, and then, six tornadoes of fire, water, ice, earth, lava, wind, lightning, light, darkness, time, space, and reality appeared, and as the tornadoes faded, there stood six girls with red hair and bubblegum pink clothes, brown hair and sky blue clothes, white hair and orange clothes, red hair and pink clothes, pink hair and white clothes, black hair and emerald green clothes, and black hair and purple clothes, blue eyes, the symbols of Shiranui, Ice Barrier, T.G., Battlewasp, Thunder Dragon, Utopia, Blackwing, and Timelord Duel Monsters on their white short-sleeved blouses, colored skirts, and foreheads, angel wings, and elemental swords in their hands

Lincoln: (GASPS) Firaza Diamond, the Shiranui Fusion Gene Slammer, Jenny Kuradoberi, the Ice Barrier Fusion Gene-Slammer, Yuria Sagiri, the T.G. Fusion Gene-Slammer, Janna Shannon, the Battlewasp Fusion Gene-Slammer, Maria Demontamer, the Thunder Dragon Fusion Gene-Slammer, Misty Kirijo, the Utopia Fusion Gene-Slammer, Luna Matsuda, the Blackwing Fusion Gene-Slammer, and Kali Timestream, the Timelord Fusion Gene-Slammer.

Nicholette Torrington: The Guardians of Reality have returned!

Me: Just as your dream foretold!

Eli: Whoa!

Emily Shunoros: Lincoln's dream foretold that all of you have returned, Kali, and we were stunned.

Kali Timestream: It's all true, Emily. We've returned, and we heard that Zoe, Michelle, Hayley, May, Lea, and Bela Jetstream, The Guardians of Reality from The X-Squad's universe, have shown up yesterday.

Lincoln: Yep, that's right, and Sebastian pulverized Zoe, Michelle, Hayley, May, and Bela, and Lea was indeed the only one who saw the truth that what we've been doing for the past seven years is right and true, but her five other sisters were another story, and...!

When Lincoln told them of what those five said about Lincoln and it was so cruel, malicious, heartless, and evil, their faces turned red and their eyes turned fiery red as fire appeared behind them! THEY WERE LITERALLY MAD AS HELL!

Firaza Diamond: Those...five...bitches...said...(MEGA ENRAGED SCREAM) WHAT?!

Me: Yep, what Lincoln said is all true.

Jenny Kuradoberi: What the Hell! I guess they haven't changed at all, but why are they inside crystals on a necklace Lea's wearing?

Lincoln: That was God's doing, Jenny. After we dealt with Broly, The Legendary Super Saiyan, for good yesterday at Torrington Academy, God took over my body, and he had Michelle, Zoe, Hayley, May, and Bela imprisoned in those crystals and put onto a necklace he gave to Lea as punishment for letting their power go to their head.

Kali Timestream: Wait, he did what?!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with gold ring of hands with embedded colored gems in the palms and gold ring of fire around it and the four large orbiting gold rings with gold ring of hands with embedded colored gems in the palms and gold rings of fire around them orbiting the corners behind his head remained the same, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

Suddenly, Lincoln's deep sapphire blue eyes glowed, and then, they changed from deep sapphire blue to a heavenly golden yellow as we felt a massive and powerful divine force coming from him, as we saw heavenly lights shining down from Heaven and the angels of Heaven descended and right in front of us.

God: (Through Lincoln's body) (Divine Heavenly Godly Beastly Voice) It's true, Kali. Yesterday, I had appointed Lea Jetstream as Warden for her other five sisters who needed to be taught a serious and divine lesson. Long ago, I saw their potential and I appointed her and her five other sisters as The Guardians of Reality in the X-Squad universe, but Zoe, Michelle, Hayley, May, and Bela have forgotten everything they were taught and they let power go to their heads, and as punishment for abusing the very power they were entrusted, I imprisoned Zoe, Michelle, Hayley, May, and Bela Jetstream in a special necklace that was entrusted to Lea Jetstream, and she's not only keeping a very close eye on them, but they're going to see for themselves that what Team Loud Phoenix Storm has been doing for the past seven years is right and true, and perhaps their eyes would be open to the truth.

Yuria Sagiri: I see. But, I can tell they've been...

Nico: They've been difficult, and even after Sebastian trashed them and electrocuted them with dark lightning, but they didn't improve.

Maria Demontamer: Stubborn jackasses.

Lea Jetstream: But, Kali and the others gave them an ultimatum: if they finally saw the truth like I've done, they would forgive them. But, if they continued to show that kind of behavior and tried to undo everything Team Loud Phoenix Storm has done for the past seven years, then, they will be killed.

Suddenly, we looked at the crystals and we saw Zoe, Michelle, Hayley, May, and Bela Jetstream about to finally break down.

Zoe, Michelle, Hayley, May, and Bela Jetstream: Okay, okay, we admit it! You all are indeed heroes and what you've been doing for the past seven years is indeed right and true, but we've been just absolute bitches who let the power get to our heads and we tried to undo all your efforts throughout these seven years and destroy all of you! Please, please, forgive us! We swear we won't do this ever again! We'll change our ways and never plot to undo your efforts again!

Eli: Did they just...?

God: (Through Lincoln's body) (Divine Heavenly Godly Beastly Voice) (Smiles) That's all I wanted to hear. But, before I go, allow me to give you all a very powerful gift.

Suddenly, Lincoln was surrounded by a mighty white, golden yellow, and blue energy aura, and the heavenly lights shining down from Heaven are suddenly getting even stronger, and then, we were all surrounded by mighty white, golden yellow, and blue energy auras, and we suddenly felt our power was rising beyond astronomically, and the rest of the team with the exceptions of me, Nico, Lincoln, Eli, and many others were now wearing white and gold versions of their regular clothes.

God: (Through Lincoln's body) (Divine Heavenly Godly Beastly Voice) (Smiles) And I'd already done the same thing for Lincoln, you, Nico, Eli, and many of the others as well, J.D.

Travis Tackett: Nice one.

Cage Blunt: I can get used to this look since Caleb has the same look as well.

God: (Through Lincoln's body) (Divine Heavenly Godly Beastly Voice) I'm glad that all of you like the gifts I've given you all. Now to free Zoe, Michelle, Hayley, May, and Bela Jetstream

God through Lincoln's body fired waves of white, golden yellow, and blue energy from his massive white angel wings and four sets of larger white angel wings which hits the crystals with Zoe, Michelle, Hayley, May, and Bela Jetstream inside, and they were freed. Then, they immediately ran to us and hugged us as they cried, and we returned them.

Hayley Jetstream: We already swore we won't try to undo any of your efforts ever! We've now seen we were wrong.

Nico: As long as you've seen the error of your ways, that's alright with us.

God: (Through Lincoln's body) (Divine Heavenly Godly Beastly Voice) That is good to hear, Nicholas Chan. Now, I must take my leave, until we meet again, Team Loud Phoenix Storm. Farewell.

God left as Lincoln's heavenly golden yellow eyes turned back to deep sapphire blue.

Lincoln: (Beastly Voice) W-what happened?

Nico explained everything.

Lincoln: (Beastly Voice) Oh right, now I remember.

James Blunt: I'm still absolutely stunned that God made his presence known through you. I know that Selene Arcangela is the Fusion Gene-Slammer of The Timelords and Embodiment of God, The Angels, and Archangels, but I have to ask: do you also know an Avatar of God, The Angels, and The Archangels?

Lincoln's Guardian Angels gasped.

Enya Phoenix: You mean, you know The Avatar of God, The Angels, and The Archangels in the group?

James Blunt: No, I'm just asking.

Winter Werewolf: We'll tell everyone that after our main mission and take care of the next of Billie Muldoon's minions, but what you said, James, you basically just pointed out who we're going to meet on Lincoln's rescue tomorrow.

Nico: Wow. You figured that all out in less than a split second.

Cage Blunt: Even I'm stunned at that. So, Lincoln, are you going to introduce us?

Selene Emperyous: Oh right, we got to do just that.

ELI PUT MY JAW AND EVERYONE ELSE'S JAWS BACK!

Me: No way, so you're...Kang's daughter?!

Kali Timestream: That's right, and why the sudden dropping of jaws?

Lincoln: (Beastly Voice) Well, we'd found out last year that J.D. when he got his powers from Cosmic Radiation, that it was also a plan of your Dad many years ago, but instead of putting The Avengers out of commission, it instead allowed us to form a powerful bond with them.

Kali Timestream: I see, and I knew that Dad had that plan formed and he accomplished it.

Lincoln: (Beastly Voice) Yep, but it had a different outcome with us forming a powerful bond with The Avengers, and it's so good to see you all again, Kali.

Kali Timestream: You too, Lincoln.

Suddenly Lincoln made seven clones of himself, and while he pinned Kali Timestream to the floor, his clones also pinned the other seven girls to the floor, and they kissed them on the lips and marked them by biting them on the right trapezius and fed on their blood, and his already flared up rainbow energy aura with elemental forces and mythological animals had flared up even more extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln and his clones slowly unlatched their fangs from their right trapezius and the marks sealed up and Lincoln and his clones kissed the spot where they bit them and helped them up, and they also had eight Elemental Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and colored crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and ten white and gold accented Elemental Thunderbird Choker of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Then, he and the clones helped them up and the clones vanished as his slit pupils changed back to regular pupils.

Kali Timestream: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs)

Firaza Diamond: And we had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise.

Lincoln had a blush on his muzzle.

Lincoln: Sorry about that.

Nico and I snickered.

Me and Nico: Lincoln, you sly wolf.

Suddenly, Kali Timestream had her hands on Lincoln's massive hairy pecs, and she and the rest of The Guardians of Reality on his side proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When they were done, Lincoln was covered in lipstick marks on his face and muzzle, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had a really massive atomic red blush on his face and muzzle and he was literally in Heaven.

Lincoln: (Beastly Voice) (In Heaven) That's...something I've not...forgotten.

Winter Werewolf: (Snickers) You gained the attention of a lot of girls in human form, but in werewolf form, that attention you gained has gone up to infinite-levels. The ladies aren't going to keep their hands off you, you hulking beefcake stud.

Lincoln's massive atomic red blush on his face and muzzle grew even more.

Nico: Winter. Seriously?

Me: Resorting to flirting again?

Selene Emperyous: Seriously, Winter. You know what happens when you resort to flirting around Lincoln?

Suddenly, Lincoln had a grin on his muzzle and it showed off his fangs and teeth.

Lincoln: (Seductive Beastly Voice) Oh, Winter. Do I need to remind you of what happens when you resort to flirting with me.

Suddenly, Lincoln quickly seized Winter Werewolf and pinned her to the floor, and he proceeded to kiss her on the lips which caused her hair to stand on end as alarm bells went off in her head, and then, she proceeded to return the kiss while she had her hands on his massive hairy pecs. Then, as soon as he was done and he and Winter separated, Winter Werewolf had a massive atomic red blush on her face and her nose was gushing out blood.

Winter Werewolf: (In Heaven) Damn it, he's still a good kisser and charmer in both human form and werewolf form.

We laughed.

Me: Hey, I warned you.

Lincoln: (Beastly Voice) Alright, alright, we should finish up breakfast, and get ready to take down the bad guy for Nico's rescue.

Nico: Right.

We then finished our breakfast

Vakama woke up to see Chimchar staring at him

Chimchar: (HOOTS) Morning Vakama.

Vakama: Morning Chimchar.

Chimchar: Time for breakfast.

Vakama: Oh boy!

He went and got ready and went to the table. It was Super Spicy Waffle Day.

Lola and Lana had fire coming out of their mouths and Lily had fire coming out of her ears. Lynn was farting fire.

LOUD FARTS!

Lynn: WOO! Love good spice! My compliments to the chef.

Me: Glad you like them.

Vakama was eating.

Vakama: (EATING) Mmm! Love spicy food.

Me: Nice!

Nico: Good food too.

Qin: Yeah!

LOUD FARTS AND FIRE BELCHES!

WE LAUGHED!

Camie: That is funny!

Trixie Lulamoon: This is gonna be awesome.

Me: It sure is Trixie!

Trixie Lulamoon: I, the Great and Powerful Trixie, is ready to bring back myself here.

Starlight Glimmer: We're ready for it too.

Camie: I agree there.

Qin: Yeah!

Me: This is also the first time we've ever seen Elder Flower's place.

Izzy Moonbow: You'll love it J.D. It's gonna be interesting.

Nico: It sure is.

Me: Yep.

Takeru: I'm ready for it.

Qin: Yeah!

Nico: Takeru, I want to thank you, Condor, and your teams for coming

Takeru: Not a problem Nico. This is gonna be awesome and cool.

Xenia: It sure is.

Kenta: You got that right.

Qin: Yeah!

Kenta: But it feels great to be back in action after 37 years.

Qin: I know.

Lola: I agree.

Me: Yeah.

Nico: How WAS retirement for you guys?

Takeru: It was boring. After we killed Earth Emperor Zeba it got dull for us.

Me: That's a shame.

Eli: Yeah.

Takeru: Yeah.

Nico: But I bet now, things will get exciting again

Qin: Yeah.

Takeru: Yeah that is for sure.

Qin: Yep.

Pinkie Pie: Yesterday was the best day EVER! AH! It was so fun and amazing!

Me: You had a lot of fun yesterday Pinkie.

Camie: You sure did!

Nico: We found your counterpart.

Me: Yeah we sure did.

Pinkie Pie: And underneath my family's rock farm! How cool and amazing is that!

Qin: It sure was.

Camie: Yeah!

Izzy Moonbow: That was cool and amazing! Yay!

Nico: YEAH! And amazing!

Me: Yeah!

Nico: And we fought Tortoise John.

Me: Yeah.

Pinkie Pie: You bet we did! That was so fun!

Qin: It sure was.

Camie: And this time we threw him in jail.

Xenia: Yep.

Varie: I hope he likes eating chum in prison.

Fluttershy: That was a very unpleasant experience for me to eat chum.

Lincoln: That was by accident Flutters.

Me: It was. But it was really funny seeing Pinkie's akuma.

Nico: She was made of shit!

Me: Yeah I know! But it was really funny!

Pinkie Pie: (LAUGHS) It sure was funny!

Me: Most of us got a good laugh out of it.

Fluttershy: That was funny. But not for me because of eating chum.

Lincoln: I stayed with Fluttershy as she was throwing up and helping her get better.

Camie: She must've been really sick.

Me: Welcome to my world.

Nico: Now, where's Trixie?

Izzy Moonbow: This way.

We arrived at Elder Flower's tree.

Me: This must be it.

We knocked on the door and Elder Flower answered.

Elder Flower: Ah Team Loud Phoenix Storm welcome. I know you are here for Trixie. Come this way.

We went in.

Me: Wow nice place.

Qin: It sure is.

Nico: How'd you know?

Elder Flower: The spirits have told me.

Izzy Moonbow: Elder Flower is always ready for anything and the spirits guide her.

Me: Wow! Now according to my dream there should be something here.

I went to a wall with a picture frame on it.

Me: Please excuse me.

I moved the picture and felt around the wall and then I pressed a button.

CLICK!

Me: Paydirt!

A hidden door opened and revealed a hidden staircase!

Me: WHOA!

Elder Flower: Goodness!

Nico: A Secret passage!

Qin: Wow!

Me: Yeah.

My sword glowed and I unsheathed it and the jewel of humility glowed.

Me: The jewel of humility is reacting to something.

Maria: We're getting close.

We went down the stairs and I formed an energy ball and used it as a flashlight.

We then got to a huge door with Trixie's cutie mark on it.

Me: This must be it.

Trixie Lulamoon: It sure is.

I pushed the door and it opened and we saw a huge room and in it was Trixie's wagon.

Me: Whoa! Is that your travel wagon?

Trixie Lulamoon: It sure is. And look what's by it.

In a glass coffin was Trixie Lulamoon (G5)!

Me: There she is!

Nico: Just like your dream said!

Qin: Yeah!

Ace Ukiyo: Wait Trixie lived in a wagon?

Me: Yeah before she joined us she would always walk around pulling her wagon.

Ace Ukiyo: I see.

Trixie Lulamoon: It was my only way to travel.

Nico: Time to get her out.

Me: Yep.

Trixie went up to her and touched the coffin and then a massive flash of light bursted out and then a massive blast of magic was felt! Twilight's School and Trixie's wagon was made better than ever before!

She woke up after 1,000 years!

Trixie Lulamoon (G5): What happened?

Me: Welcome back Trixie.

Nico: Its been about a thousand years.

Trixie Lulamoon (G5): J.D.? Nico? Everyone and Everypony? What happened?

Me: You were in hibernation for over 1,000 years.

Nico: We have a lot to tell you.

May: But we're glad to see you're safe.

Me: Yeah.

Trixie Lulamoon (G5): What happened though.

Me: Well.

We told her everything.

Trixie Lulamoon (G5): (GASP) Opaline Arcana did this?

Me: Yeah for over 2,000 years she has done all kinds of terrible things. And ruined everything that Twilight Sparkle worked so hard to accomplish.

Lincoln: It's a nasty story but Opaline's sister Malachite got through to her and saved her from herself.

Sunny Starscout: It's true.

Trixie Lulamoon (G5): Wow! I've got a lot of catching up to do. But I, the Great and Powerful Trixie, is back!

Me: You sure are!

Nico: And you're here to stay!

Me: YEAH!

Starlight Glimmer: That is for sure!

Me: And also the Opaline of our time is dead thank goodness. But now the Opaline of Sunny's time is being redeemed. Long story on that as well.

Lincoln: Yeah.

Me: It's gonna take a long time for everyone to forgive her but we know that she can be redeemed.

Camie: I agree.

Trixie Lulamoon (G5): I'm glad.

Sunny Starscout: We are too.

Later we were over in Neo Phoenix Land and it was AN AMAZING AND INCREDIBLY ADVANCED PARK!

Me: WHOA! The mascots really outdid themselves big time!

Laney: WOW! Look at all this!

Sunset Shimmer: This is absolutely amazing!

Rarity: I agree darlings. It's amazing!

Qin: Yeah!

Maria: Wow! Man the mascots really made it fun and cool.

Lola: They sure did!

Me: To be honest, the park needed a big upgrade.

Qin: I can tell.

We saw a HUGE PARADE going on too.

Lola: WOW! Look at the floats!

Nico: I didn't know the park does parades too.

Me: Me neither! But those are amazing!

Poromon: What do you guys think?

Me: It's incredible!

Qin: It sure is!

Lola: Yeah!

Poliwag: And you haven't seen one of the best parts.

We went into a huge stadium and saw a bunch of people doing stage performances of many of our adventures that we have had over the course of 7 years.

Poromon: We have amazing performers put on shows of many of our amazing adventures.

Maria: Wow!

We saw the performers doing a reenactment of the battles we had in Paris with Marinette in friends in Chapter 901 of Loud House Revamped.

Nico: Wow that is perfectly reenacted.

Me: You did really well back then Nico.

Nico: Thanks.

We then went to a fun arcade.

Me: Wow! Look at all the kids playing good games.

Nico: Yeah.

DING!

KRAPLOP!

We saw the Dunk tanks.

Horsea: And there's the dunk tanks.

Me: Yeah.

DING!

A kid dunked Desert Sage into a tank full of nacho cheese sauce!

Desert Sage: (LAUGHS) That was funny!

Me: (LAUGHS)

Nico: CHEESE!

Me: (LAUGHS) Yeah that was fun.

Desert Sage: This is an amazing park though.

Me: It sure is.

Poromon: But there are more sauces than just cheese sauces.

DING! LOUD FART!

We saw a girl get dunked into a tank full of baked beans!

WE LAUGHED!

Manaphy got into the dunk tank

Manaphy: Dunk me!

Me: You asked for it!

I spun my Magisword Bracelet.

CUCKOO NUT MAGISWORD!

I fired coconut!

BONK! DING!

KRASPLORF!

She fell into a tank full of chocolate sauce!

Manaphy: (LAUGHS) (SLURP)

WE LAUGHED!

Nico: Nice shot!

Qin: (LAUGHS) That was funny!

May: (LAUGHS) Nice one!

Manaphy: At least it's chocolate sauce.

Me: That was fun.

Horsea got into the dunk tank.

Horsea: Dunk me!

Maria: Okay!

She fired a Cuckoo Nut too!

BONK! DING!

KRASPLORF!

She fell into a tank full of caramel!

SPLAT!

Some caramel got on my face.

Me: (SLURPS) Yummy! Caramel!

Horsea: (LAUGHS) (SLURPS)

Me: (LAUGHS)

We laughed!

Me: You guys don't have dunk tanks full of beer do you?

Poromon: Actually, no. Do you want them?

Me: I do have some ideas for that. In fact.

I whispered to the mascots.

Poromon: That's brilliant.

Manaphy: I like it!

Poliwag: Awesome thinking!

Horsea: Good idea!

Nico: What did you suggest?

Me: The mascots using beer and alcohol filled dunk tanks and dunk criminals that we loathe and despise.

Nico: OOH! I like it! Only for the adults for that though.

Me: Yeah. The kids here seem happy with the sauces and more.

Nico: Yeah!

Eli: But how can you guys afford all this?

Me: I was gonna say.

WHAP! (SCREAMS OF PAIN)

Poromon: That is where we get our funds for this. Follow us.

We did so.

We followed the mascots and we saw the kids beating up and spanking Squidward 2!

WHAP! (SCREAMS OF PAIN)

He was being spanked hard and using our pranks on him to smash his brains out.

He was having gold, coins, jewels and more come out of him and was being mauled brutally by pranks.

Poromon: The pranks from Squidward 2 and mores clones of the jerks from Lynn's Table are making gold and jewels and it funds the park and more.

Me: Very genius!

Poromon: We're in the process of making more clones of the jerks.

Me: I can easily do that.

Nico: Good idea guys.

I snapped my fingers and made more clones of them and the kids had fun and bashed them all over.

Me: NICE!

Lincoln: Good idea!

Maria patted Horsea on the head

Me: You guys did well.

Qin: I'll say.

Eli: Yeah!

Me: Boy this is amazing guys.

We went to the food court, buffet center and restaurant plaza of the park.

Me: WHOA! Look at all the restaurants and buffets.

Nico: This is amazing.

Poromon: Yep. We have restaurants, buffets and shops from all over the world here. We have foods from Australia, England, Iceland, Greece, Russia, Thailand, Vietnam, Japan, Mexico, Alaska and many more places.

Me: WOW! Talk about an amazing international and American experience.

Camie: I'll say!

Nico: Wow!

Poromon: And Nico we have your favorites too. We built a chicken wing buffet with 40,000 flavors of wings as well as an all you can eat cheese buffet with all the kinds of cheeses around the world.

Nico: OH WOW! (DROOLS LIKE A WATERFALL) THAT IS SO COOL!

Poromon: What will you have first?

Me: Boy everything!

We got to eating and picked our favorite foods and more.

Me: (Eating Sushi) Mmm! Good sushi.

Nico ate over 50 piles of wings and cheeses.

Laney had lots of salad.

Lana had beans and weenies.

Camie had Borscht.

SO MANY MORE!

Horsea: We'll dig in too!

Me: So awesome!

Nico: You guys REALLY thought of everything.

Horsea: I know.

Poromon: Yep.

We had a really awesome meal and man we were REALLY FULL!

Me: (GROANS) Man that was AWESOME! (BURPS) Oh excuse me!

Twilight Sparkle: Man that was great!

Qin: It sure was!

Xenia: I'll say!

Lincoln: We are stuffed!

Apple Bloom: We sure are.

Later we came out to the main plaza.

Me: Boy that was delicious!

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Neo Phoenix Land, but here's the bad news, we got word that our old enemy, Coco LaBouche, is back for revenge on Tommy Pickles and friends for ruining her life and locking her up especially during Jack and Carly's date.

WE GASPED!

Me: WHAT THE?! That basket case is back?!

Nico: Oh Lord, I should've known that delusional basket case would come back.

Lincoln: She's like a bad case of hives, but that ends here, we're taking her down and we're going to send that monster to prison in a straitjacket.

Eli: I remembered J.D. telling me that, I also want a go on that lunatic. And are you doing okay after what Horrormoth made you go through, Lincoln?

Lincoln: I'm alright, Eli, and that Fear Feaster better shut his trap about me not going to become a great hero, or else, I will banish him to The Netherworld forever.

Me: You can hear him from his prison cell in The M.O.E. Prison?

Lincoln: Yep, and the sudden new improvements to my body thanks to God really enhanced all of my abilities, powers, and skills infinite-fold. (Scratches the back of his neck with his left hand with a red blush on his muzzle) And like Winter said, it's also given a lot of girls yet another reason to gawk at me.

But, then, we saw Lincoln's harem glare at them and they ran off.

Me: Oof. Man, just one glare and they ran off.

Nico: Good to know, because you never know if any of them are golddiggers or absolute bitches who want to make men their slaves.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and The Midnight Princesses have resurrected Joseph Seed and his cult, Project at Eden's Gate, and sent them after us.

Lincoln: Are you kidding me?! Morgana, you little...!

Me: What is it, Lincoln? Did Morgana...?

Lincoln: Afraid so, it appears Morgana Midnight Sparkle and The Midnight Princesses have resurrected Joseph Seed and his cult, Project at Eden's Gate, and sent them after us.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's skeleton came out!

Qin: Oh, that is not good!

Nico put his skeleton back.

Nico: I hate when that happens. Lincoln, I hope you absorb them.

Lincoln: That's what I'm going to do, Nico.

Ed Cowart: I can't believe that insane monster's back, what nerve!

Lori: I was hoping we wouldn't have to deal with her again, but she refused to stay gone.

Lincoln: And this time, she's going straight to prison for good.

Me: YEAH!

Camie: Who is Coco LaBouche?

Me: She was the former owner and manager of Euro Reptarland over in France. And she had a REALLY NASTY Disposition.

I went over her history

Coco LaBouche is the main antagonist of Nickelodeon's 5th animated feature film Rugrats in Paris: The Movie.

She's the child-hating, vituperative and opprobrious ex-head of EuroReptarland who wishes to be head of Yamaguchi Industries by any means necessary. In an attempt to accomplish this, she tries to get Chas Finster to love and marry her just so she can get promoted, which leads her to become Chuckie's arch-nemesis and enemy.

She was voiced by Susan Sarandon, who also played Queen Narissa in Enchanted and Victoria Kord in Blue Beetle. And in the namesake Rugrats in Paris: The Movie game for Windows PCs, she was voiced by Katherine Movius.

At some point, before the events of the movie, when EuroReptarland, a Japanese theme park located in Paris, France opened, Coco LaBouche runs the amusement park. One day, while preparing for a Reptar show, she screams and yells at her workers to start the Reptar show. After Reptar's robotic head falls off after causing him to short-circuit unexpectedly, Coco furiously yells at Kira Watanabe to bring Stu Pickles (as he was the one who provided the schematics to create the mecha) in EuroReptarland within 24 hours. As Coco arrives with her assistant Jean-Claude, she finds the Rugrats playing in her office and is angry that Tommy ruined her collection of koi fishes, so she orders Jean-Claude to call in Kira, who calmly escorts the children away from the office. Coco sits in her office and watches Stu arrive before demanding him to fix the Reptar mecha.

Later on, Coco has a video call with her boss Mr. Yamaguchi, who plans to step down as President of Yamaguchi Industries (the main sponsor of EuroReptarland). A delighted Coco decides to step in as Yamaguchi's successor, but he tells her that she's one of the many people being considered for the job and that his true successor has to love children since they're the target audience for the Reptar franchise. Not wanting to lose her chance, Coco lies to him by claiming to be engaged to a man with a child of his own, but Mr. Yamaguchi tells her that they'll talk about the promotion after the wedding occurs, much to Coco's dismay. Unknown to Yamaguchi, Coco hates children (as pointed out by Jean-Claude) just as she discovers Stu's niece Angelica Pickles hiding in her office under her desk eating all of her chocolates. An angry Coco attempts to have Angelica locked up in prison, but Angelica, having overheard everything and wanting to avoid Coco's wrath, admits that Stu's best friend Chas Finster is looking for a woman to date in hopes of getting a loving stepmother for his son Chuckie. Upon hearing this, Coco is delighted and offers a deal to Angelica: in return for helping Coco in impressing Chas and getting him to marry her, Angelica will become the flower girl for the wedding and have her very own float and ponies in the parade; even providing ice cream for Angelica to make sure she holds up her end of the deal.

Meeting up with Chas during dinner with the Pickles and their closest friends, Coco (with the help of a reluctant Kira) woos him for the next several days. However, she has trouble trying to earn the affection from Chuckie as he doesn't like her, but later learns from Angelica that Chuckie is obsessed with the princess character of the Reptar franchise and that he wishes her to be his new mother. Taking delight in this, Coco happily performs the role of the princess when Chas and Chuckie attended the show before revealing herself to them, earning an outstanding ovation from the audience. Although Chuckie is dismayed that Coco is playing the princess, Chas is extremely thrilled by this and decides to marry Coco. The other families are quite shocked by this, but Coco happily takes this as a sign of fortune, knowing now that she's close to earning her promotion.

Several days later, the wedding is being prepared at the Cathedral of Notre Dame. As Coco is getting ready for the wedding, she's disgusted to see the babies who are eating the leftover foods under a cart in the hallway. Noticing Chuckie holding his teddy bear Wawa, Coco grabs it out of his hands, causing the babies to collide the stand which accidentally break a vase before it nearly falls on top of Dil, which Tommy saves his brother from getting hurt. Having had enough of the babies' antics, Coco orders Jean-Claude to imprison them inside the warehouse until the wedding is over; even betraying Angelica by having her locked up with them, revealing that she never intended to uphold her deal with her. This act was witnessed by a horrified Kira, who's then ordered by Coco to destroy Wawa after Jean-Claude escort the babies to the warehouse. Kira feels sorry for the children and sadly hugs Wawa. On their way to the church, Kira furiously confronts Coco for deceiving Chas and vows to tell him the truth for what she have done to the innocent children. However, Coco fires her on the spot and kicks her out of the limo before driving away. Once arriving at Notre Dame, Coco marches forward, but signals the singer to stop and starts the wedding ceremony, basically ruining it.

Inside the warehouse where the babies are being held captive by Jean-Claude, a depressed Chuckie cries over the fact that Coco is about to become his stepmother who'll mistreat him and his friends. which drove an remorseful Angelica to comfort Chuckie by admitting her involvement behind Coco's plan and apologizing for it. Deciding to take matters into their own hands, Chuckie rallies up his friends to help him stop the wedding. The babies sneak inside the giant robotic Reptar and use it to escape the warehouse and rush to the cathedral. Unfortunately, Jean Claude sees them and boards Robosnail to stop the babies.

During the wedding, Chuckie has enough time to arrive because Chas spends a long time reciting what his favorite poem until Coco intercepts a phone call for Jean-Claude that the babies had escaped and they're on their way to the Notre Dame. Coco berates Jean-Claude for this, but inadvertently nearly revealing her plans out loud in front of everyone, who are bewildered by this before she makes a pathetic excuse and continues the wedding.

The pandemonium breaks out in Paris as Reptar (controlled by the babies) make his way to the cathedral, including being swung around mid-air by Robosnail and rocketing up the side of the Eiffel Tower. Eventually, Reptar manages to defeat Robosnail by pulling on Robosnail's right eye stalk then letting go of him, causing Robosnail to swerve out of control and sending him into the Seine River.

Meanwhile, Coco is being impatient with the archdeacon who doesn't pronounce marriages, which she furiously throws the Bible at him. The wedding is about to finish with the archdeacon asking anyone if Chas and Coco shouldn't be married, but only for Chuckie to barge in through the door and yells out a loud "NO!" at his very first word to stop the wedding, much to the adults' surprise. Chas is thrilled to see Chuckie finally talking for the first time and hugs him as he comforts him. Coco pretends to be happy to see Chuckie and beguilingly tries to hug and kiss him, but Chuckie refuses and embraces on Chas instead. A moment later, Jean-Claude bursts in and accidentally reveals that Coco's kidnapping plan has failed out loud in fear and tears. Coco tries to tell everyone to ignore Jean-Claude by calling him an "unemployed fool", but Chas (having heard exactly what Jean-Claude said) angrily calls off the wedding before berating Coco for fooling him.

Just then, Kira and the kids (along with the Pickles' dog Spike and a poodle named Fifi) arrive to the church. Angelica attempts to tell everyone the truth about Coco's plot, but Coco promptly hushes her by claiming that flower girls should be "seen, not heard". However, Mr. Yamaguchi appears, revealing he had decided to come to the wedding himself in person and demanding to know what Angelica has to say. Realizing now that she's in trouble, Coco smiles nervously as Angelica bluntly (yet rightfully) reveals about Coco's hatred of children and her scheme of marrying Chas was just so that she could become the new president of Yamaguchi Industries, which left the families horrified and outraged at this revelation. An enraged Coco is about to lash out at Angelica for exposing her plan, but Yamaugchi stops this by coldly berating Coco before firing her as punishment for her actions. As Yamaguchi leaves the church, Coco complains about her dismissal and attempts to storm out of Notre Dame, but she notices that Tommy, Phil and Lil are standing on her gown. An enraged Coco yanks her gown, causing the three babies to fall on the floor, much to their families' shock; even Angelica herself is horrified by this.

Declaring that she won't let anyone but herself to pick on the babies, Angelica furiously retaliates by stepping on Coco's gown, ripping it off and revealing Coco's purple lingerie in front of everyone with Jean-Claude mockingly singing about it. As Coco leaves and criticizes everyone to take pictures, several spectators started taking pictures of her lingerie with their cameras, much to her anger and humiliation. As Coco runs off and crying in defeat, Spike chases Jean-Claude for trying to hurt the babies. Kira then returns Wawa to Chuckie before falling in love with Chas, and they eventually get married back home in North America, allowing Chuckie to finally get a loving stepmother and for Kira's daughter Kimi to earn a loving stepfather.

When I was done everyone was horrified!

Twilight Sparkle: OH MAN! That is awful!

Carly Atlas: Yeah and me and Jack had a great date back then. Also she was a monster! She hates all kids!

Nico: No kidding!

Me: Yeah and Tommy and his friends ruined everything for her. She was fired from her job and made a total outcast from the world.

Lola: Good riddance.

Xenia: Yeah.

Ace Umiyo: I had no idea she was that dangerous.

Me: I know.

Nico: It was back in 2020 when we met her.

Camie: Geez!

Qin: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Coco LaBouche) AHA! There you are! I just spotted Coco LaBouche, she's 20 yards away, but she's heading for us in a fit of rage. (Sensed Joseph Seed and the entire Project at Eden's Gate) And I just spotted Morgana's next set of puppets.

Nico: Let's tear them apart.

Alexis heard a Pokemon cry.

Alexis: Look here guys.

We saw a Vanilluxe.

Me: WHOA! A Vanilluxe.

Qin: Cool!

Vanilluxe: Yeah.

Alexis: She must be hungry.

She gave her apples and food.

Vanilluxe: Thank you.

She ate them.

Poromon tried to eat her

Me: Poromon don't even think about it.

Poromon: Aww but she...

Me: I know she looks like ice cream but she's not.

Manaphy: She's a Pokemon like us.

Poromon: Okay okay sorry.

Alexis: Want to come with us?

Vanilluxe: Sure!

Me: Cool!

Laney: Look up there!

We saw a storm cloud and we saw a figure. It was ZEKROM!

Me: WHOA! Zekrom!

Nico: Here Poromon. You can have some ice cream instead.

Irina Thrice Cream: From me.

She gave him ice cream.

Poromon: Thanks!

Me: Guys Pokemon up here!

Nico: OH Right! What is that doing here?

Courtney: Let me see.

She used her telepathy and gasped!

Courtney: OH MAN! Volcano Despair!

Me: WHOA!

Nico: You know her?

Courtney: She's a friend of mine from Canada and also she is Magma Gloom's sister.

WE GASPED!

Courtney: Yeah.

Me: Lets go help her Courtney!

We flew up to her.

Courtney: Volcano! It's me Courtney!

All she did was use Bolt Strike

We dodged it.

Me: Looks like we're going to have to make her stop.

I fired a blast of lightning and smashed her.

Courtney fired waves of fire and blasted her.

She roared.

Me: Roar yourself!

I fired waves of fire and blasted her.

I then snapped my fingers and she reverted back and was a girl with black hair, red eyes, fire angel wings and Zekrom in the middle of her forehead and she had a volcano cutie mark on her arm.

Me and Courtney caught her and wrapped her in a blanket.

Me: There.

We landed and sat her on a bench to rest.

Me: There we go.

Nico: Wow.

She woke up

Volcano Despair: (Groans)

Courtney: Volcano?

Volcano Despair: Courtney? (Gasp) Courtney!

She hugged her.

Volcano Despair: Awesome to see you. Where am I?

Me: You're in our new and improved Phoenix Land in Gotham Royal York.

Courtney: It's a long story.

Me: You were turned into Zekrom because of Dark Gale.

Volcano Despair: Oh man! I remember.

She was in a black and red suit and on a table and she was injected and turned into a black ball of energy and flew out of the area. She emerged as a Zekrom and flew off.

FLASHBACK ENDS

Volcano Despair: It was awful.

Me: I know but we're going to kill Dark Gale soon.

Nico: How did you meet Courtney?

Volcano Despair: I met her at school in Canada and she was being bullied by Heather. I punched Heather in the face and blasted her with a fireball and burned her in her face.

Me: Whoa! Nice one.

Nico: I didn't notice her face was burned.

Sakura Knudson: She must've covered her face with makeup.

Me: Yeah. But nice job leaving your mark on her

Gwen: That is great. At least that bitch deserved it.

Volcano Despair: I know. But it's awesome to see you as well Gwen. And you too to all of you.

Lightning: Same here.

Cameron: Yeah.

Me: That is cool that you know everyone on Total Drama. Did you try to get on the show as well?

Volcano Despair: I tried to but my application was denied.

Me: Drat.

Qin: You dodged a huge bullet.

Me: Yeah.

Volcano Despair: I heard about all the torture and humiliation that

Billy McLean inflicted on everyone!

Me: I know. But you'll be happy to know that Billy is gone for good. We gave him the Black Abyss.

Volcano Despair: Good. He deserved it.

Nico: Your role in Sonya's team?

Volcano Despair: I'm the volcano master of the team. I use volcanoes, lava, fire and earth to destroy our enemies.

Qin: Wow! That is cool!

Volcano Despair: It sure is. And outside the team I'm sure my sisters told you this. I use fire and darkness and fear to bring criminals down.

Me: Yeah we know all about that. Awesome.

Lola: Cool!

Poromon: Anyway, welcome to Neo Phoenix Land!

Me: Yeah!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her awesome new black clothes and a volcano scythe.

Volcano Despair: Wow! I look great!

Me: You sure do.

Nico: Now for Coco.

Me: She better start writing her will.

We then took off into the air and we set out to take down Coco LaBouche and send her straight to prison in a straitjacket and Lincoln's going to absorb Joseph Seed and the entire Project at Eden's Gate and send them all to The Black Abyss forever.

We were flying in the air, and we spotted our target: Coco LaBouche, and boy, was she out for revenge and she was absolutely insane.

Lincoln: That's right, keep ranting, you insane monster!

Lincoln fired waves of rainbow, white, golden yellow, and blue energy from his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings and they hit Coco LaBouche and she screamed in pure fury at us as we landed.

Me: You've got some nerve coming back, you insane monster.

Nico: Even after we stopped you years ago in Paris, we thought you'd be a forgotten memory, guess we were wrong.

Lincoln: But, that ends here, you're going to prison forever and you're also going to be wrapped in a straitjacket.

Coco LaBouche: (French Accent) You! How dare you! I will not stop until I have my revenge on those brats!

Tommy Pickles and his friends blasted Coco LaBouche with energy blasts.

Tommy Pickles: Ain't happening, you monster. We stopped you once...!

Lincoln: We'll do so again.

Qin: You make me sick Coco!

Me: Yeah you monster! Do us all a favor and go back to the buttchewing pit you came from!

Vanilluxe charged at her and blasted her with ice blasts.

Me: Take that!

Coco LaBouche: YOU ARE ALL REPULSIVE! Especially you Nico! You're a fatass, a douchebag, a fuckwad, a pisspot and a monkey tailed freak that can't even lift a butterfly!

WE GASPED!

Me: UH OH!

Nico grabbed her by her neck!

Nico: (VICIOUSLY) LISTEN TO ME YOU BASKET CASE MOTHERFUCKING PIECE OF SHIT! YOU CAN CALL ME NAMES BUT NO ONE CALLS ME ALL THAT! IF YOU EVER CALL ME THOSE NAMES AGAIN I WILL RIP YOUR EYES OUT AND SHOVE THEM SO FAR UP YOUR BUTT THAT YOU WILL BE SEEING THE INSIDE OF YOUR COLON AND THEN RIP OUT YOUR TONGUE AND SHOVE IT DOWN YOUR THROAT SO YOU WILL TASTE THE INSIDE OF YOUR STOMACH AND THEN I WILL RIP OUT YOUR HEART AND EAT IT IN FRONT OF YOU AND THEN RIP YOUR BRAIN OUT OF YOUR SKULL AND RIP IT TO PIECES IN A WOOD CHIPPER! AND THEN AFTER THAT I WILL RIP YOUR SKIN OFF AND FEED YOUR BODY TO THE BUZZARDS AND THEN SEND YOUR UGLY BLACKHEARTED SOUL STRAIGHT BACK TO THE DARKEST VOIDS OF THE BLACK ABYSS FROM WHENCE YOU FUCKING CAME!

MAY SCREAMED AND JUMPED INTO MY ARMS IN FRIGHT!

Me: OOF! You're giving me a hernia May!

NICO PUNCHED HER!

Nico then smashed her nose in! Coco screamed in pain!

Lincoln: And Joseph Seed, you and your cult better get out here, I can smell the blood of all those whom you've murdered.

We then saw our secondary targets: Joseph Seed and the entire Project at Eden's Gate cult, and they all had the demonic Alicorn on their foreheads.

Joseph Seed: You will all pay for destroying us!

Then, Lincoln turned the tips of his eleven massive and long dark brown wolf tails into Cell's stingers, and he stabbed them into the chests of Joseph Seed and the entire Project at Eden's Gate cult, and he began absorbing them one by one at an even more accelerated pace, and he and all of us assimilated their strengths and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Joseph Seed and the entire Project at Eden's Gate cult except for their clothes, and the werewolves imprisoned slaughtered their souls and all their remaining energy flowed into him and he sent every last one of them to The Black Abyss forever.

Lincoln: Hah, nice try, crazy.

Twilight Sparkle: No way. Your absorption techniques have also gotten even more stronger than ever.

Lincoln: Yep, now villains whom I stab with my Cell stingers along with using the absorption methods of Majin Buu and the Pillar Men are absorbed at an accelerated rate.

Nico: Nice, and what of your soul absorption abilities?

Suddenly, Lincoln saw an incoming army of thugs heading for us, and then, he stabbed them in the chests with his tails and sucked our their souls and life energy until they turned into dried up aged and withered corpses and exploded into dust.

Lincoln: (Smirks) You were about to say?

Nico: Forget I asked.

Me: Yikes. Alright, let's get her.

Lincoln used telekinesis and lifted Coco LaBouche off the ground and sent her flying into a tree, she got back out, but she had tears on her dress.

Coco LaBouche: (SCREAMS) No, my dress!

Me: Jeez, dramatic much!

Caleb Maxwell: Let's see her survive this!

Caleb Maxwell summoned armies of vampire bats, and they really tore her apart with their talons and fangs.

Buster Bunny: That'll teach her, but let's see her survive this!

Buster Bunny formed a massive red energy ball and condensed it to the size of his body.

Luna: (GASPS) No, dude! Get rid of that!

Buster Bunny: (Smirks) Okay, if you say so. NEGATIVE KARMA BALL!

Buster Bunny fired the energy ball and it hit Coco LaBouche and exploded with incredible power, and she was really mangled.

Caleb Maxwell: Must you always make things go from bad to worse?

Buster Bunny: (Points to Coco LaBouche) That witch started it.

WHAM!

CALEB MAXWELL HIT COCO LABOUCHE ON THE HEAD WITH HIS LARGE TWIN PISTOLS AND LEFT A BIG LUMP ON HER HEAD!

Coco LaBouche: Ouch!

We laughed.

Suddenly, Irina Thrice Cream's pink eyes turned neon pink and she was surrounded by a pink, golden yellow, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, ice, ice cream, phoenixes, and angels, she unholstered her greatsword, and as she approached Coco LaBouche, she left pink, golden yellow, white, and blue energy, stars, aura energy, white and blue heavenly flames, ice, ice cream, phoenixes, and angels with every step.

Lincoln, Irina Thrice Cream, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Coco LaBouche, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, pink, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Coco LaBouche and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Irina Thrice Cream did the same by firing pink, white, golden yellow, and blue energy slashes from their gold plated claws and massive greatswords, and Irina Thrice Cream, Crash Bandicoot, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and this was making Coco LaBouche even angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Coco LaBouche, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Coco, this is where your moment of freedom ends here.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Coco LaBouche.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Coco LaBouche's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind her then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your freedom comes to an end.

Then, Lincoln fired rainbow, white, golden yellow, and blue energy blasts that turned into a powerful and indestructible straitjacket and tied up Coco LaBouche, and then, he threw her through a portal he opened up, and it led to The Saturn Insane Asylum's Supermax Security Solitary Confinement Wing where she was chained to the walls of her doorless windowless cell for all eternity.

Everyone cheered as we holstered our weapons and we powered down, and Irina Thrice Cream's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, 28th Century backpack, large gold halo with four large orbiting gold rings on each corner behind her head, large twenty pink planets orbiting around her legs and twenty smaller pink planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized pink planets orbiting around her wrists and ankles, and massive pink angel wings and four sets of large pink angel wings underneath her massive pink angel wings are permanent.

Me: Now, that was one awesome battle.

Nico: And we sent that insane monster to prison forever. But, that new straitjacket, it's far more powerful than the ones you've made, Lincoln.

Lincoln: That was another of the many improvements made by God yesterday. Now, I can also create indestructible energy straitjackets that can't be destroyed at all.

Me: Incredible.

Suddenly, we saw an incoming thug approaching, and Lincoln charged out even more quicker than a bolt of lightning and he sank his fangs and wolf teeth into the thug and he sucked him dry of every last drop of blood and the thug was left as a drained corpse as Lincoln dropped him to the floor.

Lincoln: Ah, now that was good.

Caleb Maxwell: And that also included far greater godly enhancements to your vampire, werewolf, and many other forms and many other powers, abilities, and skills as we'd seen.

Lincoln: That's right.

Lincoln wiped a bit of blood on his muzzle. Then, he saw another incoming thug and he lifted up a massive boulder nearby with his left hand and threw it at the thug and he was crushed into a gory pancake. Then, he grabbed another thug with his right hand, and he clenched his left hand tightly, and then...!

POW! SQUELCH!

LINCOLN PUNCHED HIM SO HARD, HE EXPLODED INTO A REALLY GORY MESS!

Poromon: Gross.

Me: Whoa!

Nico: You wasted two thugs with pure muscle, nice!

Then, Lincoln summoned a water ball that entombed him inside and cleaned him up, and when it was done, he was clean and he fired the bloody water ball at the jerks at Lynn's Table, and they were all covered in bloody water as we laughed.

Luna: Nice one.

Then, he saw an army of Sebastian's minions from the past heading for us, but Lincoln summoned a massive tornado of angry damned souls swirling around and wailing in anger, and they extracted the souls of the minions who then exploded into dust, and the souls were then absorbed by Lincoln who then drained them of energy and sent them to The Black Abyss.

Brittney: Unreal. He summoned a massive tornado of angry damned souls and extracted the souls of more thugs and he absorbed them and drained them all of energy and sent them to The Black Abyss.

Lucy: Gasp, his power over the darkness and the damned has reached incredible heights, along with his powers over lightning, ice, and the other elemental forces.

Me: I have got to learn all those new tricks from Lincoln!

Nico: Same here.

Lincoln: Now, now, guys, don't give me a swelled head.

Nico: Insult me, will she?!

Me: YEAH!

Qin: NO ONE DOES THAT!

Lola: AND LIVES!

Me: Bitch!

Nico: Nice job Vanilluxe.

Vanilluxe: Thanks Nico.

Poromon: Want a beer?

Vanilluxe: (SCREAMS)

She jumped into Alexis' arms!

Vanilluxe: KEEP THAT AWAY FROM ME!

Me: What's wrong?

Vanilluxe: I get terrified of beer. Because it's poisonous to me. If I drink it, it's curtains for me.

Poliwag: But you did Look at It with us.

Nico: Poliwag she has her reasons. But yeah.

Vanilluxe: If I drink one drop, Candyman will come and kill me.

Me: Candyman? You mean that monster from that urban legend?

Vanilluxe: Yes!

Me: Oh man! Who the hell told you that?

Vanilluxe: My previous trainer Paul.

Ash: Don't listen to him!

Me: Yeah! Paul is a jerk! He told you that just to scare you.

Nico: Candyman will never get you.

Xenia: Yeah!

Lola: Paul is a monster and a menace to all Pokemon.

Camie: Yeah.

Lana: Yeah!

Vanilluxe: Okay.

She drank a beer and drank it all down.

Vanilluxe: Ahh. (BARNEY GUMBLE BELCH)

Barney: Welcome to the beer drinking club! (BELCH)

She got drunk.

Poliwag: Sing the ABC's!

Vanilluxe: (BELCHING AND SINGING) ABCDFEIANFNAJDJCMSKSKDNCKA!

WE LAUGHED!

I snapped her out of it.

Me: See?

Vanilluxe: That stupid conniving jerk!

Alexis: That's why we're going to kill him.

Poromon: Next, we're heading to the North Sea.

Me: Great! I got word from my spy network that Anti-Monitor brought back all the dark wizards.

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Camie: GEEZ!

Poliwag: HE DID WHAT?!

Me: You heard right. Nico you got to stop doing that or your skeleton is gonna catch flies.

Nico put his skeleton back.

Nico: I hate it when that happens.

Me: I know. But the good news is that Anti-Monitor left them in their prison cells there in Azkaban.

Camie: Good.

Nico: Makes it easier.

Me: Yep.

LOUD LONG NASTY FART!

Nico: OH GOOD GOD! WHO RIPPED ONE!?

THAT WAS A STINKY FART!

Ed: Wasn't me!

Me: Oops! Sorry that one was me.

LOUD LONG NASTY FART!

Me: Sorry!

LOUD LONG NASTY FART!

Me: Oops. Sorry.

Nico: Now for the Anothers

LOUD LONG NASTY FART!

Nico: OOPS SORRY!

LOUD LONG NASTY FART!

Me: OOPS!

LOUD LONG NASTY FART!

May: Oh man! Pardon me!

Nico snapped his fingers

But then...

MASSIVELY LOUD NASTY LONG FART!

WE FARTED BRUTALLY!

Me: Ahhh!

May: OH YEAH!

Eli: WHEW!

Lola: Man what the heck did you guys eat?

Me: Oh we had Snakeskin Lily Berries in our smoothies.

Nico: Oh yeah those will make you fart explosively.

Camie: GEEZ!

Nico: I know!

Qin: Yikes!

Me: Yep.

Eli: Lets just see who we have before we stink up the place.

Xenia: Yeah.

Eli: (CONCENTRATES) WHOA! We got Another Condor, Vakama, Suitsukiman, Beast Opera Gopera, Sarracenia Monster, Gecko Monster and Frog Monster.

We gasped!

Me: WHOA!

Qin: Wow!

Vakama: Another me!? Whoa!

Nico: So Takeru, Kenta, Akira, Haruka, Momoko, and Ryo Asuka.

Eli: Yep and I sense the Anothers minus Condor and Vakama are 7 people.

We gasped again!

Qin: WOW!

Me: Yeah.

Nico: There they are!

We saw Another Suitsukiman, Beast Opera Gopera, Sarracenia Monster, Gecko Monster and Frog Monster!

Me: WHOA!

Qin: This will be col.

Another Suitsukiman: (In a girls voice) It sure will be.

They merged and split into 7 people and we saw that they were the gene-slammers of the Earthbound Immortals!

Me: WHOA!

Nico: (GASP) Rhianna Goodwin, Cynthia Carmine, Dianna Garcia, Melanie Tredwell, Catherine Kessler, Rosa Sanchez and Vina Goodwin!

Me: WHOA! The Earthbound Immortal Gene-slammers!

Carly Atlas: CYNTHIA!

Misty Tredwell: MELANIE!

They hugged them.

Carly Atlas: Awesome to see you sister!

Cynthia Carmine: You too Carly!

Misty Tredwell: Awesome to see you sis.

Melanie Tredwell: You too Misty.

Me: Awesome to meet you girls.

Rhianna Goodwin: You too J.D.

Dianna Garcia: This is an amazing park though.

Me: It sure is.

Catherine Kessler: Yeah.

Me: By the way are the Another Condor and Vakama friendly or hostile?

Catherine Kessler: The Another Condor is friendly but the Another Vakama is hostile.

Me: Uh oh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait

Me: We don't have to wait long!

We saw Another Condor and Vakama!

Me: WHOA!

Qin: WOW!

Another Condor: (In a girls voice) It sure will be fun.

Me: (GASP) That voice!

She reverted back and it was the Embodiment of Nibiru!

Me: (GASP) Natalya Nibiru!

Natalya Nibiru: Awesome to see you again J.D.

Me: You too. Natalya is the Embodiment of the Nibiru Dopant.

Nico: Nibiru!? You mean the hypothetical evil twin sun that was said to collide with Earth!?

Me: Yep. And Natalya has the power to destroy entire planets and she destroyed 40 planets I don't like.

Nico: SHIT!

Condor: WHOA! This is one embodiment you don't want to piss off!

Sakura Shinju: Like me!

Me: Yeah! But her power over wind and the elements is amazing.

Condor: WOW! That is cool! Just like me with wind.

Me: Yep.

Nico: And your friend?

Another Vakama: (In a girls voice) Someone that never forgave Vakama.

Vakama: Oh no.

She reverted back and was a girl with red hair and red eyes and black clothes.

Vakama: Vickyanne Vakamas! Oh no.

Vickyanna Vakamas: You got some nerve Vakama!

Nico: Uh oh. Do you know her?

Vakama: Unfortunately. I met her shortly after joining the team. She is a woman that hates me with a vengeance. I caught her bullying a bunch of people with hispanic ties and she called them a bunch of names and I got her sent to prison.

Me: This woman is a Karen!

Leni: Her name isn't Karen.

Me: No Leni it's a Slang term and it describes someone that thinks they are so much better than everyone else that they are above the law and can get away with anything.

Nico: Yeah they are racists and bigots and everything evil.

Leni: Oh man! O.M. Gosh! We can't have those jerks here!

Me: My thoughts exactly. I hate bitches like them!

Qin: YEAH!

Kaito (gets out ToQger gear): Did Swartz promise you anything?

Zocks (gets out Kyoryuger gear): Becaise we can grant it instead

Kaito and Zocks got weapons from ToQgers and Dino Charge.

Natalya Nibiru: No he didn't because he feared me.

Me: Because of your power to destroy the entire planet no doubt.

Natalya Nibiru: Yep. I knocked out Vickyanne here before he could say anything.

Me: Not surprised. He must have hated Karens too.

Sakura Knudson: Swartz LOATHED all Karens.

Nico: Wow.

Sougo (gets out ToQger Ridewatch): You want Vakama?

Geiz (gets out Dino Charge Ridewatch): You go through us!

Sougo got ToQ1gouArmor while Geiz got DinoChargeRedArmor

Me: But we have a better place for you bitch.

Lincoln: Prison! Lets separate you first.

We did so and I tied up Vickyanne.

Me: Pathetic.

Qin: Lets get them.

Nico: (gets out Condor's Ridewatch) Time for wind power!

May: (Gets out Beast Opera Gopera's ridewatch) Time to sing!

Maria: (Gets out Gecko Monster's ridewatch) This lizard is ready!

Kenta: (Gets out Suitsukiman's ridewatch) Lets do it!

They used the powers of Condor, Suitsukiman, Beast Opera Gopera, Sarracenia Monster, Gecko Monster and Frog Monster and blasted them both.

Me: YEAH!

Then Indoraptor, Honk, Gunfighter Dinos, Flying Riptocs, Riptoc Tourists and Wizard Riptocs came.

Me: WHOA!

Eli: (GASP!) Is that Indoraptor!?

Nico: WHOA! Just like what we saw in the movies!

Camie: WOW!

Me: Indoraptor was made with Indominous Rex and Velociraptor combined.

Eli: Yep.

Camie: Scary!

Nico: But nice team though!

It nodded in agreement.

Me: One of the quiet ones that can't talk yet.

Nico: We can teach them.

Me: Yep.

?: Good idea.

Out came DIABOROMON!

Me: WHOA! Diaboromon!

Tai Kamiya: WHOA! This is gonna be hard!

Diaboromon: (In a girls voice) It's okay guys.

Nico: (GASP) Dianna Diablo!

WE GASPED!

She reverted back and was a girl with black hair, red eyes, black clothes and had black angel wings and had Diaboromon in the middle of her forehead and on her skirt and shirt and had a pentagram on her arm and had a black scythe.

Dianna Diablo: Good to see you Nico. I got this. (Echoing) WEB WRECKER!

She fired a powerful pink energy blast from her hand and it hit the Anothers and blasted them in a powerful explosion and I caught the ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Dianna Diablo: Thanks.

Me: Tai and friends told us all about what happened when Diaboromon was made and more and it was intense.

Dianna Diablo: I now. It was brutal.

Qin: It sure was.

Kenta: Yeah. Do you have any good memories of Nico?

Dianna Diablo: I sure do. When me and Nico went into the internet and believe it or not we battled Diaboromon there.

We gasped!

Tai Kamiya: WAIT! I remember that!

Me: WOW! That is incredible! I had no idea you helped Tai and everyone destroy him!

Kari: That is cool!

Lola: It sure is.

Nico: Yep. That was fun too.

Camie: WOW!

Nico: Yep.

Nico and Dianna hugged.

Nico: I've missed you.

Dianna Diablo: Same here.

Poromon: What did you guys think of Neo Phoenix Land?

Me: It was so awesome!

WE CHEERED!

Nico: You should be proud of yourselves

Poromon: We are. But it was fun!

Me: It sure was.

Lola: Awesome job

Vince: We all love it.

Hunter: (German Accent) Wunderbar! Und you did a great job here.

Lana: I'll say!

We went back home.

We arrived at Roswell, New Mexico, in the world of the web comic, Starfire Agency.

Lincoln: Whoa, we're in Roswell, New Mexico. But, it's much different.

Caleb Maxwell: I know, in fact, we're in the world of the web comic, Starfire Agency, this is about a group of four college students from Gemini University who form a paranormal group and each of the individuals have experience with the world of the supernatural, and their expertise is studying, and on some occasions, fighting the paranormal.

Cage Blunt: (Sees four people heading our way) Ah, and here they come now.

We then saw four people heading our way: Alex Maddock, Denver, Tucker Williams, and Rachel.

Tucker Williams: Team Loud Phoenix Storm, I'm so glad you made it. Looks like Caleb managed to get our message last night.

Lincoln: He did.

Cage Blunt: And we had to get here as fast as we could. Ah, everyone, we'd like you to meet the current members of The Starfire Agency, the female leopard is Alex Maddock, a freshmen from Gemini University, and who moved here from London, England to study the world of the paranormal, but she actually came from a long line of Vampire Hunters known as the Maddock Clan, but even though she herself isn't a hunter per se, she's only a hunter in the name of science.

Alex Maddock: (British Accent) And I've made extensive use of my grandfather's journal to help in my studies.

Cage Blunt: Along with encountering a certain sour-faced vampire. The male wolf with long black hair is Denver, he was originally from Roswell, New Mexico, and at the age of 10, he has been abducted a countless number of times by Aliens. He went on with his life and he'd become fascinated with his abductors. Today, he studies at Gemini University and waits for the day when the aliens will take over the world.

Me: So, he's experienced what it was like to be abducted by aliens.

Denver: Yep, and I'm also a proud member of the Spacequest fan club.

Caleb Maxwell: (To me) Don't get him started if you try to ask any questions on his favorite show, and it's also Alex's as well.

Cage Blunt: Anyways. The male coyote is Tucker Williams, the very serious and reserved member of the group. As a child growing up in Salem, he already knows a lot about the history of witches and ghosts. He was raised in a haunted house and remembers playing with the mother in the attic, and that spirit was the ghost of Martha

Tillcott from the time of The Salem Witch Trials, and she's watched over Tucker since he was in the crib.

Tucker Williams: She was a gentle spirit in nature, and when we visited my home, we found out that the "malevolent" ghost was the spirit of her long lost son, she'd calmed him down and freed him from the emptiness that haunted him, and they now live a peaceful life in our home.

Nico: So, you've had experience with the ghosts of those from Salem's darkest days in the late 17th Century.

Lincoln: And from there, you'd developed an interest in the supernatural world.

Cage Blunt: But, he still plays it safe when it comes to the world of the supernatural. And the female white tiger is Rachel, she's a curious adventurer. Her first encounter with anything supernatural, was at the age of 7 when she helped a strange winged white wolf. She came to Gemini University to study the existence of angels and Government Conspiracies. She doesn't believe the little winged boy was a biblical angel, but instead a government experiment.

Rachel: My older brother, Roger, told me about the Blue Angel Project, and that he was suspicious of his lieutenant, and he believes that he's responsible for Dad's disappearance in Area 51.

Eli: There were strange conspiracies that told that anyone with suspicious knowledge is bound to "disappear". Could that explain what happened to your dad?

Rachel: There's no doubt about it.

Suddenly, we saw another white tiger heading for us, this one was a male with brown hair, brown goatee, and dressed in a military uniform, it was Rachel's brother, Roger.

Rachel: Roger, what are you doing here?

Roger: We got trouble, Lt. Ray is still out for that winged wolf that escaped long ago, and the bad news: some army of creepy individuals with fangs and red eyes were with him.

Lincoln: Fangs and red eyes? Oh no..., don't tell me, vampires!

Caleb Maxwell: No doubt about it. The council's going to have their heads for this!

?: (British Accent) That is before you and your vampire brothers can do so.

Caleb Maxwell turned and came face to face with a male leopard with black hair, red eyes, and the clothes of a vampire hunter, it was Timothy Maddock, a vampire hunter turned vampire as a form of punishment for killing the vampires and the uncle of Alex Maddock.

Caleb Maxwell: Timothy Maddock.

Timothy Maddock: (British Accent) Caleb. It's been seventeen years since last we met.

Allie Maxwell: Seventeen years since you last...? Caleb, what is he talking about?

Caleb Maxwell: You weren't born seventeen years ago, Allie, and I've never told anyone the story before, but I met Timothy when I was three. Back then, I had a suspicion that he was a vampire.

James Blunt: In other words, this was before you wound up getting your mark. Interesting.

Lincoln: So, what happened to Timothy?

Caleb Maxwell: Timothy Maddock was from Yorkshire, England, and from a young age, he was taught to hunt and kill vampires, like the other members of the Maddock Clan. He'd enjoyed his place in life, that was until tragedy struck his family, they were attacked by vampires and turned Timothy into one as punishment for the slaying of many vampires. For the rest of his eternal life, he's had to live as a vampire yet he still hunts vampires.

Tucker Williams: So, that's why Alex mentioned having a long lost relative.

Alex Maddock: (British Accent) Yes, and he knew the hunter blood in my veins was the strongest as I suspected he was a vampire, and the same with my grandfather. But, Caleb's a different story, as the story goes, his mum's grandparents saved a vampire elder from his dad's despicable parents back in the 1950s, and they along with his mum, her relatives, his sister, and himself became forever part of the world of the vampires, and they were given incredible powers of superhuman strength, speed, agility, durability, endurance, and extensive knowledge of the world of vampires, and if fed the blood of a vampire, they're also given immortality and superhuman regeneration.

Lincoln: But, for Caleb, he was a different story since he wound up dying at the hands of his own little brother.

Timothy Maddock: (British Accent) I'd sensed darkness within Drake long ago, but I didn't intend to take any action at all on him since he was only little, but that indecision on my part cost Caleb his life years later.

Caleb Maxwell: It wasn't your fault. We were worlds apart: I was in New York, and you were off with hunting vampires after getting exiled because of the death of Alex's mom, and my life was shortened eight years ago because of Drake's violence and abuse, and as I was growing up, I'd discovered the dark truth of what my brother and Dad were up to, along with finding out more about my connection to the vampires in New York.

Timothy Maddock: (British Accent) And you've also found yourself on the wrong end of your brother's wrath and anger. Your mother told me about that as well, and that you were no longer the same little boy from all those years ago, that you'd lost some reason to live. I could tell due to the lack of life in your eyes that day when you were sixteen.

Captain Whitten: You weren't the only one who saw it, we did as well.

Suddenly, we saw a blue feather descend in front of Rachel, and there we saw our next few heroes: the good-looking attractive male wolf with blue eyes, long waist-length hair in shades of blue and massive white and blue feathered angel wings and in a black tank top, black pants, and black boots was Sychar and the female wolf with dark blue hair, blue eyes, and white and purple feathered angel wings and in purple and pink clothes was Luki.

Rachel: Sychar.

Me: So, that's Sychar.

Lincoln: (Sensed a massive power from Sychar and Luki) And these two are really really powerful, their energy and power is really massive.

Sychar: I suspected you'd see that, Lincoln Loud of Team Loud Phoenix Storm.

That made us gasp in shock.

Nico: He...he knows you and all of us as well!

Luki: Yes, and we know why you're here: to arrest Lieutenant Ray. Indeed, he is the one responsible for making Rachel and Roger's father disappear for breaking Sychar out.

Sychar: I'm sorry, Rachel, but what Luki said is true: your father's dead.

Rachel hugged Sychar as she cried.

Eli: Of all the...! He's going to pay for this.

Alex Maddock: (British Accent) Dr. Leon has decided to take cover, since he knew we were going after Lt. Ray to arrest him.

Suddenly, we saw vampires from our world heading for us.

Timothy Maddock: (British Accent) Are they...?

Lincoln: Vampires from our world. I got them.

Lincoln charged out and slain every last one of them with his massive greatsword by decapitating their heads and they burst into flames.

Alex Maddock: (British Accent) What the bloody Hell?

Timothy Maddock: (British Accent) Impressive work.

Me: When it comes to killing vampires, we're experts.

Denver: Wait, is Shelly alright?

Suddenly, we saw a female white wolf with long white hair, deep blue eyes, and 80s style clothes head for us, it was Shelly Blanco, Denver's love since high school.

Denver: Shelly.

They hugged.

Shelly Blanco: Thank God you're alright.

Denver: We were just about to head down to take care of the man responsible for making Rachel and Roger's father disappear.

Timothy Maddock: (British Accent) While I'm impressed by your bravery, you know the risk of going to Area 51, right?

Me: This is actually on the orders of the General here, plus, the vampire council of New York whom Caleb knows is wanting to put Lt. Ray in prison.

James Blunt: Apparently, these vampires who are with him are rogues who've broken the vampires' laws, and they've killed innocent people. They're to be brought before the council and decapitated.

Timothy Maddock: (British Accent) You sure you don't want to kill them yourself?

James Blunt: As much as I want to, I'd rather let the council deal with them.

?: (German Accent) Figures you'd let the council decide their punishment.

Suddenly, we saw three vampires appear before us: the male dark grey-furred leopard with yellow eyes, fangs, short grey hair, and dressed in black clothes is Victor Bristow, a vampire from Germany, the quiet violet-haired female vampire wolf is Tasha, and the black-haired vampire wolf in red and black clothes is Michael, a Runic Vampire Elder who oversees a portion of the vampire council.

Caleb Maxwell: Victor Bristow, Tasha, and Michael. I knew you'd be the last ones we'd meet.

Michael: Caleb Maxwell, to think we wouldn't meet again after you died eight years ago.

Caleb Maxwell: I would've thought we'd never meet again, Michael. But, fate would offer me a new lease on life and a chance for revenge eight years later. Alright, now then, let's get going and take down Lt. Ray.

Suddenly, we saw a golem flying in the skies and it left an amazing wave of earth around the land as it was flying all across the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair, orange eyes, massive orange angel wings, white short-sleeved blouse with a golem on it and on her forehead, orange sleeveless crop top, orange skirt, orange knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, rocks, earth, golems, phoenixes, and angels on the coattails, and on the back is the golem, she has an earth greatsword, and with her are the nine girls.

Lincoln: (GASPS) Gina Golem, Avatar of The Golem.

Gina Golem: That's right, and I got the girls away from those vampires and Lt. Ray's heading here to capture Sychar.

Lincoln: It's time.

We proceeded onwards, but then, we saw the sun finally go down. Suddenly, we saw several black-clothed figures come out wearing sunglasses, but then, they remove them, and we saw they had red eyes and they let out a group hiss as their fangs lengthened.

Lincoln: Vampires.

Me: Let's get them.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned dark brown, his long wild dark brown hair with white streaks and rainbow highlights became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

Victor Bristow: (German Accent) Wait, he's a Werewolf?!

Caleb Maxwell: An Alpha Vampire-Werewolf Hybrid to be exact, Victor, and he's an extremely strong and powerful one as you're about to see!

That made the vampires even angrier than ever.

Lincoln: (Beastly Voice) Figures they'd get angrier than ever. Alright, then, time to release the wolf!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at the vampires and proceeded to brutally smash the vampires into the ground with his massive brute superhuman strength, slashed them with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S

ASSAULT ON THE VAMPIRES! HE WAS REALLY GOING APESHIT ON THEM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN DECAPITATED THE VAMPIRES WITH SWINGS OF HIS MASSIVE GREATSWORD AND THEIR HEADS FELL TO THE FLOOR AND THEIR HEADLESS CORPSES DROPPED TO THE FLOOR!

?: You! You ruined everything!

We then saw our main target: Lieutenant Ray.

Rachel: You! I've got something to ask, and you need to answer it completely. What did you do to Dad? Why did everyone say that he disappeared?!

Lieutenant Ray: I...I have no idea what you are talking about. I know nothing about...!

Suddenly, Sychar's eyes turned solid blue and we saw markings appear on his chest, legs through his pants, and arms.

Sychar: I believe you do. That night, after I escaped, you were almost that close to being dismissed from your ranks, and you were going to pin this on Rachel and Roger's father, and have him take the blame for it, but the General knew that he's not a liar and wouldn't do anything like that. So, instead, he disappeared thanks to another of my kind, another whom you had turned into a weapon thanks to the project.

Lieutenant Ray: Okay! Fine, I admit it! Are you happy now?!

Unknown to Lieutenant Ray, Lincoln had it recorded and broadcasted through the military channels.

Lincoln: (Beastly Voice) And thank you for your confession.

Lieutenant Ray realized he'd fallen for it. Then, the vampire council from New York appeared.

Marcus Mackenzie: You should've kept your composure when you were pressured like that. But, it's too late to do anything, now you're about to be punished by the military, that's after we take you down and tie you up.

Vampire Elder: It's best that you are punished by man's laws rather than by our laws.

Lieutenant Ray: What do you mean your laws? When do vampires even have laws?!

James Blunt: You think that we're nothing more than savages, no, we're not. We may be different in many ways to mortals, but we follow strict laws that've been handed down many centuries ago, but as the world changes, then so must we. You, what you did, proved that you crossed a line from which there is truly no return.

Caleb Maxwell: And by doing so, you've just cost yourself your freedom.

Lieutenant Ray: What?! You think you can threaten me with prison?!

Suddenly, Victor Bristow charged at him and was about to tear his throat out until Cage Blunt and Travis Tackett restrained him.

Cage Blunt: Hey, remember what the plan was, we're here to send Lieutenant Ray to prison, not kill him.

Travis Tackett: He's right.

Me: Now, then, we better take care of you immediately before Victor gets any other ideas.

Then, Cage Blunt put the handcuffs on Lieutenant Ray and handed him over to the vampire council. We cheered as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) And that is the end, Lieutenant Ray. You better be ready to say hello to a life behind prison bars. (ROARS AND HOWLS IN VICTORY)

Then, another person comes out, it was Gavin, the shut-in member of The Starfire Agency and currently, a werewolf.

Gavin: Guys, I just heard about what happened from the others at Gemini University. So, it's finally...?

Denver: Yep, it's over. Lieutenant Ray's confessed to what happened to Rachel and Roger's dad all those years ago.

Gavin: Nice! So, what'll happen to him?

Roxy Drake: Thanks to his confession, he'll be spending life in prison, and thanks to arrangements that we made with the vampire council, he's going to spend his prison sentence in a New York prison where they have some contacts there.

Lincoln: (Beastly Voice) I had no idea about that. Oh, and Gavin, I know you're a werewolf, but there is a way that you can be cured. Hold out your arm and hold still, this is going to hurt.

Gavin held out his right arm, and then, Lincoln sank his fangs into his arm and bit him. Then, he let go, and Gavin's head was spinning, but he was finally cured.

Gavin: What? I...I'm cured? But, how?

Lincoln: (Beastly Voice) Turns out a bite from another werewolf can cure those infected with the werewolf's curse.

Gavin: I'm finally freed at long last, but I had no idea. I never knew about that.

Lincoln changed back as the slit pupils of his deep sapphire eyes and Third Eye changed back to normal pupils and his long wild dark brown hair with white streaks and rainbow highlights, dark brown wolf ears, and eleven massive and long dark brown wolf tails changed back to white.

Lincoln: That was something I found out when I became a werewolf too, but I use my werewolf power for good and to protect the innocent. But, in any case, Lieutenant Ray's now going to prison for good and Rachel and Roger's father can rest in peace. (To Gina Golem) And it's so good to see you, Gina.

Gina Golem: You too, Lincoln, it's been seven years since we last met.

Suddenly, Gina Golem had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Gina Golem was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Gina Golem: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Gina Golem and hugged her, and Gina Golem is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Gina Golem: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Gina Golem, Avatar of The Golem, she's Lincoln's Guardian Angel and she's known as The Earth Golem Master of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Gina is a powerful master of the powers of earth and golem, and she's also known for her mastery of magic and summoning the Golem in ancient times. She lived during an age of darkness and she was said to be born in Jerusalem, and over time, as she grew, she gained all of the incredible strengths and powers of the golems along with immortality and she also mastered the powers of the golem, and she'd fought to defend the graveyards all over from the hatred and fear wrought on by the paranoia that humans had towards the golem, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of earth and the powers of the golems, and he also gained all of the incredible strengths and powers of the golem, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 golems and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Gina kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of the Golem.

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: And I know the legends of the golem all too well.

Lincoln: That's right, and we saw how you brought the golem to life before years ago on our trip around the world, and now that you're here, Gina.

Lincoln with his massive muscular arms still wrapped around Gina Golem leaned his head down to the right side of Gina Golem's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Gina Golem: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Gina Golem with orange gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Gina Golem: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Gina Golem.

Gina Golem had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Gina Golem's waist, and he leaned down to her face and kissed her on the lips, and with Gina Golem's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Gina Golem had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Gina Golem: (In Heaven) My God. Oh, Lincoln, the nine girls I rescued are...

Travis Tackett: And that's our cue to go.

The rest of us left for The World Tree Estate leaving Lincoln, Nicole, and his harem, and they went up to the nine girls, and when Lincoln saw them, his wolf nose wound up gushing out blood as he saw them, the nine girls are Akemi Tokuzawa, Aya Toyomori, Hina Narita, Kasumi Ogawa, and Serika Mitsuhashi from Chijoku no Seifuku and Fumika Ootori, Kazusa Haruoka, Kokoro Sugiuchi, and Yuno Kitashirakawa from Chijoku no Seifuku 2.

Lincoln: Oh whoa, it's Akemi Tokuzawa, Aya Toyomori, Hina Narita, Kasumi Ogawa, and Serika Mitsuhashi from Chijoku no Seifuku and Fumika Ootori, Kazusa Haruoka, Kokoro Sugiuchi, and Yuno Kitashirakawa from Chijoku no Seifuku 2.

Nicole: No wonder Travis and the others left, these girls are voluptuous.

Lincoln: And the girls are easy targets for perverts, and I'll smash them into the dirt. Are you girls okay?

Akemi Tokuzawa: Yes, we're okay thanks to you.

Akemi Tokuzawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akemi Tokuzawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akemi Tokuzawa, Aya Toyomori, Hina

Narita, Kasumi Ogawa, Serika Mitsuhashi, Fumika Ootori, Kazusa Haruoka, Kokoro Sugiuchi, and Yuno Kitashirakawa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. They came back home to The World Tree Estate.

Maria: J.D. told us everything, and we caught the confession. You learned that trick from Luan, didn't you?

Lincoln: You guessed it.

Nico: And because of it, Lieutenant Ray's now going to be facing time in prison for what happened.

Me: And he was also given a dishonorable discharge from the General there.

Rachel: That'll teach him. But, is there any way to get Dad back?

Sychar: We'll find a way to bring him back, Rachel, this I promise.

Alex Maddock: (British Accent) So, what'll happen to the bloody wanker, Lieutenant Ray?

Victor Bristow: (German Accent) Who cares? Hopefully, he'll get what he deserves.

Marcus Mackenzie: He's already been taken to a prison Lincoln built, and some of The Watchers there are working as guards there.

Timothy Maddock: (British Accent) I don't know if that's a good idea or not, but he does need to be punished.

Eli: That's true.

Alex Maddock: (British Accent) I don't deny that I am from the same line as Uncle Timmy, but I only hunt in the name of science, the killing can only be left to him. I don't want to slay anyone whether they're human, vampire, or any other supernatural creature of the night.

Michael: Unfortunately, that isn't how the world works.

Victor Bristow: (German Accent) I hate to admit it, but he's right, the world isn't in black and white as you see it. There are some who wish to bring harm to others, and your family has a history with slaying vampires for a very long time.

Alex Maddock: (British Accent) Too bad for you, I'm still sticking with my beliefs, Victor.

Timothy Maddock: (British Accent) Figures, she's still as stubborn and hard-headed as her mother.

Chastity: That's always been the trait among your family: stubborn and hard-headed in their actions.

Caleb Maxwell: Well, the same goes for me and my family, and we've never taken crap from anyone especially from Dad's scumbag relatives and my ex-brother.

Tucker Williams: We heard about that, so you finally did it, you killed Drake and your Dad's scumbag relatives.

Rachel: I knew it was only a matter of time before they got their just desserts.

Caleb Maxwell: I lost my brother to his greed and insanity, and we'd since cut our ties with Dad's scumbag relatives and the truth was revealed as to why Dad went into that life of crimes, and as always, his scumbag relatives were to blame. They ruined his life and the evil they were capable of doing was passed down to Drake since it skipped me, and years later, it also skipped Allie. But, that didn't change that I was made another of their victims when Drake killed me.

Lincoln: They got what they deserved, those clods.

We then welcomed The Starfire Agency and the others into the team.

After Lincoln and all of us took down Lieutenant Ray and made him confess his crimes, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Gina Golem saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Gina Golem: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Gina, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Gina Golem: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Gina Golem: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Casey Antonio got out another video.

Roxy Drake: (Gasps) Casey, that video...! Isn't that...!

Casey Antonio: Yes, that's right, this is the video of the Matthews' parents deaths at the hands of Caleb.

Cronus Chase: And later, I'm going to show you guys the video of the dark threat Caleb made after Kendra admitted to the entire school of her cheating on him with Drake Maxwell, and that's what started the legend.

Casey Antonio put the video in as it played on the big screen, and it showed New York at night at the Matthews' mansion.

Past Kendra Matthews: Well, time to head on out.

Kendra Matthews was heading out for another night in the city, but unfortunately for her, at a nearby apartment, Caleb Maxwell was there.

Past Caleb Maxwell: That's right, leave your scum-sucking parents unattended, bitch. Because, when you get back, you won't be relying on them any longer nor will you ever see them again.

As soon as Kendra Matthews was out of sight, Caleb Maxwell descended and he slipped past all the security systems in the mansion, and he even killed some of the guards there by tearing out their throats as he bit them on the throats. Then, he made his way to the master bedroom and he fired his pistols and that woke them up, and they came out with guns in hand.

Past Mr. Matthews: Alright, who's there?! Show yourself!

But, then, they saw the dead bodyguards with their throats torn out and leaving a mess of blood on the floor.

Past Mrs. Matthews: My God, who's the lowlife who did this?! I'll have their heads!

?: (Chuckling Sinisterly) Now, that's just rich coming from you both: the real lowlives who made deals with The Syndicate and caused havoc with the weapons and drug trafficking you stupid bastards have done throughout the years. Now, I know how all of you managed your wealth.

Past Mr. Matthews: Who are you?! Where are you?! Show yourself, coward!

Suddenly, a tornado of darkness appeared, and as it faded, there stood Caleb Maxwell.

Past Mrs. Matthews: You lowlife peasant, so you're the one who did this to the guards?! I'm going to kill you!

Past Caleb Maxwell: Not before I kill you and your husband first!

Past Mr. Matthews: What?! Wait, I can pay you! How much do you want?!

Past Caleb Maxwell: I'm not interested in money, I seek only one thing: revenge on what your toxic bitch of a daughter did! Rewind your peanut brains to the day she was in high school and she blurted out that she cheated on a young man with his younger brother!

Suddenly, the parents remembered what happened, and they were horrified to find out the identity of the man who killed their guards.

Past Mr. Matthews: (GASPS) C-Caleb Maxwell?! No, impossible!

Past Mrs. Matthews: Y-you're supposed to be dead!

Past Caleb Maxwell: Yes, it's true, I died eight years ago. But, now I've returned from the dead to get revenge on my brother and The Syndicate for taking my life, but before I do so, I intend to fulfill the very threat I said to your toxic bitch of a daughter and her monstrous friends back in high school.

Suddenly, Caleb Maxwell's blood red eyes turned even more blood red and the skies turned red with blood. Then, he unleashed pure Hell on Earth as vampire bats came flying out of nowhere, and then, he charged at them as the last thing heard were their terrified screams. Then, as the ordeal was over, we saw that Caleb Maxwell has killed Kendra Matthews' parents. Then, he'd written something on the walls of the mansion with their blood and it said this, "YOUR PARENTS FINALLY PAID THE PRICE FOR YOUR UPBRINGING! NOW, IT'S YOUR TURN TO PAY THE PRICE FOR YOUR TOXICITY, BETRAYAL, AND UNHINGED DEPRAVITY, KENDRA MATTHEWS! ETERNAL DAMNATION IN HELL AWAITS YOU!"

Caleb Maxwell disappeared in a tornado of darkness as the video ended, and we were horrified!

Me: My God!

Nico: So, that's what Caleb did to his ex-girlfriend's parents!

Lincoln: I know the saying "Hell Hath No Fury Like A Woman Scorned", but what she did caused you to throw open The Gates of Hell.

Caleb Maxwell: I swore to get revenge on her and her parents for this.

Cronus Chase got out the next video.

Cronus Chase: Which leads to this next video I got: this is the day when Kendra blatantly confessed to cheating on you with Drake, and what led to you issuing your dark threat and how that legend was born.

Cronus Chase put in the next video as it played on the big screen, and it shows a nasty confrontation in a diner in New York between Caleb Maxwell and Kendra Matthews along with her monstrous friends. Then, a male cat gave Caleb pictures of Kendra and Drake going out and into a sleazy hotel in The Bronx.

Past Caleb Maxwell: Kendra, please explain what you were doing with Drake?

Past Kendra Matthews: I have no idea what you're talking about.

Past Male High School Student: As if, Kendra! It's clear about what we just saw, you're cheating on Caleb with that asshole, Drake. Confess right now, or we're going to the principal tomorrow with this evidence!

Then, Kendra Matthews absolutely lost it!

Past Kendra Matthews: Alright, fine, I admit it! I cheated on Caleb with Drake! I've always been into the truly bad and irredeemable, and I enjoy causing all of you lowlife peasants nothing but pain and suffering for my own pleasure! I don't care anymore of what you intend to do to me, you can't touch me, I'm invincible!

That of course got the attention of the cops in the area. But, then...!

POW!

CALEB MAXWELL LOST HIS TEMPER AND PUNCHED KENDRA MATTHEWS IN THE FACE GIVING HER A SPLIT LIP!

Past Kendra Matthews: Ow! What the Hell?!

Past Caleb Maxwell: YOU GODDAMN BITCH! YOU FRICKING SLUT! I CAN'T BELIEVE YOU!

Past Female High School Student: Uh oh!

Past Caleb Maxwell: I took you in and dated you with the sole reason of trying to steer you away from the path your parents had taken, but to find out you were not only cheating on me with Drake, but also, you were also in on the deals with The Syndicate along with your parents...! I have absolutely no sympathy for a bitch like you!

Then, Kendra Matthews' monstrous friends tried to attack Caleb Maxwell only for him to lose it and grabbed them by the hair and tossed them right at her! Then, the skies suddenly turned red and it's like Hell has finally come to Earth.

Past Caleb Maxwell: I have had it up to hear with you, you damn bitch! I swear I am going to make you pay for what you did, and I'm not talking in monetary compensation, I don't want to accept any blackened bills from cheating bloodied hands! I speak of the very thing that you've taken for granted since the day you were born!

Past Kendra Matthews: What?! You're speaking about!

Past Caleb Maxwell: Yes! That's exactly what I mean, I swear that I will take your miserable life along with the lives of your miserable parents, and I will make you and your monstrous friends know what true pain is! You've crossed too many lines for the final time, Kendra, now it's your turn to reap what you sow!

Kendra Matthews and her monstrous friends ran off like the sluts that they are, now that they've all seen the truly darker side of Caleb Maxwell.

Past Male Student: Oh man. Revenge, thy name is Caleb Maxwell!

The video ended, but right there, we saw how the legend was born!

Me: Oh man!

Cronus Chase: That's right, it became a high school legend among the students for years. After what happened, the students presented the evidence of what Kendra had done, and she and her monstrous friends got expelled from school. Plus, that led to her parents being put under investigation, but due to the Syndicate, they got off.

Lincoln: And it pissed Caleb off to the point of madness.

Caleb Maxwell: Exactly, and it was the first time that I swore against my dream of become a police officer, and that I was driven by a desire for revenge, and it haunted me even after graduating from high school. But, I never forgot what I said to Kendra, and eight years later after I came back from the dead, I would fulfill that threat that was passed down to high school legend.

We got a shower, and then, Lincoln, Wicke, Universe 666 Colonel Violet, Universe 666 Princess Snake, Universe 666 Principal Abacus Cinch, and Sisu are heading to Yoshi's Tropical Island.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Wicke, Universe 666 Colonel Violet, Universe 666 Princess Snake, Universe 666 Principal Abacus Cinch, and Sisu are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Wicke, Universe 666 Colonel Violet, Universe 666 Princess Snake, Universe 666 Principal Abacus Cinch, and Sisu all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Wicke: Wow, so this is Yoshi's Tropical Island, it sure is beautiful.

Lincoln: It sure is, Wicke, and it's perfect for our first date, shall we?

Lincoln, Wicke, Universe 666 Colonel Violet, Universe 666 Princess Snake, Universe 666 Principal Abacus Cinch, and Sisu dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Wicke, Universe 666 Colonel Violet, Universe 666 Princess Snake, Universe 666 Principal Abacus Cinch, and Sisu got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Wicke: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Wicke, Universe 666 Colonel Violet, Universe 666 Princess Snake, Universe 666 Principal Abacus Cinch, and Sisu and hugged them in their abnormally massive and powerful muscular arms, and Wicke, Universe 666 Colonel Violet, Universe 666 Princess Snake, Universe 666 Principal Abacus Cinch, and Sisu placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Wicke, Universe 666 Colonel Violet, Universe 666 Princess Snake, Universe 666 Principal Abacus Cinch, and Sisu and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Yoshi's Tropical Island, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Wicke, Universe 666 Colonel Violet, Universe 666 Princess Snake, Universe 666 Principal Abacus Cinch, and Sisu on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Wicke, Universe 666 Colonel Violet, Universe 666 Princess Snake, Universe 666 Principal Abacus Cinch, and Sisu are in your harem, Linky.

Wicke, Universe 666 Colonel Violet, Universe 666 Princess Snake, Universe 666 Principal Abacus Cinch, and Sisu showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Wicke: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons

of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Seaside Kingdom next.

Me: Cool!

Qin: Awesome!

Me: Next time we go there again we'll bring our beach gear.

Nico: Good idea. Who wants to come with?

Jenny: Me and War Machine next.

Me: I'll go too.

Plankton: And I'll go as well.

SpongeBob: And me and Lily too.

Me: Okay.

Lincoln: And I'll go too.

Me: Okay then.

We went into the simulator and it activated and we were at SEASIDE KINGDOM!

Me: COOL!

Lily: Awesome!

Nicole: Yep. Always love this kingdom. Also you guys are gonna be shocked at who the next baddy is.

Jenny: Who is it?

Plankton: [A siren horn then goes off and then everyone becomes silent, including SpongeBob] What, did I say the secret word?

SpongeBob: No, Plankton, he's back.

Plankton: Who's back? What? [Something red flashes by] What was that?!

SpongeBob: [An alarm sounds] Man your stations! Red alert! Red alert! Take cover! [All the customers scream, and run to take cover]

Plankton: [he runs in circles] Take cover from what?!

SpongeBob: [SpongeBob's up on a cliff searching for him] He's around here somewhere. [SpongeBob sees the red flash by once again] There he goes!

Me: WHOA! This guy is fast!

Plankton: What? Who? Where? Somebody tell me!

Harold Bill Reginald Scott: Some say he crawled out from the lowest trench in the ocean.

Pearl: He's the saltiest of all the sea dogs.

SpongeBob: He's the most hated creature in Bikini Bottom. [The red flash then bursts out of the water and we then see it is the Akuma of Mr. Krabs, KING CHEEPSKATE holding a Krabby Patty]

King Cheepskate: [Finishes his introduction to the audience.] And he's finally got a Krabby Patty! Ar, ar, ar, ar!

Plankton: Krabs?! What the barnacles is going on here?!

Lincoln: No! It's King Cheapskate! The Akuma of Krabs!

Plankton: That's terrible!

SpongeBob: Yeah! But the worst part is...

[King Cheepskate lands behind Plankton, and casts a shadow in front of SpongeBob and us. Shows a Dutch-angle, low-angle shot of naked King Cheepskate and Plankton is surprised.]

Plankton: [looking at King Cheepskate] Good grief, he's naked!

Lincoln: That's right! The Hypothetical Akuma of Mr. Krabs and he is a crab with 8 huge claws that can attract gold and coins and cash like a magnet. Also yes he is naked. He was made because of Mr. Krabs losing all his money and losing his restaurant and more because of Plankton and vowed to kill that stupid malignant microbe no matter what and make him pay for his crimes!

Me: (COVERS EYES) PUT SOME FUCKING CLOTHES ON!

Plankton: Looks like the tables have turned!

Me: Mr. Krabs!? WHY THE FUCK ARE YOU RUNNING AROUND NAKED!?

Lily: Are you the same Mr. Krabs that I met from that universe?

King Cheepskate: Aye lass.

Me: WELL PUT ON SOME CLOTHES TO SAVE US THE TRAUMA!

King Cheepskate: (LAUGHS) CLOTHE ME IF YOU CAN STUPID LANDLUBBERS!

Lily: I'm gonna make you eat those words you cheepskate!

Nico: YEAH! PUT SOME CLOTHES ON RIGHT NOW!

Me: YEAH! Or else my daughter is gonna fucking kill me!

He ran.

Nico: Get back here, you!

King Cheepskate: I regret nothing!

Lily: NO SHIRT, NO SHOES, NO SERVICE!

Lily teleported and kicked him in his butt!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

I put on my blind man glasses.

Lily fired waves of water and drenched King Cheepskate all over.

I used my ears to guide myself.

I slashed King Cheepskate all over.

Plankton: Jesus!

Me: Someone get this guy a wardrobe full of clothes!

Nicole: YEAH! OKAY YOU CHEEPSKATE I'M COMING IN AND I'M GONNA COOK YOU!

Maria: Let me go in just in case.

Nicole came in! And Maria too!

Maria: Can we play too?!

Me: Go for it!

They mauled and smashed King Cheepskate!

Nico: YEAH!

Then a roar was heard and we looked and saw RESHIRAM!

Me: WHOA! Reshiram!

Nico: What's that doing here?!

Me: I think I know.

Gwen (TD): Lets see.

Gwen used her telepathy and gasped.

Gwen: Biohazard Atomic!

Gwen came in too!

Gwen: That Reshiram is Biohazard Atomic! She's one of my friends and also is Toxic Horror's sister!

We gasped!

Me: Lets go help her!

Me and Gwen went to face her.

Gwen (TD): Biohazard it's me Gwen!

All she did was use Fusion Flare

We dodged it and it ended up hitting King Cheepskate and blasted him down. He was burned bad.

Me: WHOA! That must've hurt.

Eli: Ouch!

Me: Looks like we got to do this the hard way.

Me and Gwen fired waves of darkness and lightning and blasted her all over.

She roared and I fired waves of energy and blasted her. Then I snapped my fingers and she reverted back and she was a girl with black hair, green eyes and had green angel wings and had Reshiram in the middle of her forehead and had a blue version of Toxic Horror's cutie mark on her arm.

Me and Gwen grabbed her and wrapped her in a blanket.

Me: Got her.

Gwen: Whew.

She woke up.

Biohazard Atomic: (Groans) What happened?

Gwen: You were slammed by Dark Gale.

Biohazard Atomic: Gwen? (GASP) Gwen!

She hugged her.

Gwen: Thank goodness you are safe.

Me: You were turned into a Reshiram by Dark Gale.

Biohazard Atomic: (GASP) I remember.

She was in a white suit and injected and then she turned into a white ball of energy and then flew out of there and turned into Reshiram and flew out.

FLASHBACK ENDS

Biohazard Atomic: It was awful.

Gwen: You can tell us more later. We're in the middle of a battle.

Maria: Lets get you new clothes.

Maria gave her an awesome black ensemble and she had an atomic scythe.

Biohazard Atomic: Cool! Lets get him!

Nico: (gets out Shining Firefly and Condor's Ridewatches) Time for this condor to shine!

He activated them and blasted King Cheepskate.

Biohazard Atomic: Like old times Gwen?

Gwen: You know it!

Biohazard Atomic and Gwen: ATOMIC DARKFIRE BLAST!

They fired waves of atomic energy and darkness and blasted King Cheepskate and he dropped the Krabby Patty and Lily caught it.

We blasted him and he was knocked out

Lily: YEAH!

Lily gave Biohazard the patty.

Biohazard Atomic: Ooh thanks Lily.

She was eating it.

Biohazard Atomic: Mmm! (Eating) Delicious!

Lily: Krabby Patties are awesome.

Me: Yep.

Biohazard Atomic: They sure are.

Nico: How did you meet Gwen?

Biohazard Atomic: (Finishes Eating) Mmm! (Gulps) Ahh! Sorry about that. I met Gwen in school and she was being harassed by that bitch Eva and I punched her and poisoned her with intense radiation from a touch. She died in a few days.

Me: WHOA! That is a lethal touch.

Biohazard Atomic: Yeah.

Gwen: We became great friends after that and it was cool.

Me: Wow!

Nico: What's your role in Sonya's team?

Biohazard Atomic: Well I'm sure you were told this already. I am a master of atomic energy and darkness and use atomic energy to get rid of our enemies. And outside the team I use said things to battle our enemies as superheroes. I am also Toxic Horror's sister.

Me: WOW!

Qin: Cool!

Nico: Yep.

We left the simulator and everyone cheered for us! SpongeBob went to the Krusty Krab for work. Lily too.

Later me, Bubbles Fartsy Hooves, Omaima Lexington and the Mascots were over in the North Sea and we arrived at Azkaban

Bubbles Fartsy Hooves: So, this is Azkaban, huh?

Me: Yep this is it. This is where the worst wizards of the Wizarding World are housed that do terrible crimes. This is the Wizarding Worlds version of Alcatraz.

Poromon: Yep.

Poliwag: And we're gonna kick some butt Cutie Style!

LOUD NASTY LONG FART!

Bubbles Fartsy Hooves: Sorry.

Me: No worries.

We went in.

Me: Okay lets spill some blood.

Guard: (British Accent) Welcome J.D. and you too everyone.

Poromon: Glad to be here.

Me: We have this for some of the prisoners here.

I held up an Execution Order.

Me: Black Abyss Execution Order.

Guard: Go get them.

Me: With pleasure.

Omaima Lexxington: Lets do it!

LOUD FART!

We went into Barty Crouch Jr.'s cell.

Me: Barty Crouch Jr.

I fired a blast of energy and obliterated him and sent him to the Black Abyss.

Poromon opened the cell of Lucius Malfoy.

Poromon: Lucius Malfoy! (ECHOING) LIGHTNING JAVELIN!

He blasted him with lightning and obliterated him into ashes and banished him to the Black Abyss.

Me: His son should have suffered the same fate.

Bubbles opened the cell of Rabastian LeStrange.

Bubbles Fartsy Hooves: Rabastian LeStrange. Sniff on this!

LOUD LONG NASTY SUPER FART!

She poisoned him with nasty super farts and killed him!

Me: WHEW! MAN THAT STINKS! But it was funny!

Leozack fired some shots into a few cells and vaporized many wizards.

Me: Nice shooting Leozack!

Leozack: Thanks J.D.

We then went to Bellatrix LeStrange's cell and I opened it.

Me: Bellatrix LeStrange. I got some words for you.

I went in.

Me: Okay you bitch, I've got something to say so you better listen good. You Nazi Wizards make me sick! When we fought you the first time, it reminded me of what my grandfather went through in World War II and he killed lots of people like you! I can never forgive you douchebags for what you did! Salazar Slytherin's reign of terror and Nazi Style beliefs are finished! Let me make one thing clear, as long as we are alive, your beliefs and your Hitler-Worshiping Ways will never come true! What do you say to that!?

Bellatrix: I hope you die with the other Mudbloods, fool!

Me: (Holds out hand) Not gonna happen you motherfucker!

I fired a blast of energy and obliterated her in an instant and banished her to the black abyss!

Leozack: Good riddance!

Me: Yep.

I then went to the top cells and in one was VOLDEMORT!

Me: Well well well. Voldemort. I was expecting you to appear on Harry Potter's day to shine but the Dursley's were good enough.

Voldemort: I thought the Anti Monitor would find me good enough!

G1 Scattershot: This is almost too easy!

Me: Well sorry to disappoint you Voldemort but I think Anti-Monitor decided that you were too evil to be around. After everything we went through over the last seven years, you aren't worth it. So...

Manaphy, Horsea and the Mascots blasted Voldemort and obliterated him and killed him and banished him to the Black Abyss.

Me: Good fucking riddance.

Then we came to Dolores Umbridge's cell.

Nico teleported in.

Nico: Let me take care of this one.

Me: Okay.

Nico went in.

Nico: Dolores Jane Umbridge. I've got something to say to you, you Nazi.

Umbridge: (British Accent) What the fuck did you call me!?

Nico: You heard me!

He pulled up a chair.

Nico: It's one thing to be horrible. But a Blood Quill?!

Umbridge: POTTER DESERVED IT! JUST LIKE HIS MUDBLOOD PARENTS!

POW!

Nico punched her in her face!

Nico: Don't Talk about them like that!

Me: I hate people like you Umbridge! You are nothing but a Nazi and a Hitler-Worshiping Demon! My grandfather fought against people like you and they died a horrible death!

Nico: That's right! The way I see it, you and Voldemort and all his followers are nothing but a bunch of parasites and they are Nazis! Like you! You are nothing but a cancer! And you deserve nothing short of death!

Me: Yeah! To us, you are nothing but a bigot, a sadist and a war criminal that deserves nothing short of death!

Nico: I hope in an alternate universe where Kendra adopts Harry, you also get what you deserve!

Me: Same here!

I gave Nico a knife.

Me: Finish her.

Nico: With pleasure.

Nico slit her throat and let her choke on her own blood and I banished her to the Black Abyss.

Me: Whew.

G1 Scattershot: Good riddance.

Me: Leave the Dursley's here to die.

Poromon: Good riddance.

Me: Now we've seen the last of Voldemort and his followers.

Nico: Good fucking riddance. Well done guys.

Me: Thanks. I can't believe I'm gonna say this but Anti-Monitor did us a favor.

We got home and saw SpongeBob crying his eyes out. He was laying down face-down and his tears send him up and down off the floor. He goes back to normal crying while sitting as jets of tears were flying out of his eyes, he then bends his top half in towards his bottom half. Patrick walks up, picks SpongeBob up, and pats his back.

Patrick: There, there, SpongeBob. No need to cry.

Ghuul: What's wrong, SpongeBob?

Lily: SpongeBob had a REALLY BAD DAY. Some jerk named Tony Vextos called him a loser and a worthless piece of chum and a loser that will never be as good as anyone.

WE GASPED!

Nico: TONY VEXTOS!? (GROWLS IN RAGE) I WILL KILL HIM!

Me: Who is he?

Nico: One the meanest bullies I've ever known. I punched him in his face and knocked out both of his eyes and got him expelled for his crimes. He RAPED SOME OF THE OTHER STUDENTS IN MY SCHOOL!

WE GASPED! AND THEN GROWLED IN RAGE!

Nico: Where is he?!

Lily: Right here!

She unsealed something and it was a man with black hair in a mohawk and he had blue eyes and black punk clothes.

Nico: I'M GOING TO SNAP YOUR FUCKING NECK!

POW!

Nico punched him!

Then...

CRUNCH!

NICO SNAPPED HIS NECK!

Nico: Good fucking riddance!

SpongeBob was crying hard.

I pulled a drain plug and the tears drained.

Me: Poor SpongeBob.

Nico: It's okay SpongeBob. He's dead now. And also his mom and dad disowned him years ago.

Joe Swanson: That was considered a violation of his parole though. And besides he had it coming.

Camie: What a jerkball!

Me: Yeah.

Lola: YEAH!

I threw his body into the sun and sent his spirit to the Black Abyss.

Xenia: Good riddance.

SpongeBob was REALLY CRYING HARD!

SpongeBob was crying tears so hard that it was intense.

SpongeBob cried a river down to the city causing it to flood down to the city.

Me: Oh man.

Nico hugged SpongeBob.

Squidward: SpongeBob? It's okay.

Sandy: There there SpongeBob.

Mindy: Poor little sponge.

SpongeBob: WAAAAAAAAAAAAAAAAAAA! (WAILING HARD) WAAAAAAAAAAAAAAAAAA!

SpongeBob was REALLY CRYING HARD WITH INTENSE FORCE!

Horsea cuddled up to him

Me: Man I've never seen him cry this hard.

Lily: I haven't seen SpongeBob cry this hard since the time SpongeBob thought he broke his laugh box.

Camie: Geez!

Maria: Oh man. That jerk really hurt him!

Nico: Hey, Spongebob. Look! (pulls Patrick's pants down)

Patrick: HEY!

Everyone gasps while Squidward's eyes shrink in horror.

Squidward: Umm, I think I need to take a shower.

Me: Funny.

Nico:...did it work?

He was still crying.

Me: I know! How about some soda for you guys?

Squidward: Good idea. [takes out a bottle of soda] Well, how about some soda, guys?

SpongeBob: [shows Squidward his glass] Yes, please! [Squidward gives him some soda] Thanks, Squidward! (CRYING AND DRINKING)

Patrick: How about some for your me too?

[SpongeBob puts his glass in front of Patrick's, so he gets the soda instead of Patrick]

SpongeBob: Thanks, best friend! [drinks]

Patrick: Can I have some now, buddy?

SpongeBob: Wait, I need some more! [pours SpongeBob another glass]

Patrick: I still didn't get any! [SpongeBob gives Patrick his soda]

SpongeBob: There ya go. More please! [Squidward fills his glass as SpongeBob drinks it really fast]

Patrick: [shows Squidward his glass] Squidward!

SpongeBob: [shows Squidward his glass] Squidward!

Patrick: [shows Squidward his glass] Squidward!

SpongeBob: [shows Squidward his glass] Squidward!

Patrick: [shows Squidward his glass] Hey, Squidward!

SpongeBob: [shows Squidward his glass] Squidward!

Patrick: [shows Squidward his glass] Squidward! [shows Squidward his glass again, but it's still full] Hey, Squidward!

Squidward: Patrick, your glass is full!

Patrick: Oh, yeah...

SpongeBob: [shows Squidward his glass] Squidward!

Patrick: [shows Squidward his glass] Hey, Squidward!

SpongeBob: [shows Squidward his glass] Squidward!

Patrick: [shows Squidward his glass] Squidward!

SpongeBob: [shows Squidward his glass] Squidward!

Patrick: [shows Squidward his glass] Hey, Squidward!

SpongeBob: [shows Squidward his glass] Squidward!

Patrick: [shows Squidward his glass] Hey, Squidward!

SpongeBob: [shows Squidward his glass] Squidward!

Patrick: [shows Squidward his glass] Squidward!

SpongeBob: [shows Squidward his glass] Squidward!

Patrick: [shows Squidward his glass] Hey, Squidward!

SpongeBob and Patrick: Squidward! [both show Squidward their glasses] Squidward!

Squidward: Sorry, boys, I'm all out of pop.

[We then see SpongeBob and Patrick both bloated with soda. Then SpongeBob hiccups and a bubble floats up and pops that sounds like a burp. Both of them laugh and the place was filling up with bubbles.]

Then...

LOUD DEEP BELCH!

WE LAUGHED! SPONGEBOB WAS BETTER!

Squidward: Looks like you're better now.

SpongeBob: I sure am.

Mr. Krabs: That's me boy.

Qin: Yeah!

Me: Yep.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and

Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: to our anger, it was none other than Victor Veloci, he's returned from the dead, and he want revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think I we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Victor Veloci, he's returned from the dead, and he want revenge on us.

WE GASPED!

Qin: WHAT?!

May: ARE YOU KIDDING ME?!

Vakama: I thought we were rid of him, but it looks like I was wrong.

Lincoln: This has Anti-Monitor behind it, and we're definitely sending him to The Black Abyss forever.

Me: That's for sure. If he summons any Tyrannodrones, you stand ready to absorb them, Lincoln.

Lincoln: Got it.

Nico: You're right about what you said, J.D., if that bastard has Tyrannodrones with him, we're gonna need Lincoln to absorb them and that'll piss him off big time. So, where's he at, Lincoln?

Lincoln: He's back at Florida.

Me: Where it all began two years ago.

Nico: And it's where he'll meet his end. Alright, team, let's go, this is the last and final time we ever have to deal with Victor Veloci.

Lincoln: This time, he will meet his end here and now, and he will never ever come back!

The previous group came.

Dr. Viktor: Can me, Demyx, Heatwave, Dai Gui, Vulture, Brain Freezer, Man Boy, Chalmers, Riddler and Diabolico go with you guys?

Nico: Yes you all can come with.

Dr. Viktor: What was all that crying?

Me: Some jerk from Nico's past called SpongeBob terrible names and SpongeBob was crying hard.

Lola: Yeah.

Me: That jerk is dead now.

Xenia: Good riddance.

Tania: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. Omnimon next.

Me: WHOA! That one is powerful.

Camie: Yeah!

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Phoebe Lawrence, the next of Billie Muldoon's thugs, and she's coming after us for revenge. When we saw it, we knew it meant trouble.

Lincoln: So, you're now on the move, Phoebe.

Me: Phoebe Lawrence is on the move, Lincoln?

Lincoln: You got it. After what we did to Bruce Davis yesterday, it's pissed off Billie Muldoon badly.

Ashley Calingasan: So, now she's sent Phoebe Lawrence after us. Okay then, time to show that flat-board chested bitch what for.

Nico: Hope you two really make her suffer big time. Alright, team, let's go, this is the last time we ever have to deal with that Triassic creep, Victor Veloci.

Lincoln: After everything he's done, he's heading for a one-way trip to The Black Abyss forever after we get done trashing him, and once we get done with him, you're next, Phoebe Lawrence.

Ashley Calingasan: I can't believe that you and those other dirt-filled piles of garbage have come back after finding out that Billie Muldoon has come back from The Black Gates. Well, too bad for her, her little scheme of revenge against Leni and all of Team Loud Phoenix Storm's about to be ground into dust, and I'm gonna start by getting rid of you, Phoebe Lawrence.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Florida to finally get rid of our old enemy, Victor Veloci who's come back to get revenge, and once we destroy him, Lincoln and Ashley Calingasan, Bikini Babe of Light, are going to destroy Phoebe Lawrence, the fourth of the minions of Belle Muldoon's insane evil sister, Billie Muldoon, and send her straight to The Black Abyss to piss Billie Muldoon off!

We were off.

* * *

We were flying and we arrived in Florida and to our shock we saw a MASSIVE AND HUGE GINORMOUS VOLCANO!

Me: WHOA! Look at the size of that volcano!

Nicole: That volcano was never there before!

Lola: It's HUGE!

Heatwave: I love it!

Qin: WOW!

Vakama: We better get Pyro here.

Magma: I love it too!

Pyro came.

Me: WOW!

Nicole: It's over 87,000 feet high and has a base as big as Missouri!

Me: WHOA! That's as big as Olympus Mons on Mars!

Lincoln: WHOA MAN! And that volcano is actually Mount Doomkatoa, The Hypothetical Akuma of Vakama and a deadly volcano that is ready to explode with the power of 20 Krakatoa Eruptions from 1883 and it's gonna be devastating. He is a master of fire and lava and earth. He was made because of Victor Veloci killing Max and friends and vowed to kill him with the force of a volcano

WE GASPED!

Vakama: THAT VOLCANO IS ME!?

Vulture: Imagine how powerful 20 eruptions from that would be!

Me: That would probably destroy the entire planet!

Qin: Yeah.

Camie: YIKES!

We landed and regrouped with Max and friends.

Xenia: Hey guys!

Max: Hey guys! You made it! Did you see that volcano!?

Me: Yeah! That Volcano is actually Vakama's Akuma.

Max: Wait. THAT'S Vakama?!

Sunny Flare: We shit you not!

Me: He's a ginormous volcano! He was made because of Veloci killing you and your friends.

Fiona: OH MAN!

Caruso: That is crazy!

Me: It sure is.

Man Boy: Still can't believe he's that big!

Me: This is one of the biggest volcanoes ever. Now Earth has the biggest and largest volcano in the Solar System. Despite it being an akuma it's that tall.

Camie: WOW!

Pam: Don't forget the other reason we're here

Me: To kill Veloci. He is back for revenge.

Qin: Yeah.

Xenia: And we're going to make sure he pays big time.

Max: Right.

Riddler: Riddle me this: Do we have him for dinner?

Me: EW! We are not going to eat him.

Lola: Yeah that would be gross!

Me: He may turn into a velociraptor but he is still human.

Nico: Yeah.

Riddler: Okay you're right.

Freon: First things first

Me: Yep. Take care of Vakama's Akuma before he blows.

Xenia: He will blow with 20 times Krakatoa strength.

Camie: Yeah.

?: (BOOMING VOICE) That is right!

Me: WHAT THE!?

Diabolico:... I think he heard us!

Qin: WHO SAID THAT?!

Mount Doomkatoa: It is I! Mount Doomkatoa!

We looked up and saw that he had glowing piercing red eyes at the top!

Me: WHOA MAN!

We flew up to him.

Me: WHOA! You look awesome as a volcano Vakama! We saw you from far away as we came here.

Mount Doomkatoa: Well I do kind of stick out like a sore thumb.

Brawl and Chain: Vakama? Is that you?!

Mount Doomkatoa: Yes it's me. And Max and everyone it's good to see you again.

Max: Same here.

Me: I can't believe Veloci would kill them. But then again that still doesn't surprise me. He tried to kill Max and friends including me on more than several occasions.

Mount Doomkatoa: That is true.

Me: You're not going to destroy the planet are you? If you can erupt with the power of Krakatoa's eruption like it did in 1883 then your kind of power will destroy us.

Mount Doomkatoa: I know but no I'm not gonna destroy the planet.

Me: Good.

Chalmers: You need to calm down!

Mount Doomkatoa: Not until Veloci is dead.

Me: Wait you can blast him with lava bombs and hurt him enough.

Mount Doomkatoa: That I can do.

BOOOM!

HE FIRED NUMEROUS LAVA BOMBS AND RAINED THEM DOWN AND BLASTED VELOCI ALL OVER WITH INTENSE FORCE!

KRABBBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMM!
KRABBBBBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOMMMMM!

Me: Nice one!

Pyro: Sorry we have to do this then

He fired waves of fire and blasted him.

I fired waves of energy and blasted him all over the place.

Mount Doomkatoa: My turn!

BOOOM!

He fired more lava bombs and we dodged them and they hit Veloci and burned him all over.

Mount Doomkatoa: This is fun. I think I'm bigger than the volcano on Matanui.

Tahu: And bigger than Ta Koro!

Mount Doomkatoa: I sure am.

Me: You are over 87,000 feet high and your base is over 300 miles wide. You're as big as Olympus Mons on Mars.

Mount Doomkatoa: WOW! I became one of the biggest mountains in the Solar System.

Me: That was our reaction too.

We blasted him all over and he was knocked out.

I sent his spirit to the M.O.E.

Me: Wow!

Hood Sickle: He's not dead. He was just too big to move

Me: Can you imagine trying to lift up a volcano this size?

Qin: I don't want to attempt it.

Camie: Me neither.

Xenia: Yeah.

Nokama: If Vakama's akuma was a volcano, I can't even imagine what the Akuma's of the rest of us Toa are like.

Nico: Yeah!

Brain Freezer: Good thing he didn't hit me!

Me: Yeah no kidding.

Aylene Carter: Yeah!

Max: But you got to admit, having a volcano here is cool.

Blossom: Almost as amazing as Mojo Jojo's Volcano Mountain observatory.

Manny: (Spanish Accent) And the volcano in Miracle City.

Tempest Shadow: Now for Veloci.

Max: Time for T Rex Power!

Me: Lets make that jerk EXTINCT!

I saw that he was burned by the lava bombs and limping to the park.

Me: Target sighted.

Nico: ENTRANCE TIME!

We went at him.

Veloci was limping hard.

Then the spirits of dinosaurs appeared and swirled around him and converged and then..

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we appeared.

Me: Hello Veloci. Long time no punch!

Veloci: You. You all ruined my plans to make this world into one for dinosaurs.

Dai Gui: And leave it uninhabitable for humans?!

Me: I don't think so! But also I show no remorse for ruining everything for you! You are just like Mesogog!

Connor: My thoughts exactly!

Eli: Try matching our dinosaur friends! (WHISTLES)

Then out came TYRANNOSAURUS, CARNOTAURUS, GIGANOTOSAURUS, SPINOSAURUS AND MANY MORE CARNIVOROUS DINOSAURS!

Me: You've got some nerve showing your scaly butt here again, Victor Veloci!

Nico: I would've thought we were finally rid of you for good, but thanks to Anti-Monitor, he had the very nerve to bring you back. Well, at least, this gives us another opportunity to send you right back to your grave once and for all!

Victor Veloci: We'll see about that. Tyrannodrones, Vivixes, get them!

Just then, we saw a massive army of Tyrannodrones and Vivixes rise to attack us.

Lincoln: And that's my cue.

Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and one by one, he stabbed them into the chests of the massive army of Tyrannodrones and Vivixes, and he began absorbing them, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when he was done, nothing was left of them, and he drained their souls and sent them to The Black Abyss.

But, then, we saw more of them arise, and then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings fired blasts of dark matter at the incoming Tyrannodrones and Vivixes, and he sucked the life out of them, and he grew even stronger than ever, and when he was done, the Tyrannodrones and Vivixes exploded.

Caleb Maxwell: You've lost your armies, and you're now out of tricks.

Lincoln: And you're out of time.

Moosk: (Russian Accent) Time for the kicking of your butt!

Me: Big time!

Veloci turned into his Velociraptor form but he was hurt bad!

Eli: ATTACK!

Spinosaurus roared and grabbed him and threw him down.

Demyx: So, that's how you wanna play it, huh? Dance Water Dance!

He summoned numerous water dancer Nobodies and drenched and smashed him all over.

Rexy roared and smashed and bit him.

Eli: Blue, Delta, lets get him!

Blue and Delta and their pack followed Eli and mangled him all over.

Chimchar charged at him and fired waves of fire and blasted him.

Lola: Take that!

Donkey Kong: How about this too!

He fired waves of coconuts!

BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 12 COCONUTS!

Qin: YEAH!

Dr. Viktor charged at him and fired waves of lightning and electrocuted him.

Blue-Eyes Ultimate Dragon roared.

Dr. Viktor and Blue-Eyes Ultimate Dragon: PURPLE LIGHTNING NEUTRON BLAST!

They fired waves of lightning and blasted Veloci all over.

Demyx charged at him and fired waves of water and blasted him.

Levia-Dragon Daedalus roared!

They fired waves of fire and blasted him all over.

Dai Gui fired waves of rock and earth and smashed him.

Megarock Dragon: Time for some rock pain!

Dai Gui and Megarock Dragon: ROCK STORM FURY SMASHER!

They smashed him all over with rocks and boulders.

Vulture charged at him and blasted him with wind.

Elemental HERO Stratos: Lets blow him far.

Vulture and Elemental HERO Stratos: WIND FURY BLAST STORM!

They fired waves of wind and blew him all over.

Nico: How do you like that jerk?!

Veloci: Like you give a damn FATASS!

WE GASPED!

Me: UH OH!

Nico grabbed him by the tail.

SMASH SMASH SMASH SMASH SMASH!

He smashed him left and right on the ground!

SMASH SMASH SMASH SMASH SMASH SMASH!

Nico: NO ONE CALLS ME A FATASS!

Brain Freezer charged at him and blasted him with Noreaster ice and smashed him.

White Night Queen: Time for some ice!

Brain Freezer and White Night Queen: ICE OF NORTHERN FIRE BLAST!

They fired waves of ice and blasted him.

Man Boy charged at him and bashed him all over.

Master Monk: Time for some pain.

Man Boy and Master Monk: MONKS OF DOOM BASHER!

They bashed him all over the place.

Chalmers charged at him and bashed him.

Lyna the Light Charmer: Lets bring the light.

Chalmers and Lyna: LIGHT CHARM STORM!

They fired waves of light and blasted him.

Riddler charged at him and blasted him all over.

Jade Knight flew at him and blasted him with lasers.

Riddler and Jade Knight: LASER FURY QUESTION BLAST!

They fired waves of lasers and energy and blasted him.

Diabolico charged at him and blasted him all over.

Summoned Skull: Lets bring the pain.

Diabolico and Summoned Skull: LIGHTNING THUNDERSTRIKE BLAST!

They fired waves of lightning and blasted him all over.

Xenia: Take that!

Lincoln, Crash Bandicoot, Vakama, Nico, and I and the rest of us went after Victor Veloci, and we fired extremely powerful blasts of rainbow, white, and blue energy, aura energy, crimson red energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Victor Veloci and they exploded with incredible power as they hit him.

Lori: (Sees the Monitor Orb) There's the Monitor Orb. Lincoln, you're up.

Lincoln fired ricocheting rainbow, white, and blue energy beams from his fingers and the planets orbiting his fingers like rings and ankles as they shatter the Monitor Orb embedded in Victor Veloci's head, and not only did we gain a massive power boost, but Victor Veloci screamed in agonizing pain.

Biohazard Atomic was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Volcano Despair.

Volcano Despair: NO! We control the power.

Biohazard Atomic: It doesn't control us.

They concentrated and reigned it in and they turned into Reshiram and Zekrom and blasted him with energy. They reverted back and smashed him all over.

Mysterio: So, some jerk made Spongebob cry, huh?

Nico: He sure did!

Robo Roxy: And he was a rapist!

Titanium Toenail: Good thing you killed him!

Me: Yeah no shit! Nico did good.

Speed Demon: We heard you went to Neo Phoenix Land.

Nico: We sure did and we had a lot of fun!

Femme Fetale: (to Alexis) You should take care of that Vanilluxe.

Alexis: I will.

?: Awesome.

A figure came and it was MAD MAGNET from episode 2 of Ninja Storm!

Mad Magnet was summoned by Marah and Kapri. The two girls had a fight but were stopped by Lothor, who had Mad Magnet show the girls his power, the ability to stick his opponents together with his Magnet Force.

After being sent down to Earth by Marah and Kapri, he terrorizes the citizens of Blue Bay Harbor with his Magnet Force - until Shane intervenes. He fights the monster, but was quickly outmatched. Shane then morphed in to his Red Wind Ranger to battle the monster but Mad Magnet had the upper hand by using his Magnet Waves on the Red Ranger to stick him into the car. Mad Magnet was about to make the final blow on the Red Wind Ranger, until Shane realizes the importance of teamwork and is rescued by Tori and Dustin. The Wind Rangers tried to fight him, but none of their attacks have any effect on him. They then noticed the power source located on his chest and defeated him with the Storm Striker's Lion Hammer attack.

However, he is enlarged with the Scroll of Empowerment. To fight him in his enlarged state, Cam introduces the Rangers to their Zords: The Hawk Zord for the Red Ranger, The Dolphin Zord for the Blue Ranger and finally the Lion Zord for the Yellow Ranger. The monster did battle, but he gets burned by the Hawk Zord's Flame Attack and washed out by the Dolphin Zord's Tide Wave Attack. He gets the upper hand by using his Elastic Magnet Hand ability to grab the Hawk and Dolphin Zords, but thanks to the Lion Zord's Lion Tornado Blast, they broke free and the Lion Zord then used the After Burst attack, which easily destroys the monster. However, Mad Magnet manages to put himself back together, and the Wind Rangers had to join their Zords to form the new Storm Megazord. It proved immune to debris being explosively thrown at it and they then used the Serpent Sword's Triple Strike to finally destroy him

---

Shane: Mad Magnet!

Mad Magnet: Been a while rangers!

Me: I remember you Mad Magnet! You were the second monster the Ninja Storm rangers faced and the rangers realized the importance of teamwork.

Mad Magnet: That's right! Good memory.

Me: Yep.

?: COOL!

Then out came the Kamen Rider Ryuki/Dragon Knight Riders Hitotsuki, RYUKIKI!

Ryukiki: Ryukiki the Ryuki Riders Hitotsuki.

Me: COOL! Awesome to meet you.

Xenia: Yeah!

Mad Magnet: You can reveal your human form now

He reverted back and it was a man with black hair and blue eyes and had chef clothes on.

Me: Wait are you related to...

Gary Grazer: Yeah Guy Grazer is my evil twin brother. But I'm much more better and well mannered than him.

Me: WHOA! I didn't know about that.

Nico: Yeah. What happened that pissed you off and turned you into Ryukiki?

Gary Grazer: I was pissed because of my brother ruining my restaurant. I make REALLY awesome high class gourmet food.

Mary Knudson: Man what a jerk!

Lynn Sr: We'll take care of him in my day.

Me: Your brother is heading to the Black Abyss for his crimes especially for that stunt he pulled in making Pearl eat chum!

Pearl: Yeah that was awful!

Xenia: It sure was.

Gary Grazer: Good!

Me: Yep.

Nico: Lets get it on!

We were amazed by Ashley Calingasan's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Phoebe Lawrence saw it, she went ballistic and got out her machine gun and fired more bullets at her, but Ashley Calingasan fired a massive barrage of white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, light, suns, light bikini babes, phoenixes, and angels that melted the bullets and hit Phoebe Lawrence and sent her flying into a wall, she got back out, but she was so enraged, she bellowed like a madman!

There's a reason why we kicked you all out of Royal Woods after we took care of Billie Muldoon: all of you plotted to destroy the city if that happened, and you wanted to turn the city into a graveyard. Your plans were eventually ruined after we took down Billie Muldoon that day, but none of you refused to give in, you walked the path of a coward crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Phoebe Lawrence, may you suffer for all eternity with not a kindred soul to give you solace!

But, for now, we better take care of you right here and right now.

Lincoln, Ashley Calingasan, Nico, and I went after Phoebe

Lawrence, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Phoebe Lawrence, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Ashley Calingasan did the same by firing white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Ashley Calingasan, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Phoebe Lawrence even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light

appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Phoebe Lawrence, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Phoebe Lawrence, This is where your rampage end here and now.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Phoebe Lawrence.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) For far too long, you and the rest of those buttheads have caused too much destruction to our city an in the name of Billie Muldoon for the last time!

Then, Lincoln charged and smashed his rainbow energy infused left fist into Phoebe Lawrence's stomach and a cluster of white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your life ends here and now!

Lincoln attacked her with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit Phoebe Lawrence hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Phoebe Lawrence was now on her last legs and she was really really mangled.

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Phoebe Lawrence's chest, and he began absorbing her, and he and all of us assimilated her massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

(GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Phoebe Lawrence except for her clothes, and he drained the thug's soul of energy, and he sent her to The Black Abyss.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) See you never, moron.

We cheered wildly as we holstered our weapons and powered down and Ashley Calingasan's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large green planets orbiting around her legs and twenty smaller white and golden yellow planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized white and golden yellow planets orbiting around her wrists and ankles, eleven massive and long brown wolf tails, and massive white angel wings and four sets of large white angel wings underneath her massive white angel wings are permanent.

Ashley Calingasan: And this is goodbye and good riddance forever, I don't want to see your face ever again! Thanks for helping me take down Phoebe Lawrence, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Ashley.

Me and Nico: Our pleasure, Ashley.

Suddenly, Ashley Calingasan wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ashley Calingasan's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and a light bikini babe flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Ashley Calingasan sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: That's one down and one more to go. Billie Muldoon's already starting to lose it big time!

Suddenly, we heard Billie Muldoon's insane scream of pure rage.

Me: And she found out we already got rid of Phoebe Lawrence, and she's really gone berserk. Serves her right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL AND HEAVENLY MUSIC PLAYS

Suddenly, we saw a massive army of Angels and Archangels flying in the skies and it left an amazing wave of heavenly light across the skies as it was flying all across the skies.

Selene Arcangela: (GASPS) The Angels and Archangels...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Angela Angel, Avatar of God, The Angels, and Archangels of Heaven.

EVERYONE GASPED!

Me: No way!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Angela Angel, Avatar of God, The Angels, and Archangels of Heaven, is Lincoln's Guardian Angel and she's known as The Heavenly God Archangel Master of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Angela is a powerful master of the powers of heavenly light and holy magic and she's also known for her mastery of the powers of God, The Angels, and Archangels of Heaven. She lived eons ago during a time of light and heavenly order before Lucifer's rebellion, and over time, as she grew, she gained all of the incredible strengths and powers of God, The Angels, and Archangels of Heaven, along with immortality and she also mastered the powers of God, The Angels, and Archangels of Heaven, and she'd fought alongside St. Michael the Archangel and the other Angels and Archangels when Lucifer rebelled along with other angels and she and St. Michael defeated and banished Lucifer and the other rebel angels to Hell and she swore to keep mankind safe from the forces of Lucifer and the Fallen Angels, and many eons later, there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of heavenly light and holy magic, and he also gained all of the incredible strengths and powers of God, The Angels, and Archangels of Heaven, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Angels and Archangels and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of God, The Angels, and Archangels and be damned to Hell for eternity!

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would be facing eternal damnation!

Lincoln: That's right, and she never ever forgave Lucifer for rebelling against God along with the other fallen angels. If we face him in the future, we've got eons of payback to inflict on him for the pain and suffering he caused to many souls over the eons.

Me: That's for sure!

Gentleman Ghost: Veloci will never hurt anyone again.

Yenaldooshi: And so ends his plans to turn to this world into dinosaur planet.

Copperhead: Though that is a nice name.

Me: Yeah true. But Mesogog will soon join Veloci later.

Brass Knuckles: Where to now?

Dodgeball Wizard: To the Krusty Krab for celebration!

Me: Good idea.

Lily: I could go for a Krabby Patty.

Mr. Krabs: Good idea lads!

Nico: Great job today everyone!

Max: (To the viewers) Veloci is now gone for good.

Me: He sure is.

We went to the Krusty Krab and had a great meal.

Cage Blunt: The Starfire Agency's already settled in quite well here. Now, tomorrow's Leni's big day, but this also means...!

Caleb Maxwell: I know. Billie Muldoon, you better be ready, we're coming for you and you won't have a chance in Hell against us.

They went to bed.

We went to sleep too.

Meanwhile in Japan, Haruki Natsukawa and the Ultraman Z team were getting ready for our arrival.

Haruki Natsukawa: This is gonna be awesome. Celebro is gonna pay for his crimes big time. Lets do it! Z!

He went Ultraman Z and went at the screen and it froze!

Angela is a powerful master of the powers of heavenly light and holy magic and she's also known for her mastery of the powers of God, The Angels, and Archangels of Heaven. She lived eons ago during a time of light and heavenly order before Lucifer's rebellion, and over time, as she grew, she gained all of the incredible strengths and powers of God, The Angels, and Archangels of Heaven, along with immortality and she also mastered the powers of God, The Angels, and Archangels of Heaven, and she'd fought alongside St. Michael the Archangel and the other Angels and Archangels when Lucifer rebelled along with other angels and she and St. Michael defeated and banished Lucifer and the other rebel angels to Hell and she swore to keep mankind safe from the forces of Lucifer and the Fallen Angels, and many eons later, there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of heavenly light and holy magic, and he also gained all of the incredible strengths and powers of God, The Angels, and Archangels of Heaven, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Angels and Archangels and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of God, The Angels, and Archangels and be damned to Hell for eternity!

Ultraman Z is next and we're going to unleash the fury of our power on Celebro and Billie Muldoon.

See you all next time.

ULTRAMAN Z FURY

BUCKLE YOUR SEATBELTS EVERYONE! THIS IS GONNA BE EXPLOSIVELY FUN!

This chapter is based on Ultraman Z

In the early morning hours at 12:53 AM, I was asleep with my harem and I had a very interesting dream.

I saw Cadance and Flurry Heart in battle with Opaline!

Me: WHOA! Cadance and Flurry Heart are battling Opaline? This is intense.

Cadance: You will pay for everything you did!

Opaline laughed malevolently!

Then I saw her fire a blast of magic and it hit Cadance and OBLITERATED HER! I SAW OPALINE KILL CADANCE RIGHT IN FRONT OF MY EYES!

Me: (GASP) Oh my god! Cadance was murdered by Opaline!? Opaline was pure evil incarnate! I'm glad we killed her where we are from.

Flurry Heart then battled Opaline and her horn was snapped off!

SNAP!

SHE SCREAMED IN PAIN!

Me: OH MAN! That had to hurt!

Opaline: (LAUGHS MALEVOLENTLY)

Flurry Heart: YOU KILLED HER! YOU MONSTER!

Opaline: Now your kingdom will fall!

Flurry Heart then did something drastic! She took King Sombra's broken horn and attached it to her and then fired blasts of magic! She blasted Opaline all over with them. But then she drained herself.

Flurry Heart: I'm sorry Aunt Twilight. I've failed.

She then decided to go into sleep in a crystal coffin and it was buried in the arctic north. And the Crystal Empire for 1,000 years was long forgotten.

I WAS SHOCKED!

I woke up and gasped!

Me: OH MY GOD!

Everyone gasped.

Varie: What's the matter honey!?

Celica: Oh man! Are you alright?

Me: I'm okay.

I told my harem everything.

THEY GASPED IN HORROR!

Camie: Opaline killed Cadance in Sunny's world!?

Adagio Dazzle: That's awful!

Aria Blaze: Oh man!

Me: (Tears stream down my face) Flurry Heart. I'm so sorry.

Varie: That is going to shock everyone.

Celica: No kidding.

I went to get a drink and I washed my face.

Me: I hope Sunny can find her. I don't know how Flurry Heart and Cadance are gonna take the news. But when we killed Opaline we prevented TONS of shit from happening.

I went back to sleep.

In the early morning hours of 3:24 AM, Lincoln had an interesting dream: it took him to nine massive and infernally scary looking castles in the Nine Circles of Hell, and as he was flying, he saw something appear in the infernal skies: it was the symbols of The Malefic Duel Monsters, and he saw nine girls in black appear from those symbols, they were nine girls all too familiar to him. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh man! Lincoln, what you just told us, there's no doubt about what you just saw in your dream, it's them: The Malefic Sisters of The Dark Storm.

Lincoln: There's no doubt it's them.

Mara Lucifer: I knew that one day they'd return.

Caina Cocytus: The legends foretold that one day they would return.

Paige: We've got to explain that to them tomorrow.

Lincoln: We sure will, Paige.

Lincoln got up to get a glass of water, but then, Belle Muldoon saw something shining on the right side of his butt.

Belle Muldoon: Linky, hold still.

Belle Muldoon ripped out the shining object, and to their horror, it was another Rebellion Chip.

Lincoln: A Rebellion Chip?! But, that's impossible, I killed Audrey Madison and sent her along with The Chernabog Sisters, The Order of The Black Cross, Zixkle, and Clarissa Mallory to The Black Abyss and they never had a chance to put that thing on me.

Belle Muldoon: This wasn't her, there's only one person who'd be that low as to put that on you just to piss me and all of us off.

Lincoln: Billie Muldoon. Her hatred towards Leni and all of us has finally destroyed her mind, and now, she's finally slipped into madness and turned into a carbon copy of Audrey Madison. We're telling the rest of the team tomorrow about this, and then, we're going to destroy the source of all The Rebellion Chips.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to nine massive and infernally scary looking castles in the Nine Circles of Hell, and as I was flying, I saw something appear in the infernal skies: it was the symbols of The Malefic Duel Monsters, and I saw nine girls in black appear from those symbols, they were nine girls all too familiar to me.

Nico: Wait, really? Who are they?

Lincoln: They're known as The Malefic Sisters of The Dark Storm.

WE GASPED!

Me: The Malefic Sisters of The Dark Storm! Wait, I've heard of them!

Maia Lucifer: Same here, I thought they were legend, but here's the story: according to legend, The Malefic Sisters of The Dark Storm are nine sisters that have the powers of each of the Nine Circles of Hell and they represent each of the most deadly sins of all. They are also the Avatars, Embodiments, and Queens of each of the 9 Circles of Hell and they have divine power over all the punishments of the 9 Circles as well as being the Gene-Slammers of each of the Malefic Duel Monsters, and their powers of darkness and dark magic is so great that not even the most evil dark wizards can match them.

Nico: Oh man!

Lincoln: Yep, they are truly the most powerful wielders of darkness and dark magic, and not even the most evil and powerful dark wizards could ever match them in combat.

Mara Lucifer: His dream foretold of their return, and we'll be needing a lot of help because someday soon, we're going to go into battle against Lucifer, and The Keyblade Knights of Hell, The Queens of The Netherworld, and The Malefic Sisters of The Dark Storm will show him no mercy.

Me: He'll pay for what he did.

Belle Muldoon: Yep. Oh, and last night, when Lincoln got up, I found this on the right side of his butt.

Belle Muldoon took out the Rebellion Chip, and we were horrified!

Nico: What the fuck?! AUDREY MADISON!

Lincoln: No, Nico, this wasn't Audrey's work since you saw me banish her along with The Chernabog Sisters, The Order of The Black Cross, Zixkle, and Clarissa Mallory to The Black Abyss. But, there was only one other person who would do that to me: Billie Muldoon.

Eli: What the?!

Nico: So, she's the one who did that to you. That evil monstrous Alpha Bitch, she's gonna pay for this big time!

Lincoln: That's for sure, and her hatred towards Leni and all of us has finally destroyed her mind, and now, she's finally slipped into madness and turned into a carbon copy of Audrey Madison. Plus, our scans show she's fled Michigan and gone to Japan. Not only are we going to destroy the main baddie for Leni's big day, but we're also going to destroy the source of all The Rebellion Chips in the world: Billie Muldoon.

Qin: So, she's going to finish what that slut failed to do, eh? Well, I think we need to break her arms and legs in half and tear her eyeballs out of her head!

Nico: Sadistic, Qin. Perfect!

Leni: I totes can't believe her! If that evil little cow thinks she can get away with messing with our family like that, she's got another thing coming.

Suddenly, we saw the symbols of The Malefic Duel Monsters appear and our rainbow, white, golden yellow, and blue energy auras flared up as we suddenly gained a massive power boost, and then, nine tornadoes of infernal darkness and hellfire appear, and then, the tornadoes disappeared and in their place were nine girls with pitch black hair, pitch black angel wings darker than the night, blood red eyes, pitch black clothes, the Malefic Duel Monsters on their foreheads, dress tops, and right arms, and long white sleeveless trenchcoats with stars, darkness, demons, hellfire, phoenixes, and angels on the coattails, and on the back are The Malefic Duel Monsters, and they have darkness greatswords in hand.

Nicholette Torrington: The prophecy is fulfilled, The Malefic Sisters of The Dark Storm have returned!

Me: Just as your dream foretold!

Eli: Whoa!

Caina Cocytus: Lincoln's dream foretold that all of you have returned, Cocytus.

Cocytus Malefic: It's all true, Caina, we have indeed returned.

Malacoda Malefic: And we knew that God gave all of you incredible gifts, along with Lincoln as well.

Nico: After he took possession of him again, and now, he's become an anthropomorphic wolf that has the very same features when he turns into Lincoln The Nocturnal, but he also now has wolf's teeth for his straight rows of teeth, his large white wolf ears with rainbow markings turn dark brown and his eleven massive and long white wolf tails with rainbow markings and rainbow tips turn dark brown, and he also now has long wild dark brown hair with white streaks and rainbow highlights.

Lincoln: Yep, but when I transform into Lincoln The Nocturnal, my pupils in my eyes and my Third Eye turn into slits, my fangs grow longer, my massive white angel wings and four other sets of large white angel wings underneath my massive white angel wings remain the same, and my large gold halo with four large orbiting gold rings orbiting the corners behind my head turns dark blue.

Lily Malefic: Well, I got to say, you now look even more attractive and manlier than ever.

Cage Blunt: He's gotten used to it. So, Lincoln, are you going to introduce us?

MY JAW AND EVERYONE ELSE'S JAWS DROPPED!

CLANG!

ELI PUT MY JAW AND EVERYONE ELSE'S JAWS BACK!

Me: Whoa! So, everything we heard is indeed true! Incredible!

Nico: So, you nine are the rulers of The Nine Circles of Hell individually, the same with Mara Lucifer and her friends and Maia Lucifer and her friends.

Cocytus Malefic: That's right, and as you know, The Keyblade Knights of The Nine Circles of Hell are in charge of keeping the damned souls in check. But, now that Lucifer's returned from the dead no doubt thanks to Anti-Monitor, he's going to get revenge on us.

Lincoln: He's not going to do so, Cocytus. What he didn't know was that we've gotten even more powerful than the last time we killed him and we've been getting even more powerful ever since he was destroyed, and we'll destroy him again, but this time, we'll make sure he never rises again.

Malacoda Malefic: That's for sure.

Suddenly Lincoln made eight clones of himself, and while he pinned Cocytus Malefic to the floor, his clones also pinned the other eight girls to the floor, and they kissed them on the lips and marked them by biting them on the right trapezius and fed on their blood, and his already flared up rainbow energy aura with elemental forces and mythological animals had flared up even more extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln and his clones slowly unlatched their fangs from their right trapezius and the marks sealed up and Lincoln and his clones kissed the spot where they bit them and helped them up, and they also had nine Elemental Thunderbird Necklace of Eternal Love with blood red gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and nine white and gold accented Elemental Thunderbird Choker of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Then, he and the clones helped them up and the clones vanished.

Lily Malefic: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And we had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise.

Lincoln had a blush on his muzzle.

Lincoln: Sorry about that.

Nico and I snickered.

Me and Nico: Lincoln, you sly wolf.

Lincoln: Alright, alright, we should finish up breakfast, and get ready to take down the bad guy for Nico's rescue.

Nico: Right.

We then finished our breakfast, and we set out to take down the targeted bad guy for Nico's rescue.

Leni woke up to see Altaria staring at her

Altaria: Morning Leni! Morning Ed!

Leni: Oh morning Altaria.

Ed: Gravy!

Altaria: Time for breakfast!

Ed: GOODIE GOODIE!

Leni: O.M. Gosh! It's totes gonna be fun.

They went and got dressed and went to the table and saw Cadance comforting Flurry Heart who was crying hard.

Ed: Oh man is Flurry Heart okay?

Cadance: J.D. had a horrible dream.

Me: I told them everything about what happened with Opaline and how she killed Cadance.

Flurry Heart: (CRYING) Opaline was a monster!

Opaline Arcana: I can't believe I did that!

Nico: We were shocked!

I gave Leni and Ed buttered toast and eggs with gravy.

Leni: Oh boy!

Ed: Lets eat!

They got to eating.

Me: Boy you guys are hungry. Especially since it's your big day today Leni.

Nico: Yep.

Sunny came in frantic.

Sunny Starscout: Guys! You aren't gonna believe what we found! Come outside down to the surface!

We went down to the planet and we saw a HUGE SNOWBALL!

Me: WHOA! What a snowball!

Sunny Starscout: It's not just a snowball!

She rubbed off the snow and we gasped! WE SAW THAT IT WAS FLURRY HEART FROM SUNNY'S WORLD! She was entombed in a crystal coffin and just like in my dream she replaced her horn with King Sombra's horn!

Me: Just like my dream said!

Sunny Starscout: It's princess Flurry Heart from my world!

Me: I know!

Nico: We got to get her out of there!

Eli: And we got to get King Sombra's horn off of her too! Stand back.

I unsheathed my sword and pointed the blade at it and it fired a beam of light and it hit the crystal and then it cracked and then shattered and then a massive blast of magic and light blasted out and it hit the Crystal Empire and made it more amazing than ever before!

She woke up for the first time in 1,000 years!

Flurry Heart (G5): (Groans) Where am I?

Me: Flurry are you okay?

Twilight Sparkle: Flurry?

Flurry Heart (G5): (GASP) Aunt Twilight!

They hugged!

Twilight and Flurry: Sunshine Sunshine Ladybugs Awake! Clap Your Hooves and Do A Little Shake!

They did their cute greeting and it was fun.

Me: That is so cute.

Flurry Heart broke down crying and hugged Twilight.

Twilight Sparkle: I know Flurry. We were told everything. I'm sorry.

Me: We got to tell you everything.

We told her everything.

Flurry Heart (G5): Oh man! So its been 1,000 years?

Me: Yeah.

She then saw Opaline with us and gasped. Then her face had a look of rage!

Flurry Heart (G5): YOU! I WILL AVENGE MY MOTHER!

Cadance and Malachite Arcana held her back!

Malachite Arcana: Flurry calm down! She's not that monster anymore!

Nico: It's a long story!

Malachite Arcana: Just calm down and I'll explain it to you! It was back 2,000 years ago.

Flurry Heart (G5): Huh? Who are you?

Malachite Arcana: Oh I'm Malachite Arcana and I am Opaline's sister. But let us explain.

Flurry Heart (G5): Oh. Pleasure to meet you.

Malachite Arcana: It's like this.

She told Flurry Heart everything and it was intense and more and she was shocked!

Flurry Heart (G5): So you traveled for 2,000 years to find Opaline and get her to see the error of her ways?

Malachite Arcana: Yes that's right. Opaline may have done all those terrible things but like it or not she is my sister and I loved her. I know it's going to take some time for you to forgive her but at least give her a chance. She wants to redeem herself.

Opaline Arcana: It's true Flurry and I'm sorry! (CRYING) Words can't express how sorry I am for doing the terrible crimes I did. I'm so sorry Flurry Heart!

She sighed

Nico: Flurry Heart I know it's gonna be hard but at least let her prove it.

Flurry Heart (G5): (Reluctantly) Okay.

Me: There.

Flurry Heart's stomach growled.

Flurry Heart (G5): Whoa am I hungry.

Me: We got a lot of food.

We gave her food and more.

She was REALLY Hungry.

She was eating eggs and cereal and hashbrowns like crazy.

Me: Wow! Being in a crystal coffin for a thousand years made you really hungry.

Flurry Heart (G5): (GULPS) Yeah no kidding.

Me: Lets get this off you first.

I then grabbed the dark horn of Sombra and ripped it off.

SNAP!

Flurry Heart (G5): OUCH!

Me: Sorry. Here.

I used my powers and regrew her old horn back to what it was.

Me: There you go.

Nico: Feel better?

Flurry Heart (G5): (LOUD BELCH) Oh excuse me. I had no idea I was that hungry.

Me: Yeah no kidding. Now to get rid of this dark horn of Evil.

Nico: How?

Me: Like this.

I flew up into space and held the horn in place and then I unsheathed my sword and then swung it and then...

CLASH!

I slashed the horn and it shattered into a million pieces and then a massive explosion of light blasted out! KING SOMBRA'S POWER OF DARKNESS WAS DESTROYED FOREVER! The Crystal Empire was purified! King Sombra who was hiding felt his power get destroyed forever and he was now completely and totally vulnerable!

Me: That did it!

I teleported back.

Me: Good riddance!

Horsea: Nice job!

Me: Thanks. But King Sombra is still out there. He will return but without his power.

Nico: And we'll be ready for him.

Lola: Yep.

Flurry Heart (G5): Thanks guys.

Sunny Starscout: Anytime.

Camie: It's beautiful.

Lola: It sure is.

Girl Jordan: It's awesome too.

Varie: I'll say!

Nico: Burn Dinorex, I want to thank you, Indoraptor, and your teams for coming

Burn Dinorex: No problem Nico. It's gonna be so fun and cool.

Me: It sure is.

Aylene Carter: I'm excited for this. Especially Littlefoot and friends.

Littlefoot: Yeah we are ready for this.

Nico: Littlefoot, do you remember the first time you met your friends?

Littlefoot: How can I forget. That was after the time we had that huge Earthquake.

Me: That was around the time we met Aylene.

Fu: I'll never forget that. That was so awesome.

Ace Ukiyo: What was that like?

Me: It was awesome and adventurous.

I went over what happened in the events of chapter 53 in Loud House Revamped and it was amazing.

Me, Fu, Lincoln and Laney were in the Simulator.

Varie, Starfire, Jessie, Padme, Anakin and Lisa were in the control room.

The Simulator Activated and we found ourselves in a prehistoric landscape.

Me: Oh wow. We're in the Land Before Time.

Lincoln: This is one of my favorites.

Laney: Mine too.

Fu: I've heard about these movies. They were awesome. What year does this all take place?

Me: From the looks of things Fu, I would have to say about 100 million years ago.

Laney: It's a magnificent wonder.

As we walk around we heard some screaming and we saw a young apatosaurus and triceratops and a human girl being chased by a huge Tyrannosaurus.

Me: That's Littlefoot and Cera.

Laney: Who's that with them?

Fu: I don't know. But that Tyrannosaurus is malevolent. The Murderous Intent coming off of him is unbelievable.

Me: I remember him. That's Sharptooth.

Lincoln: Oh no. I remember this. Littlefoot's Mother fights Sharptooth and is wounded badly.

Me: Come on.

We ran to the fight and Littlefoot's mom hit Sharptooth with her tail and he went into a cliff wall with huge force. As Littlefoot's Mother, Littlefoot, Cera and the girl were trying to get away, Sharptooth jumped into the air and as he was about to land on Littlefoot's mother's back, I punched Sharptooth in the face and sent him flying down a hill and we ran to safety. Fu and Lincoln fired bolts of lightning and electrocuted Sharptooth. Fu now has sprouted butterfly wings.

Me: Are you all alright?

?: Yes. Thanks to you all.

Without warning a massive earthquake rattled the land.

Laney: An earthquake!

The earthquake measured at 10.8 on the richter scale. It was so strong that it tore some of the land apart.

Sharptooth got up and tried to chase the girl, Littlefoot and Cera and they were running up a crumbling cliff and the girl fired an arrow into Sharptooth's left eye.

Me: Wow. Good shot.

Littlefoot's mother whacked Sharptooth and he fell into a deep canyon that was as deep as a mountain.

Laney rescued the girl and we got to safety again.

The destruction the earthquake was causing was terrible. Mountains were upheaving, canyons were forming, cliffs were rising and more. The families and heards were greatly affected. Families and heards were separated and divided. Littlefoot, his mother and cera were separated from their heards and parents.

When the earthquake stopped we regrouped and set up camp.

Me: Are you all okay?

Littlefoot: Yes. Thanks to you all and Aylene here.

Me: I'm glad. We should introduce ourselves. I'm James Knudson. But everyone calls me J.D.

Aylene: I've heard about you. You moved to Royal Woods after winning all that money. Sorry I'm Aylene Carter. I moved to Royal Woods 2 months ago.

Me: I thought you looked familiar. I saw you at my school a while ago. It's a pleasure to meet you.

Lincoln: My name is Lincoln Loud. It's a pleasure.

Fu: My name is Fu. I don't have a last name. I'm a ninja.

Aylene: Neat.

Laney: My name is Laney Loud. I'm one of Lincoln's 14 sisters.

Aylene: Wow! You have a big family.

Littlefoot: My name is Littlefoot and I'm a Longneck.

Cera: I'm Cera, a Threehorn and Threehorns never play with Longnecks.

Sona: And I'm Sona, Littlefoot's mother.

Me: It's a pleasure to meet you all. Why was Sharptooth after you all?

Sona: Sharptooth is known as the Walking Terror. No one knows why he became like this and he has killed anyone that got in his way.

Me: Whoa. You guys are very lucky to escape him.

Fu: Aylene how did you get here in the time of the dinosaurs?

Aylene: It was because of my necklace. It's called the Time Stone.

Me: That's cool. Let me check here.

I pull out my legends book and found the Time Stone.

Me: Here it is. It says here that the Time Stone was forged from a human that went to the age of the dinosaurs under mysterious circumstances. The woman's name is Elaine.

Aylene: That's my grandmother. She's been here before?

Me: That's what it says in the book and it appears so. Only a worthy bearer can possess its power and can travel to and from their own time to this time.

Aylene: Incredible.

Littlefoot: So humans have been here before?

Aylene: I think so.

Me: Where are you all trying to go?

Sona: We're are heading to the Great Valley. It is filled with lots of good food, fresh water and many of our kind.

Me: Wow.

Sona: We have to follow the Sun passed the Great Rock that looks like a longneck and passed the mountains that burn.

Me: It sounds like a long way.

Fu: But we will help you get there.

Aylene: You will?

Lincoln: Sure. Friends always are there for eachother.

Laney: Yeah.

Cera: Okay.

Littlefoot: Lets do it.

The next morning the 5 Humans and the 3 dinosaurs set off for the Great Valley.

Fu: Aylene? How do you like it in Michigan?

Aylene: It's totally different than where I used to live Fu. My family and I moved in with my Grandparents. We used to live in Charleston, West Virginia. Michigan is totally new to me.

Me: I know how you feel Aylene. Michigan was new for me too. But I met Lincoln and his sisters and we've developed a very strong bond.

Lincoln: J.D. is like a big brother to me and he is a great friend.

Aylene: That's awesome.

Laney: You have a good shot in archery too, Aylene.

Aylene: Thanks Laney. Oh. I saw you and Fu shoot Lightning from your hands Lincoln. How did you do that?

Lincoln: I have Lightning Powers.

Fu: And I have Lightning Magic.

Aylene: Cool! Fu can you teach me how to do Lightning Magic?

Me: I have the perfect magic for you.

I pull out a book on Fire Magic.

Aylene: Fire Magic? Neat.

Aylene studyed the book.

We arrived at a small lagoon by a lake to rest.

Me: Cera why can't Threehorns play with longnecks?

Cera: I don't know. My dad never really told me the reason.

Fu: That's strange.

Lincoln: If you ask me, I think being with only one of your kind doesn't seem very fair.

Cera: I agree with you Lincoln.

Sona: I'll try to see if we can get together.

A swimmer jumped out. It was Ducky.

Ducky: Hello.

Me: Oh hello.

Ducky: What are you all doing?

Me: We're resting before we continue on to the Great Valley.

Fu: Have you been separated from your family too?

Ducky: Yep. I lost my family in the big earthshake.

Lincoln: Oh no.

Laney: I'm sorry.

Aylene: The earthquake took your family away too? That's terrible.

Sona: I'm sorry little one.

Littlefoot: You want to go with us?

Ducky: Yeah! Oh. Oh yes, yes, yes. I do. I do.

Sona: All right but you have to keep up.

Ducky: I will keep up. I will.

After they introduced themselves they continued on.

Along the way they met an aerophobic Pteranodon named Petrie and a baby Stegosaurus Ducky named Spike.

There had never been such a heard before. 5 humans, 2 Longnecks, a Swimmer, a Flyer, a Threehorn and a Spiketail all together.

After having some food they rested for the night.

In the morning Cera woke up and heard a Tyrannosaurus roar.

I heard it too.

Me: It can't be.

I fly up and I see Sharptooth alive.

Me: Guys wake up! It's Sharptooth! He's still alive!

We ran and got away from him.

Me: [Panting] That was close.

Aylene: How could Sharptooth have survived a huge fall like that?

Lincoln: I don't know.

Littlefoot: I don't know but we're safe now.

Sona: Thank goodness.

They wound up at a sight they were supposed to go to.

Littlefoot: Hey. It's the rock that looks like a Longneck.

Me: One of the landmarks we're supposed to go passed in order to reach the Great Valley.

Aylene: We're on the right track.

Sona: Yes we are.

We climbed up a rocky hill and we saw a huge canyon.

Me: This place is creepy.

Aylene: Hey look. Those footprints.

Lincoln: These tracks belong to other dinosaurs.

Littlefoot: You're right Lincoln.

Me: We're getting very close.

Sona: We still have to pass the Mountains that Burn.

We pressed on and we arrived in a big volcano field.

Me: These are the Mountains that Burn? This is a volcano field.

Aylene: Yeah. This place is really dangerous.

Sona: Everyone stay together. We can't get separated.

Aylene: Okay Mrs.

Littlefoot: Yes mother.

We made it passed the Volcanoes and crossed a big pond but then we heard a familiar roar.

Petrie: AAAHH! SHARPTOOTH!

We hid behind a rock and Sona hid in the mountains.

Littlefoot: It's Sharptooth all right.

Aylene: He must've followed us.

Cera: Of course he followed us! I told you: once Sharptooth chooses his prey, he won't stop until he gets it!

Aylene: Oh I believe you on that one.

Me: I don't know about you guys but I have had it with this creep.

Fu: Me too.

Littlefoot: Lets get rid of him once and for all.

Aylene: I'm with you Littlefoot.

Me, Fu, Lincoln and Laney agreed.

Cera: Are you guys crazy?! No one has ever defeated Sharptooth before! Sure we've managed to escape from him, but that was mostly pure luck! We should just find a way around him.

Me: No. If we do that he'll just continue to chase us, even if we get to the Great Valley.

Aylene: I agree with you J.D. and frankly, I'm sick of this monster. I'm not going to let him hunt us down anymore.

Fu: Me neither.

Lincoln: If we work together, I'm sure we can defeat him.

Laney: Yeah. There's strength in numbers.

Ducky: But what'll we do?

Littlefoot scanned the area around them. Once he had a good view of what was available to them he got an idea.

Littlefoot: Look. We'll coax him to the deep end of the pond. He can't swim with those scrawny arms. Cera, Spike and I will go up there and push that big rock on top of his head and then he'll fall off into the water.

Me: Good plan Littlefoot. The rest of us will provide cover fire.

Aylene: Good idea. Petrie, you whistle when he's just at the right spot: where the water gets dark.

Petrie: You can count on Petrie.

Cera: What about you Aylene?

Aylene pointed to a ledge just above the pond. It was the opposite of the ledge with the boulder that Littlefoot was planning to use.

Aylene: I'll station myself up there and cover you guys with my fire magic and arrows. If Sharptooth attacks you, we'll distract you.

Me: Good idea, Aylene. Me, Fu, Lincoln and Laney will provide aerial cover fire.

Littlefoot: Perfect. Now we just need some bait.

We all turned our heads to Ducky.

Ducky: ME?! Oh no! No, no, no, no! No, no, no, no!

Cera: Relax, Ducky. All you have to do is lure him out here and we'll take care of the rest.

Aylene: Besides, once you get out here, you'll be in your element. You can swim and he can't. You'll have the advantage.

Aylene looked out from behind the rock and saw that Sharptooth was climbing up higher toward the peak of the small mountain. She followed the line of his intended direction and saw a black opening in the side of the mountain.

Aylene: Looks like he's heading for that cave, If we're going to do this, then we better get ready while we can.

Lincoln: Okay. Operation: Destroy Sharptooth Once And For All, is a go.

Me: Lets do it.

Cera: Wait. Where's Littlefoot's mom?

Me: Oh she's over there.

I pointed to where she's hiding.

Me: Okay. Lets go.

Ducky was all alone as she made her way up towards the cave where Sharptooth had just entered. Keeping herself in the shadows, she tip-toed to a rock big enough to hide herself and ducked down.

She shivered and crouched as Sharptooth suddenly stopped and growled. She peeked over the rock and noticed that he was looking in the opposite direction. She knew she had to get him out of the cave and down near the pone where the others were waiting. The question was how to do it without becoming his next meal.

She took a deep breath and prepared to do something that would be considered desperately stupid.

Ducky: AAAAAHHHHH!

She quickly fell behind the rock again as her scream caught Sharptooth's attention. He jerked up in alert and began to scan the cave.

Shivering and her heart pounding hard, Ducky peeked over the rock again. This time Sharptooth was gone. She didn't hear him make any steps, but he had somehow snuck away. She began to listen for him, but the sound she heard was water dripping down from the ceiling.

She thought that Sharptooth had just vanished. As she stepped back slowly she was losing her nerve and decided to leave. When she was about to turn...

BOOM!

Sharptooth had leapt behind the little Swimmer from out of nowhere!

Ducky ran and they both slid down the slope and she and Sharptooth crashed into the Shallows of the pond.

Ducky swam underwater and hid under some rocks.

Petrie gave the whistle to alert Littlefoot, Cera and Spike that Sharptooth was where they needed him to be. After about four tries he finally succeeded.

Littlefoot, Cera and Spike started pushing.

I fired a a red beam of light and it hit Sharptooth in the side and burned him.

Me: Take that!

Fu fired a lightning bolt and it him in the mouth and made his jaw hang open numb.

Aylene fired a stream of fire and it hit him in the leg and burned him.

Laney entanged Sharptooth in bramble vines that were sharp and they were hurting him like crazy.

Sharptooth's tail hit the rock Aylene was on and nearly knocked her off.

But she got back on and she saw that Littlefoot, Cera and Spike had almost pushed the rock off.

Aylene was looking at the intense battle with terror and knew she had to do something or it would spell disaster for her friends. She got to her hands and knees, Shook her head and looked up fearfully and saw the situation. She had to do something and she had to do it now.

Aylene: I promised!

She desperately reached deep inside and seized her inner strength.

Aylene: I PROMISED!

She grabbed her bow, quickly stood up took out an arrow and strung the arrow with all the strength she had.

Sharptooth was in just the right position she needed to make this shot work. She only has one chance at this. She had to make it count.

Aylene: SHARPTOOTH!

Sharptooth turned in her direction and she released the arrow and it hit it's target.

Right through Sharptooth's heart.

Me: Bullseye!

Lincoln: Yes!

Laney: All right Aylene!

Fu: Way to go!

Sharptooth let out a howl of pain and the monster staggered. Littlefoot, Cera and Spike pushed the rock off the ledge and it hit Sharptooth in the head. The T-Rex's life was just about drained.

Me: Laney, now!

Laney: You got it!

Laney lifted Sharptooth up with her vines and threw him into the water with a tremendous splash.

We all watched as Sharptooth sank down to the bottom of the pool. As the giant ripples faded, there was a stream of dark red emerging from the depths.

Me: We did it. We won!

But then the sound of crackling was heard and I saw the rock Aylene was standing on beginning to topple. The rock tipped over and Alene plummeted into the water along with the ledge disappearing under the surface.

All: AYLENE!

We all raced towards the pool and Sona came out.

Cera: Can Aylene swim?

Littlefoot: I don't know! I hope so.

Aylene's bow was floating on the surface. But there was no sign of Aylene herself. Sadness began to grow as we thought we lost her.

But suddenly, from the center of the pool, small bubbles began to form. With each second more and more appeared. We all stepped back fearful about what might come from those bubble.

Finally to our amazement, Aylene bursted out of the water like a mermaid and gasped for air.

Me: Aylene!

Laney: She's alright!

We all cheered for joy and relief as Aylene grabbed her bow and swam to shore. When she got there, she crawled out, coughing up water and struggling to fill her lungs with air again.

Me: Aylene!

I hugged her.

Me: Thank goodness you're alive!

Aylene: Of course... I'm alive. [Shivering] It'll take more... than a drop in the water... to keep me down.

Littlefoot: We're so glad you're alright. You had us worried there.

Aylene: I'm sorry.

Aylene embraced all of us.

Aylene: I'm just glad you're all okay.

Lincoln: Me too.

Cera: What about Sharptooth?

Aylene: He's dead. I saw him sink to the bottom. He won't be troubling us anymore.

We went to the cave in the mountain to rest for the night. At long last: Sharptooth, the "Walking Terror" of the land, was finally defeated.

The greatest miracle was that Petrie can now fly.

The next morning we continued on and we went up a hill and we saw an enormous landscape. Just below them was a huge valley with lush green meadows, lots and lots of trees of varying sizes, and several waterfalls flowing down crystal blue rivers and streams. A sweet, heavenly smell of wildflowers swept up in the wind as if to welcome them to their new home.

It was the GREAT VALLEY.

Littlefoot: The Great Valley!

Me: We found it!

Cera: We sure did!

Ducky: Yep, yep, yep!

Sona: Welcome home everyone.

Littleffoot: We did it! We did it together!

We rushed down the cliffs and spread out.

Ducky and Spike headed straight towards a stream of fresh water and plunged in.

?: Ducky, is that you?!

The little swimmer snapped her head up and looked at the voice that called her name. Happiness rushed through her as she saw her mother and siblings near the edge of the river. She had found her family and they were safe.

Spike skidded to a stop near the family of swimmers and smiled.

Ducky: This is our new brother Spike!

Spike was adopted into Ducky's family.

Petrie flew up to the top of the trees and found his mother as well as his siblings. All of them were safe and sound.

Petrie: Mama! I a flyer!

Petrie's mom caught him as he flew into her arms and embraced him with joy and happiness. The flyer's siblings all cheered as they all saw that their brother had finnal returned.

Cera: Daddy!

Cera's Dad: Cera?!

Cera raced straight through a patch of flowers and when she reached her father, he looked at her with astonishment. He then gave a genuine smile and lovingly nuzzled her, and she returned the gesture.

Me, Fu, Aylene, Lincoln, Laney, Sona and Littlefoot found Littlefoot's Grandma and Grandpa.

Littlefoot: Grandma! Grandpa!

Both: Littlefoot! Sona!

Littlefoot's grandpa and grandma were happy that they were both alright.

Littlefoot: Aylene, J.D., Fu, Lincoln and Laney helped get us both here.

We bowed modestly.

Me: We we're happy to help.

Grandma: Thank you so much.

Aylene: You're welcome.

I revealed how to use the Time Stone for Aylene and it proved to be a way to travel back and forth from our world to the age of the dinosaurs.

A vortex appeared and sucked Me, Fu, Lincoln and Laney in and the exercise ended.

Surprisingly I discovered that Aylene and her family live right next door to us.

Me and Varie walk over and she saw me.

Aylene: J.D.!

She hugged me.

Me: I didn't know you live right next door to me, Aylene.

Aylene: Neither did I. [Sees Varie] Oh, I don't believe we met.

Varie: My name is Varie. I'm J.D.'s fiance.

Aylene: Congratulations you two.

Me: Thank you.

Aylene: Let me introduce you to my family.

Aylene took me and Varie into her huge mansion.

Aylene: J.D., Varie, This is my father Jonathan.

Me: Pleasure to meet you.

Varie: Same here.

I shake his hand.

Jonathan: Likewise J.D. I've heard so many big things about you.

Me: I can tell alot of people have heard about us.

Aylene: This is my mom, Elinor.

Varie: It's a pleasure.

Elinor: Same here. Are you and J.D. close?

Me: We are engaged and we have 10 years to prepare.

Jonathan: Congratulations you two. You have alot of planning.

Me: I know.

Aylene: This is my brother Derek.

Me: I know your brother. We go to gym class together.

Derek: Yeah. J.D. and Varie are truly a force to be reckoned with.

Aylene: That's cool. These are my grandparents Elaine and Richard.

Me: It's a pleasure to meet you both.

Elaine: Same here J.D.

Aylene: Grandma, we need to talk. You, Me, and J.D.

Me: Varie can come too.

In Aylene's room, Aylene told Elaine what happened with her in the Dinosaur World and how we all defeated Sharptooth.

Elaine: Did you say his name was "Sharptooth"?

Me: Yeah we did. Did you encounter him before?

Elaine: Just continue on. I'll tell you once you are done.

Aylene continued on with her story. She told her how we met, Sona, Littlefoot, Cera, Petrie, Ducky and Spike, our Journey to the Great Valley, our Encounters with Sharptooth, and how we defeated Sharptooth for good.

Aylene: After that, we found the Great Valley and the Time Stone allowed me to come home.

Elaine was bewildered and amazed.

Aylane: Grandma?

Elaine: Aylene, you, J.D. and your friends are going to become legends in that world.

Aylene: What do you mean?

Elaine: Sharptooth has plagued that land for many years. Many have tried to take him down. But they were unsuccessful. That is until now.

Me: Whoa. I had no idea Sharptooth was that ruthless.

Varie: Me neither.

Aylene: How do you know that?

Elaine: Because, I fought Sharptooth before.

Aylene gasped.

Me: I did not know that.

Elaine: Yes. When I was a little bit older than you Aylene, my dinosaur friend - who was a Diplodocus - and I tracked Sharptooth down and found him attacking the Great Valley.

Aylene was shocked. Sharptooth had been to the Great Valley before?!

Elaine: It was a long battle, but I managed to get a few shots in him and my friend managed to knock him down into the gorge.

Me: Wow. That's incredible. So we aren't the only ones that went to the Dinosaur world.

Aylene: Yeah. But wait, I didn't know you knew archery.

Elaine: Believe me, you didn't just get your skills from grandfather.

Aylene: Does grandpa know about this?

Elaine: No. I met him after all these events happened. I have thought about telling him several times, but I just never knew how. Plus, I can't exactly show him either.

Aylene: Why not.

Elaine: When my friend and I found out that Sharptooth was still alive, we planned to track him down and defeat him once and for all.

Although he was injured from our previous battle, he was still a threat to that world. But before we could do anytrhing, the Time Stone stopped working for me. I couldn't go back no matter how hard I tried. The only thing I could think of was that I had become too old or that... it was time to pass the stone onto the next successor.

Me: And we helped Aylene after she arrived there and helped her, Littlefoot, Cera, Ducky, Petrie and Spike defeat Sharptooth once and for all. Finishing what you couldn't accomplish.

Elaine: That's right. And I am truely grateful for that.

Aylene: I know how you feel grandma.

Elaine: Oh Aylene, you're still young. The Stone should still work for you.

Aylene: What, Really?!

Elaine: I didn't just use the Time Stone once, you know. I may not know why it stopped for me, but you should still have the ability to use it.

Elaine taught Aylene to use the command "Portal Open" and it will help her get to the Dinosaur World and back.

Aylene now called that world The Land Before Time.

When it was done everyone that hadn't heard about it was in awe.

Ace Ukiyo: WHOA! That is incredible!

Neon: Yeah! And you guys destroyed Sharptooth? That is amazing!

Camie: It sure is.

Juran: Man, that must've been one massive dinosaur!

Me: He was! He was a monster though. Sharptooth was terrible.

Aylene Carter: He was. But it was fun.

Littlefoot: And we reunited with everyone in the Great Valley.

Me: Yeah and we've had a lot of great adventures in the Great Valley and beyond.

Ducky: We sure did. Yep yep yep.

Petrie: Me remember.

Cera: That is for sure.

Lincoln: It sure was fun! (Groans in pain) (Rubs his butt)

Me: You okay Lincoln?

Lincoln: Yeah just sore. Billie put another rebellion chip on me and it was removed earlier.

Me: I'm glad we got it out.

Nico: Same here.

Cera: It's funny how we're discussing yesterday here.

Me: I know. But yesterday was so fun Cera.

Nico: I know. But now we are finally rid of Victor Veloci forever.

Laney: Good riddance.

Xenia: Yeah no kidding.

Lola: Yeah!

Nico: I really wanted to know what velociraptor tastes like.

Me: BLECH! That would not taste good.

Eli: Yeah I agree there. Besides I think Victor Veloci would not taste good.

Me: Yeah because A) he was made that way because of that mutagen and B) he would taste like how you ate Kamen Rider

Wiseman.

Nico: Okay okay you got a point there.

Maria: But at least the Dino Squad's problems are finally over

Me: That is for sure. But also seeing Vakama's Akuma was incredible!

Nico: He was a huge and enormous volcano!

Qin: He sure was!

Lola: Yeah!

Nico: That was cool though.

Horsea took a deep breath.

Horsea: Ahh! It's so beautiful here.

Zarya: It sure is.

Me: I hope we run into Mathis here. I want to give him a good punch in the face for calling Namine ugly.

Nico: Yeah that jerk!

Qin: He had it coming.

Lola: Yeah!

We then saw him.

Me: Speak of the devil.

I then went up to him and put my hand on his shoulder. He saw us.

Me: Remember us jerk?

Mathis: YOU! Where's the ugly...

POW!

I punched him in the face and sent him crashing into a bunch of trash cans!

Me: That was for calling Namine ugly!

Namine: I'm not ugly!

Me: Who the hell do you think you are!? Bullying people for how they look? Well news flash for you pal. YOU ARE THE UGLY ONE!

All of us: YEAH!

Xenia: YEAH!

Mathis growled in rage!

Namine: I've got a bone to pick with you Mathis!

Mathis: So the ugly duckling wants to fight! Too proud to fight me or are you a coward?

Namine: How about you come a little closer and say that to my face!? Unless of course you're chicken!?

Mathis: ARE YOU CALLING ME CHICKEN!?

Namine: YEAH! And I eat chickens like you for breakfast!

Mathis: I WILL KILL YOU!

HE RAN AT HER WITH EXPLOSIVE FURY!

But then...

KRABLAM!

She kicked him in the face and sent him crashing through a building and he was in a lot of pain!

Namine: Fine! I'm ugly and I'm proud!

Patrick: Good! Say it louder.

Namine: [louder] I'm ugly and I'm proud.

Patrick: Louder.

Namine: [louder] I'm ugly and I'm proud.

Patrick: Louder!

Namine: [yelling] I'm ugly and I'm proud! [pan over to a man's roof, where he's tanning] I'm ugly and I'm proud! I'm ugly and I'm proud!

Man: Is that what she calls it?

Back with us Namine was awesome.

Me: You were awesome Namine!

Namine: Thanks. I feel like I turned into a beautiful swan.

Horsea: Of course you have!

Me: Yeah!

Namine: That felt great! I feel empowered!

Patrick: You sure do! Just remember what I do when I have problems... (SCREAMS) SCREAM!

Nico: YEAH!

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here on Gemina, but here's the bad news: it appears our old enemy, Necrafa, is back.

WE GASPED!

Me: WHAT THE?! Necrafa's back?!

Nico: I knew it was only a matter of time. Now, we can get rid of her.

Zarya: Hold on, Nico. There's something we got to tell you.

Just then, Arkayna, Piper, Emerald, and Galatea Gemina arrived.

Arkayna: Zarya's right. You see, there's something else you should also know about Necrafa, she wasn't always The Lich Queen we all know and despise. You see, centuries ago, she was an elf who had a good life, but all that changed when she found that evil mask that turned her into The Lich Queen.

When we heard that bit of info, we were shocked!

Lincoln: So, it's because of that evil mask on her face, that's why she's like this?! Oh man, we got to save her from herself and get that mask off of her and destroy it!

Me: You said it, Lincoln. Plus, I'm going to get her to yell at me and tell me how much she hates me, and then, I'm going explode in power to a whole new and ultimately all-powerful transformation.

Nico: Just like during the battle against Xehanort last year, that's awesome!

Galatea Gemina: This is gonna be good. But, we also got severe news: it appears Billie Muldoon in her madness has brought back Tazma Grimm and she had a witch put a curse on her to kill her once her usefulness is done!

WE GASPED IN HORROR AND AFTER WE FOUND OUT, FLAMES APPEARED BEHIND US!

Qin: WHY, THAT PITCH BLACKHEARTED, COLD-BLOODED, MONSTROUS DELUSIONAL INSANE ALPHA BITCH!

Eli: THAT GOOD-FOR-NOTHING BITCH! WE OUGHT TO TAR AND FEATHER HER!

Nico: (In Foghorn Leghorn's Voice) HANGING, I SAY, HANGING'S TOO GOOD FOR HER!

WHEN BILLIE MULDOON FOUND OUT FROM FAR AWAY IN JAPAN THAT WE WERE ON TO HER, SHE SCREAMED IN PURE RAGE!

Lincoln: Yeah, that's right, keep screaming in rage at us, Billie. You're just going to make things a lot worse for yourself.

Just then, the rest of the team arrived thanks to Lincoln's message.

Ed Cowart: We got here as fast as we could.

Lori: And we heard everything, so we got to destroy the mask that turned Necrafa into The Lich Queen, and I can't believe Billie Muldoon dared to use witchcraft to bring Tazma Grimm back, and she literally had a witch put a curse on her to kill her.

Lincoln: We're going to remove the curse on Tazma and send her to The M.O.E., that way, Vypra can keep a close eye on her, so she doesn't try to seek revenge on us yet again.

Me: Good idea, after all the times we've beaten her up, she's no longer worthy of death.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility,

testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Necrafa and Tazma Grimm) AHA! There you are! I just spotted Necrafa along with Tazma Grimm, they're 20 yards away, but they're heading right for us in a fit of rage.

Nico: Let's get them!

Shanan heard a Pokemon cry.

Shanan: Look guys.

We saw a Serperior.

Me: Whoa! A Serperior.

Shanan: She's hungry too.

Serperior: Yeah.

Shanan gave her some food.

Serperior: Thank you.

She ate it.

Shanan: You're welcome. Want to come with us?

Serperior: I would be honored.

Me: Awesome!

Nico: Great!

Me: Cool.

Lola: Look there!

We saw an Uxie!

Me: WHOA! An Uxie!

Nico: One of the Lake Trio!

Me: Yep.

Qin: Yeah!

Silver Spoon: Wow! Let me see.

She used her Telepathy and gasped!

Silver Spoon: That's my sister Golden Chalice!

Nico: WHOA!

Silver Spoon: Lets go help her!

Me: Right!

Me and Silver went to face her.

Silver Spoon: Golden! It's me Silver Spoon!

All Uxie did was use Mystical Power And fired an energy blast.

We dodged it.

Me: WHOA!

I fired waves of lightning and electrocuted her.

Silver Spoon: We got to help her.

Silver Spoon fired waves of light and blasted her all over.

Me: How about this!

I fired waves of energy and smashed her.

I then snapped my fingers and she reverted back and had gold hair, purple eyes and had yellow angel wings and had Uxie in the middle of her forehead and had a golden version of Silver Spoon's cutie mark on her arm. Me and Silver Spoon caught her and wrapped her in a blanket.

Me: Wow! That was cool.

Silver Spoon: It sure was.

We brought her over and put her on a bench.

Arkayna: That was awesome though.

She woke up.

Golden Chalice: (Groans)

Silver Spoon: Golden?

Golden Chalice: Silver Spoon? (Gasp) Silver Spoon!

She hugged her.

Golden Chalice: Wow Silver you've gotten so big.

Silver Spoon: I know. I've changed a lot too.

Golden Chalice: You sure did.

Me: You were turned into an Uxie by Dark Gale.

Golden Chalice: Oh man! I remember.

* * *

She was in a yellow suit and injected and then she turned into Uxie! She flew out of there!

FLASHBACK ENDS

Golden Chalice: It was awful.

Me: Well we're going to kill them soon.

Camie: Yeah.

Nico: What's your role in Sonya's team?

Golden Chalice: I'm one of the Psychic three of the team. I use psychic powers to make our enemies go nuts.

Me: Like the murderous insanity of the Necromorphs.

Golden Chalice: Exactly. Outside the team I am a goldsmith and make jewelry.

Me: Cool!

Lola: Nice.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome new yellow clothes and she had a yellow hair bow in her hair and also in her braid and had a gold sword.

Golden Chalice: I look awesome!

Me: You sure do.

Nico: Now for other business.

We then took off into the air and we set out to free Necrafa from herself and destroy the mask on her face and take down Tazma Grimm and remove the curse Billie Muldoon put on her and throw her to The M.O.E. for an eternity of forced servitude.

We were flying in the air, and we spotted our targets: Necrafa and Tazma Grimm, and boy, were they out for revenge and they were absolutely insane.

Lincoln: That's right, keep ranting!

Lincoln fired waves of rainbow, white, golden yellow, and blue energy from his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings and they hit Necrafa and Tazma Grimm and they screamed in pure fury at us as we landed.

Me: You've got some nerve coming back, Necrafa, same with you, Tazma Grimm!

Nico: Even after we stopped you two years ago, we thought you'd be a forgotten memory, guess we were wrong.

Lincoln: But, that ends here and now.

Tazma Grimm: We'll see about that!

Necrafa: You will all pay for what you did in humiliating and destroying me!

Me: You had it coming!

Necrafa and Tazma Grimm were about to attack, but Sebastian summoned two demonic hands that grabbed Tazma Grimm and Necrafa and he was strangling them: HE WAS TRYING TO KILL THEM!

Eli: What the?! Sebastian, we're trying to save Necrafa and send Tazma Grimm to The M.O.E.

BUT, THEN, SEBASTIAN SLASHED ELI IN THE FACE WITH HIS GREATSWORD LEAVING A SCAR ON HIS CHEEK AS BLOOD RAN DOWN HIS FACE, AND SEBASTIAN HAD A DEMONIC SHIT-EATING GRIN ON HIS FACE WITH A MOUTH FULL OF FANGS SHOWING! THAT WAS THE LOOK OF A TRAITOR!

Suddenly, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell, and Gabriel Maxwell walked up and Caleb Maxwell grabbed Sebastian and threw him into a nearby lamp post and crashed into it freeing Necrafa and Tazma Grimm. Then, Lincoln fired a beam of light that cured Tazma Grimm of the curse the witch put on her on the orders of Billie Muldoon and he tied her up and threw her to The M.O.E. where Vypra was waiting and she threw her in a cage.

Lincoln: That's it for Tazma, now for our big target: Necrafa.

Sebastian Mendez: Don't be so sure, losers!

Suddenly, Lincoln saw an incoming army of thugs heading for us no doubt Sebastian had them ready in case he was planning this, and then, he stabbed them in the chests with his tails and sucked our their souls and life energy until they turned into dried up aged and withered corpses and exploded into dust.

Lincoln: (Smirks) You were about to say, psycho?

Sebastian Mendez: (DEMONIC GROWL)

Me: Alright, let's get Necrafa.

Lincoln used telekinesis and lifted Sebastian off the ground and sent him flying into Necrafa and they both crashed into a tree, they got back out, but Necrafa had scars on her. Then, Goku, Gohan, Goten, Trunks, and Vegeta transformed into their Super Saiyan 4 forms and then, we saw blood tears come out of the corners of Sebastian's eyes as he screamed and howled in pain.

Sebastian Mendez: (SCREAMS IN PAIN) NO! DAMN IT!

Me: Was that?

Goku: That was a little curse that was put on Sebastian nine years ago courtesy of Selene Arcangela in case he hadn't changed, when we transform, that causes blood tears to pour out of the corners of Sebastian's eyes and he suffers from pain.

Caleb Maxwell: Let's see them survive this!

Caleb Maxwell summoned armies of vampire bats, and they really tore at them with their talons and fangs.

Buster Bunny: That'll teach them, but let's see them survive this!

Buster Bunny formed a massive red energy ball and condensed it to the size of his body.

Luna: (GASPS) No, dude! Get rid of that!

Buster Bunny: (Smirks) Okay, if you say so. NEGATIVE KARMA BALL!

Buster Bunny fired the energy ball and it hit Necrafa and Sebastian Mendez and it exploded with incredible power, and they were really mangled.

Caleb Maxwell: Must you always make things go from bad to worse?

Buster Bunny: (Points to Necrafa and Sebastian Mendez) That witch and that psychotic moron started it.

WHAM! WHAM!

CALEB MAXWELL HIT NECRAFA AND SEBASTIAN MENDEZ ON THE HEAD WITH HIS LARGE TWIN PISTOLS AND LEFT A BIG LUMP ON SEBASTIAN'S HEAD!

Sebastian Mendez: (SCREAMS) YOU LOUSY, CARROT-CHEWING VERMIN! (AND HE CAUSED A SEVERE STORM OF SWEARS, EXPLICIT THREATS, AND CURSES)

We laughed.

Lincoln: That was good. (Smirks) But, so's this!

SCREECH! LOUD CRACK!

LINCOLN SCRAPED HIS GOLD-ARMORED CLAWS ON A CHALKBOARD AND CRACKED HIS KNUCKLES!

Necrafa: (SCREAMS)

Sebastian Mendez: (ENRAGED DEMONIC SCREAM) MAKE IT STOP!

Ed and Mascots: WHAT A PEST!

Edd: That's disgusting.

Ed and Mascots: MAKE HIM STOP!

WE WERE LAUGHING OUR BUTTS OFF!

Me: Oh! Oh man, now that's just hilarious!

Ed: So this. (Gets out a large onion)

Ed: The more you peel away its layers, the more it stinks. (ED OPENS HIS MOUTH AND A LION ROARS)

THEN, HE TAKES A BIG BITE OF HIS ONION!

Eddy: WOOHOOHOOHOO! HE'S GONNA HIT THEM WITH ONION BREATH! TAKE COVER!

Ed: Watch me. (EXHALING STINKY BREATH AT NECRAFA AND SEBASTIAN MENDEZ) HI, GUYS!

Me and Nico: WHOO! ONION BREATH! P.U.!

Sebastian Mendez: YOU FUNNEL-BRAINED MUNG-MOUTHED NITWIT! I'M GONNA KILL YOU AND I'LL ENJOY SEEING LENI'S HEART BREAK WHEN SHE SEES YOU DEAD AT MY HAND! (LAUGHING EVILLY)

Leni: Okay, that totes did it! I may be the nice girl, but when you threaten my future husband, you just crossed the line!

Lincoln, Lori, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, and the entire Loud Family: (Smirks) You're literally screwed now! Now, you're about to get a Loud House beatdown from Leni!

Leni fired gravity blasts and energy at Sebastian and he got badly hurt, and that just made him even more angrier.

Vegeta: Don't waste your energy on him, Leni, save it for Billie Muldoon. Boys, if you would.

Caleb Maxwell: On it.

Me: Come on you bitch!

But, before he could attack again, Lincoln punched him hard in the stomach and knocked him down, but before Lincoln could tie him up, Sebastian threw a boiling pot of coffee at his harem and they got badly burned and he escaped as he laughed demonically.

Lincoln: Sebastian, you out-of-control inhuman monstrous toxic bastard! If we ever see your hide ever again, I'm gonna kill you! You hear me, you freak!

Lincoln healed the burns of his harem with a kiss.

Serperior charged at her.

Me: You should be!

Lincoln: (Smirks) I'm afraid the fear in your voice already clear evidence of that. But, he's not the only one about to transform.

Suddenly, The Mysticons' power and energy was rising astronomically, the same with Galatea Gemina.

Arkayna: That's right. Now, it's our turn.

Zarya Moonwolf: We're ending this for good, Necrafa.

Piper: And we're getting rid of that evil mask that turned into this.

Emerald: All this time, it was that evil mask of yours that turned you into this, but this is where it ends.

Galatea Gemina: This is where we end our conflict once and for all, Lich Queen!

Me: Time to end this! I WILL NEVER FORGIVE YOU FOR ALL YOUR CRIMES! (ROARS IN EXTREME FURY AND RAGE!)

I released the ultimate extent of my new ultimate power to the extreme and it was more powerful than ever before! I VOWED THAT I WOULD MAKE SURE THAT NECRAFA SUFFER BEYOND-INFINITY-FOLD FOR HIS CRIMES!

Lincoln, Arkayna Goodfey, Zarya Moonwolf, Piper Willowbrook, Emerald Goldenbraid, Galatea Gemina, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Necrafa and Sebastian Mendez, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, colored, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Necrafa and Sebastian and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Arkayna Goodfey, Zarya Moonwolf, Piper Willowbrook, Emerald Goldenbraid, and Galatea Gemina did the same by firing colored, white, golden yellow, and blue energy slashes from their gold plated claws and massive greatswords, and Lincoln, Arkayna Goodfey, Zarya Moonwolf, Piper Willowbrook, Emerald Goldenbraid, Galatea Gemina, Crash Bandicoot, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and this was making Necrafa and Sebastian even angrier than ever.

Then, I fired massive rainbow, white, golden yellow, and blue energy blasts and purifying magic that blasted Necrafa's mask off as she let out a scream of pain, and then, she transformed back into her true form: an elf, but she was really tired and weak and exhausted to the point of wanting to sleep for days.

Lincoln caught her and brought her to Varie who sent her to The Infirmary back at The World Tree Estate.

Eli: She's gonna be alright. Nice one, big bro!

Necrafa's mask then took form of Necrafa!

Me: I knew this was coming!

Qin: Uh oh!

Me: It's over Necrafa. You're finished!

I flared up my aura.

Necrafa got up and she was building up her power to incredible levels and she was incredibly enraged.

Necrafa: IF I CAN'T HAVE THIS MOTHERFUCKING UNIVERSE, THEN NO ONE CAN!

Me: You will pay for everything you did Necrafa! (Cups hands to Side) TIMES 100,000,000,000,000,000,000,000,000,000,000 SOLAR KAAAA! MEEEE! HAAAA! MEEEE!

Necrafa: NOW YOU ALL DIE!

She fired a massive stream of pitch black energy from her hands and I fired a massive Rainbow Solar Kamehameha blast.

Me: HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive Rainbow Kamehameha Wave of incredible power.

Krillin sensed the incredible amount of power coming from the blasts.

Krillin: That's way too big! Lets go!

Everyone flew away from the blast area. The blasts collided and a massive power struggle began. Once everyone got to a safe distance they saw the struggle that was taking place.

Krillin: They're gonna change the shape of the whole universe!

Piccolo: Necrafa!

Varie: What power! Come on guys! Lets help J.D. out!

Goku: Right!

Everyone went to distract Necrafa so I can finish her off once and for all.

(DBZ Calling The Dragon theme plays)

They landed on different sides.

Piccolo: SPECIAL BEAM CANNON!

He fired his Special Beam Cannon and it hit Necrafa in the back.

Tien: TRI-BEAM!

He fired a yellow energy blast and the rest of the Z Fighters fired energy blasts.

Sailor Soldiers: PLANET ETERNAL POWER!

The Sailor Soldiers combined their power and fired a massive white energy blast.

Nico fired a powerful blast of fire energy and it hit Necrafa. The blasts hit Necrafa and it provided some form of distraction.

Me: I've got to reach deeper! (Intensifies blast) HAAAAAAAAAAAAAAAAAA!

Necrafa was being pushed back and she intensified her blast.

Me: I'VE HAD ENOUGH OF YOU NECRAFA!

Necrafa: You're all so anxious to die aren't you? Well all you had to do was ask!

She fired a blast of energy wind and blew them all away.

Me: I HATE YOU NECRAFA! (INTENSIFIES BLAST) HAAAAAAAAAAAAAAAAA!

Necrafa intensified her blast. Lightning struck all over the area from the blast.

Everyone fired back at Necrafa!

Necrafa: WHY CAN'T YOU PEOPLE JUST STAY DOWN!?

She fired more energy wind and blew them away again.

But they kept getting up and fired more blasts.

Necrafa: They just keep lining up to die!

They fired more blasts at her.

Necrafa fired more wind.

Necrafa: NO CHANCE! YOU HAVE NO CHANCE!

She intensified the energy wind even more and blew them away.

Will: We have to combine all our Guardian Powers on Necrafa. Vegeta we have to help J.D.!

Vegeta: You know it Will!

Arkayna: Lets show the power of the Mysticons!

They flew above Necrafa and Vegeta charged up his blast.

King Kai felt the enormous power of our blasts and something was gonna happen!

King Kai: OH NO! GEMINA IS GONNA BLOW!

The power of our blasts was so strong and powerful that it was threatening to tear the entire planet apart!

The ground was shaking apart and earthquakes were going on all over the place!

Lincoln: The Planet is gonna explode!

The parents of the Guardians were rooting us on.

Susan: YOU CAN'T TAKE MY WILHELMINA AWAY FROM ME! SHE'S MY BABY AND NO ONE CAN TAKE HER AWAY! (CRYING)

Tom: Right! J.D. Won't let that happen because he is unbeatable! He won't let our babies be taken away! J.D. CAN'T BE BEATEN!

Elizabeth: Right! YOU CAN'T TAKE HER BECAUSE J.D. WON'T LET HER! HE CAN'T BE BEATEN!

The effects of our battle were being felt around the whole planet and the entire universe!

Goku: (To me telepathically) Release it J.D.! Release everything!

Remember all the pain she has caused, the people she has hurt, now make that your power!

Me: I will Master Goku!

Vegeta: FINAL FLASH!

Mysticons: MYSTIC UNITY BLAST!

He fired his energy blast and the Guardians fired their blasts.

Guardians: GUARDIANS OF CANDRAKAR BLAST!

Vegeta, Mysticons and the Guardians: ELEMENTAL FINAL DESTROYER!

The blasts combined and hit Necrafa. It exploded and it provided a distraction. She saw them and it was the moment I was waiting for.

Goku: NOW'S YOUR CHANCE!

Me: GO TO HELL NECRAFA! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I intensified the blast to an incredible level of power and it overtook Necrafa's blast and destroyed it. The blast was so powerful and so devastating that it was more than enough.

(Death of Frieza, Cell and Buu theme plays)

Necrafa was being destroyed because of it.

Necrafa: I AM INVINCIBLE!

Necrafa was completely obliterated by the sheer power of the blast in an instant and there was nothing left of her. The blast went out into space and it dissipated harmlessly. Necrafa was then forever banished into the Black Abyss.

I powered down and I wasn't even in the least bit exhausted.

Me: It's finally over.

Sebastian Mendez growled in anger, but then, he saw The Mask of Necrafa still in the air.

Sebastian Mendez: The Mask of Necrafa! It must be preserved and its dark power must be all mine! (HISSES AND SCREECHES)

Sebastian ran to get The Mask of Necrafa, but Lincoln and I fired powerful rainbow, white, golden yellow, and blue energy blasts that destroyed The Mask of Necrafa and its dark power was destroyed and sent to The Black Abyss. THAT MADE SEBASTIAN SUPER ANGRY AND SUPER PISSED THAT HE LET OUT A DEMONIC SHRIEK AND HIS HEAD SWIVELED 180 DEGREES AROUND AND BACK, AND HE HISSED AT US WITH A FORKED SNAKE'S

TONGUE!

Qin: That's still as disgusting as ever! Gross to the infinite power! BLECH!

Sebastian Mendez: YOU! YOU INSOLENT FOOLS! I'M GONNA MAKE YOU PAY!

Sebastian Mendez ran right at us in a furious rage, but Lincoln and I clenched our left fists real tight, and then,...!

POW! POW!

Sebastian Mendez: (DEMONIC SCREAM)

WE BOTH PUNCHED SEBASTIAN MEGA HARD IN THE STOMACH AND HE FELL TO THE FLOOR ON HIS BUTT AND REALIZING HE WAS NOW IN BIG TROUBLE, HE TRIED TO BACK AWAY FROM US IN PANIC!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks Smugly) Don't even bother, you dirt clod.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Sebastian Mendez, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Sebastian, this is where your madness ends here.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Sebastian Mendez.

Me: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We can forgive most of your insane toxic madness and tricks and consider it your bad habit, but what you did just now to Lincoln's harem and attempted to kill Necrafa and Tazma when we were going to send Tazma to The M.O.E. and save Necrafa and destroy the mask was a total out of line stunt, you toxic monster.

Then, Lincoln and I charged and smashed our rainbow energy infused left fists into Sebastian Mendez's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind him then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln and I attacked him with two powerful energy slashes, and then...!

Lincoln and Me: NOW, DIE AND GO TO HELL!

Lincoln and I did one final powerful energy slash that hit Sebastian Mendez hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln and I landed and Sebastian Mendez was on his last legs and he was really really mangled.

Sebastian Mendez: (Weakly) You! You! I ain't done fighting yet! Come on! I'm still ready for more!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope,

Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yeah, right. Look at you, we mangled you up, and you still want to fight. Seriously? Please.

Lincoln went up to his face and flicked his left pointer finger at Sebastian's forehead and knocked him down on his back.

Lynn: AND HE'S OUT!

Then, Lincoln grabbed him by his shirt collar and threw him real hard and he crashed into his room at The World Tree Estate.

Lynn: And hit the showers, you dirty buzzard!

Everyone cheered as we holstered our weapons and we powered down, and my new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind my head, large twenty five planets orbiting around my legs and twenty five smaller planets orbiting around my waist, eleven massive and long dark brown wolf tails, larger dark brown wolf ears on top of my head, smaller planets orbiting around my fingers like rings, medium sized planets orbiting around my wrists and ankles, and massive rainbow angel wings and nine sets of large rainbow angel wings underneath my massive rainbow angel wings are permanent and the new bodies, clothes, weapons, jewelry, 28th Century backpacks, Third Eyes large gold halos with four large orbiting gold rings on each corner behind the heads, large twenty colored planets orbiting around the legs and twenty smaller planets orbiting around the waists, eleven massive and long red and magenta wolf tails, smaller planets orbiting around the fingers like rings, medium sized planets orbiting around the wrists and ankles and massive colored angel wings and five sets of large colored angel wings underneath the colored angel wings of Arkayna Goodfey, Zarya Moonwolf, Piper Willowbrook, Emerald Goldenbraid, and Galatea Gemina are permanent.

Me: We finally did it! Necrafa has been freed!

Suddenly, I was swarmed by Varie and the rest of my harem and I was kissed all over the place: face, muzzle, pecs, twelve-pack abs, back, arms, biceps, shoulders, triceps, and neck, and when they were all done, I had a blood red atomic blush on my face and muzzle, hearts in my eyes, and my nose was really gushing out blood like a fountain.

Me: (In Heaven) Oh...man...!

Everyone laughed.

Lincoln: (Snickers) You're gonna have to get used to that brand-new form of yours, J.D., and you're gonna have to get used to getting swarmed by your harem like that.

I shook my head.

Me: (Smirks) Like you did?

Lincoln had an Embarrassed Blush on his muzzle.

Nico: But, that was so absolutely awesome, J.D.! You transformed into that brand-new form of yours and you really trashed Necrafa!

Me: I sure did, and Lincoln, that was a nice move on your part removing the curse on Tazma. I can't believe Billie Muldoon had the nerve to consult a witch to bring her back after Necrafa came back as well.

Lincoln: We've made Billie Muldoon lose it big time. When we kill her, this'll reach the last of her five shithead minions: Nathan Matthews, and when we go after him tomorrow, he'll join the others in The Black Abyss.

Varie: That's for sure. (Rubs my massive pecs) (Seductive Voice) And we'll be sure to give you some tender loving care later tonight, J.D.

My nose was bleeding and my tails were wagging like crazy and they made serious seismic tremors that sent many hidden thugs flying away and sent into our space prisons! Suddenly, I started flexing my now even more massive muscles as I did tons of bodybuilding poses and that made the noses of my entire harem gush out blood like a fountain.

Me: Like what you see, ladies?

They nodded like crazy.

Nico: Lincoln, how did you learn how to control your tails when any of your future wives flirt with you and make out with you?

Lincoln: It took years of practice. But, I think J.D. preferred to let his tails lose control, and he did an awesome job with forcing out those hidden thugs. The police have been after them for a long time.

Me: Awesome. And Lincoln, I hope you can also help me with the attention that I'm gonna get around the other females when they see me in the brand-new werewolf body I now have like with you.

Lincoln: I'll be glad to help. And I'll also be helping Nico out with that as well.

Nico: Wait, you mean...? Uh oh.

Qin: Ooh boy, are you gonna get tons of attention from the ladies when you do get that same form as Lincoln and J.D.

May and his harem gasped in excitement and Nico had a blush on his face.

Nico: I'll take your word for it, Lincoln.

Eli: (Sensed The Anothers) Uh oh, hold up, we're not done yet, we got Anothers incoming!

Me: Alright.

Lincoln: This should be good.

Nico: Is the battle over?

Me: Yes Necrafa's energy signal has completely disappeared. She is gone for good!

WE CHEERED WILDLY!

Xenia: WOW!

Nico: GOOD FUCKING RIDDANCE!

Qin: WOW! THAT WAS UNBELIEVABLY EXPLOSIVE!

Camie: Boy it sure was!

Poromon: YEAH!

Nico: But didn't we free her from the mask?

Me: Yes we did. She's back in the Infirmary.

I showed a viewing window and she was a brown hair elf and she was in a bed.

Me: Boy she is out cold.

Qin: She's gonna be like that for a while.

Camie: Yeah.

Lola: Yeah.

Nico: Nice job, Serperior!

Serperior: Thanks Nico!

Poromon: Want some beer?

Serperior: Oh no thanks I don't drink.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Me: WOW!

Nico: Oh, Burn Dinorex, what do you like to do in your free time?

Burn Dinorex: Oh I work to find dinosaur bones for paleontologists so we can find more dinosaurs.

Me: Cool!

Qin: Awesome job.

Nicole: It sure is.

Burn Dinorex: Yep. It's fun.

Nico: Carol, what are you eating?

She had a bunch of neon red berries in her hands.

Carol: Mmm! Snakeskin Lily Berries. They are really fruity. (Eating) Mmm!

Nico: Ah so those are Snakeskin Lily Berries.

Sheila Kelsall: (Australian Accent) Those are good berries there mate.

Nico: Oh, what's the worst that can happen?

Me: (In my head) You are gonna find out the hard way.

Carol: They smell like a bowl of fruity pebbles before you add milk.

I smelled them.

Me: Mmm! They smell good.

Nico: They sure do.

Poliwag: Let's not eat any until we can find out what they do

Me: Okay.

Nico: They sure smell good though.

Qin: I'll say.

Me: Yeah. Now lets get the Anothers done.

Eli: (Concentrates) WHOA! We got Another Indoraptor, Leni, Honk, Gunfighter Dinos, Flying Riptocs, Riptoc Tourists and Wizard Riptocs!

WE GASPED!

Carol: (With mouth full) WHOA!

Me: Carol not with your mouth full.

Carol: Sorry.

Me: So Burn Dinorex and Littlefoot and friends are up.

Leni: Another me!? Ooh! Is there me's all over the universe now?

Nico: (Pats her on the head) Nope. Just this one.

Me: Yeah. One Leni is plenty.

Eli: And I sense the Anothers minus Indoraptor and Leni are 11 people.

Me: WHOA!

Qin: Wow!

Nico: There they are!

We saw Another Honk, Gunfighter Dinos, Flying Riptocs, Riptoc Tourists and Wizard Riptocs!

Nico: WHOA!

Spyro: Boy it's like battling the forces of Ripto all over again!

Me: Yeah!

Another Honk: (In a girls voice) Sure feels like in!

They merged and split into 11 figures! They were the gene-slammers of Blue-Eyes Shining Dragon, Red-Eyes Darkness Dragon, Crimson Dragon, Red Nova Dragon, Sun Dragon Intl, Moon Dragon Quilla, Jade Knight, Falchionβ, Victory Viper XX03, Blue

Thunder T-45 and Gradius!

Nico: (GASP) Vena Kaiba, Catarina Nightshroud, Crianna Crimson, Niara Nova, Lina Solar, Lora Luna, Jade Hisui, Fiona Falchion, Hikari Thunder, Gaia Gradius and Viver Venas!

Me: WHOA! The gene-slammers of Blue-Eyes Shining Dragon, Red-Eyes Darkness Dragon, Crimson Dragon, Red Nova Dragon, Sun Dragon Intl, Moon Dragon Quilla, Jade Knight, Falchionβ, Victory Viper XX03, Blue Thunder T-45 and Gradius.

Vena Kaiba: That's right! Awesome to see you Seto and Mokuba.

Seto Kaiba: You too Vena.

Nico: Awesome to see you girls!

Jade Hisui: Same here Nico. Some of us went to Space Aeronautics class with Nico.

Fiona Falchion: It's how we learned to fight in the space force.

Me: That is cool!

Qin: I didn't know there were Space Aeronautics classes back then. They are fun.

Me: Boy perfect way to get prepped for NASA.

Lora Luna: It sure is.

Me: By the way girls are the Another Indoraptor and Leni friendly or hostile?

Niara Nova: Friendly and the Another Leni is amazing.

Me: Wow.

Crianna Crimson: We saw the battle you all had and that was intense.

Me: No kidding!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and caught the wonder ride books and purified them!

Me: YEAH!

Maria: Time for backup! (TURNS DIAL) MASKS OF ANIMAL MAYHEM!

She summoned Condor, Suitsukiman, Beast Opera Gopera, Sarracenia Monster, Gecko Monster and Frog Monster.

Me: OH YEAH!

Nico: Now we wait.

Leni: Wait for what?

Lori: Leni we wait for the Anothers to show up.

Leni: Oh right.

Ace Ukiyo: (Whispers to me) Is Leni always like that?

Me: (Whispers) Yeah you just have to get used to it. Leni may not be the sharpest tool in the shed, but she is a good friend.

Ace Ukiyo: Oh.

Me: LOOK!

We saw ANOTHER INDORAPTOR AND LENI!

Me: WHOA!

Nico: WOW!

Eli: That is cool seeing Another Indoraptor!

Another Leni got off Another Indoraptor.

Another Indoraptor: (In a girls voice) But it's fun and cool too.

She reverted back and it was the gene-slammer of Radiant Spirit!

Nico: (GASP) Hikari Lumos!

Me: WHOA! Radiant Spirit's gene-slammer.

Hikari Lumos: Yep and also one of Dr. Emilio Vellenxia.

Me: WOW! Been a while since we met some of them. So you have light powers then.

Hikari Lumos: Yep and I also have Indoraptor's abilities.

Me: WHOA! Indoraptor was made by combining the DNA of Indominus Rex with a Velociraptor. Indominus Rex was made by combining Carnotaurus, Giganotosaurus, Majungasurus, Rugops, Therizinosaurus, Velociraptor and Tyrannosaurus Rex, as well as modern animals such as cuttlefish, tree dart frog and pit viper.

Nico: WHOA!

Camie: WOW! What a fusion!

Hikari Lumos: I know. And because of that I have all the strengths and powers of those dinosaurs and creatures. I can camouflage myself, see in the dark with infrared vision, breathe underwater, run fast and many more.

Me: WOW! That is amazing!

Eli: You are the first ever human that has both a Duel Monsters' powers and a manmade dinosaur's powers.

Nico: WOW! No kidding.

Lola: So cool!

Nico: And your buddy?

Another Leni: I have all the abilities of quantum science and power combined with the neutronic geniuses.

Me: WHOA!

Leni: (GASP)

She reverted back and she was a twin girl of Leni but with glasses.

Leni: (GASP) O.M. GOSH!

Lori: Lucky!

The Loud kids hugged her!

Me: I take it she is the smart version of Leni.

Lori: That's right. This is Lucky Loud. She is a genius like Lisa. She literally vanished years ago.

Me: WHOA!

Nico: Okay OW! That talk hurt me.

Me: But that is cool that the Loud family has 2 geniuses.

Eli: This reminds me of something that happened in the universe I came from.

J.D. 3: (Through my crest) Yeah we met an alternate universe version of Lincoln where he was a grade A Sociopathic Jerk. Crazy story.

Me: Wow! That is crazy.

J.D. 3: Yeah and the Loud's personalities were switched in a way.

Me: Wow!

Kaito (gets out Go Onger gear): Did Swartz promise you anything?

Zocks (gets out Gekiranger gear): Because we can grant it instead

Kaito and Zocks got RPM and Jungle Fury weapons.

Hikari Lumos: No he didn't. Swartz sent us on our way because of what I was made a hybrid of.

Me: Feared because of those dinosaurs. Wow!

Lola: Yeah.

Sougo (gets out RPM Ridewatch): So, unlike Leni, you're smart, huh?

Geiz (gets out Jungle Fury Ridewatch): I guess that means Lisa is Leni's opposite too.

Sougo got RPMRedArmor while Geiz got JungleFuryRedArmor

Lucky Loud: In a way yes. I am the polar opposite of Leni in persona and educational fun.

Nico's head sparked!

Nico: (Drools)

I kicked Nico's butt.

Nico: Ouch!

Me: Sorry. You were about to convulse.

Lincoln: Lets separate you girls first.

We did so.

Nico: (gets out Indoraptor's Ridewatch) Go dino!

Me: Welcome to Jurassic Park.

May: (Gets out Gunfighter Dinos ridewatch) DRAW!

Maria: (Gets out Riptocs Tourists Ridewatch) Hello!

Littlefoot: (Gets out Honk's ridewatch) LETS HONK!

They activated them and used the powers of Indoraptor, Honk, Gunfighter Dinos, Flying Riptocs, Riptoc Tourists and Wizard Riptocs and blasted them all over.

Then Large Evil Demon Monkeys (Temple Run 2), Spider antiki monster tikiraidas, Wyvern (Sonic Frontiers) (X-Squad Universe), Jirai Gumo, Idmon and Arachne came.

Me: WHOA!

Nico: Nice team!

Large Evil Demon Monkey: Thanks Nico!

Spidermonkey: Me and my team are next!

Ben: You sure are!

Me: Yep.

?: Awesome!

Omnimon came!

Me: WHOA! Omnimon!

Nico: WOW!

Omnimon: (In a girls voice) I think it's cool!

Nico: Omellia Omni? Wow!

She reverted back and was a girl with orange and blue hair, bue eyes and had a fusion mark of the crests of courage and friendship in the middle of her forehead and had orange and blue clothes and had Orange Angel wings and had Omnimon on her skirt and shirt and she had a powerful Omnisword in her hand.

Omellia Omni: Awesome to see you again Nico. I got this. (Echoing) SUPREME CANNON!

She fired a powerful energy ball from her hand and then...

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She blasted the Anothers in a massive and incredibly powerful fiery explosion! I caught the ridewatches and purified them!

Me: YEAH!

Qin: WOW!

Nico: Nice job!

Me: Yeah!

Littlefoot: Do you have a favorite memory of Nico?

Omallia Omni: I sure do. When me and Nico battled a bunch of computer terrorists in North Dakota and it was an awesome battle.

Me: Cool!

Nico: Yeah that was fun.

Qin: Wow!

Nico: Yep.

Nico and Omallia hugged.

Nico: I've missed you.

Omallia Omni: Me too.

We went back home.

Lincoln: Whoa, we're here in Tofoten, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to reunite Hilda and Johanna with Anders and Astrid, Hilda's father and great aunt.

Me: Come to think of it, we haven't met your dad or great aunt, Hilda.

Hilda: (British Accent) No, you haven't. But, it'll be great to reunite them with Mom.

Nico: This is gonna be so awesome.

Lincoln picked up two scents.

Lincoln: Aha, this way!

We followed Lincoln, and we arrived at a log cabin. Then, Hilda knocked on the door, and it opened and we were greeted by Anders and Astrid, Hilda's father and great aunt.

Anders: (British Accent) Hilda, is that you?

Hilda: (British Accent) Yes, it's me, Dad.

They hugged, and Hilda introduced her dad and great aunt to Lincoln, and they could tell right away that he was indeed a perfect man for Hilda. Then, we returned to Hilda's home, and when Johanna saw Anders and Astrid, she ran up to them and hugged them.

Johanna: (British Accent) Anders, Aunt Astrid, it's been a long time.

Aunt Astrid: (British Accent) That it has, Johanna, but we're so glad to be reunited with you both once again.

Suddenly, Lincoln put up an energy field that protected them from an incoming dark energy blast.

Burn Dinorex: What was that?

Lincoln: That's our second emergency: it looks like the reunion's been interrupted by the return of the Marras who've been resurrected from The Warp by Morgana Midnight Sparkle as revenge for us killing them in the past.

Me: What the?!

Nico: Unbelievable, that she-demon!

Lincoln: Well, then, it looks like it's off to The Black Abyss for them.

Suddenly, we saw a massive army of Angels and Archangels flying in the skies and it left an amazing wave of heavenly light across the skies as it was flying all across the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair, yellow eyes, massive white angel wings, white short-sleeved blouse with an angel on it and on her forehead, golden yellow sleeveless crop top, white skirt, white knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, light, angels, archangels, phoenixes, and angels on the coattails, and on the back is the angel, she has a light greatsword, and with her are the seven girls.

Lincoln: (GASPS) Angela Angel, Avatar of God, The Angels, and Archangels of Heaven.

Angela Angel: That's right, and I got the girls away from the Marras, and they're heading this way!

Suddenly, we saw our targets heading our way: The Marras, and they were furious and out for our blood, and we saw the demonic Alicorn on their foreheads.

Lincoln: So, Morgana's next line of puppets have arrived.

Suddenly, we heard a demonic shriek, and to our disgust, Sebastian showed up once again looking for revenge.

Eli: You've got to be freaking kidding! Don't you know when to quit, Sebastian!

Lincoln: (Sees a shining object) Wait, hang on, Eli.

Lincoln slashed off the object on Sebastian's head as he fell to the ground, and we saw it was another of Billie Muldoon's Rebellion Chips and he crushed it under his foot and it was destroyed.

Me: Billie Muldoon's getting too desperate, this is her last stand.

Lincoln: I know, but now that Sebastian's cured again, now we can deal with The Marras and end them all.

Marras: You destroyed all of our plans, and now, we will have our revenge!

Lincoln: The only thing awaiting all of you is an eternity in Oblivion!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned dark brown, his long wild dark brown hair with white streaks and rainbow highlights became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

That made the Marras even angrier than ever.

Lincoln: (Beastly Voice) Figures they'd get angrier than ever. Alright, then, time to release the wolf!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at the Marras and proceeded to brutally smash the Marras into the ground with his massive brute superhuman strength, slashed them with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE MARRAS! HE WAS REALLY GOING APESHIT ON THEM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN ALSO SLASHED AT THE MARRAS WITH HIS MASSIVE GREATSWORD AND THEY WOUND UP GETTING BLEEDING SCARS!

Then, Lincoln fired dark matter energy blasts that hit The Marras and he sucked out their powers and their life energy and they all turned to dust and their spirits were sent to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) And that is the end, Marras, I don't ever want to see your faces here ever again! (ROARS AND HOWLS IN VICTORY)

Lincoln changed back as the slit pupils of his deep sapphire eyes and Third Eye changed back to normal pupils and his long wild dark brown hair with white streaks and rainbow highlights, dark brown wolf ears, and eleven massive and long dark brown wolf tails changed back to white.

Me: I've also learned how to use those dark matter attacks that you created, Lincoln! We'll use that on Billie Muldoon later on today.

Lincoln: You got it, J.D., and there's also another little surprise waiting for that rampaging demon as soon as we get after her and Celebro later on today. (To Angela Angel) And it's so good to see you, Angela.

Angela Angel: You too, Lincoln, it's been seven years since we last met.

Suddenly, Angela Angel had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Angela Angel was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Angela Angel: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Angela Angel and hugged her, and Angela Angel is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Angela Angel: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Angela Angel, Avatar of God, The Angels, and Archangels of Heaven, she's Lincoln's Guardian Angel and she's known as The Heavenly God Archangel Master of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Angela is a powerful master of the powers of heavenly light and holy magic and she's also known for her mastery of the powers of God, The Angels, and Archangels of Heaven. She lived eons ago during a time of light and heavenly order before Lucifer's rebellion, and over time, as she grew, she gained all of the incredible strengths and powers of God, The Angels, and Archangels of Heaven, along with immortality and she also mastered the powers of God, The Angels, and Archangels of Heaven, and she'd fought alongside St. Michael the Archangel and the other Angels and Archangels when Lucifer rebelled along with other angels and she and St. Michael defeated and banished Lucifer and the other rebel angels to Hell and she swore to keep mankind safe from the forces of Lucifer and the Fallen Angels, and many eons later, there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of heavenly light and holy magic, and he also gained all of the incredible strengths and powers of God, The Angels, and Archangels of Heaven, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Angels and Archangels and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of God, The Angels, and Archangels and be damned to Hell for eternity!

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here, and you know if we face Lucifer, he will pay for everything he's done.

Lincoln: He's got eons of payback coming to him for his crimes, and now that you're here, Angela.

Lincoln with his massive muscular arms still wrapped around Angela Angel leaned his head down to the right side of Angela Angel's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right

trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Angela Angel: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Angela Angel with golden yellow gems on the gold lightning bolts and golden yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Angela Angel: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Angela Angel.

Angela Angel had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Angela Angel's waist, and he leaned down to her face and kissed her on the lips, and with Angela Angel's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Angela Angel had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Angela Angel: (In Heaven) My God. Oh, Lincoln, the seven girls I rescued are...

Travis Tackett: And that's our cue to go.

The rest of us left for The World Tree Estate leaving Lincoln, Nicole, and his harem, and they went up to the seven girls, and when Lincoln saw them, his wolf nose wound up gushing out blood as he saw them, the seven girls are Jucika from the Jucika Comics, Aoi Mihashi, Homura Mihashi, Otome Ishisaki, and Takako Mihashi from Licence of Chikan!, Marina Ogami from Bakusou Kyoudai Let´s &

Go! MAX, and Fione from Suicide Squad Isekai.

Lincoln: Oh whoa, it's Jucika from the Jucika Comics, Aoi Mihashi, Homura Mihashi, Otome Ishisaki, and Takako Mihashi from Licence of Chikan!, Marina Ogami from Bakusou Kyoudai Let´s & Go! MAX, and Fione from Suicide Squad Isekai.

Nicole: No wonder Travis and the others left, and Jucika from the Jucika Comics from Hungary is extremely hot.

Lincoln: And the girls are easy targets for perverts, and I'll smash them into the dirt. Are you girls okay?

Aoi Mihashi: Yes, we're okay, thanks to you.

Then, when Aoi Mihashi and the other six girls saw who it was that saved them from The Marras, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with orange streaks and colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs and wolf teeth, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary

Jucika: (Hungarian Accent) Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aoi Mihashi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jucika, Aoi Mihashi, Homura Mihashi, Otome Ishisaki, Takako Mihashi, Marina Ogami, and Fione with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. They came back home to The World Tree Estate.

Maria: J.D. told us everything, and we're so glad Hilda and Johanna are reunited with her dad and great aunt, and you met two more of Hilda's relatives.

Lincoln: That I did, but something tells me this isn't the last adventure we'll have in Hilda's home.

Nico: That's for sure.

Me: Whatever awaits tomorrow, we'll be ready for the next adventure.

Roxy Drake: That's for sure. Say, Caleb, have you found a way to locate the soul of Rachel and Roger's dad?

Caleb Maxwell: Afraid this isn't going to be easy, plus, our power is only limited to vampires after the pact was made over four decades ago, Roxy.

Denver: Ouch, that's a bummer.

Tucker Williams: But, it is true, Caleb's power is limited to vampires thanks to that pact that was made long ago thus making him, his mother, his sister, and his mother's relatives basically family to the vampires in New York.

Marcus Mackenzie: Yes, that is correct.

Me: Don't worry, we'll find a way to get your dad back, guys.

Roger: Thanks.

After Lincoln and all of us reunited Hilda and Johanna with Anders and Astrid, Hilda's father and great aunt, and finally got rid of the Marras and sent them all to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Angela Angel saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Angela Angel: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Angela, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Angela Angel: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Gina Golem: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Carla Claw got out a video.

Carla Claw: Alright, guys, now this video I got here, this was around the time Caleb was still living with Blunt's old man and it was taken two years before Cage Blunt and Travis Tackett came back, and we wound up making an appearance once again, this time in West Virginia. But, what you're about to see is one really wild and crazy fight between us and Caleb when Blunt's old man decided to use a little pick-me-up trick.

Carla Claw put in the video and it played on the big screen, and there we saw James Blunt and Caleb Maxwell working on a car.

Past James Blunt: Once I get done with the repairs on the car, I want you to turn it on real quick, Caleb.

Past Caleb Maxwell: Understood.

James Blunt got done with the repairs, and Caleb Maxwell got in the car, and once he put the key in and turned the ignition on, the car roared to life.

Past Caleb Maxwell: Yes! It's working perfectly.

Caleb Maxwell turned the car off and got out.

Past James Blunt: Alright. Nice one, Caleb, now I'll go call the owner to pick the car up.

Suddenly, James Blunt caught the scent of blood in the air.

Past Caleb Maxwell: Mr. Blunt, what's wrong?

Past James Blunt: Someone's coming, there's twelve of them.

Past Caleb Maxwell: Twelve of them? Whoever it is, they better not be out to cause trouble.

Little did Caleb Maxwell know, these twelve figures were the very twelve people who he encountered in the two days before The Hallowshade Bloodbath eight years ago. Suddenly, they all saw the twelve figures coming, they were none other than Thomas A.K.A. Panther, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang.

And when Caleb Maxwell saw them, his head began throbbing as he clenched his head in pain.

Past James Blunt: Hey, are you okay? And do you know these individuals

Past Caleb Maxwell: No, I'm not, and I unfortunately know them, Mr. Blunt, they're none other than Panther, Carla Claw, Chester, Crowe, Hex, Shroud, Sally Gamble, Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang, the biggest robbery gang from New York, and I met these characters in the past two days before The Hallowshade Bloodbath eight years ago: when they came to my Uncle Christiano's restaurant and the fight I got into with Panther, but it led me to depression and that's where I encountered your former master, Marcus Mackenzie who took me to Yuridia to heal my wounds, but it's also where I had a premonition of The Hallowshade Bloodbath and my own death.

Past James Blunt: I see. Well, I don't know why you all are here, but you should leave right now.

Past Shroud: Oh yeah, and why should we do that? Maybe, we should rough you up.

Past Caleb Maxwell: How pathetic, I see you're still the same dumbass from all those years ago, Chett.

Past Shroud: What the?! (Grabs Caleb Maxwell by the shirt collar) Hey, who do you think you are?

Past Caleb Maxwell: You don't know who I am? Why don't you rewind your minds to eight years ago to the two days before The Hallowshade Bloodbath: the day you all came to Christiano Maxwell's restaurant and the fight between a young man and your idol, Panther?

Suddenly, Shroud pieced everything together, and so did the rest of the gang, and their eyes went wide with shock.

Past Mad Cat Max: No way, it can't be. Caleb Maxwell? But, you...!

Past Caleb Maxwell: Yes, that's right, I died eight years ago when Drake Maxwell and the four senior members of The Syndicate shot me to death back in 1985, and eight years later, I returned from the dead.

Past Carla Claw: So, the rumors we heard were true, that figure that rose from the cemetery, that was you.

Past Sally Gamble: (British Accent) Returning from the dead, and then, leaving the city. How unusual.

Past Caleb Maxwell: You really thought I wanted to remain in the city? If I did, everyone would panic and I would wind up overwhelmed by too many painful memories.

Past Panther: Heh, well, since you're back from the dead, let me give you a little welcome back gift.

Panther ran at Caleb Maxwell, and then...!

POW!

PANTHER PUNCHED CALEB MAXWELL HARD IN THE STOMACH, AND THAT CAUSED HIS EYES TO OPEN WIDE AND BLOOD TEARS FELL FROM HIS EYES AS HE LET OUT AN UNEARTHLY SCREAM AND WAS SENT CRASHING ONTO THE GROUND IN PAIN!

Past James Blunt: Caleb!

James Blunt ran to Caleb Maxwell and picked him up and had the young man face him.

Past James Blunt: Caleb, are you okay?

Past Caleb Maxwell: (Coughs up blood) Damn it, that still hurt even now. Why did they have to show up again?

James Blunt saw Caleb's pain, and despite trying not to, he decided to do something that could save Caleb from that pain. James Blunt pulled down Caleb Maxwell's left sleeve and he sank his fangs into his left trapezius and began feeding on his blood.

Past James Blunt: (Thinking) Caleb, you shouldn't have to suffer like this once again. I know of the consequences, but it's better than you dying once again.

Then, as soon as he was done, James Blunt bit down on his right arm and brought it above Caleb's face as his blood began pouring into his mouth. Then, Caleb Maxwell bit James Blunt's right arm and began drinking his blood.

Past James Blunt: That's it, just keep drinking.

Then, Caleb Maxwell was done, and James Blunt's arm healed.

Past Caleb Maxwell: I...I don't feel too good.

Suddenly, Caleb Maxwell winced in pain and his vampire cross tattoo on his right arm began glowing and James Blunt backed away slightly.

Past James Blunt: Wait, what's happening? Usually, he would turn into a vampire, but something's off.

Suddenly, Caleb Maxwell got up slowly and then, he slowly raised his head up into the sky, but as he opened his eyes, his eyes were a solid blood red, and then, we saw his body change: his skin became more healthier and regained some color and signs of emaciation on his face faded, his unkempt hair became much healthier, and his body became much more muscular.

But, then, we saw him wince in pain as we saw a bullet being removed from the right side of his head and fell to the ground as blood came out and the wound sealed up, then, we saw yet another bullet being removed from the right side of his neck and fell to the ground as blood came out and the wound sealed up. Then, we saw more bullets being removed from his body: those were the bullets that were in his body when he was shot and killed by Drake Maxwell and the four senior members of The Syndicate.

Then, Caleb Maxwell brought his head back down as he closed his eyes. Then, he opened his eyes once again, but the sclera of his eyes were back to white and the iris of his eyes were back to their original brown color.

Past James Blunt: (Thinking) He...he hasn't turned! But, I felt it, he's now even stronger than ever.

Past Patch: What the?!

Past Mad Cat Max: What on Earth?!

Then, before any of them could react, Caleb Maxwell charged out and smashed his fist into Panther's stomach with incredible superhuman strength, and then, he choke-slammed him into the ground and threw him to the others.

Past Crowe: What the Hell!

Past Caleb Maxwell: Now, unless you want to wind up getting pulverized like your friend, you better be on the next flight back to New York, and don't ever let me catch you anywhere near here again!

The Big Claw Gang fled as the video ended.

Nico: Whoa! You single-handedly drove off The Big Claw Gang that day, that was awesome!

Caleb Maxwell: They wound up on the next fight back to New York, and I warned them that I better not catch them anywhere in West Virginia again or I swear I would make them know what real pain is.

Carla Claw: Well, you showed us what for.

Panther: And because of that, you turned the tables on me and you sent me to the hospital where I had to spend a month there.

Panther showed us the bruise Caleb Maxwell left on him.

Lincoln: Jeez.

Carla Claw: He's been through worse like getting burned with cigarettes by his asshole parents, but they got killed who knows how long ago.

Me: That's still fucking worse.

Nico: He's right, if they dare to come back, we'll...!

Caleb Maxwell: No. If they do come back, they're gonna spend eternity in prison, I would rather they live to see the damage they've done rather than kill them again.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Lilo Pelekai, Icy, Darcy, Stormy, Mika Hitsune, Coral Cove, Aroma Sweet, Dancing Fan, Call, Parasite (Monsterverse Transformers Titan Wars), Funtime Foxy Emily, Nightmare Zatsune, Circus Baby Barb, Ballora Gloria, Funtime Chica Sara, Scribble Netty, Abyss the Squid, Blade the Shark, Opal the Jellyfish, Amy Allergen, Belle Caffeinemaniac, Cora Vehiclexaminer, Delia Performastage, Emily Scoutseeker, Gwen Slickstreak, Miss Fredbear Brittney, Springbonnie Lola, Bon Bon Sonia, Bonnet Amy, Glamrock Chica Diane, Roxanna Wolf "Roxy" Rachel, Lena Luthor (DC Super Hero Girls 2015), Universe 666 Lena Luthor (DC Super Hero Girls 2019), Misty PrettyShell, Cupcake Carlie, Cupcake Charlie, Cupcake Lori, Cupcake Sally, Cupcake Gia, Cupcake Taylor, Cupcake Cathy, Cupcake Carla, Cupcake Harley, Cupcake Holly, Cupcake May, Cupcake Jessica, Chica Megan, and Toy Bonnie "Bon Bon" Ashley got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Mika Hitsune: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Lilo Pelekai, Icy, Darcy, Stormy, Mika Hitsune, Coral Cove, Aroma Sweet, Dancing Fan, Call, Parasite (Monsterverse Transformers Titan Wars), Funtime Foxy Emily, Nightmare Zatsune, Circus Baby Barb, Ballora Gloria, Funtime Chica Sara, Scribble Netty, Abyss the Squid, Blade the Shark, Opal the Jellyfish, Amy Allergen, Belle

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Megafruit Paradise, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Jenna: You guys had no trouble at all.

Mika Hitsune: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later the U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12368.3: The U.S.S. Valorous Phoenix is en route to the planet Chikyu for number 2 of the King Ohgers Adventures and missions. Our mission is to help the King Ohgers in part two of Lana, Starfire and May's missions.

Qin: I hope we see Hymeno's kingdom next.

Nico: Anyone else want to go with Lana, Starfire, and May? Besides Kai, Cheese, Shane, and Emerald Goldenbraid?

Cyborg: I'll come.

Brick: So will me and my brothers.

Manaphy: I'll go too!

Twilight Sparkle: Me and my friends will go too.

Me: Cool!

Qin: This is gonna be awesome and fun!

Lola: It sure will.

Ariel: And I'll go as well.

Gaon: Same with me.

Me: Okay then.

Lisa Loud: We have arrived at our destination!

Nico: On Screen.

We saw that we were at Chikyu!

Me: WOW!

Laney: We're here.

Nico: Yep.

We got to landing.

We arrived in Hymeno's kingdom Ishabana.

Me: WHOA!

Eli: WOW! So this is Ishabana.

Me: It's magnificent and beautiful.

Lana: I'll say!

Rarity: Boy Hymeno's kingdom is absolutely breathtaking darlings.

Nico: I knew you were going to say that Rarity.

Gira: Hey guys!

Lana: Gira, meet Kai, Shane, and Emerald Goldenbraid

Kai: Awesome to see you again Gira.

Shane: Same here and you too to all of you.

Hymeno: Same here.

Rarity: Hymeno your kingdom is absolutely so beautiful darling.

Hymeno: Thank you so much Rarity.

Rarity: And I love your dress too.

Hymeno: Thank you so much.

We went into the castle.

Me: WOW! Hymeno your castle is beautiful.

Hymeno: Thank you.

We saw Hymeno's butler Sebastian.

Hymeno: And this is my butler Sebastian.

Me: Ah pleasure to meet you Sebastian. I remember seeing you.

Sebastian: Pleasure to meet you too J.D.

Ariel: (Giggles) That is too coincidentally funny. In Atlantica me and my friends and Eli know a crab named Sebastian.

Eli: It's true.

Cheese took out a pink horse toy and started playing on Hymeno's head.

Hymeno: You guys were right. Luthor's offer WAS getting old. If I had the power of time travel, I would use it to make sure all Core Members have Digimon partners and- (to Cheese) Will you please stop that?!

Cheese: I'm a horsey! Baahh pew pew pew! Baaah! Now your a horsey! (tackles Hymeno)

Hymeno: Oof!

We laughed!

Me: And you remember this little guy Cheese right?

Hymeno: I sure do. He is funny.

Itachi: (LAUGHS) Yeah he drives everyone crazy but we get a get a good laugh out of him.

I grabbed Cheese.

Me: But anyway what you said shows that you gave us a good idea. We ALL should have Digimon partners.

Nico: I agree.

Me: Me and Nico and many of us already have partners and it's cool.

Manaphy: I actually DID make a Time Machine for good purposes. But it almost destroyed the universe

Me: Yeah the mascots learned an incredible lesson that day.

Gira: That is good they did.

Yanma: We saw your battle with Necrafa on Gemina and that new transformation you got is amazing!

Me: You saw that too? Wow! News sure travelled fast didn't it?

Rita Kaniska: It sure did.

Yanma: That was really epic.

Me: Thanks.

Hymeno: Eli, there's something you need to see

Hymeno showed a monitor and it showed an old foe of ours that we thought we would NEVER See again! It was The Sea Witch - URSULA!

WE GASPED!

Me: URSULA!

Gira: The Sea Witch of Atlantica!

Ariel: And my archnemesis.

Me: You have been obviously kept up to date on our adventures to know who she is right?

Yanma: Yes we sure have.

Eli: It's not Ariel's big day to shine so we're going to banish her to the Warp.

Me: Yep.

Hymeno: But we overheard her saying something

Yanma: Unfortunately it was too badly garbled.

Me: Lets hear it.

She put it on speaker.

Ursula: (Garbled) Athena (Static) Davy Jones (Static)

Then it stopped.

Me: We're going to have to get it out of her at the source.

Nico: I could make out a couple of words. But that's about it.

Me: Probably interference from something.

Hymeno: And she's not alone.

We saw that she had GLODI LEUCODIUM from episode 30 of King Ohgers!

Glodi was an ancient Bugnarok corpse reanimated by Uchu King Dagded Dujardin as a request by the Bugnarok on their original homeworld, constantly reanimated by the power Dagded bestowed him. Dagded filled Glodi with dead Shugod souls to make him a powerful and unstoppable weapon of mass destruction. Glodi would then use his new power to turn his homeworld into a dead planet, forcing the surviving Bugnarok into migrating to the planet that would become Chikyu. Glodi then became one of Dagded's Jesters, ignorant of his nature due to his ingestion of Shugod Souls completely wiping out his memory.

Glodi and Kamejim Unka were sent to Chikyu by Dagded 2,000 years ago to observe and influence the planet to their master's design. Fifteen years before the events of the show, the Uchu King ordered them to eliminate Causus Husty as punishment for the Shugoddam king's betrayal. As Causus unlocked the power of Ohkuwagata Ohger, the two Jesters engaged him in a fiery battle and successfully killed the silver Ranger. Later, Glodi initiated the catastrophic Wrath of God to conceal their deed by ravaging all of Chikyu. During the crisis, he used God Scorpion's venom to assassinate Hymeno Ran's parents and then poison Toufu's rice supply. But Iroki, Toufu's then-lord, foiled his scheme by hoarding and burning all the rice at the cost of her life and reputation. Ultimately, Glodi was sealed by Gokkan's former monarch Karras Dehaan.

When Dagded Dujardin and his Jesters arrived on Chikyu to deal with the Ohsama Sentai two years after the death of Naraka King Desnarak VIII, they located Glodi and freed him to rejoin their group while using his powers to supply them with an army of undead Sanagim. While placed in charge of Toufu when Dadged teleported the Ohsama Sentai to the Deboth-ruled Earth, he revived Iroki to serve as a figurehead ruler in his regime.

Eventually once Hymeno learned Glodi's true nature as an undead monster, she enlists Jeramie into using the power of his King's Proof to give the jester true life so they can kill him. However, driven mad from being alive after regaining his memories, Glodi's power greatly increases as he decides to cause a second Wrath of the Gods to wipe out everyone. But the Ohsama Sentai made preparations to reduce causalities while averting the calamity, forcing Glodi to personally destroy Chikyu as a giant. However, he is killed off by God King-Ohger.

Ending up at Hakabaka after death, Glodi was initially happy to be finally dead and attain a silent world at last. But his joy is short-lived as he is tormented by the ghosts who reside in realm, denied the silence he wanted forevermore.

By the time Kamejim is sent to Hakabaka by Desnarak VIII, Glodi signaled his fellow Jester to remain silent, having already accepted his fate without putting up much resistance.

Nico: WHOA! Glodi Leucodium!

Me: I remember him! He was as hard to kill as Azald from Zyuohgers!

Eli: Yeah!

Nico: I will say this though. I love his human form. It's as badass as Zamigo Delma's form.

Me: But also he was REALLY FUCKED UP!

Eli: YEAH! He was insane!

Me: And he has a deadly power that makes you weaker with each strike.

Nico: Lets get a move on.

We were off

We arrived.

Me: Well well well. Hello Ursula. I would say it's good to see you again but I would be lying.

Hymeno: I heard so much about you Ursula.

Ursula: (to Hymeno) Well, here I was waiting for a hostage to exchange for the Trident and you come strolling along

Hymeno: You aren't gonna get it.

Me: And sorry to disappoint you Ursula but this is NOT Earth or Atlantica. This is Chikyu. You're over 90,000 lightyears away from home all the way over on the other side of the galaxy. Now I believe you have some information for us.

Suddenly, Lincoln appeared and he fired dark energy chains that bound Ursula's tentacles and arms and another chain was also wrapped around her neck.

Lincoln: You pitch blackhearted cold-blooded powerhungry old hag!

Eli: Whoa, what the? Lincoln, what are you doing here?

Lincoln: Eli, there's something this hag needs to confess! There's more to the death of Queen Athena than you think!

Me and Nico: Huh?!

Ursula: W-what are you talking about?

Lincoln tightened the chain wrapped around her neck in a fit of anger.

Lincoln: Tell him, or else I will break your neck!

Ursula: OKAY, OKAY, I CONFESS! I hired Davy Jones to kill Queen Athena centuries ago, so that I can see Triton and his pathetic family break, and that I can finally become the Queen!

WE GASPED IN ABSOLUTE SHOCK AND HORROR AT WHAT THAT SEA HAG HAD CONFESSED TO AND LINCOLN RECORDED EVERY LAST WORD AND SENT IT ALL ACROSS THE WORLD AND IT WAS ALSO SENT TO ATLANTICA!

King Triton, Queen Athena, Ariel, and Ariel's sisters arrived in a wave of water.

Queen Athena: I can't believe it, so Davy Jones was used by the real mastermind behind my death.

King Triton: Ursula..., you truly are nothing more than the scourge of the seas. When my daughter's time to shine comes, you shall pay the price for your crimes.

Ariel: That's for sure.

Ariel's Sisters: YOU HEARTLESS OLD HAG, YOU'RE GONNA PAY FOR WHAT YOU DID!

Me: I can't believe this! You absolute good-for-nothing hag!

Nico: You were the one who hired Davy Jones to kill Queen Athena all those years ago just so you can become Queen and kill King Triton, Ariel, and her sisters. I don't blame Lincoln for getting as angry as he did and chaining you up with the dark energy chains, you truly are the scourge of the sea. You're not getting away with this, Ursula, we're gonna fuck you up!

Eli was shaking in pure rage after he heard what Ursula confessed: the truth was laid bare before him as the real mastermind behind Queen Athena's murder was indeed none other than Ursula.

Lincoln threw Ursula as she crashed into a rock.

Ursula: Ouch!

Glodi: Like we're going to tell you that it was Ursula that orchestrated Athena's death!

Ursula: You fool!

Glodi: What? What did I say?

Yanma: You fat cow! Is that how you get your jollies?!

Me: And besides, Lincoln already beat you to the punch and forced the info out of her!

SUDDENLY, WE FELT SOMETHING WAS ABOUT TO HAPPEN AS ELI'S ENERGY AND POWER BEGAN RISING ASTRONOMICALLY!

Suddenly, Eli's blue eyes turned neon blue and he was surrounded by a rainbow, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, magic, Chakra, elemental forces, mythical beasts, seraphim angels, phoenixes, and angels, and we felt his power rising like crazy.

Eli: You...! So, all this time, it was you! You hired that bastard to kill Queen Athena and all for your desire for power! You tore King Triton's soul along with the soul of his entire family apart because of it! (SUDDENLY STARTING TO GET REALLY PISSED OFF AS HIS RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP EXTREMELY AND HIS MUSCLES BULGE EVEN MORE) You caused so much pain and suffering to all those in your path and you caused Ariel, her sisters, and King Triton the worst kind of pain that anyone could ever imagine, and you don't even care..., (NEON BLUE EYES TURN NEON RED WITH HATRED AND RAGE WITH TEARS OF BLOOD COMING OUT) THAT'S IT, I'VE HAD IT UP TO HEAR WITH YOU, URSULA!

YOU'VE LIVED FOR FAR TOO LONG, AND NOW, I WILL SEE TO IT THAT YOU DIE A HORRIBLE, BLOODY, GRUESOME, EXTREMELY SLOW, AGONIZING, AND PAINFUL DEATH FOR WHAT YOU DID! (WOLF ROAR OF DEMONIC RAGE)

WE GASPED IN PURE SHOCK AND HORROR: ELI WAS NOW PISSED OFF SIX WAYS TILL SUNDAY DUE TO THE CONFESSION OF URSULA!

Gira: What the?! Itachi, what's about to happen to Eli?

Itachi: Eli despised Davy Jones for murdering Queen Athena and he hated Ursula for all the suffering she's caused. But, now that he found out that Ursula was the mastermind behind Queen Athena's murder, he's about to take brutal revenge on her.

Sasuke: And it's going to get ugly.

Nico: Big time.

Me: EVERYONE, HIT THE FUCKING DECK! HE'S GONNA BLOW!

We immediately ran for cover, and Ursula tried to run, but Robin Hood appeared and fired arrows that hit Ursula's arms and tentacles and pinned them to a rock.

Robin Hood: We can't have you running off now, can we?

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF ELI WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO POWERFUL RAINBOW FIRE SERAPHIM ANGELS, RAINBOW FIRE MYTHICAL BEASTS, RAINBOW FIRE PHOENIXES, AND RAINBOW FIRE ANGELS, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE SERAPHIM ANGELS, RAINBOW FIRE MYTHICAL BEASTS, RAINBOW FIRE PHOENIXES, AND

RAINBOW FIRE ANGELS WENT BACK TO CHIKYU AND ELI GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Eli let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned remained the same, his long brown hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind my head remained the same, and he let out a loud howl.

Suddenly, Eli clenched his hands and screamed like a pissed off six ways till Sunday infinite-times Nth-Degree fucked-up madman and he was surrounded by a massive vortex of rainbow, white, golden yellow, and blue energy with stars, magic, Chakra, rainbow fire, and elemental forces surrounding the vortex, there are mythical beasts, seraphim angels, phoenixes, angels, and Yomi the Ten-Tailed Wolf flying around the vortex, and in the vortex is a blue phoenix with blood red eyes glaring at Ursula: the blood red eyes of eternal death and eternal judgement and we saw heavenly lights shine down on the vortex!

Me: WHOA!

Nico: OH MAN! NO WAY!

Meanwhile, from far away, The Midnight Princesses screamed in absolute pain and agony at the sheer extent of the power coming from Eli and from all of us: the fury and purity of our power was causing them absolute pain!

Morgana Midnight Sparkle: (ENRAGED SCREAM) Damn you all! I will destroy all of you if it's the last thing I ever do!

The Midnight Princesses fled, but Lincoln caught their presences.

Lincoln: That'll let you all know of what's going to happen to you and your minions, Morgana. After all of the crap you've caused, you all have had this coming for years!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, THE POWERFUL LANDS OF EQUESTRIA, AND ALL THE WORLDS AND PLANETS IN THE UNIVERSES BEYOND GLOWED AND THEIR ENERGY FLOWED INTO ELI! THEN, AS SOON AS THE VORTEX FADED, ELI EMERGED FOREVER CHANGED!

A massive fiery explosion blasted off behind them and they were ready for action!

Me: YEAH!

Nico: WOW!

Glodi: NO MATTER HOW POWERFUL YOU GET I WILL HAVE IT!

Me: We'll see about that.

WHOOSH!

KRABLAM!

I SMASHED HIM IN THE STOMACH WITH A DEVASTATINGLY POWERFUL PUNCH!

Gaon: You're going to pay for what you've done!

Ursula: Bring it on, handsome! Besides, I've been itching for a rematch!

Gaon: Change Zenkai!

He transformed!

Gaon: Hundred-Beasts Power! Zenkai Gaon! ゼンカイガオーン

He blasted her all over the place.

I kicked Globi all over and smashed him in the face with a powerful punch!

Nico: YOU! ANIMMAAAAAAAAAAAAAALLLLLL!

Nico flared up his power with intense force and flew at her and punched her in the face with intense devastating force and punched her in the face with incredible force and kicked her down. He then blasted her in the face with an energy ball and blasted her down and then screamed! HE FIRED A MASSIVE BARRAGE OF ENERGY

BLASTS AND BLASTED HER ALL OVER WITH INTENSE SAVAGERY! HE BLASTED HER LEFT AND RIGHT! HE THEN CHARGED UP A POWERFUL BLAST OF ENERGY!

Nico: MASENKO HA!

Nico fired a powerful blast and the dome glowed red and then...

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION OF INTENSE NOVA POWER!

Hymeno: HOLY MANTIS WINGS!

Gira: THAT WAS POWERFUL!

Yanma: UNBELIEVABLE!

BUT THEN URSULA GREW GIANT!

Hymeno: WHOA! SHE IS HUGE!

Me: Just like in the movie!

Ursula: The sea and all its spoils bow to my power!

Nico: Fuck! I know what's next!

She formed a whirlpool out in the sea and out came NUMEROUS WRECKS OF SHIPS!

Eli grew to her size and punched her in the face.

Rainbow Dash flew fast!

ZOOM ZOOM ZOOM!

She bashed her in her face.

Rainbow Dash got out her Ohgercalibur.

Rainbow Dash: Taste this lightning! CRIMSON THUNDERSTRIKE BLAST!

She fired waves of red lightning and blasted Ursula and electrocuted her!

Me: Glodi you should go back to the snail eyestalk you came from!

Glodi: What does that me!?

Me: You are themed after the Green Banded Broadsac Flatworm. They are parasitic flatworms that live in snail eyestaiks.

I showed a picture of one.

Me: See?

Glodi: Ugly things. But yeah you're right.

I punched him in the face and kicked him down.

Emerald Goldenbraid got out her Lockseed

Emerald Goldenbraid: Taste the clouds!

She used the powers of Zap Apples and blasted Glodi all over with rainbows.

Shane got out his Lockseed

Shane: Taste these fruits!

He used the powers of Cloudberries and blasted Glodi all over.

Me: The new transformation comes with some awesome new powers. RAINBOW SAGE ART: RED LIGHTNING THUNDERSTRIKE!

I fired a massive blast of red lightning and it hit him and electrocuted him all over the place.

Kai got out his lockseed.

Kai: Taste these peppers!

He used the powers of Habanero Peppers and blasted down Ursula with intense fire!

Nico: Take this! WHIRLWIND SPIN!

He did a sign and fired waves of intense energy wind and blasted Ursula all over the place.

Me: Try this on! RAINBOW SAGE ART: ORANGE LIGHTNING THUNDER BLAST!

I fired a blast of orange lightning and it hit Glodi and electrocuted him all over.

Hymeno slashed Ursula

SLASH!

SHE SLASHED HER ARM OFF!

URSULA SCREAMED IN PAIN!

Eli: Your judgement day is coming Ursula!

Eli fired a massive purple blast of energy that hit Ursula and it exploded with incredible power and she was destroyed, and he banished her to The Warp until she finally meets her judgement day!

Eli holstered his massive greatsword on his back and powered down, and Eli's new body, clothes, weapons, jewelry, accessories, large gold halo with four large orbiting gold rings on each corner behind his head, larger white wolf ears, eleven massive and longer white wolf tails, large twenty-five white and blue planets orbiting around his legs and twenty five smaller white and blue planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized white and blue planets orbiting around his wrists and ankles, and massive white angel wings and nine sets of large white angel wings underneath his massive white angel wings are permanent.

Me: One down.

We came to face Glodi.

Glodi grew giant!

Me: Like we didn't see that coming!

The rangers summoned their zords and formed the Megazord!

Me: YEAH!

But then a massive energy blast flew in and it hit Glodi and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: WHOA!

Lana: What did that!?

Hymeno: Look!

We saw a Kyurem!

Me: WHOA! Is that Kyurem!?

Nico: COOL!

Gira: By the way, our Megazord is also called King Ohger.

Me: Wow that is confusing.

Gira: I know. But what is that Kyurem doing here?

Nico: I was about to ask the same thing.

Me: Lets see.

I used Telepathy and gasped!

Me: OH MAN! Nocturne BlightSea!

Nico: You know her?

Me: That's Louie PoisonSea's sister! And also Dana knows her too!

Nico: Oh man!

Me: Glodi I'll be right back.

I went to face her.

Me: Nocturne! Dana wouldn't want to see you like this!

All she did was use Ice Burn

She fired a powerful ice blast ball and I dodged it.

Me: She's just as strong as a Kyurem.

I fired a massive energy blast and blasted her all over.

I snapped my fingers and she reverted back and she was a girl with black hair and blue eyes and had Kyurem on her forehead and had dark blue angel wings and had a dark blue version of Louie PoisonSea's cutie mark on her arm.

I wrapped her in a blanket.

She groaned and woke up.

Nocturne BlightSea: (Groans) What hit me?

Me: Long story.

Nocturne BlightSea: Where am I?

Me: You're on the planet Chikyu, the home planet fo the King Ohgers. You were turned into a Kyurem by Dark Gale.

Nocturne BlightSea: (GASP) I remember!

FLASHBACK!

She was in a black and blue suit and injected and she turned into Kyurem! She busted out of the lair and flew off.

FLASHBACK ENDS

Nocturne BlightSea: It was awful.

Me: I know. We're going to kill them soon.

Gira: We're not done yet!

Me: Lets go help them.

I snapped my fingers and she got new black clothes and a scythe.

Nocturne BlightSea: Wow! I look great!

Me: You sure do!

Glodi: Guys something is bothering me.

Me: What do you mean.

But then we saw Glodi's head shorting all over!

ZAP ZAP ZAP ZAP ZAP!

Me: GEEZ! He looks like he's shorting out!

Nico: WHOA MAN! I think his insanity is taking a toll on him!

But then his arm lifted on its own.

Glodi: What the!?

WHAM BIFF CRASH WHOMP BIFF KROW!

His arms were punching himself!

Me: Is he hitting himself?!

Nico: Okay that is funny!

Me: Yeah!

Nico: I think it's something else.

Girl: STOP HITTING YOURSELF! STOP HITTING YOURSELF!

STOP HITTING YOURSELF! WHY ARE YOU HITTING YOURSELF!

Me: (GASP) That voice! Nanette Nanomech!?

She called on my communicator.

I saw a girl with green hair and red eyes, black clothes and angel wings and had a tiara with Nanomech on it.

Nanette Nanomech: Awesome to see you again.

Me: You shrunk down and took control of his brain from the inside!

Nanette Nanomech: That's right.

Me: That is too funny.

Nico: Nanomech's embodiment. That is cool!

Gira: Wow!

Me: I agree.

She then got out of him and changed back.

Me: That was really clever.

Nanette Nanomech: (Grunts) It sure was.

Glodi: Oh man! What a horrible headache. She was inside me!?

Me: Well I think it's kind of fitting. Redundant but fitting.

She then lost control, shrunk down, and tried to take control of Boomer, But she got stuck in ear wax.

He stuck his finger in his ear and got her out he punched her!

SMASH!

I fired the cure ray.

Me: There!

Nocturne BlightSea: Lets dance.

She reverted back to hurt normal size.

Nocturne fired waves of darkness and water and smashed her all over.

The Rowdyruff Boys chraged at her and punched and smashed her all over.

Me: EW! She's gonna be covered in your earwax Boomer.

Nico: Okay I did NOT NEED to hear that!

Nocturne fired blasts of darkness.

Dana: Let me help!

Dana came!

Nocturne BlightSea: Dana!

Dana: Awesome to see you Nocture.

Nico: Have some of this!

He fired waves of lightning and blasted her.

Nocturne BlightSea: Like old times?

Dana: Like you have to ask.

Nocturne and Dana: POISON ICE BLAST STORM!

They fired waves of ice and poison and blasted her down.

The antidote took effect and she had her green eyes back.

Nanette Nanomech: Oh man.

Me: We'll tell you later. Lets finish this.

We fired waves of energy and blasted Glodi and then the King Ohgers fired energy blades and they slashed him and he exploded!

EXTREMELY MASSIVE AND FIERY EXPLOSION!

Nico: OH YEAH! Glodi Leucodium you have failed this world!

Hymeno: Geez, how many of Sonya's team were Gene Slammed?

Nico: We don't know. That's why we're going to confront Dark Gale on the Ridonculous Race.

Gira: But that'll leave the city unprotected.

Kai: Tell that to the families of Sonya's team wondering where their daughters are.

Shane: Gira, unless you have a better idea, this is the best option. At least this time, we have definite reason for going

Me: And guys don't worry. I have a plan to ensure that we can look after the city and compete in the Ridonculous Race at the same time.

Nico: Oh right! J.D.'s plan for that. I forgot about that.

Me: Yep.

I showed the plans for the Hover City Fortress.

Hymeno: WOW! That is brilliant.

Yanma: That works perfectly.

Me: It's nearly complete.

Nico: Yep. Nocturne what is your role in Sonya's team?

Nocturne BlightSea: I'm sure you know about this. But I use poison and darkness and bring down our enemies. Also outside we're superheroes.

Me: Yep.

Lincoln and I slowly walked up to Eli.

Me: Eli, are you...?

Suddenly, Eli ran up to me and Lincoln and he hugged us both as he cried hard onto our chests and we hugged him.

Nico: I knew Ursula was evil, but what she did in hiring Davy Jones to kill Queen Athena, and that was the whole reason behind it all, this is on a whole new level of darkness that I cannot forgive!

Lana: When we truly face her one final time, that hag's going straight to The Black Abyss forever!

May: That's for sure. What she did just proves there isn't a limit to how pitch-blackhearted, cold-blooded, and powerhungry she can truly be!

Me: She's going to pay for what she did.

Lori: That's true, she deserves to die for what she did.

Me: I agree.

Nico: And how did you meet Dana?

Nocturne BlightSea: I met Dana in the mall and we tried on all sorts of amazing clothes.

Dana: She is quite the model.

Me: Cool.

Rita: Next time, you guys should bring warm clothes.

Me: We will Rita. Thank you.

We went back to the ship later and everyone was in awe about everything. But they were in horror that Ursula did all that!

May: Ursula was a monster!

Lola: YEAH!

Queen Athena: At least I'm back here.

Me: Yep.

Nico: Next time, Vexen, Loki, Katnappe, Lillian, Dan, and Artha should come.

Me: Good idea.

Qin: Yeah!

Camie: Cool!

But then...

LOUD LONG NASTY FART!

Me: GEEZ! Whoever ripped that has nasty gas.

Carol blushed in embarrassment

We later arrived back home. And Eli went to do some soul searching.

Eli was over by a lake and he was sad.

Eli: Oh Ariel my sister. (Sniffles) What must I do?

Eli had his head down.

(Thunder Rumbles)

Voice: Eli...

Eli recognized that voice.

Eli: Aerith?

He looked up and saw a spirit in the sky and in the coulds out came the spirit of Aerith from his world.

Aerith: Eli, you have forgotten me.

Eli: No! How could I?

Aerith: You have forgotten who you are and so forgotten me. Look inside ourself Eli. You are more than what you have become. You must do your best to bring justice to your family's enemies.

Eli: How can I look at myself? I'm not who I used to be since Ursula killed Athena.

Aerith: Remember who you are. You are my son and a true hero to all.

Eli: I don't know how to be like you Aerith.

Aerith: As your mother I was most proud of one thing: Having you as my son.

Eli: That was a long time ago.

Aerith: No Eli. That is forever.

The clouds were rolling back.

Eli: Aerith please! Don't leave me again!

Aerith: I have never left you and I never will. Remember who you are. (Fades) Remember...

Eli then had a look of determination on his face.

Eli: Ursula... (Ignites Lightsaber and unsheaths sword) I am coming for you! You killed my sisters mother! And you will pay dearly for your crimes! When the time comes, WE WILL COME FOR YOU! YOU WILL PAY FOR EVERYTHING YOU'VE DONE! I AM COMING FOR YOU URSULA!

Eli was determined to make her pay! He came back and told us about it and we were proud of Eli.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Leni's big day mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the

trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Lana: Such a nice day.

LOUD LONG NASTY FART!

Me: OH GOOD GOD!

Nico: GEEZ!

Lana: Ooh nice!

Me: WHO DID THAT!? ED!?

Ed: NOT I J.D.!

Me: Geez!

LOUD LONG NASTY FART!

Qin: OH MAN!

Camie: GEEZ!

Applejack: WOOWEE! Someone is farting worse than a cow herd!

LOUD LONG NASTY HORRIBLE FART!

Me: GEEZ!

Ace: Geez, who's doing that?!

Carol: OKAY IT'S ME! (LOUD LONG NASTY HORRIBLE FART)

Flamewar: What?! How?!

Lynn: Geez Carol did you eat a lot of bottles of hot sauce?

Carol: No. (LOUD LONG NASTY HORRIBLE FART!)

Me: WHEW! MAN! That is nasty!

Carol: It's because of these berries.

Me: The Snakeskin Lily Berries? Hmm.

I looked them up.

Me: Lets see. They are native to Australia. (Reading) Eating too many of them can cause nasty and explosively bad flatulence!

Ncio: WHOA!

Laney: WOW!

Me: Those farts smell worse than Lori's farts.

Lori: (Offscreen) I HEARD THAT!

Afterburner: ARE YOU KIDDING ME?!

THEN...

LOUD LONG NASTY AND HORRIBLE FART!

SHE FARTED SO BAD!

Me: GOOD GOD!

Lynn: WOW! That was awesome!

Carol: Sorry!

Fubuki: We need to do something about this!

Nico: I agree. I can't stop the farts. But at least I can make sure Carol isn't farting the whole day!

Carol: But it would be funny if I could blast the monsters coming up with my farts.

Me: that's not a bad idea.

LOUD LONG NASTY HORRIBLE FART!

Me: OH MAN! Wow! Boy those farts would cause a bunch of Billy McLean robots to explode.

WE LAUGHED!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Celebro, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're on the move, Celebro.

Eli: It's time.

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: it was Celebro, and he's causing havoc.

EVERYONE GASPED!

Leni: I totes knew he'd be on the move.

Sweetie Drops: Now, we can deal with him for good.

Emily Tamaki: That bastard's going to regret the day he was born!

Nico: That's for sure, Emily, that bastard's going to get it. Alright, team, let's get going to Japan and take that ugly bastard down!

Lincoln: He's not getting away with his schemes, this is where he dies here and now.

Me: YEAH!

LOUD LONG NASTY HORRIBLE FART!

Carol: SORRY!

The previous group came.

Femme Fatale: Can me, Mysterio, Robo-Roxy, Titanium Toenail, Speed Demon, Gentleman Ghost, Yenaldooshi, Copperhead, Brass Knuckles and Dodgeball Wizard go with you guys?

Nico: Yes you all can.

Femme Fatale: WHEW! Man what is that stink!?

Me: Carol.

Lola: She is farting up a storm because of Snakeskin Lily Berries.

Nico: Yeah.

Femme Fatale: Geez! Sorry I asked.

Manterror: Boss, which Gene Slammer do you think yiu'll meet next?

Nico: Armageddemon next.

WE GASPED!

Qin: WHOA! That one was intensely strong!

Nico: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Billie Muldoon, Belle's evil, jealous-crazed, insane, and monstrous ex-sister, she's also on the move, and she's absolutely out for revenge on us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move, Billie Muldoon.

Me: So, that bitch is finally on the move, eh?

Lincoln: She is, and she's absolutely lost her mind completely!

Belle Muldoon: Finally, now we can put her down forever. Oh, and we told Mom and Dad everything and that not only freed them from Billie's lies and got their life sentences revoked, but they broke down and cried in despair.

Then, we saw Mr. and Mrs. Muldoon come in, they were now dressed in normal clothes, but we saw they had dark circles in their eyes along with tear stains on their faces.

Mr. Muldoon: We fell for Billie's lies completely, and because of that, we destroyed our own lives!

Mrs. Muldoon: And what Swartz did in kidnapping our real Belle, that made us fall prey to that insane monster's lies! And it's not only that, but he conspired with Billie to do just that! We're failures!

Lincoln: But, this wasn't your fault, Billie is to blame for everything, she was always jealous of Leni and wanted to destroy her and she hated her own sister and everything and everyone. Her hatred is the very poison that destroyed her in the past, and now, it'll finally be her permanent undoing.

Nico: Lincoln's right, Billie did this to herself by letting her jealousy and hatred consume her.

Mr. Muldoon: You're right, and we're going to disown Billie for good, she's no longer our daughter, our only daughter is Belle.

Mrs. Muldoon: What she did in fooling us with her lies destroyed our lives, and she can never ever be forgiven.

King Kai: (Telepathically) That's understandable, that she-beast doesn't deserve to live. And guys, I also got some bad news for tomorrow: it appears Morgana Midnight Sparkle has freed Dr. Morocco from prison and set him loose in Griffin Rock, and for the following day, you'll be going up against our corrupt cop "friend" from Japan, Captain Daizo.

WE GASPED!

Me: What?!

Nico: Now, we know who we're going after tomorrow and the following day.

King Kai: (Telepathically) I already sent this message to the cops of The Gotham Royal York Police Department and to all police departments all over the world, Daizo now has nowhere left to run, but there's also this: before Lincoln removed that Rebellion Chip from Sebastian, he was the one who'd helped Morgana free Dr. Morocco from prison and created a massive army of Sentinel Robots for him to launch a final attack on Griffin Rock and all of you and he'd helped Daizo create a massive army of mutated cops by injecting a massive handful of cops he kidnapped with a copy of the Titan Formula that he'd snatched from our old friend, The Joker, and Sebastian was planning to frame you all for it.

OUR JAWS DROPPED!

CLANG!

Lincoln and Eli put our jaws back in!

Nico: What the absolute flying fuck?!

Me: Looks like we got trouble when we face Morocco tomorrow and Daizo for the following day, and thank God Lincoln removed that Rebellion Chip from Sebastian, but we were too late to find out what he'd been up to, and thanks to him, he's put us in a shit ton of trouble.

Nico: But, we're more than ready for the armies that Morocco and Daizo have for tomorrow and the following day. Alright, team, let's go, we're heading to Japan to help the Ultraman Z team destroy Celebro.

Lincoln: Celebro's time is up, and now, we will make sure he pays for everything he's done, and once we get done with him, you're next, Billie Muldoon, and we'll make absolutely sure that you never rise from the dead again!

Leni: I've had it with you running loose, Billie, this time, I'm gonna make sure you never come back. Haruki, we're coming, hang in there.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to help Haruki and the Ultraman Z team destroy Celebro, and once we got done with Celebro, we're also going to destroy our old enemy, Royal Woods' evil jealous-crazed destructive thug and absolute monster bitch, Billie Muldoon, and we're going to make absolutely sure that she never ever rises from the dead again, but not before her parents and Belle disown her for everything she's done!

We were off to Japan.

* * *

We arrived.

Me: Good old Tokyo.

Qin: Yeah.

Robo-Roxy: Let's call King Hiss.

Me: Good idea.

We did so.

King Hiss: I'm here guys.

Me: Awesome.

LOUD LONG NASTY HORRIBLE FART!

Me: GEEZ!

Carol: Sorry!

King Hiss: No worries. Eli we heard abot what happened. I can't believe that Ursula was that evil!

Eli: I know! I will make sure she pays for everything she did.

Meowth: You guys smell something?

Carol: Just me farting hard.

Me: Yep.

King Hiss: Oh boy.

Meowth: How about we find Haruki?

Me: Good idea.

Carol: I'll try and hold it in.

Me: Okay.

We went and found him in the park.

Me: There he is.

Haruki: Hey guys! You made it!

Leni: We totes sure did!

Sweetie Drops: We would never miss this.

Speed Demon: How about I speed us to your base?

Haruki: What's the rush?

Me: Well...

We looked at Carol.

Carol: I'm having a really nasty upset stomach from eating too many Snakeskin Lily Berries.

Lola: Those are berries that grow down in Australia and they cause nasty farts.

Carol: Yeah and it's bad. (LOUD LONG NASTY HORRIBLE FART)

Me: WHOA!

Carol: I'm sorry guys.

Haruki: I see your point.

Speed Demon: That, and I just like speeding people to places.

Me: Okay.

We ran fast and got there quick.

Me: WOW! That was fast.

Nico snapped his fingers.

Nadira: What did you just do?

Nico: I delayed Carol's farts.

Me: Cool.

Haruki: I didn't know you can do that Nico.

Nico: Me neither.

Beekeeper: Good thing the rest of us didn't eat those berries, eh?

Carol: I couldn't help it. They were so tasty.

Me: I can tell. The mascots made a huge number of upgrades to our amusement park Phoenix Land and they made it more awesome and fun and amazing than ever before. It's now called NEO Phoenix Land. Take a look.

I showed a brochure and a map of it.

Girl Jordan: I helped them make the brochures and maps and the advertisements for it.

Haruki: Whoa! This is like Euro Reptarland in France.

Me: I had the same reaction too. It was awesome.

Yoko Nakashima: Wow! They have parades and stage shows that are reenactments of your adventures? That is so cool!

Me: It sure is.

Eli: And all you can eat buffets and restaurants with foods from all over the world.

Qin: That was cool.

Dodgeball Wizard: What do you think?

Haruki: That is really cool!

Me: It sure is.

Laney: One of the most fun amusement parks we've ever seen.

Carly Atlas: Yeah it sure was.

Yoko Nakashima: Wow! How did the mascots afford to build all that?

Me: You wouldn't believe us if we told you.

Nico: They went to Vegas.

Me: They went to Vegas and cleaned out a whole casino of its money. They won it all.

Haruki: WOW! That is amazing! They must have the most amazing luck ever.

Lynn: You got that right.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume carrying two bottles of beer.

Poromon: (to the Ultraman Z team) Hello there! I'm the beer fairy! Come to give you guys two bottles of beer!

Gantu: You get some under your pillow if you're good.

WE LAUGHED!

Yoko Nakashima: Oh Poromon looks so adorable in a fairy costume.

Lily: He sure does. This is part of our big day mission tradition in a sense.

Camie: Yeah.

Haruki: I can see that. But Poromon I can't drink beer.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Aww pwetty pwease?

Nico: Poliwag that's enough.

Haruki: Funny and cute though.

Me: Yeah.

Yoko Nakashima: What is it like in Gotham Royal York?

Me: An amazing city. Except for the airings a certain movie we all know and hate.

Haruki: Huh?

Me: And cue mascots craziness in 3...2...1...

Manaphy: WE'RE TALKING ABOUT THIS MOVIE! (shows trailer close to Haruki's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Haruki: (SCREAMS) Wait is that Blood and Honey!?

Poromon: (shows trailer close to Shota's face) YOU LOOK AT IT!

Shota: HORRIBLE!

Poliwag: (shows trailer close to Yoko's face) YOU LOOK AT IT!

Yoko: THAT IS AWFUL!

Horsea: (shows trailer close to Kojiro's face) LOOK AT IT!

Kojiro: HOW HORRIBLE!

Jirachi: (shows trailer close to Yuka's face) LOOK AT IT!

Yuka: THAT IS GROSS! (VOMITS)

Tentacool: (shows trailer close to Shinya's face) LOOK AT IT!

Shinya: (HURLS)

Mevya (shows trailer close to Kuriyama's face): LOOK AT IT!

Kuriyama: OH THAT IS SO HORRIBLE!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

THEY SCREAMED IN FRIGHT!

Copperhead:...we apologize for this.

Me: Oh for fucks sake!

UGH! ROUNDY SPINNY THING MAGISWORD!

I calmed them down.

Me: This is part of the tradition too.

Haruki: Wait that explains why you had that illusion do all that.

Me: Yeah it's a movie that aired on February 15th, 2023 and the mascots saw the trailer for it and it scared them bad. They came up with a crazy idea to show it to everyone

Lily: It's like how SpongeBob made a disgusting sundae made of ketchup, onions and rotten peanut plants. It made SpongeBob's breath smell horrible.

Lana: I liked that smell.

Me: Figures you would Lana.

Energon Scorponok: That's it. Take a look at what happens when Disney goes Public Domain!

Me: Yeah it's a dark version of Winnie The Pooh. They turned Pooh and friends into bloodthirsty savage killing machines.

Camie: And all because Christopher Robin was heading out to college!

Gentleman Ghost: And no, we didn't give the creators the Black Gates

Me: Because they are innocent people. And our code strictly forbids us from killing the innocent.

Haruki: Good merit there.

Me: Yeah. So we went with Blu's idea and filed a MASSIVE lawsuit against them.

Nico: Yeah!

Blu: I was the one that gave them the idea during Matau's missions.

Matau: He's right on that.

Blu: And it turned out to be a good idea.

Me: It sure did.

Haruki: Wow.

Poromon: Also sorry we did that. We didn't do it this morning against Necrafa because she scared us.

Me: I don't blame you.

Qin: Yeah.

Zarya: Necrafa did scare a lot of people in legends.

Me: Yep.

Nico: Besides, we know this is tradition

Me: Yep.

Qin: It is.

But then Lincoln gasped!

Lincoln: OH MAN! I just had a horrible premonition! We're going to face Leni's 2nd Akuma. Her name is Dr. Bloodsplash! The 2nd Hypothetical Akuma of Leni Loud and she is one of the most vile and deranged mad scientists ever know! She is also a VERY DERANGED HOMICIDAL MANIAC! SHE kills people and takes their organs and does all kinds of TERRIBLE EXPERIMENTS! She combines organs and makes them into horrible blood soups for eating them! She was made because of Ms. Carmichael firing her and she vowed to kill her and her friends and eat them!

WE GASPED IN SHOCK AND HORROR AND UTTER DISGUST!

He showed us a picture of her and she was a BRUTALLY DERANGED AND REALLY FUCKED UP MAD SCIENTIST! She had piercing red eyes and a blood soaked lab coat and was laughing like a fucked up MANIAC!

Princess Luna and Leni and Luna hurled their guts out!

RD Lisa Loud: This is horrifying

Me: It sure is!

Lola: MAN THAT IS GROSS!

Leni: AND I WOULD TURN INTO THIS!? (CRYING HARD)

Ed comforted her.

Ed: There there Leni. There there.

Titanium Toenail: We need to find her!

Me: She's probably killing people even as we speak.

Eli: She's in the park.

We went there. But we saw A GRUESOME AND HORRIBLE SIGHT! WE SAW THOUSANDS OF PEOPLE BUTCHERED AND EATEN!

NICO AND ELI AND MARIA AND MOST OF US HURLED OUR GUTS OUT!

Me: MAN WHAT A BLOODBATH!

Qin: This is a gorefest!

Me: This is worse than the time I faced Richard Fenton.

Nico: Where is she?!

WE HEARD FUCKED UP LAUGHTER!

WE SAW HER KILLING SOMEONE!

Me: OH GOOD GOD!

I teleported and kicked her in the face!

Me: YOU ARE A DISGUSTING FUCKED UP LUNATIC!

SHE LAUGHED INSANELY AND WENT AT ME AND I DODGED ALL HER STRIKES!

Me: THE LENI I KNOW WOULD NEVER TURN INTO SOMEONE THIS FUCKED UP!

I punched her and knocked her down! I snapped my fingers and resurrected all those she slaughtered.

I kicked her in her face and punched her in the stomach and punched her with a powerful uppercut!

I legswept her and kicked her in her back.

Me: She went from a fashion designer to a REALLY FUCKED UP mad scientist!

I punched her in her face and knocked her down.

SHE LAUGHED WORSE THAN THE JOKER!

King Hiss charged at her and bit her with a snake mouth and poisoned her.

Nico: This is one sick and deranged akuma!

Girl Jordan: She's worse than my Akuma!

Nico: And more fucked up than mine!

Dr. Bloodsplash: My turn! (LAUGHS INSANELY!)

She went at us and went at Nico and swung at her and he dodged her strikes.

He kicked her down and knocked her out.

Me: WHEW!

Qin: HOLY CRAP! This one was brutal!

Lola: YEAH!

Carol: That was crazy! (LOUD LONG NASTY HORRIBLE FART!)

Me: Whoa.

Qin: Yikes.

Kevin Levin: Geez, this one was crazy!

Me: Man Leni's second Akuma was more fucked up than Crockerfucker.

Qin: That is an understatement!

Xenia: Yeah!

Brass Knuckles: She sure was!

Me: Yeah!

Qin: Good riddance.

Brass Knuckles: We'll have to keep this one under tight control.

Me: Yeah.

Nico: Now for the best part

Me: The usual battles. Haruki you and the Ultraman Z team are in for an awesome show.

Xenia: Yep.

Maria: I'll call them in.

She did so.

Then White Lightning, Spymaster, Zexion, Toiletnator, Mr. Mittens, Vulkanus, Control Freak, Amora, Loki and Captain Cold then came.

Nico: White Lightning, Spymaster, Zexion, Toiletnator, Mr. Mittens, Vulkanus, Control Freak, Amora, Loki and Captain Cold.

White Lightning: So, Opaline killed Cadence, huh?

Me: Yeah she sure did.

Spymaster: Good thing we stopped her and her minions.

Zexion: Necrafa included.

Me: Yeah lets just say that when we killed Opaline here in our universe we prevented TONS of Shit from happening. Including Opaline Murdering Cadance.

Qin: I agree.

Toiletnator: (to Nico) Speaking of Necrafa, we heard you fought her.

Nico: Yeah we sure did. And you should have seen what happened.

Vulkanus: (to Shanan) You should take care of that Serperior

Shanan: I will.

A HUGE SHIP CAME! And it was the Aerial Assault Craft from Episode 23 of Dino Thunder

---

This Anomalocaris-like ship is first used by Zeltrax to attack Reefside with the Biozords after the Dino Thunder Rangers defeat Zeltrax with their Z-Rex Blaster. He had it fire energy lasers on the Dino Thunder Rangers and Tommy. The Rangers then tame the Dino Thunder Zords to create the Thundersaurus Megazord so they can battle Zeltrax. Although it got the upper hand at first when it fired wires at the Megazord and zapped it, the Aerial Assault Craft is destroyed by the Thundersaurus Megazord when it used its wires two swing above the machine, then used its Dino Drill to drill through the center of the Aerial Assault Craft, destroying its core.

In the episode "A Star Is Torn", the Aerial Assault Craft is later rebuilt and equipped with the Terra Assault Craft to lure out the Mezodon Rover. It is destroyed when Zeltrax accidentally destroys its control panel.

Me: WHOA! The Aerial Assault Craft!

Aerial Assault Craft: That's right!

Nico: WHAT!? You can speak!

Aerial Assault Craft: It's true. Vypra gave me sentience.

Me: Wow! That is cool! I'll never forget the battle Tommy and Zeltrax had in you. That was epic!

Tommy: It sure was.

Aerial Assault Craft: It sure was.

Takumi: Don't tell me the next Hitotsuki-

Aerial Assault Craft: It isn't Masato Kusaka. I assure you they're all pleasant.

Me: Well that's a relief. As long as it's not him.

Then out came the FAIZ HITOTSUKI!

Me: WHOA!

Faiziki: I am Faiziki the 555 Hitotsuki!

Me: COOL! Awesome to meet you.

Taro: May we see your human form?

He reverted back and to our shock it was someone that I recognized all too well!

Me: (GASP) Steve Martin!?

Steve Martin: That's right. Steve Martin, United World News.

Me: Wow!

I went over to him.

Me: It's awesome to finally meet you in person. I learned so much about you from my grandfather and how he saved you from when Godzilla first made his appearance.

Steve Martin: Yes that was a harrowing adventure. I was the only American that survived that catastrophe.

Nico: That was back 70 years ago. It's awesome to meet you Steve. J.D. told us so much about you.

Steve Martin: It's good to meet you too Nico.

Nico: Same here.

Horsea: We apologize for the deaths of your friends

Me: Yeah that was terrible.

Steve Martin: It was. I became a Hitotsuki to avenge them.

Me: The Faiz Hitotsuki.

Eli: But Godzilla works with us and he is a great friend.

Me: It's a long story Steve.

Nico: We'll have to hear it later. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!

THEY GASPED!

Shirahoshi: It was! When Flurry Heart of our world was told about it she broke down crying and Cadance too. But we woke up Flurry Heart and told her everything and she broke down crying in grief. But she tried to go after Opaline and Malachite and Cadance had to hold her back.

Jungle Fury Rangers: Jungle Beast! Spirit Unleashed!

Ryotaro reveals a belt with what looks like a rail intersection symbol on a crystal background on the front, with red, blue, yellow, and purple buttons on the sides, four strange weapon components and a pass with the same symbol on it. He places the belt on as Momotaros phases into him, causing a red streak to appear in his hair as he presses the red button on the belt as some brief jingle starts to play.

Ryotaro: Henshin!

As his battle cry is made known, Ryotaro scans the pass against the symbol, causing the crystal background to turn red.

Den-O Belt: Sword Form!

As this happens, a black and silver suit forms on Den-O, with a rail track down the center and across the helmet, which become essential as red armor parts fly onto those tracks to settle into place, forming a red chest armor and an eye-piece that resembles a peach mixed with a blade. Once the armor settles into place, Den-O assembles the four components to create a red bladed sword.

Yuto: Henshin!

Yuto quickly places his card into the slot on his belt, causing a little disc in the center to rotate a green line slightly upwards, forming what looks like an "A".

Zeronos Belt: Altair Form!

Zeronos is clad in nearly the same armor as Ryotaro, save with gold tracks instead of silver, as green armor forms, finished off by two bull heads riding the tracks on his face and settling into a visor while he assembles a giant sword from the two parts on his belt.

They transformed!

Celebro: You have ruined all of my schemes for the very last time, you will all pay!

Billie Muldoon: YOU LITTLE BITCH! I'M GONNA FUCKING KILL YOU!

Lincoln punched Billie Muldoon who was barreling towards Leni hard in the face and sent her flying into a wall, she got back out, but boy, was she absolutely fucking mad now! Suddenly, Caleb Maxwell shot her in the arms and he screamed in pain and shot Celebro in his arms and screamed in pain as blood was pouring out their arms!

Lily: Uh oh, Caleb's drawn first blood!

Belle Muldoon: That was a warning shot for you, you bitch! Plus, Lincoln and I told Mom and Dad the truth, and they're so pissed off at you for your goddamn lies over the years and what you and Swartz did in conspiring to kidnap me!

When Billie Muldoon saw her parents here, her face went pale when she saw their angry faces: THEY WERE MEGA PISSED!

Billie Muldoon: (Nervously) Mom..., Dad..., w-what's going on?!

Mr. Muldoon: Lincoln and Belle told us everything. It's obvious that you hadn't changed at all, in fact, you've become even far worse than ever!

Mrs. Muldoon: Plus, you conspired with Swartz to have Belle kidnapped, so that you could take her place! I can't even believe that you're even our daughter! Lincoln and Belle talked some sense into your father and I, and Lincoln showed us the proof of all of your malicious actions, such as lying to everyone and beating people up when they were going to expose you and your lies! LOOK AT IT!

MRS. MULDOON POINTED ANGRILY TO THE FIVE MASSIVE FILE CABINETS OF ALL HER DAUGHTER'S MALICIOUS MISDEEDS!

Billie Muldoon: That's just fabricated evidence, there's no proof I did those things, and you all are just going to believe the words of these losers over your own daughter?! It was almost too easy to fool you stupid old fools into believing my lies over what every last loser in this stupid city says about me, and I hated those stupid Louds for always succeeding and ruining my plans to kill Leni, so I fooled you two idiots and ruined your lives. Now, you have no means of redeeming yourselves, you're just as evil as me! (LAUGHING SADISTICALLY)

WE GASPED!

Me, Nico, Eli, and The Louds: YOU MOTHERFUCKING SNAKE! YOU ABSOLUTE MONSTER BITCH!

SUDDENLY, BILLIE MULDOON LET HER TRUE COLORS OUT INTO THE OPEN, AND HER PARENTS AND BELLE FINALLY SNAPPED AS WE SAW FLAMES APPEAR BEHIND THEM! THEN, MRS. MULDOON THEN SLAPPED HER DAUGHTER HARD IN THE FACE AND SHE WENT FLYING INTO A WALL!

Billie Muldoon: What the fucking Hell?!

Mr. Muldoon: YOU GODDAMN BITCH!

Billie Muldoon: (SHRIEKS IN TERROR)

Mrs. Muldoon: I can't even believe you're our daughter, you traitorous malicious bitch! You haven't even changed at all especially after that incident with Leni that you started!

Me: And on top of that, you also made an alliance with Celebro and tried to get Lincoln kicked off the team with that Rebellion Chip you planted in him and tried to get us to kill Sebastian once again once you made him go back to his evil ways! Of all the goddamn motherfucking nerve!

Leni: I totes always knew you were nothing more than a lying, two-faced, conniving, malicious little monster, but you're also a cold-hearted wretch.

Mr. Muldoon: You motherfucking snake! And you even allied with one of Team Loud Phoenix Storm's most dangerous enemies as well! Your mother and I did our best to raise you right, but what with all the lying you've done to us over the years, the malicious hatred towards your sister and Leni due to your insane jealousy, and the constant assaults you've done to Leni and so many people! You've lost any chances of forgiveness from any of us!

Mrs. Muldoon: I agree with you, honey. Billie Muldoon, because of everything that you've done to everyone in Gotham Royal York in the past, you are hereby disowned from the family forever! When we die, all of our assets and fortune will be going to Belle, and when this is all over, we're calling the relatives and telling them about what you've done, and they're also going to cut all ties with you forever.

When Billie Muldoon heard the word disowned, her face turned pale: that means that her chances of inheriting their fortune are now zilch. But, then, her eyes turned red with rage and she absolutely lost it and she snapped and had a major breakdown.

Billie Muldoon: GODDAMN YOU! GODDAMN YOU! GODDAMN YOU! GODDAMN YOU ALL! I CAN'T FUCKING BELIEVE THAT YOU ALL RUINED MY PLAN TO FINALLY GET RID OF YOU ALL! YOU GODDAMN GOODY-TWO-SHOES HEROES ARE NOTHING MORE THAN A TOTAL NUSIANCE TO EVIL'S GLORIOUS REIGN!

IF ALL OF YOU ASSHOLES HADN'T GOTTEN IN MY WAY, I WOULD'VE FINALLY DESTROYED THIS PATHETIC CITY AND KILLED EVERY LAST PIG AND LOSER HERE INCLUDING THESE OLD CRONES! BUT, YOU! YOU RUINED EVERYTHING! I HATE YOU, LENI LOUD AND BELLE MULDOON! I DESPISE YOU AND ALL OF YOU SO FUCKING MUCH, TEAM LOUD PHOENIX STORM! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HHHHHHAAAAAAAAATTTTTTTEEEEEEEE!

SUDDENLY, ALL OUR RAINBOW ENERGY AURAS FLARED UP EXTREMELY AS WE GAINED A VERY ASTRONOMICALLY MASSIVE POWER BOOST OF EPIC PROPORTIONS FROM BILLIE MULDOON'S INSANE AND EXTREMELY TOXIC HATRED OF US!

Me: Yeah, fuck you too, monster bitch! (GAVE HER THE TRIPLE MIDDLE FINGER)

BILLIE MULDOON LET OUT A SCREECHING SHRIEK!

Leni: Sweetie Drops, Emily, we'd better transform and get rid of Celebro, then, we can take care of Billie Muldoon.

Sweetie Drops: Right. Plus, Linky said he's going to have her taken to trial for her crimes like we did to Claire McBadbat.

Emily Tamaki: And like he also said, Belle and her parents are so going to disown her and cut all ties with her. Let's make their pain last for an eternity!

Suddenly, the eyes of Leni, Sweetie Drops, and Emily Tamaki turned neon purple, neon teal blue, and neon green, and they were surrounded by colored energy auras with stars, gravity, plants, leaves, Kaiju, magic, sweets, Alicorns, crystals, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Celebro, they left colored energy, stars, gravity, plants, leaves, Kaiju, magic, sweets, Alicorns, crystals, phoenixes, and angels with every step.

Leni: You really are nothing more than an unforgivable and unrepentant monster, Celebro, you caused Haruki and the rest of his team nothing but trouble, and all for your plan to conquer the Earth.

Sweetie Drops: Not to mention your obsession was also the cause of it as well, and you've also hurt so many innocent people in the process, and now, we will make you pay the ultimate price for every last one of your crimes with your own blood.

Emily Tamaki: That's right. And as for you, Billie Muldoon, you're also going to get the punishment of a lifetime for all of your crimes as well, and now that your parents and Belle have disowned you for good, there's no need for us to hold back, you're going to die for all of your crimes.

We were amazed by the transformations of Leni, Sweetie Drops, and Emily Tamaki, but when Celebro and Billie Muldoon saw it, they went mad. But, before Billie Muldoon could try to attack them, Rayman blasted Billie Muldoon with purple energy blasts.

Billie Muldoon: (SCREAMS) I'LL KILL YOU! I'LL FUCKING KILL YOU! YOU HEAR ME, LENI, YOU BITCH!

Rayman: That's enough out of you.

We heard the deathly calm tone in Rayman's voice, and we knew it wasn't good.

Juniper Lee: Ooh boy. This is gonna get messy.

Suddenly, Rayman's purple eyes turned neon purple and he was surrounded by a purple and red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, light, darkness, magic, Lums, dragons, fairies, phoenixes, and angels, and we felt his power rising like crazy.

Rayman: I guess even after all the times we've beaten you down and killed you, you refuse to give up and stay dead. (SUDDENLY STARTING TO GET REALLY PISSED OFF AS HIS PURPLE AND RED, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP EXTREMELY AND HIS MUSCLES BULGE EVEN MORE) It was all your fault from the very beginning, your insane jealousy towards Leni and your toxic hatred to your own sister and family and everyone around you sealed your fate, and yet, you still just continue on raging like a rotten monster and still continue to cause havoc wherever you go without a single shred of remorse for your crimes..., (SUPER MEGA NTH-DEGREE PISSED OFF SCREAM OF PURE FURY AND RAGE) THAT'S IT, I'VE HAD IT UP TO HEAR WITH YOU, BILLIE MULDOON! I'M PUTTING A PERMANENT END TO YOUR WANTON RAMPAGE OF HAVOC AND DESTRUCTION HERE AND NOW TOGETHER WITH YOUR WORTHLESS MISERABLE LIFE! (DRAGON ROAR)

Juniper Lee: Oh no, now she's gone and really done it this time, Rayman's gonna lose it big time and explode with rage, and no doubt Ah Mah will be down here in a split second to see the fight!

Just then, June's grandmother, Jasmine Lee, arrived, and she also brought popcorn, drinks, and she also invited some of Orchid Bay's magical creatures to see the fight.

Jasmine Lee: You thought I was coming by myself? No way, besides, I invited a few of these guys to see the fight. This is gonna be one messy fight, oh, and you might want to hit the deck. (GETS OUT A MEGAPHONE) STAND BACK, HE'S GONNA BLOW!

We immediately ran for cover, and then...!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF RAYMAN WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE FAIRY, RAINBOW FIRE ANGEL, RAINBOW FIRE LUM, AND RAINBOW FIRE DRAGON, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE FAIRY, RAINBOW FIRE ANGEL, RAINBOW FIRE LUM, AND RAINBOW FIRE DRAGON WENT BACK TO EARTH AND RAYMAN GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Rayman clenched his hands and screamed like an infinite-times fucked-up madman as his screams reached up into the Heavens, and he was surrounded by a massive vortex of purple and red, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, light, darkness, and magic surrounding the vortex, there are Lums, dragons, fairies, phoenixes, and angels flying around the vortex, and in the vortex is a white phoenix with rainbow eyes glaring at Billie Muldoon: the rainbow eyes of eternal death and eternal judgement and we saw heavenly lights shine down on the vortex!

Me: WHOA!

Nico: OH MAN! NO WAY!

Lincoln: He's gonna transform in the same way as J.D. this morning when we went after Necrafa!

Juniper Lee: Billie Muldoon, say your prayers. (Smirks) And since your parents and sis have cut all ties with you, no one is ever gonna say any kind word about you at your funeral.

Ray Ray: Yeah, take that, you ugly hippo!

Billie Muldoon: WHAT DID YOU JUST SAY?! A HIPPO! I AM NOT A HIPPO!

Lincoln blasted her with a magic blast and he turned her into a hippo.

Lincoln: Now, you are!

We laughed!

Celebro: Billie Muldoon, you stupid loudmouth!

Billie Muldoon: SHUT THE FUCK UP!

BILLIE MULDOON FUCKING SNAPPED AS SHE WAS CHANGED BACK TO NORMAL, AND THEN, SHE HAD TURNED AGAINST CELEBRO AND SHE PROCEEDED TO ATTACK HIM BRUTALLY, BUT BEFORE SHE COULD STAB HIM IN THE HEART WITH A KNIFE, A DRAGON OF PURPLE ENERGY CAME OUT OF THE VORTEX AND HIT BILLIE MULDOON AND SENT HER FLYING INTO A TREE AND GOT HER RIGHT OFF OF CELEBRO!

Nico: Billie's fucking snapped!

Me: She tried to deny us the chance to kill Celebro, that does it! That bitch is going down to Hell!

Eli: Easy, bro. We'll let Rayman handle her!

With that, Ryotaro opens his red phone phone and places it on the face of the Den-O Belt, causing the phone to sprout horns while sending a golden track out the back, rounding up Momotaros, Urataros, Kintaros, and Ryutaros, transporting them back to the DenLiner and leaving a sword with each of their visors on the base and a pull cord handle on the bottom and a golden blade with a slot out the back.

Ryotaro: Here we go!

Yuto: (Pulls out red card) Agreed.

With that, Yuto reactivates the switch on his Belt, and places the red card in the slot

Zeronos Belt: Charge and Up!

While this goes on, Ryotaro places the pass he's scanned this whole time into the back of the giant sword

DenKamen Sword: Liner Form!

Now the two begin transformation into their final forms. Yuto's green and silver armor turns red and gold while Deneb, who is still here, transforms into a massive gattling gun while Ryotaro is hit by some sort of illusory version of the Den-Liner, breaking his black armor into a red and white suit with a chestpiece resembling the headlights on the train. And as it concludes, a visor similar to the Sword Form one forms across his head, only with gold, blue, and violet pieces flaring off the back while what looks like an electric train's wire hook takes it's place atop his head.

Deneb: (As he becomes a gattling gun) Denebick Buster!

Me: YEAH!

Then Nocturne BlightSea and Golden Chalice yelled in pain as they felt their bodies twitch and their bodies were expanding.

Haruki: Good riddance, Celebro. I don't want to see your face ever again.

We turned our attention to Billie Muldoon who was still being pulverized by the spectral fists Rayman conjured up. He then snapped his fingers, and they vanished, but man, Billie Muldoon was seriously mangled and beaten so badly and she was absolutely BEYOND ENRAGED AND BEYOND INSANE AND SHE WAS SNARLING AND GROWLING LIKE A SAVAGE ANIMAL!

Billie Muldoon: THAT'S IT! I'M GOING TO MAKE YOU ALL PAY!

Suddenly, the twenty five large planets orbiting around my legs, the fifteen large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters and Parents' legs, the fifteen large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the fifteen large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the twelve large planets orbiting around Liam's legs, the eight large marine blue orbs orbiting around Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the twelve large blood red planets around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our large gold halos with four orbiting large gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive and indestructible diamond barrier infused with rainbow, white, golden yellow, and blue energy that protected all of us from Billie Muldoon who tried to destroy the barrier with her already bloody fists, but it didn't work, and her fists wound up getting bloody and her bones shattered.

Leni: Seriously?! You're still at it again?! Well, I shouldn't be that surprised though.

Sweetie Drops: That's true, she's still as violent and insane as ever.

Emily Tamaki: But, don't worry, we're not going to kill you yet. You're first going to be taken to trial for all of your crimes, and then, we're going to kill you and make sure that your name is entirely forgotten and you'll be nothing more than a forgotten memory.

Suddenly, the eyes of Leni, Sweetie Drops, and Emily Tamaki turned neon purple, neon arctic blue, and neon green, and they were surrounded by colored energy auras with stars, gravity, plants, leaves, Kaiju, magic, sweets, Alicorns, crystals, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Billie Muldoon, they left colored energy, stars, gravity, plants, leaves, Kaiju, magic, sweets, Alicorns, crystals, phoenixes, and angels with every step.

Leni: Even after all this time, you're still nothing more than an absolute monster, Billie. But, no matter how many times we kill you, you always come back for more, and I still despise you for what you did in conspiring with Swartz in kidnapping Belle to take her place and trying to ruin my life and all for your petty jealousy.

Sweetie Drops: But, then, your jealousy grew into toxic hatred and madness, and you became a total threat to everyone around you and you now want nothing more than to kill Leni and Belle.

Emily Tamaki: You really really make me sick to no end, you fucking bitch. This time, we're putting you down once and for all, and this time, don't you dare come back!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF BILLIE MULDOON TO NO END! NOW, THE BATTLE TO FINALLY DESTROY THE DISOWNED EVIL DESTRUCTIVE MONSTROUS THUG AND BITCH, BILLIE MULDOON, WAS ON!

Lincoln, Leni, Emily Tamaki, Sweetie Drops, Nico, and I and the rest of us went after Billie Muldoon, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, rainbow, sea foam green, white, golden yellow, and blue energy, emerald green, white, golden yellow, and blue energy, moderate cobalt blue and very light fuchsia, white, and blue energy, aura energy, white and blue heavenly flames, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Sylphs, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Billie Muldoon and they exploded with incredible power as they hit her.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Billie Muldoon, and he proceeded to brutally smash her into the ground with his massive brute superhuman strength, slashed her with his gold-armored dragon claws, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at her, and it was brutal, and he fired a rainbow energy beam that shattered the Monitor Orb in her forehead and it shattered, and not only did we get a massive power boost, but Billie Muldoon was screaming in agonizing pain as she held her head in pain.

Lincoln and his siblings pounced on Billie Muldoon, and they began viciously beating her up as she was overwhelmed by a massive fight cloud, and it really really got ugly as they viciously beat Billie Muldoon up, and then, Lincoln kicked Billie Muldoon hard out of the fight cloud and she crashed into a tree, she got back up, but she was beyond angry.

Billie Muldoon: YOU! YOU! I'M NOT FINISHED YET!

Lincoln fired a rainbow, white, golden yellow, and blue energy blast that turned into a straitjacket that tied up Billie Muldoon and she was also strapped to a gurney.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done forever, Billie.

Everyone cheered wildly as we holstered our weapons and we powered down, and Rayman's new body, clothes, weapons, jewelry, accessories, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty-five purple and red planets orbiting around his legs and twenty five smaller purple and red planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized purple and red planets orbiting around his wrists and ankles, and massive strawberry-blonde angel wings and nine sets of large strawberry-blonde angel wings underneath his massive rainbow angel wings are permanent and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long blonde and emerald green wolf tails, longer light apple greenish gray horn, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large fifteen colored planets orbiting around the legs and fifteen smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of larger colored angel wings underneath the massive colored angel wings of Leni, Sweetie Drops, and Emily Tamaki are permanent.

Leni: Let's get back home to make sure Billie Muldoon faces trial for all of her crimes.

Me: Good idea, Leni.

Nico: This'll seal her fate once and for all.

Lincoln: And we'll finally be rid of Billie Muldoon once and for all!

Lori: I've been waiting for this day to come when we finally get rid of Billie Muldoon through trial and execution, everyone hated her guts, and now, this'll literally be her final farewell.

Kanata knocked Genegarg down

SMASH!

Kanata and Izzy, Pepperdance and Namine blasted him and he exploded

Izzy Moonbow: He is done for!

Kanata: What do you guys wanna do now?

Then we came back,

King Hiss: (to Billie) I know a good way to kill you by the time your trial's done!

We teleported back home, and we brought Billie Muldoon to the courthouse, and everyone from the city was here along with the entire Masters of Evil, and the court was also being broadcasted all over the world. The trial began with witnesses and victims giving their testimony on what Billie Muldoon had done to them in the past, and when Lincoln and his Guardian Angels came up, they also brought out all the files they had documented on Billie Muldoon's malicious deeds and what she did with her conspiring with Swartz to kidnap Belle Muldoon so she can take her place and ruin the lives of her own parents and try to kill Leni, and when they got done, everyone in court including the jury and Judge Rockell was absolutely disgusted at Billie Muldoon.

Billie Muldoon was about to open her big fat mouth and start threatening the people, but one glare from Judge Rockell silenced her. The jury went into deliberations, and in less than ten minutes, the jury came back.

Judge Rockell: Has the jury reached a verdict?

Foreman: We have, Your Honor. We find the defendant, Billie Muldoon, guilty on all charges.

Everyone whispered in shock and awe, but the message was clear: Billie Muldoon was found guilty for her crimes, and now, her punishment was about to be decided.

Judge Rockell: This is truly one of the worst cases I have ever been presented with, you've gotten away with everything you've done through nothing more than lies, deceit, cruelty, manipulation, and jealousy and toxic hatred. But, it was only a matter of time before your lies came back to haunt you along with all of your crimes in the past. The severity of your crimes are indeed too severe, plus when I found out about how you conspired with Swartz to kidnap Belle Muldoon so you can take her place and ruin the lives of your own parents and try to kill Leni, I was indeed disgusted: so in addition to not only being an enemy to Team Loud Phoenix Storm, you're also a traitor to the world. Billie Muldoon, it is with the judgement of this court that I hereby sentence you to death for your crimes, and you're also ordered to pay all of your victims along with Leni over $900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 in damages.

WE GASPED AT THE AMOUNT!

Me: MY GOD! THAT'S AN ASTRONOMICAL AMOUNT!

Nico: HOW IS SHE GOING TO PAY THAT KIND OF AMOUNT?!

Lincoln: (Smirks) I already know just the solution.

After the trial ended, Lincoln blasted Billie Muldoon with gold energy giving her The Gessius Flores Vengeance Curse, and then, he invited all those who she lied in the past, and then, they beat her up severely, and every brutal assault they'd done caused massive tons of gold, gems, coins, and many currencies to explode out of Billie Muldoon!

Eli: BRUTAL!

Lincoln: This is also just like what I did to Miki Alden when we went after her last year, since just like Miki, Billie Muldoon was going to refuse to pay that amount, I decided to use the Gessius Flores Vengeance Curse on her.

Nico: Billie Muldoon's finally getting her just desserts for her misdeeds, and once the money's collected, it's off to The Black Abyss for her.

Eventually, every last one of Billie Muldoon's victims were done trashing her, and we counted all of the gold, gems, coins, and many currencies that exploded out of her, and the total amount added to $900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000: the amount of damages that she was ordered to pay in restitution to her victims.

Lincoln: Alright, and now, for the execution.

King Hiss: Please Lincoln. Allow me.

He bit her and she screamed and then a powerful dark poison melted her and killed her and banished her spirit to the Black Abyss forever.

Lincoln: And that is that.

Leni: Good riddance forever, Billie Muldoon.

Nico: See you never, bitch.

King Hiss: That is for sure.

Lincoln: Thanks King Hiss.

King Hiss: Anytime.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw a massive army of mermaids swimming in the skies and they left an amazing wave of water across the skies as their songs were heard.

Selene Arcangela: (GASPS) The Mermaids...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Melanie Mermaid, Avatar of The Mermaids

EVERYONE GASPED!

Me: No way!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Melanie Mermaid, Avatar of The

Mermaids, is Lincoln's Guardian Angel and she's known as The Melodious Water Mermaid Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Melanie is a powerful master of water and song and she's also known for her mastery of the powers of the mermaids. She lived during a time of light with a family of mermaids, as she grew, she gained all of the incredible strengths and powers of the mermaids, along with immortality and she also mastered the powers of the mermaids, and she'd fought to protect the mermaids and their secrets from those who seek to do them harm, and many centuries later, there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery that not only attracted the attention of all the mermaids, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of water and she knew of his divine singing and taught him even more on how to use the songs of the mermaids to hypnotize and put evildoers under his spell, and he also gained all of the incredible strengths and powers of the mermaids, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 mermaids and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the melodious fury of the mermaids!

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would face the melodious fury of the mermaids.

Mr. Mittens: Celebro is dead.

Control Freak: So is Billie Mundoon.

Me: Good fucking riddance.

Amora (to the Decker team): You guys helped as well.

Kanata: Of course we did.

Me: We owe you guys big time.

Haruki: See you on the 19th.

Kanata: We'll be waiting. And also have a good Saint Patrick's day.

Natilee: Thanks Kanata.

The Decker team then left. But not before Kanata used his Phone to send a text to Haruki's communicator.

Haruki: (reads text) "See you soon."

Loki: Of course we will.

LOUD NASTY LONG HORRIBLE FART!

Me: OH GOOD GOD!

Captain Cold: Now, let's get Carol to the bathroom!

Me: Yeah you're got that right!

Vince: I agree.

Nico: But great job everyone!

Leni: (To the viewers) This was totes an amazing and awesome battle!

Me: It sure was.

We returned home and We got Carol to the restroom and then..

LOUD NASTY AND LONG AND HORRIBLE EXPLOSIVE DIARRHEA!

Carol: (From the restroom) AHHHHHHH! THAT IS SO MUCH BETTER!

Vince: You learned a huge lesson about those berries.

Me: Also partner those berries also cause really nasty explosive diarrhea.

Nico: Okay I did NOT NEED to hear about that.

We helped Haruki and his team settle in. Then, as the sun set and night fell on the city, Sweetie Drops and the rest of Lincoln's harem were heading to bed after an awesome mission and party to celebrate the end of Leni's big day mission same with my harem.

Sweetie Drops: That was a really awesome mission!

Girl Jordan: You said it, plus, we helped Leni with finally getting rid of Billie Muldoon for good. I hope her parents are going to be okay.

Varie: They will be. Lincoln reported everything to Maria's mom, and she forgave Belle's parents and they were fooled and manipulated by that monster.

Belle Muldoon: Mom and Dad both suffered for far too long thanks to Billie, and thanks to him, they're finally free from Billie's manipulation and lies for good.

?: Glad you all enjoyed the show.

?: And I'm also glad we also got rid of that bitch.

Suddenly, Lincoln's harem entered into Lincoln's room, and they saw Lincoln lying on his super extra-extra-extra-extra large bed fit for his expanding harem and he was only in a pair of large red underwear, and when they all saw Lincoln, his harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really gushing upon seeing their hotter, sexier hulking hunk of a future husband.

And my harem entered into my room, and they saw me lying on his super extra-extra-extra-extra large bed fit for his expanding harem and I was only in a pair of large red underwear, and when they all saw me, my harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really gushing upon seeing me, their now even more hotter, sexier hulking hunk of a future husband.

Lincoln and Me: (Seductive Voices) Like what you see, ladies?

Lincoln's Harem and my harem: (In Heaven) Oh yeah.

Lincoln made clones of himself and they walked up to his harem and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of Lincoln and his clones and their stomachs pressed against their ten-pack abs, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of Lincoln and his clones, and I made clones of myself and we walked up to my harem and we wrapped our abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of me and my clones and their stomachs pressed against our twelve-pack abs, which'd brought an atomic red blush to the faces of me and my clones, and we shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of me and my clones.

Sweetie Drops: (In Heaven) Uh oh, I can tell you're an even more happier mood after getting rid of Billie Muldoon, and you're in for a wild night with us.

Lincoln: (Seductive Voice) You guessed it.

Me: (Seductive Voice) Alright, ladies, hope you're all ready for one...wild...night.

Lincoln's harem went inside Lincoln's room and my harem went inside my room and Lincoln used one of his eleven massive and long white wolf tails and I used one of my eleven massive and long dark brown wolf tails to close the doors to our rooms and the barriers came on.

It was gonna be a LONG PASSIONATE WILD NIGHT!

Griffin Rock Turmoil

This chapter is the sequel to the Transformers Rescue Bots chapter we did.

In the early morning hours of 3:24 AM, Lincoln had an interesting dream: it took him to Sesharrim and The Great Valley in The Land Before Time, and as he was flying, he saw something appear in the skies: it was the symbols of Sesharrim and Aylene's mark, and he saw two girls appear from those symbols, they were two girls all too familiar to him. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh man! Lincoln, what you just told us, there's no doubt about what you just saw in your dream, it's them: The Keyblade Knights of Sesharrim and The Land Before Time.

Lincoln: There's no doubt it's them.

Darcy Dryad: The appearance of The Land Before Time's Keyblade Knight will no doubt alert Aylene and Derek.

Paige: Do they know her?

Lincoln: They do, Paige, but that'll be saved for first thing tomorrow morning.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Sesharrim and The Great Valley in The Land Before Time, and as I was flying, I saw something appear in the skies: it was the symbols of Sesharrim and Aylene's mark, and I saw two girls appear from those symbols, they were two girls all too familiar to me.

Nico: Wait, really? Who are they?

Lincoln: They're The Keyblade Knights of Sesharrim and The Land Before Time.

WE GASPED!

Aylene: The Keyblade Knight of The Land Before Time? Derek, if it's who I think it is, then...!

Derek: There's no doubt about it, sis.

Suddenly, we saw the symbols of Sesharrim and Aylene's mark appear and our rainbow, white, golden yellow, and blue energy auras flared up as we suddenly gained a massive power boost, and then, a tornado of fire and a tornado of leaves appeared, and then, the tornadoes disappeared and in their place were two girls: a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long orange hair, orange eyes, massive phoenix angel wings, orange clothes, long white sleeveless trenchcoat with stars, fire, flames, phoenixes, and angels on the coattails, and on the back is Sesharrim, and she has a fire Keyblade in hand, and the other girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, green eyes, massive green angel wings, the symbol of The Land Before Time on her forehead and right arm and black sleeveless crop top, black and green clothes, long white sleeveless trenchcoat with stars, leaves, plants, dinosaurs, phoenixes, and angels on the coattails, and on the back is The Land Before Time, and she has a nature Keyblade in hand.

Lincoln: (GASPS) Shayla Sesharrim, Keyblade Knight of Sesharrim and Carla Carter, Keyblade Knight of The Land Before Time.

Aylene, Derek, Littlefoot and Friends: Carla!

Me: Whoa! The Keyblade Knights of Sesharrim and The Dinosaur World from The Land Before Time, awesome!

Nico: That's incredible! And you know them, Lincoln?

Lincoln: Indeed I do.

Selene Emperyous: And so do we, the first girl is Shayla Sesharrim, Keyblade Knight of Sesharrim, she's Lincoln's Guardian Angel from Sesharrim and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of fire and explosions. She is the Keyblade Knight of Sesharrim from the world of Titan A.E. and she's a powerful fire and explosion master, and any who anger her..., KABOOM! She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of fire and explosions. Lincoln made her an awesome necklace, and to show thanks, she kissed Lincoln on the lips, and as a result when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a vengeance.

Michelle Emperyous: And the second girl is Carla Carter, Keyblade Knight of The Land Before Time, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of nature and the life of The Dinosaur World. She is the Keyblade Knight of The Land

Before Time and she's also good friends with Littlefoot and friends and also hates Sharptooth and all the Sharpteeth minus Chomper and his family, and she's also the elder sister of Aylene Carter and Derek Carter. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of fire and explosions. Lincoln made her an awesome necklace, and to show thanks, she kissed Lincoln on the lips, and as a result when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to feed them to the Sharpteeth.

Me: We've had many adventures with Littlefoot and friends along with Aylene and Derek, and last year, we found The Stone of Cold Fire, and we also gained its powers as well.

Carla Carter: Really?

Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Justice, and she saw that among the embedded gems is a Stone of Cold Fire.

And she saw we all had them embedded in our massive greatswords as well.

Carla Carter: That's so amazing!

Nico: And we also made a spell using its power to see who's good and who's evil, and it works wonders.

Lincoln: And it really helped out especially during our missions to Yuya's world.

Suddenly Lincoln made a clone of himself, and while he pinned Aylene Carter to the floor, his clone also pinned Shayla Sesharrim to the floor, and they kissed them on the lips and marked them by biting them on the right trapezius and fed on their blood, and his already flared up rainbow energy aura with elemental forces and mythological animals had flared up even more extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln and his clone slowly unlatched their fangs from their right trapezius and the marks sealed up and Lincoln and his clones kissed the spot where they bit them and helped them up, and they also had two Elemental Thunderbird Necklace of Eternal Love with green and orange gems on the gold lightning bolts and green and orange crystal links and jade beads from their merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and nine white and gold accented Elemental Thunderbird Choker of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Then, he and the clones helped them up and the clones vanished.

Shayla Sesharrim: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And we had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise.

Lincoln had a blush on his muzzle.

Lincoln: Sorry about that.

Nico and I snickered.

Me and Nico: Lincoln, you sly wolf.

Lincoln: Alright, alright, we should finish up breakfast, and get ready to take down the bad guy for Nico's rescue.

Nico: Right.

Suddenly, we saw June's grandmother, Jasmine Lee, arrive.

Juniper Lee: Ah Mah, what happened?

Jasmine Lee: The dragon I was booked on this morning got sick. Who eats Mexican food before flying?!

Ronnie Anne: I still remembered that incident from our trip to Mexico. That was the worst idea Abuelo had.

Rayman: Thank goodness I had a transportation portal ready in case that guy ate Mexican food before the flight.

Jasmine Lee: That was a smart move. Anyways, I got some news to share with you guys: I've been keeping my eyes open for Kai Yee using a tracking spell. He's come back from the dead thanks to Morgana Midnight Sparkle.

WE GASPED!

Juniper Lee: Oh man, of all the dangerous villains I've faced in the past, Morgana had to bring back the rogue Te Xuan Ze. That's it, she's getting her butt kicked to The Black Abyss.

Rayman: It's been a year since we took care of Kai Yee, and Morgana had some nerve to bring him back!

Suddenly, June's bracelet glowed.

Juniper Lee: And we're in luck, Kai Yee's heading for us, and it's on Nico's rescue.

Nico: Nice, so we'll be ready for him when he does show up.

Rayman: He's going to pay for turning his back on The Elders and for disgracing the legacy of The Te Xuan Ze. I'll drain him dry of all his magical powers and lifeforce and send that dork to the blackest depths of The Black Abyss.

Ray Ray: Awesome!

Monroe: (Scottish Accent) I hope you and June know what you're doing.

Rayman: Monroe, June and I drained him of all his magical powers, skills, and abilities during Lincoln's rescue at Chi Bi last year, we know what we're doing.

Juniper Lee: That's right. Now, just keep Ray Ray from trying to cause some mischief, the last thing we'd want is another incident.

Nico: I really don't want to ask about that.

We then finished our breakfast, and we set out to take down the targeted bad guy for Nico's rescue.

Georgina woke up to see Zapdos staring at her

Zapdos: Morning Georgina.

Georgina: Morningi Zapdos.

Zapdos: Time for breakfast.

Georgina: Oh boy!

She went and got dressed. We were having oreo, chocolate and fudge pancakes.

Georgina: Mmm! (Eating) Chocolatey.

Fluttershy: It sure is.

Me: Yep.

Lilja was looking at a locket that she had.

Me: That locket is cute Lilja.

Lilja: (Icelandic Accent) I've had this locket for as long as I can remember. I haven't opened it yet.

Lilja opened it and gasped. She saw a picture of her as a baby and with her was a woman with red hair and blue eyes.

Lilja: That must be my.

Fluttershy: That must be your biological mother.

Lilja had tears form.

Me: Wait I see something.

There was something hidden behind the photo.

She opened a hidden flap behind the photo and it had a hidden note.

She opened it and it was in a last message from Lilja's mother.

Lilja: (Reading In Icelandic)

Elsku Lilja mín.

Elsku liljublómið mitt. Ég er mamma þín Sólrún. Ef þú ert að lesa þessi skilaboð þýðir það að ég hef ekki lifað af. Ég varð að gera það sem þurfti til að bjarga þér frá hræðilegum örlögum. Gunnar faðir þinn er andlega óstöðugur maður og hann á í miklum vandræðum með höfuðið. Hann heyrir raddir í höfðinu á sér og er sár. Ég þurfti að gera það sem þurfti að gera til að bjarga þér og þess vegna lét ég setja þig inn á munaðarleysingjahæli til að vernda þig svo að þú getir fundið nýja fjölskyldu til að elska þig þar sem ég ætti að hafa. Ég gerði þetta til að bjarga þér og ég elska þig meira en allt. Ég er kannski ekki til staðar til að hjálpa þér og elska þig eins og venjulegt foreldri en ég elska þig meira en allt. Gleymdu því aldrei Lilja. Ég elska þig meira en allt og mun alltaf vera með þér. ég elska þig

Þín móðir Sólrún Jóhannsdóttir.

(To my dearest Lilja.

My dear lily flower. I am your mother Sólrún. If you are reading this message it means that I have not survived. I had to do what needed to be done to save you from a terrible fate. Your father Gunnar is a mentally unstable man and he has a lot of problems wrong with his head. He hears voices in his head and is hurting. I had to do what needed to be done to save you and so I had you put into the orphanage to protect you so that you can find a new family to love you where I should have. I did this to save you and I love you more than anything. I may not be there to help you and love you like a normal parent but I love you more than anything. Never forget that Lilja. I love you more than anything and I will always be with you. I love you

Your mother Sólrún Jóhannsdóttir.)

We gasped.

Fluttershy: Oh Lilja.

Me: She gave her life to save you from your father.

Lilja then broke down crying.

Lilja: (CRYING HARD) MOM!

Fluttershy comforted her.

Nico: Oh man. That is so hard.

Qin: Poor Lilja.

Me: We'll go to your grave and see her. Nico we need to go to Iceland to help Lilja get some closure.

Nico: I understand. Lincoln you better go with them too.

Lincoln: Okay.

We went there

We arrived at the Akureyri Cemetary in Iceland and we saw the grave. It was for Sólrún Jóhannsdóttir.

Lilja went to the grave and broke down crying and she was really crying hard.

Lilja: (CRYING) Oh mommy! I never got to know you!

Fluttershy cried hard and Lincoln comforted her.

Me: (TEARS STREAM DOWN MY FACE)

Lilja was so sad.

Lilja cried hard.

Lilja: (CRYING)

(OUR FAREWELL BY WITHIN TEMPTATION PLAYS)

In my hand, a legacy of memories

An' I can hear you say my name

I can almost see your smile

Feel the warmth of your embrace

But there is nothing but silence now

Around the one I loved

Is this our farewell?

Sweet darling, you worry too much, my child

See the sadness in your eyes

You are not alone in life

Although you might think that you are

Never thought, this day would come so soon

We had no time to say goodbye

How can the world just carry on?

I feel so lost when you are not at my sight

But there is nothing but silence now

Around the one I loved

Is this our farewell?

Sweet darling, you worry too much, my child

See the sadness in your eyes

You are not alone in life

Although you might think that you are

So sorry your world is tumbling down

I will watch you through these nights

Rest your head and go to sleep

Because my child, this is not our farewell

This is not our farewell

Lilja was really broken. Because of her mentally unstable father her mother gave her life to save her.

Me: Oh poor Lilja.

Lilja: (CRYING) OH MOMMY! I MISS YOU! (CRYING)

Lincoln: Poor Lilja.

Fluttershy was crying hard too.

Lilja was crying hard as she misses her mom.

But then a beam of light shined down.

?: Lilja.

WE GASPED!

Me: Lilja! LOOK!

We saw a woman with red hair and blue eyes and had white clothes and white angel wings standing in front of her.

Lilja: (GASP) Mom?

Sólrún Jóhannsdóttir: Hello my lily flower.

Lilja: MOM!

She and Sólrún Jóhannsdóttir hugged for the first time ever!

Lilja: MOM! I MISS YOU!

Sólrún Jóhannsdóttir: I know Lilja. I know and I'm so sorry I can't be there for you. Your father did terrible things because of his mind being messed up.

Lilja: (Sniffles) Mom you did what you had to do to save me. I know you saved me. I love you so much.

Sólrún Jóhannsdóttir: I do too Lilja. Just never forget that I will always be with you. Fluttershy thank you for taking care of my daughter.

Fluttershy: Oh you are so welcome Sólrún.

Me: Lilja has been an amazing and great help for all of us Sólrún. I'm so sorry that Gunnar did everything he did to you. But you are a true hero to Lilja. You saved her life.

Sólrún Jóhannsdóttir: I know. Never forget Lilja that I will always be with you. I love you so much.

Lilja: I know mom.

She hugged her mother one last time before she went back up to Heaven and she waved goodbye to her.

Lilja: (Sniffles) I will miss you mom.

Fluttershy: I'm so sorry Lilja. But...

Lilja: I know mom.

Me: At least you got closure.

Lincoln: That is true.

Lilja: It sure is.

We went back home.

We got home and Fluttershy was still crying and we got her to the sofa and Lilja and Fluttershy were crying.

(GOODBYE RODNEY PLAYS)

Me: It's all right girls. Let it out.

Nico: Poor girls.

Rarity: [starts crying] I can't bear to see Fluttershy cry!

Pinkie Pie: [starts crying] It's just heart-wrenching!

Fluttershy, Pinkie Pie, Rainbow Dash and Rarity: [crying hysterically]

They were crying with Fluttershy.

POOR GIRLS

Twilight Sparkle: Oh man that must've been awful for Lilja.

Me: It was Twilight.

I told Nico everything.

Nico: Oh man. Poor Lilja.

Applejack: Learning all about that is never easy.

Jared: It never is.

Me: Yeah.

Fluttershy was REALLY CRYING. Same with Lilja.

Fluttershy's animal friends came to cheer them up.

Angel cuddled up to her.

Daffodil Bloom and Bluebell comforted them too.

Daffodil Bloom: It'll be okay girls. It'll be okay.

Bluebell: Boy that must've been hard for them.

Me: It was. But Lilja's biological mother came to us in spirit and assured her that she will always be with Lilja.

Camie: Wow. Poor Lilja. That must've been so hard for her.

I pat Fluttershy and Lilja's backs.

Twilight Sparkle: I've never seen them cry so hard.

Nico: Me neither.

Eli: Yeah that is awful and sad.

Laney: Oh man.

Poromon: It'll be okay girls. It'll be okay.

Horsea cuddled up to them.

May: Just let it all out girls. Let it all out.

Manaphy: Yeah.

Fluttershy: (Sniffles) (Crying) It was so sad seeing Lilja that upset.

Me: I know Fluttershy. I know. Think you can get through the rescue?

Fluttershy: (Crying) Me and Lilja will try.

Me: Okay.

We were comforting Fluttershy and Lilja and even more animal friends were helping her too.

Me: It'll be okay Fluttershy and Lilja.

Spidermonkey: Man they are really broken aren't they?

Me: Lilja never even knew her real mother. This is very hard for her.

Nico: I know.

Naruto: Just like how I lost my family. I never knew my family growing up either.

Sakura Haruno: That was sad.

Fu: Yeah.

Nico: Spidermonkey, I want to thank you, Large Evil Demon Monkeys, and your teams for coming

Spidermonkey: No problem Nico. It'll be good helping you guys out.

Yuriko: Same here. It'll be fun.

Saya: It sure will mom.

Nico: Yuriko, are you proud of Saya?

Yuriko: I always will be Nico. She made me so proud when she and her friends became strong during the zombie outbreak.

Lincoln: They did and amazing job.

May: They sure did.

Me: They had to learn so fast to fight against a very grave situation. Just like how we did on so many levels.

Rei Miyamoto: Yeah it was not an easy process. But we prevailed.

Lincoln: You sure did

Miku Yuuki: It was hard for me and all my friends to live through all that.

Shizuka: It sure was.

Yuriko: But we all made it.

Me: And the best part is Lincoln is an amazing father to your daughter's kids and so many others.

Nico: You killed your share of zombies too

Yuriko: I know. It was a harrowing journey but we made it.

Lisa Loud: Indeed. And the good part is Shido is gone for good.

Camie: That is for sure.

Qin: Good riddance.

Miku Yuuki: (Cuddles with me) I'm glad too.

Me: So is the world Miku.

Nico: Yeah. Leni, you and Sweetie Drops and Emily did a great job yesterday on your missions.

Leni: That was so totes fun!

Pipp Petals: Oh my glitter you all did a totes amazing job!

Ed: I'm proud of you Leni.

Lyra Heartstrings: Same with me and Sweetie Drops.

Nico: And me with Emily.

Me: We all are. Wow! That was awesome. But Leni's Akuma was horrific.

Nico: Yeah no kidding. She was a mad scientist.

Leni: No kidding! (Voice Breaking) It was.

Me: No Leni no crying. We got enough crying already going on.

Nico: That Akuma was insane!

Me: More insane than Luan's and your Akuma and Girl Jordan's.

Girl Jordan: No kidding there!

Camie: Yeah.

Rainbow Dash: Yeah no kidding! But J.D. that was awesome how you fought her like that.

Camie: I agree.

Me: Yeah. Leni no offense but I don't think your boss would do that to you like that. Not after how Billie tried to frame you.

Nico: I remember that.

Eddy: Yeah.

Me: I agree. But at least Billie is gone forever.

Camie: Yeah.

Eddy: Good riddance.

Xenia: Yeah no kidding.

Lilja and Fluttershy were still crying.

Me: Here girls.

I gave them both hankies.

HOOOOOOONNNNKK!

Me: There you go.

Spidermonkey: I can climb these trees easily

Qin: You sure can.

Camie: What is it like on your home planet?

Spidermonkey: Aranhascimmia is a jungle planet and we Arachnichimps are very agile in the trees and we avoid some of them because of our predator. The Root Shark.

Shanan: They look like this

She showed a hologram of one and it was a giant snake creature with a shark like face.

Camie: Whoa scary.

Spidermonkey: Yeah it sure is.

Me: We've actually been to Aranhascimmia before. We battled Ape when he was going bonkers from Bananaquats.

Nico: Right! I remember that! That was crazy.

Camie: Geez!

Lola: Yeah no kidding.

Me: Yeah it's an amazing planet. It's beautiful too.

Shanan: The jungles there span the entire planet.

Kevin Levin: We were there before too

Me: I just said that.

Kevin: Sorry.

Qin: Yeah that was nuts.

Ben: Kevin meant that he, me, and Gwen went there before to cure a stray DNAlien outbreak

Me: I heard about that. That was nuts.

Nico: Yeah.

But then I sensed something and then...

ZING!

I caught an arrow as it was about to zoom passed my face.

Me: WHOA!

Nico: WOW!

Qin: Fast catch.

Nico: Where did that come from!?

Me: No idea.

Nico: HEY!

We saw no one.

Me: Someone is out there.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in the world of Robin Hood, but here's the news: we got word that Twisted Maid Marian is here along with her world's version of that thumbsucking freak, Prince John.

WE GASPED!

Nico: So, we're going to save Twisted Maid Marian from herself.

Me: And send her world's version of that thumbsucking freak, Prince John, to The Gallows.

Eli: This is just like what happened during Emerald's big day mission: and it'll end the same way, we're going to save Twisted Maid Marian from herself and send her world's version of that freak to The Gallows.

Anna Anyanova: I hated that freak for a very long time. Our world's version better behave himself or I swear I'll give him a quadruple super mega wedgie so bad, he won't be able to sit down ever again!

Eman Reynolds: No, how about putting electric eels down his pants!

Anna Anyanova: Even better!

Nico: YIPES! Lincoln, Eman and Anna have some sadistic ideas for our world's version of King John if he doesn't behave himself.

Lincoln: They're actually going to use that on Twisted Maid Marian's version of him, our world's King John is going to behave himself. (Cracks Knuckles) Because if he doesn't and tries anything, I will unleash the terror of The Dark Ages on him!

WE GASPED!

Me: Oh boy!

Nico: (GULPS)

Eli: Sometimes, Lincoln really scares me!

Suddenly, Lincoln had a premonition: it appears the rogue Te Xuan Ze, Kai Yee, is coming after us for revenge.

Lincoln: Gotcha, you disgrace.

Me: Kai Yee is coming after us, right?

Lincoln: You got it. We'll let Rayman handle him while we save

Twisted Maid Marian from herself and get rid of her world's version of Prince John.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: So, we've got a Twisted Princess to save, it's been a long while since that's happened.

Lincoln: True, it's been a while, but we know the drill.

Me: Helena how about you tell us what happened to this version of Marian.

Helena Nicos: Okay.

* * *

Upon hearing that Friar Tuck had been captured and that Prince John planned on hanging him, Robin Hood and Little John set a plan in motion to rescue him as well as the other citizens of Nottingham. All seemed to be going according to plan until Robin Hood was confronted by the Sheriff of Nottingham. An epic sword battle ensued that lead throughout the castle. The Sheriff had Robin cornered but Robin made a quick escape into the moat surrounding the castle. The Sheriff ordered his archers to fire on Robin as he began swimming to shore where Little John and Maid Marian were waiting for him. Maid Marian called out to him and just as she did, an arrow pierced her love's back. She screamed in horror and began to rush out towards him but was stopped by Little John who shielded her from an onslaught of arrows. Tears filled her eyes as she saw the life leave John's eyes and his body slumped over in front of her. Her heart sank as her attempts to awaken Little John had failed. As she looked up she could see Robin crawling out of the moat with two arrows in his back. She rushed over to him to help assist him. He looked in her eyes and placed his hand on her cheek and smiled. And as he looked deeply in her eyes he said "I….love…..y—"…but before he could finish, an arrow fired from the castle flew by Marian's face, scarring her eye and hitting Robin in the chest. She screamed and held him in her arms as a new rage and determination filled her heart. Friar Tuck noticed Marian and rushed to her aid and hurried her away from the shore before another volley of arrows was fired. Maid Marian, heartbroken and alone, vowed to avenge her fallen love. She took up Robin's bow and sword as they would be the tools of her revenge…and she WILL have her revenge!

WE GASPED IN SHOCK!

Qin: Oh man!

Xenia: YIKES!

Me: That thumbsucking tyrant really crossed the line!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking

Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Twisted Maid Marian) Aha, there she is. I just found Twisted Maid Marian, she's 20 yards away and she's already trashing her world's King John. Let's head on over to save her. (Sensed Kai Yee) And I just spotted Kai Yee.

Nico: Let's get going.

Sora heard a Pokemon cry.

Sora: Look guys!

We saw a Poliwag.

Nico: Cool! Another Poliwag.

Poliwag: YAY! A new friend!

Poliwag 2: HI!

Sora: Hello. Are you hungry?

Poliwag 2: Sure am.

He gave her Ratatouille that he made.

Poliwag 2: Oh boy! Ratatouille my favorite.

Jared: Nice to see she likes Ratatouille as much as me.

Me: I know.

She ate it and it was good.

Poliwag 2: Delicious! You made it?

Sora: I sure did.

Me: With a little help from our friend Remy.

Remy: It's true.

Poliwag 2: It's great.

Nico: It sure is.

Sora: Want to come with us?

Poliwag 2: Sure!

Me: Awesome! And just to be safe...

I put a flower headband on her to avoid confusion.

Poliwag 2: What's the Flower headband for?

Me: To avoid confusion.

Nico: I have a Poliwag too and we have to avoid confusion.

Lily: Just like how I have a Manaphy.

Poliwag: It's true.

Poliwag 2: I get it.

Me: Cool.

But then...

LOUD LONG NASTY HORRIBLE FART!

Me: WHOA! Carol! I thought you got over that gas!

Carol: It wasn't me! It was from that!

We saw a Mesprit!

Me: Cool! Mesprit!

Nico: That farted?!

LOUD LONG NASTY HORRIBLE FART!

Me: WHEW! Man that one has a nasty gas problem!

Triple Berry: Let me see.

She used her telepathy and gasped!

Triple Berry: That's my sister Snakeskin Lilyberry!

Me: Wait your sister is named that?!

Triple Berry: I'll explain later! Lets go help her!

Me and Triple Berry went to help her.

Triple Berry: Snakeskin! It's me Triple Berry.

All she did was fart!

LOUD LONG NASTY HORRIBLE FART!

Me: WHEW! Man that is nasty gas!

Triple Berry: You're going to get a surprising shock from this.

Me: Okay then.

She fire berries and blasted her all over.

I fired waves of lightning and electrocuted her.

She farted again

Me: GEEZ!

Me and Triple Berry fired berries and lightning and blasted her and then I snapped my fingers.

LOUD LONG NASTY HORRIBLE FART!

She farted as she revereted back and was a girl with neon red hair, purple eyes, had Mesprit in the middle of her forehead and had red angel wings and had a red version of Triple Berry's cutie mark on her arm.

I wrapped her in a blanket and we brought her over.

LOUD LONG NASTY HORRIBLE FART!

Me: (COUGHS AND GAGS) Geez!

Triple Berry: She can't help it. You get used to it.

Me: Whew! Easier said than done.

She woke up.

Triple Berry: Sis? Are you okay?

Snakeskin Lilyberry: (Australian Accent) Triple Berry? (Gasp) Triple! You're okay!

They hugged.

LOUD LONG NASTY HORRIBLE FART!

Snakeskin Lilyberry: Sorry about that mate.

Triple Berry: It's okay. Snakeskin is called that because well she eats, harvest and makes berry juice from Snakeskin Lily Berries.

Carol: Wow! I've had those berries before and man they gave me really explosive gas.

Snakeskin Lilyberry: I know the feeling mate. But they are tasty.

Me: They sure are. Also you were turned into a Mesprit by Dark Gale.

Snakeskin Lilyberry: (GASP) Oy I remember mate.

FLASHBACK!

She was in a magenta body suit and then she farted as she was injected and then she turned into a Mesprit and flew out of there.

FLASHBACK ENDS

Snakeskin Lilyberry: That was awful mates. (LOUD LONG NASTY HORRIBLE FART)

Me: Geez no kidding. But we promise that Dark Gale will die soon.

Nico: Your role in Sonya's team?

LOUD LONG NASTY HORRIBLE FART!

Nico: Besides farting a lot.

Snakeskin Lilyberry: I'm the berry bomb master. I use berries and fruit as bombs.

Camo: (Spanish Accent) Like how I can use fruit as bombs too amigo.

Snakeskin Lilyberry: That's right and outside the team I'm a Snakeskin Lily Berry maker and juicer.

Me: Cool!

Rarity: Lets get you some new clothes darling.

LOUD LONG NASTY HORRIBLE FART!

Rarity: Uch! Before she burns our noses off.

They went and did so and gave her amazing neon red and purple clothes and a berry sword.

Snakeskin Lilyberry: Oh thanks mates. I look amazing. One sec.

POP!

She had a tail grow! Her tail was a neon red version of Triple Berry's.

Nico then snapped his fingers.

Nico: Just to delay the farts.

Me: Good idea.

Qin: Yeah. But before we head out we need to be more concerned about Fluttershy and Lilja.

Nico: And wait for another arrow?!

Me: Lincoln you make a shadow clone and have it stay with them.

Lincoln: Okay.

Lincoln did so.

Nico: Oh. That works.

We then took off into the air and we set out to free Twisted Maid Marian from herself and destroy her world's King John and send him and the rogue Te Xuan Ze, Kai Yee, to The Black Abyss forever.

We were flying in the air, and we spotted our targets: Twisted Maid Marian and she was attacking her world's Prince John who's sucking his thumb in fright and horror.

Lincoln: There's Twisted Maid Marian and there's her world's thumbsucking freak!

Lincoln fired waves of rainbow, white, golden yellow, and blue energy from his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings and they hit Twisted Maid Marian and her world's Prince John and we landed.

Me: Maid Marian, you need to stop now!

Nico: YEAH!

Twisted Maid Marian: Not until this freak pays for what he did to Robin!

Robin Hood (Disney): Marian, wait, hold it!

Suddenly, Twisted Maid Marian saw Robin Hood, and immediately, she thought she saw a ghost.

Maid Marian: Is she...?

Lincoln: When she saw our world's Robin, she thought she saw her world's Robin.

Robin Hood (Disney): Marian, I know that what he did was so horrible and evil that he deserves to die for his crimes, but if you continue on with this desire for revenge, you're going to risk losing the last part of yourself: the one that made you who you are. So, please, do not let yourself fall down into that dark abyss. Please, let us help you.

Nico: Before you do something you'll regret

Me: Marian listen. Your worlds version of Robin would not want you to become hellbent on vengeance. You are better than this. You love Robin Hood yes but he would not want you to become like this!

Qin: That's right!

Nico: Is this what he would want?

Me: Yeah.

Twisted Maiden Marian: (Crying) NO!

Twisted Maid Marian felt caught in between: it's as if Robin Hood's words had hit a chord in her heart. Then, he walked up to Twisted Maid Marian and he took her by the arms, and we saw light forming in his hands and it flooded into Twisted Maid Marian, and she was being cleansed of the darkness that'd stained her and when the light faded, she was finally restored to who she was. Then, she hugged our world's Robin Hood as she broke down and cried.

Maid Marian walked up and joined in as well.

Nico: Robin Hood saved her from herself, he used the right words to snap her out of it.

Me: No doubt about it.

Lincoln: (Sees Twisted Maid Marian's world's Prince John about to fire an arrow at our friends) Hey, what do you think you're doing?!

Lincoln teleported in front of the thumbsucking freak, and...!

POW!

LINCOLN PUNCHED HIM SO HARD IN THE FACE, HE KNOCKED OUT ALL HIS TEETH!

Eli: Nice one, Lincoln! (To Twisted Maid Marian's world's Prince John) HAH! In your face, freak!

Lincoln: He brought this on himself,

Nico: I don't even know how Hiss puts up with you!

Qin: YEAH!

Twisted Prince John: WELL YOU ARE STUPID MONSTERS!

Me: The only monster here is you!

Then I put supercharged electric eels down his pants!

CHOMP!

ZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPP!

Ed: ZAPPITY ZAP ZAP!

Caleb Maxwell: Let's see him survive this!

Caleb Maxwell summoned armies of vampire bats, and they really tore at him with their talons and fangs.

Robin Hood (Disney): Nice work with the vampire bats. Ooh, now here's a good one.

Robin Hood fired arrows that had mud bombs tied to them, and they exploded as they hit the Twisted Universe Prince John and he was covered in mud!

Lana: Ooh, he got mudbombed! Nice one!

Twisted Universe Prince John: Oh, this is just disgusting!

Lola: Oh, don't be such a crybaby!

Buster Bunny: That'll teach him, but let's see him survive this!

Buster Bunny formed a massive red energy ball and condensed it to the size of his body.

Luna: (GASPS) No, dude! Get rid of that thing!

Buster Bunny: (Smirks) Okay, if you say so. NEGATIVE KARMA BALL!

Buster Bunny fired the energy ball and it hit Twisted Universe Prince John and it exploded with incredible power, and he was really mangled.

Lola: Oof! Mangled by a Negative Karma Ball, that's the worst kind of punishment there is.

Caleb Maxwell: Must you always make things go from bad to worse?

Buster Bunny: (Points to Twisted Prince John) That thumbsucker started it.

WHAM! WHAM!

CALEB MAXWELL HIT TWISTED UNIVERSE PRINCE JOHN ON THE HEAD WITH HIS LARGE TWIN PISTOLS AND LEFT A BIG LUMP ON HIS HEAD!

Twisted Universe Prince John: (SCREAMS) YOU LOUSY, CARROT-CHEWING PEASANT!

We laughed.

Lincoln: Now, that was good. (Smirks) But, so's this!

Robin Hood (Disney): Uh oh!

Sora: Here it comes!

SCREECH! LOUD CRACK!

LINCOLN SCRAPED HIS GOLD-ARMORED CLAWS ON A CHALKBOARD AND CRACKED HIS KNUCKLES!

Twisted Universe Prince John: (SCREAMS) MAKE IT STOP!

Ed and Mascots: WHAT A PEST!

Edd: That's disgusting.

Ed and Mascots: MAKE HIM STOP!

WE WERE LAUGHING OUR BUTTS OFF!

Me: Oh! Oh man, now that's just hilarious!

Nico: That's too hilarious as always! (LAUGHS HYSTERICALLY) LINCOLN, YOU'RE GONNA MAKE US BUST A GUT!

Luan: That was funny.

Ed: So is this. (Gets out a large onion) The more you peel away its layers, the more it stinks. (ED OPENS HIS MOUTH AND A LION ROARS)

THEN, HE TAKES A BIG BITE OF HIS ONION!

Eddy: WOOHOOHOOHOO! HE'S GONNA HIT HIM WITH ONION BREATH! TAKE COVER!

Ed: Watch me. (EXHALING STINKY BREATH AT TWISTED UNIVERSE PRINCE JOHN) HI, PRINCE JOHN!

Me, Eli, and Nico: WHOO! ONION BREATH! P.U.!

Edd: That's disgusting, Ed!

Francis Stone: WOOHOOHOOHOO! You're an animal, Ed!

Maria: Yeesh, that's the fifth time you ate an onion and blew onion breath at a bad guy. (Smirks) That was hilarious!

Leni: That's my loveable husband.

Twisted Universe Prince John: (GAGS) YOU INHUMAN BEAST! I'LL HAVE YOU EXECUTED FOR THIS!

Caleb Maxwell: Ah, go jump off a cliff!

Everyone: OOH!

Nico: Oh no, he didn't!

Cage Blunt: That's even worse than Travis flipping someone off.

Travis Tackett: Hey, I may flip some asshole off with that, but I wouldn't dare to say the words Caleb said. Someone should wash your mouth out with soap, mister.

Caleb Maxwell: (BLOWS A RASPBERRY)

Nico: Can we focus here?!

Me: Oh come on Nico we got some pranks we want to dish out.

I put lobsters in Twisted Prince John's pants and then...

HE SCREAMED IN AGONY!

Poliwag 2 charged at him and slapped him hard and blasted him.

Me: YEAH! HEY I GOT AN IDEA!

I pulled out my Wonder Ride Book.

Me: I haven't done this in a while. (Reads Verse) "The poor fool's luck was going downhill as a record flew in from out of nowhere and hit him square in the head."

A phonograph record flew in and then...

It smashed into a thousand pieces when it hit Twisted Prince John on his head.

Ed: Good morning tree!

Eddy went over to a nearby sandbox and threw a pail and bucket and then Twisted Princh John grabbed the bucket and then the sandbox fell on him.

CRASH!

Sand piled on him.

I whistled and then there was a rumble!

Twisted Prince John: HIPPOS!

He got trampled by a massive stampede of hippos!

Robin Hood went after Twisted Universe Prince John, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, arrows, foxes, owls, phoenixes, and angels which exploded as they hit him, then he attacked him with his massive greatsword leaving nasty scars on him, and he planted his massive greatsword onto the ground and he summoned his bow and he fired arrows at that freak and he got hit all over the place. Then, Robin Hood holstered his bow and removed his greatsword from the ground.

Just then, their spirits appeared, and not wasting any time, Lincoln banished them to The Black Abyss forever.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Robin Hood, Ingibjörg Hámundarson Vike, Mindy Minerva, Alusia, Bambi, The Great Prince did the same by firing colored, white, golden yellow, and blue energy slashes from their gold plated claws and massive greatswords, and Lincoln, Robin Hood, Ingibjörg Hámundarson Vike, Mindy Minerva, Alusia, Bambi, The Great Prince, Crash Bandicoot, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and this was making Twisted Universe Prince John even angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Twisted Universe Prince John, and we found ourselves in Heaven.

Then, Lincoln and I charged and smashed our rainbow energy infused left fists into Twisted Universe Prince John's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind him then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln went up to his face and flicked his left pointer finger at Twisted Universe Prince John's forehead and knocked him down on his back.

Lynn: AND HE'S OUT!

Everyone cheered as we holstered our weapons and we powered down, and Robin Hood's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty five green planets orbiting around his legs and twenty five smaller planets orbiting around his waist, longer scarlet tail, smaller planets orbiting around his fingers like rings, medium sized planets orbiting around his wrists and ankles, and massive scarlet angel wings and nine sets of large scarlet angel wings underneath his massive scarlet angel wings are permanent and the new bodies, clothes, weapons, jewelry, 28th Century backpacks, Third Eyes large gold halos with four large orbiting gold rings on each corner behind the heads, large twenty colored planets orbiting around the legs and twenty smaller planets orbiting around the waists, eleven massive and long red and magenta wolf tails, smaller planets orbiting around the fingers like rings, medium sized planets orbiting around the wrists and ankles and massive colored angel wings and five sets of large colored angel wings underneath the colored angel wings of Ingibjörg Hámundarson Vike, Mindy Minerva, Alusia, Bambi, and The Great Prince are permanent.

Then, we brought him to the castle, and because of what he'd done, Twisted Universe Prince John was sentenced to die in The Gallows, but rather than be condemned to hang, he would be executed with his head being cut off by none other than Robin Hood.

Robin Hood raised his massive greatsword into the air, and then...!

SWING! SLASH! SQUELCH!

ROBIN HOOD BROUGHT HIS MASSIVE GREATSWORD DOWN UNTO TWISTED UNIVERSE PRINCE JOHN'S NECK AND DECAPITATED HIM, AND HIS HEAD AND HEADLESS BODY WAS CONSUMED BY WHITE, GOLDEN YELLOW, AND BLUE HEAVENLY FLAMES, AND THE THUMBSUCKING FREAK'S SOUL WAS SENT TO THE BLACK ABYSS FOREVER!

WE CHEERED WILDLY!

Robin Hood: That's over and done with, now for one final act of business.

Robin Hood fired a beam of heavenly light from his massive greatsword as it shot into the sky. Then, something happened.

HEAVENLY MUSIC PLAYS

Suddenly, heavenly lights descended down, and we saw many figures descend from the skies, it was Twisted Maid Marian's version of Robin Hood and his Merry Men.

Robin Hood 2: W-where are we?

Maid Marian 2: Robin?

Suddenly, the two of them both saw each other once again, and they ran towards each other and they hugged as Maid Marian 2 cried as her heart was healed.

Nico: What her world's Prince John did tore a part of her soul out of her.

Me: That freak crossed a serious line in her world.

Lincoln: You said it, but this means one thing: we'll be dealing with The Twisted Princesses again, so we got to be ready.

Eli: You said it.

Robin Hood: Are you going to be okay, Eli? After what happened yesterday?

Eli: I'm alright, Robin. I just can't believe that Ursula was the mastermind who hired Davy Jones to kill Queen Athena. I knew that sea hag was nothing but scum, but to find out she hired that bastard to kill Queen Athena and hurt King Triton, Ariel, and her family like that, she's heading for The Black Abyss when it's Ariel's time to shine.

Nico: That's for sure.

Robin Hood: She's going to pay dearly for this.

Me 3: (Through my Crest) That's right.

Lincoln: I knew Ursula was a monster, but this..., as soon as you heard about this, Eli, I knew you were gonna go ballistic.

Me: (Gulps) Same here.

Nico: That was funny!

Me: It sure was!

Qin: YEAH!

Snakeskin Lilyberry: I haven't had that much fun since I was a wee nipper.

Camie: That is for sure!

Nico: YEAH! Great Job Poliwag 2.

Poliwag 2: Thanks! It was fun.

Poromon: Want some beer?

Poliwag 2: Oh I can't drink beer unfortunately. It makes me throw up.

Me: Yuck.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: It's like doing that to a mirror

Me: Yeah it sure feels like it.

Nico: (LAUGHS) Yeah.

We went to check on Fluttershy and Lilja and they were both still crying.

Me: Oh man.

Snakeskin Lilyberry: Poor mates. Wonder what happened.

Me: Lilja found out a revelation about what happened to her real mother earlier this morning. We went to Iceland and got some closure for her.

Nico: They have been crying hard since this morning.

Snakeskin Lilyberry: Oh that's sad mate.

Nico: Spidermonkey, what do you like to do in your free time?

Spidermonkey: I like to help out at the zoo and give monkeys food.

Qin: Cool!

Becca: He's a great help and it's amazing.

Camie: Nice.

Both Poliwag cuddled up to them.

Me: Fluttershy, Lilja come on you got to stop crying. I know how much it hurts but you're going to feel worse about it.

Fluttershy: (Crying) It just hurts bad for Lilja.

Me: I know. I know.

Lilja: (Crying) I just miss my mother. It hurts so bad!

Me: I know. It's hard.

Both Poliwag did puppy eyes.

Fluttershy: (Crying) Oh thank you.

Qin: Maybe a song can help you.

Lilja: We'd like that.

Qin: Whenever I was sad my mother would always sing me my favorite lullaby to help me get better.

Nico: That works.

Qin sat down.

(SLEEPSONG BY SECRET GARDEN PLAYS)

Qin: (SINGING DIVINELY)

Loo-li, loo-li, loo-li, lai-lay

Loo-li, loo-li, loo-li lai-lay

Lay down your head and I'll sing you a lullaby

Back to the years of loo-li lai-lay

And I'll sing you to sleep and I'll sing you tomorrow

Bless you with love for the road that you go

May you sail far to the far fields of fortune

With diamonds and pearls at your head and your feet

And may you need never to banish misfortune

May you find kindness in all that you meet

May there always be angels to watch over you

To guide you each step of the way

To guard you and keep you safe from all harm

Loo-li, loo-li, lai-lay

May you bring love and may you bring happiness

Be loved in return to the end of your days

Now fall off to sleep, I'm not meaning to keep you

I'll just sit for a while and sing loo-li, lai-lay

May there always be angels to watch over you

To guide you each step of the way

To guard you and keep you safe from all harm

Loo-li, loo-li, lai-lay, loo-li, loo-li, lai-lay

Loo-li, loo-li, loo-li, lai-lay

Loo-li, loo-li, loo-li lai-lay

Loo-li, loo-li, loo-li lai-lay

Loo-li, loo-li, loo-li lai-lay

Loo-li, lai-lay

* * *

She sang divinely and the beautiful creatures came and they made Fluttershy and Lilja so happy and calm. It made them better and happy

Poliwag: Happy now?

They then went to sleep.

Me: Aww they went to sleep.

Camie: All that crying wore themselves out but it made them better.

Qin: It sure did.

Nico: Nice job Qin

Qin: Thanks Nico.

Ling: Qin sure loves that song as much as I do.

Xenia: She sure does.

Lincoln: Lets let them take a little nap.

Nico: Good idea.

I made a silencing bubble for them.

Me: We'll let them sleep there while we face the Anothers.

Poliwag: OK!

Me: Good.

Xenia: This will be fun!

Yulia Umibozo: We saw the battle you all had and that was intense.

Me: No kidding!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and caught the wonder ride books and purified them!

Me: YEAH!

Nico: Now we wait.

Me: We don't have to wait long!

We saw Another Large Evil Demon Monkey and Another Georgina!

Me: There's the anothers!

Qin: Wow!

Another Large Evil Demon Monkey: (In a girls voice) This will be fun.

Raven: That voice.

She reverted back and it was the gene-slammer of Berserk Dragon!

Raven: Rhonda!

Rhonda Roth: Hello Rachel. Been a while.

Raven and Rhonda hugged.

Rhonda Roth: Good to see you again sis.

Nico: I didn't know Rhonda was your sister Raven.

Raven: You never asked. Also she is half demon like me and also hates our father Trigon.

Me: WOW!

Demon Monkey: Just like me as a demon.

Me: Yep. Who is your friend?

Another Georgina: Someone Georgina knows.

She reverted back and it was a younger version of Georgina!

Georgina: (GASP) Gianna!

She ran and hugged her.

Georgina: It's great to see you.

Gianna: Same here sis.

Me: WOW! Awesome to meet you Gianna.

Gianna: Same here.

Georgina: Gianna is my little sister and she is also a heavyweight weightlifting champion.

Zocks: (gets out Boonboomger gear) Because we can grant it instead

Kaito and Zocks got Boonboomger and King Ohger Weapons.

Me: Your demon powers no doubt.

Rhonda Roth: Yep.

Lola: Nice.

Sougo (gets out King Ohger Ridewatch): Your sister can lift a lot.

Geiz (gets out Boonboomger Ridewatch): How much can you lift?

Sougo got KuwagataOhgerArmor while Geiz got BunRedArmor

Gianna: I can lift over 50,000 pounds.

All of us: WOW!

Lynn: That is really impressive!

Georgina: Yeah my sister was named the strongest girl in the world. A Female Hercules.

Qin: Boy that is amazing.

Me: Lets separate you girls.

Lincoln: Right!

Nico: That's right.

Xenia Armageddon: Yep.

Yuriko: Do you have a good memory of Nico?

Xenia Armageddon: I sure do. When me and Nico were on the home planet of the Scalthonians and we destroyed them and made sure they never could realize their plans for universe domination.

Me: WHOA!

Shanan: The Scalthonians were intergalactic bigots and they wanted to be the superior force.

Me: I'm glad they were destroyed.

Camie: Yeah.

Nico and Xenia hugged.

Nico: I've missed you.

Xenia Armageddon: Same here.

We picked up Fluttershy and Lilja went back home.

Afterwards, we're going to face the Fairy Entity but we're not going to kill it. Instead, Lincoln's going to sternly warn the Fairy Entity that making bargains on people's lives is wrong, but not before he transforms into a fairy himself and fighting the Fairy Entity with his fairy powers.

Lincoln: Whoa, we're here in The Fairy Isle, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to meet Hilda's grandparents, Lydia and Phynium, and afterwards, we're going to face the Fairy Entity but we're not going to kill it. Instead, I'm going to sternly warn the Fairy Entity that making bargains on people's lives is wrong, but not before I transform into a fairy myself and fight The Fairy Entity with my fairy powers.

Hilda: (British Accent) It'll be great to see Grandma and Grandpa again.

Me: We've met your Dad and great aunt yesterday, and now, we're going to meet your grandparents.

Nico: And they're here in The Fairy Isle, awesome. But, I can't believe what that Fairy Entity has done.

Lincoln: That's right, making bargains on the lives of people is wrong, so I got to sternly warn her along with fighting her.

Lincoln picked up two scents.

Lincoln: Aha, this way!

We followed Lincoln, and we arrived at a log cabin. Then, Hilda knocked on the door, and it opened and we were greeted by Hilda's grandparents, Lydia and Phynium.

Lydia: (British Accent) Hilda, is that you?

Hilda: (British Accent) Yes, it's me, Grandma and Grandpa.

They hugged, and Hilda introduced her dad and great aunt to Lincoln, and they could tell right away that he was indeed a perfect man for Hilda. Then, we returned to Hilda's home, and when Johanna, Astrid, and Anders saw Lydia and Phynium, they ran up to them and hugged them.

Then, we returned to The Fairy Isle.

Lincoln: Now, for the second act of business: The Fairy Entity.

Hilda: (British Accent) Right, we need to stop her.

Spidermonkey: And make her see that making bargains on people's lives is wrong.

Suddenly, we saw a massive army of mermaids swimming in the skies and they left an amazing wave of water across the skies as their songs were heard, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blue hair with light blue streaks, blue eyes, massive blue angel wings, white short-sleeved blouse with a mermaid on it and on her forehead, blue sleeveless crop top, blue skirt, blue knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, water, ocean waves, mermaids, phoenixes, and angels on the coattails, and on the back is the mermaid, she has a water greatsword and with her is another mermaid, and with them are the seven girls.

Lincoln: (GASPS) Melanie Mermaid, Avatar of The Mermaids and Arella.

Melanie Mermaid: That's right, and Arella and I got the girls away from The Fairy Entity.

Arella: She tried to make a bargain with us with their lives, but Melanie and I blasted it and got them out of here.

Lincoln: This time, The Fairy Entity has gone too far. Let's get going and take it down.

We headed for the lair of The Fairy Entity to make it see that making bargains with people's lives is wrong.

We arrived at The Fairy Entity's lair, and there we saw our target: The Fairy Entity.

Fairy Entity: You! How dare you interfere with my work!

Lincoln: What you're doing is basically toying with the lives of innocent people!

Fairy Entity: I love to make bargains with people. The things mortals will do to save those they care about.

Lincoln: Then, you leave me with no choice, I'm going to make you see that bargaining with people's lives is wrong, and I broke the spell that kept Hilda's grandparents bound to your world. Now, it's time to make you see the error of your ways.

Suddenly, Lincoln's massive white angel wings glowed and transformed into massive white fairy wings with beautiful intricate designs and the images of a phoenix, werewolf, vampire, angel, thunderbird, dragon, demon, mermaid, Alicorn, and buffalo, and the four other sets of large white angel wings underneath the massive fairy wings transformed into four sets of massive white fairy wings beautiful intricate designs and the images of a phoenix, werewolf, vampire, angel, thunderbird, dragon, demon, mermaid, Alicorn, and buffalo, and he has rainbow thunderbolt markings around his eyes.

Then, he charged out and he fired blasts of magic at The Fairy Entity and they hit it.

Me: Whoa!

Nico: Incredible, Lincoln's fairy powers have also gotten a massive increase as well.

The Fairy Entity healed itself and fired blasts of magic at Lincoln, but he deflected them and he also showed that he and all of us are immune to magic.

Fairy Entity: Impossible!

Lincoln: No, it's not, we've since become immune to magic, and the magic we wield surpasses your magical powers.

Fairy Entity: Alright, fine, I will stop with making bargains with the lives of people.

Lincoln: That's better.

We left The Fairy Isle, and Lincoln's massive fairy wings glowed and changed back to massive white angel wings with aurora and orange tips and the four other sets of large fairy wings underneath glowed and changed back to the four other sets of large white angel wings with aurora and orange tips.

Hilda: (British Accent) Hopefully, no one will ever make any bargains with The Fairy Entity ever again.

Lincoln: They won't, now that The Fairy Entity realized the error of its ways, no one will ever make any bargains with it again. (To Melanie Mermaid and Arella) And it's so good to see you and Arella again, Melanie.

Melanie Mermaid: You too, Lincoln, it's been seven years since we last met.

Suddenly, Melanie Mermaid had her hands on Lincoln's massive hairy pecs same with Arella, and she and Arella proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Melanie Mermaid and Arella were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Melanie Mermaid: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Melanie Mermaid and Arella and hugged them, and Melanie Mermaid and Arella are very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Mermaid: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Arella: (Rubs Lincoln's massive pecs with her hands) You've really

really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Melanie Mermaid, Avatar of The Mermaids, she's Lincoln's Guardian Angel and she's known as The Melodious Water Mermaid Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Melanie is a powerful master of water and song and she's also known for her mastery of the powers of the mermaids. She lived during a time of light with a family of mermaids, as she grew, she gained all of the incredible strengths and powers of the mermaids, along with immortality and she also mastered the powers of the mermaids, and she'd fought to protect the mermaids and their secrets from those who seek to do them harm, and many centuries later, there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery that not only attracted the attention of all the mermaids, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of water and she knew of his divine singing and taught him even more on how to use the songs of the mermaids to hypnotize and put evildoers under his spell, and he also gained all of the incredible strengths and powers of the mermaids, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 mermaids and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the melodious fury of the mermaids, and the mermaid with her is her sister, Arella, and she's just as powerful and amazing as Melanie.

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: But, you can tell that no one would ever mess with them at all, and now that you two are here.

Lincoln with his massive muscular arms still wrapped around Melanie Mermaid and Arella leaned his head down first to the right side of Melanie Mermaid's trapezius and then to Arella's, and he slowly bit both of them and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from their right trapezius and the marks sealed up and Lincoln kissed the spot where he bit them.

Melanie Mermaid: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Melanie Mermaid with aqua blue gems on the gold lightning bolts and aqua blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Arella with aqua blue gems on the gold lightning bolts and aqua blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Melanie Mermaid: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Arella are now part of my harem and my many future wives, Melanie Mermaid.

Melanie Mermaid had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Melanie Mermaid's waist, and he leaned down to her face and kissed her on the lips, and with Melanie Mermaid's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Melanie Mermaid had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Angela Angel: (In Heaven) My God. Oh, Lincoln, the seven girls I rescued are...

Travis Tackett: And that's our cue to go.

The rest of us left for The World Tree Estate leaving Lincoln, Nicole, and his harem, and they went up to the seven girls, and when Lincoln saw them, his wolf nose wound up gushing out blood as he saw them, the seven girls are Ream Stream from Time Patrol Bon, Opera from Metallic Rouge, and Azusa Shinomiya, Hotori Sudou, Kahoruko Kiryuu, Nao Kimii, and Saki Yuki from Harem X Scratch.

Lincoln: Oh whoa, it's Ream Stream from Time Patrol Bon, Opera from Metallic Rouge, and Azusa Shinomiya, Hotori Sudou, Kahoruko Kiryuu, Nao Kimii, and Saki Yuki from Harem X Scratch.

Nicole: No wonder Travis and the others left, the girls areextremely hot.

Lincoln: And the girls are easy targets for perverts, and I'll smash them into the dirt. Are you girls okay?

Azusa Shinomiya: Yes, we're okay, thanks to you.

Then, when Azusa Shinomiya and the other six girls saw who it was that saved them from The Fairy Entity, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, sturdy muzzle, and ten-pack abs, long wild white hair going to the length of his shoulders with orange streaks and colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs and wolf teeth, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Azusa Shinomiya: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ream Stream, Opera, Azusa Shinomiya, Hotori Sudou, Kahoruko Kiryuu, Nao Kimii, and Saki Yuki with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. They came back home to The World Tree Estate.

Maria: J.D. told us everything, and we're so glad Hilda has her grandparents back, and The Fairy Entity finally realized that making bargains on people's lives is wrong.

Lincoln: That's right, and Hilda's reunited with her grandparents at long last.

Nico: I still can't believe that The Fairy Entity would make bargains on people's lives, that's just evil.

Me: More than that, it's despicable.

Eli: Making those kinds of bargains is like making a deal with The Devil.

Lincoln: But, this doesn't involve selling your soul.

Buster Bunny: Nope, it doesn't. Oh, guys, we also made these!

Buster Bunny got out some mega blasters and gave them to us.

Babs Bunny: We had these made yesterday ever since we found out about those armies of Sentinels and Morbots that Sebastian gave Morocco, but what he failed to do was put in force fields, and we'd even rigged them to explode once you use the blasters on them.

Nico: Awesome. (To Sebastian) (Smirks) Looks like you're going to watch as we destroy your wicked creations.

Sebastian Mendez: Thanks a lot, Buster, now everyone's going to be holding that over my head forever.

Buster Bunny: Hey, it's not our fault though, even though Billie Muldoon was to blame, you still have a hideous reputation and combined with the fact that you always had a black heart of darkness and pure evil.

Sebastian Mendez: I swear, you always have to hold that over my head, yes, I know I did horrible and atrocious things in the past and it was thanks to Chase Young's Dark Side and I was unable to control my murderous nature, but that doesn't give you the right to hold it over my head. I bet you can't go one lousy day without lording my bad reputation and the atrocious actions I'd committed in the past nine years over my head, Buster Bunny.

Buster Bunny: (Smug Smirk) Says you. You bloodsoaked misery causing freak.

But, Lincoln, Nico, Eli, and I heard that.

Me, Nico, Eli, and Lincoln: (GASPS)

Everyone: UH OH!

Sebastian lost it when Buster said that.

Sebastian Mendez: (SCREAMS AT THE TOP OF HIS LUNGS AND IN BUSTER BUNNY'S EARS) SO, PROVE IT!

Buster Bunny: (GRABS HIS EARS) AAAAH! YOUR VOICE IS LIKE TOOTHPICKS IN MY DRUMSTICKS, SEBASTIAN!

Babs Bunny: I agree, Buster, Sebastian has a tone of voice that rattles the timbers of every house in a ten-block vicinity, breaks the sound barrier, and shatters peoples' eardrums.

THAT MADE SEBASTIAN STEAMED!

Ed: Don't touch that dial kids.

Nico: Tartar sauce, now you've gone and done it! You made him steamed.

Sebastian threw an exploding pie at Buster Bunny and Babs Bunny's faces and they got covered in blueberries and jam.

Buster Bunny: An exploding pie in the face?! That's it, Sebastian! Now, you've gone and done it!

Babs Bunny: FOOD FIGHT!

Sebastian and Buster Bunny and Babs Bunny continued hurling pies at each other, and they wound up getting covered in pies. Then, Babs whacked Buster on the head with a mallet, and as for Sebastian.

BASH!

He got a lump on his head courtesy of Lincoln smashing him on the head with his fist.

Lincoln: That was for losing it again, and if you so much as woke up my infant children, you're gonna be cleaning the habitats of Lana's animals for a week.

Me: Same with gathering my stinky clothes to do the laundry.

Nico: And mine and Lincoln's as well.

After Lincoln and all of us reunited Hilda with her grandparents, Lydia and Phynium, and taking down The Fairy Entity, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Melanie Mermaid saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts

in her eyes, and her nose was really gushing out blood.

Melanie Mermaid: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Melanie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Melanie Mermaid: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Melanie Mermaid: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Carla Claw got out a video.

Carla Claw: Alright, guys, now this video I got here, this was from a lunch date we had with Allie, but of course, it was around the same time that Caleb was still on the prowl for The Syndicate, but ever since we removed the toxic darkness of Sebastian, he wasn't as destructive as before, but he still had murderous hatred towards Drake and The Syndicate.

Carla Claw put in the video and it played on the big screen, and it showed the city of New York busy as ever, and Allie Maxwell was walking in the city.

Past Allie Maxwell: Another day in The Big Apple, but thank goodness today's Saturday.

Then, she spotted Thomas A.K.A. Panther, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, and Nekome of The Big Claw Gang, but they're in civilian clothes.

Past Allie Maxwell: Looks like you guys made it just in time.

Past Hex: At least, and we managed to avoid your bloodthirsty ex-brother, Drake, and his thugs.

Past Shroud: Honestly, that moron refuses to give up.

Past Allie Maxwell: Well, you know how he is, Chett, he's a murderous dumbass who never learns.

They went to a nearby outdoor restaurant and ordered some food.

Past Patch: I just hope you haven't gotten into any trouble while in school, Allie.

Past Mad Cat Max: J.J.'s right, the jocks and bullies are the least of your problems at school. There's also still the matter of the girls who were once Drake's girlfriends, it's been two years since three of them got killed and by your brother's ghost no less.

Past Allie Maxwell: I know.

But, Allie Maxwell knew who it really was that killed those three when she was sixteen and it was on the six-year anniversary of her brother's death.

Past Crowe: If any of them show up, you realize your brother's going to kill them, right?

Past Allie Maxwell: Which one? My ex-brother who's no longer a member of The Syndicate and is now a rampaging thug or my older brother who came back from the dead wanting revenge on that moron for his murder eight years ago.

Past Sally Gamble: (British Accent) The one who's been causing trouble for your dad's organization.

Past Allie Maxwell: Ever since Caleb was freed from whatever it was that turned him into a monster, he's no longer coming after you guys. But, he's still going after The Syndicate, so what you said, Nick, is true, he's gonna go after them and kill them.

Past Panther: Damn, that's bad. I was hoping to go another round with him.

Past Allie Maxwell: Don't even think about it, or I swear I'm gonna be the one to knock you on your ass.

Past Carla Claw: Yeesh, yep, you've got your brother's temper.

?: You little bitch!

Past Allie Maxwell: Oh, you've got to be fucking kidding!

Past Mad Cat Max: Was that Drake?

Past Allie Maxwell: No, it's not. When are you ever going to give it a break, Henry Morrison?

We then saw a huge massive jock with brown hair, black eyes, and dressed in the clothes of a high school football jock heading for them: it was Henry Morrison.

Me: Who's that?

Allie Maxwell: Henry Morrison, the biggest jerk and total asshole in high school, he dated and had sex with tons of girls, but he also treated them like crap. He tried to get with me, but not only did I turn him down, the other jocks warned him that if he ever hurts me, he'd face Caleb's wrath, and the jocks aren't as dumb as they look. They knew my brother returned from the dead, and if any of them dared to hurt me, Mom, and her relatives on her side, Caleb would come after them. Plus, he's also the younger brother of Ethan Morrison, the bastard who bullied my brother, Caleb, when he too was in high school. But, when Ethan made the huge mistake of saying that Caleb was going to grow up to be like Dad and Drake, he snapped and punched that lumbering jerk hard in the stomach.

Nico: What a dumbass.

Past Allie Maxwell: What the Hell do you want, Henry? I told you I'm not dating an asshole like you!

Suddenly, Henry Morrison got out a knife.

Past Carla Claw: He's got a knife!

Suddenly, a gunshot rang out and hit Henry Morrison's knife and he was disarmed. Then, the skies had turned blood red.

Henry Morrison: What the fuck?!

Past Mad Cat Max: Oh boy, Caleb's here.

The bully turned around and he saw who it was that disarmed him: Caleb Maxwell.

Henry Morrison: You!

Past Caleb Maxwell: I should've known it was you, Henry, the stench of your unwashed gym socks and gym clothes was in the air along with your B.O.

That pissed off Henry Morrison who went charging at Caleb Maxwell like a bull, but Caleb dodged him and hit him hard in the head with his large twin pistols and he got a nasty lump on his head. Then, Jack Howard showed up and cuffed Henry Morrison.

Past Jack Howard: At it again, Henry? Ugh, you know, we already arrested your brother again for his crime, and now, we find out you're at it again as well. Alright, you're coming with me.

Jack Howard pushed Henry Morrison in the car and he drove off to the police station, and Caleb then disappeared as the red skies changed back.

Past Hex: Well, it looks like Henry's doomed.

Past Allie Maxwell: No doubt. I overheard the conversation at the principal's office saying that if he ever started any trouble again, Henry was going to be expelled from school.

The conversation continued as the video ended.

Nico: Oh man, so did what you say come true?

Allie Maxwell: Yep. When we went back to school on Monday, Henry Morrison was called to the office, and thanks to the news of the arrest heading into the ears of the principal, he had enough of him and he expelled Henry from school, and once that happened, Jack and Roxy came again and took Henry away, this time, he was going to prison for eight years.

Caleb Maxwell: That's nothing compared to what happened when Ethan was expelled, after he failed to beat me to death, I called the cops and he was expelled from school and was arrested, and thanks to that, he wound up getting sentenced to 15 years in prison. Turns out he'd been robbing banks and destroying private property and even assaulting people, but as the years passed, he'd been getting a lot worse, and his sentence always increased as he continued getting in trouble.

Lincoln: I wouldn't be surprised if it means his sentence has been upgraded to life.

Cage Blunt: Uh, I'm afraid you're right about that.

Captain Whitten: He's right, because of always getting in trouble, Ethan wound up getting sentenced to life without parole and we threw him in Solitary Confinement.

Me: Yikes!

Roxy Drake: But, he didn't last long though.

Jazz Jackson: That's right, because not a week into his life sentence, Ethan wound up getting stabbed and killed by some gang members there.

Cuffs Lane: It was really bloody, but he paid a fatal price for his crimes.

Abby Smith: During the autopsy, I found out the knife used in the assault was a makeshift knife.

Buffy Blain: And the assault was the result of a hit put on him by Drake Maxwell.

Carter Kenrick: Drake still had some connections to The Syndicate, and it turns out Ethan stole some money from him, and to that end, he wanted revenge.

Casey Antonio: So, he promised some of the inmates there a huge reward if they killed Ethan on the spot.

Caleb Maxwell: That shithead had no money and he lost most of his power after my death, and yet, he still continued that. You have no idea of how annoyed I was.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Hinako Shijou: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Hinako Shijou, Foxy, Rose Bernstein, Ángel, Thorn Rose, Pink Gold Peach, Irma Langenstein, Bonnie Alice, Mangle Mika, Springtrap Avril, Freddy Lisa, Bonnie Gena. Chica Mia, Toy Bonnie Serena, Mangle Erica, Chica Kate, Chica Kassy, Freddy Amanda, Chica Lucy, Bonnie Gwen, Foxy Emira, Circus Baby Tara, and Ballora Marley and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, twenty-three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hinako Shijou, Foxy, Rose Bernstein, Ángel, Thorn Rose, Pink Gold Peach, Irma Langenstein, Bonnie Alice, Mangle Mika, Springtrap Avril, Freddy Lisa, Bonnie Gena. Jenna: You guys had no trouble at all.

Hinako Shijou: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Seaside Kingdom for another round.

Me: SWEET!

ZOOM!

I went to get ready.

Some of us went and got our beach gear and got on our swim clothes. Specifically it was me, Varie, Celica, The Dazzlings, Camie, Toru, Sirius, Momo, Ochaco, Himiko, Eri, Tsuyu, Ibara, Kaoruku and Kaina Tsutsumi

Nico: WOW! You all want to go.

Me: Yep.

Himiko: We're ready.

Nico: Who else wants to come next?

Captain Marvel: Me and Green Lantern too.

Lincoln: And I'll go just in case.

Nico: Okay.

Me: Lets go.

We went in and the Simulator activated and we were at Seaside Kingdom!

Me: Here we are!

We were having lots of fun.

Nico: But these were fun while they lasted

Me: You said it. But we'll still visit these places during our rescues. No harm in that.

Nico: True.

Camie: I agree.

Varie: Yeah.

Nico: You're absolutely right

Me: Yeah.

But then Lincoln had a Premonition and then a massive jet of blood blasted out of his nose!

CRASH!

Lincoln crashed into a coconut tree!

BLANG! BLANG BLANG BLANG BLANG BLANG!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 6 COCONUTS!

Me: OH MAN!

Lincoln: OW! Patrick that guy was me!

Nico: You alright, Lincoln?

Lincoln: Yeah. I'll be okay. But I had a crazy premonition. The Next Akuma we're going to face is Camie's Akuma. Her name is Nebula Bikini. The Hypothetical Akuma of Camie Utsushimi and known for having a Bikini of the Nebula and she is not only a Voluptuous Beauty but she is also a deadly force of stars and nebulae. She was made when Himiko Toga impersonated her and she vowed revenge on her for doing so. Any boy that gets in her way will get PERVERT NOSEBLEED LAUNCH!

WE GASPED!

Lincoln showed a sketch and she looked like a voluptuous girl with star hair and a star bikini and had star wings.

Me: WHOA! HUBBA HUBBA!

Nico: WOW! (CATCALL!)

Camie: Boy I look smoking hot!

Nico: You sure do!

Tsuyu: WOW! I wonder if My akuma will be like that.

Himiko: Yeah!

Me: And she was made because of Himiko impersonating her? That is crazy!

Nico: Yeah!

Lincoln: I agree!

Nico: Lets go find her!

But then we saw a nebula coming towards us.

Me: I think she just found us.

Eri: Wow! That is amazing.

Sirius: It sure is.

Nico: We don't know if that's her yet.

Me: Looks can be deceiving.

Then out of the nebula came NEBULA BIKINI!

Me: WHOA! Camie? Is that you?

She went over to me and then rubbed her breasts against my chest.

Nebula Bikini: (Seductive Tone) Is this proof enough handsome?

Me: (PURRS) Yes it is.

WE LAUGHED!

Me: And you look awesome having the stars like this.

Nebula Bikini: Thanks big boy.

Nico: Camie, Himiko is one of us now.

Me: You have the Hernandez Sisters to thank for that. Her old quirk was unstable and it was destroying her.

Nico: Yeah they cured her and made her better.

Himiko: I now have a new quirk now. It's called Elementa. I am now known as Lady Elementa.

Nebula Bikini: I think that's a perfect quirk.

Himiko: Yep. Watch.

She fired a fireball and lasted a rock down in a fiery explosion!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

It was blown to pieces.

Nebula Bikini: WOW! That was intense!

Nico: You convinced now?

Nebula Bikini: I sure am.

Me: Cool! I guess convincing you that we don't have to fight is out of the question.

Nebula Bikini: I'm afraid so.

Camie: Oh boy.

Me: But if we see your worlds version of Himiko we'll put her out of her fucking misery. Right Nico!?

Nico: We sure will. How bad can she be?

Me: Probably Dr. Bloodsplash bad.

Himiko: You have to understand. I was rendered insane and psychotic because of my old quirk.

Nico: Fair point.

Me: Yep. Lets dance. I also am one with the stars.

I formed a ball of energy and formed the Seagull Nebula in the constellations of Monoceros and Canis Major and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

Lightning struck her all over.

Nebula Bikini: WHOA! How did you do that?

Me: That was my quirk. Nebula Lightning. Like how you are one with the stars, I can fire lightning from nebulae in the galaxy.

Nico: It's true. We all have quirks now.

Me: It was a discovery we saw from one of the Ultraman missions we did.

Nico: Yep.

Nebula Bikini: Wow!

Me: Yep.

Nebula Bikini: Watch this.

She formed a star in her hand and around it was an accretion disk and it formed into a solar system with elemental planets. And she fired beams of fire, water, ice, lightning, wind, light, darkness, time, flowers, stars and more and we dodged them.

Me: WHOA! That was cool!

Nebula Bikini: That was part of my new quirk. It was called Element Solar.

Me: WOW! That is cool.

Camie: It sure is!

Nico: Amazing!

Lincoln: Your Akuma form has an amazing quirk.

Nebula Bikini: Yep. It sure does. And J.D. if you face All For One again, kill him and banish all his evil followers to the Black Abyss.

Me: With pleasure.

Nico: Count on it!

Me: Just in case... (SNAPS FINGERS)

I snapped my fingers and while he was in hiding, ALL FOR ONE FELT ALL THE QUIRKS HE STOLE OVER THE YEARS LEAVE HIM AND THEY WERE RETURNED TO THEIR OWNERS AND MORE! ALSO I ACQUIRED HIS QUIRK AND NOW I CAN STEAL EVIL VILLAINS QUIRKS.

Me: There. I stole all of All For One's power and made his quirk my own and made him powerless. Now he will be easy to to destroy.

Nanette: That's awesome!

Nico: YEAH!

Me: Now where were we? Oh right!

I fired lightning blasts and blasted her all over.

But then an energy blast of fire blasted Nebula Bikini and then we turned and saw Azelf!

Me: WHOA! Azelf!

Nico: What's that doing there?

Me: I think I know.

Firecracker Burst: Lets see here.

Firecracker used Telepathy and then she gasped!

Firecracker Burst: (GASP) That's my sister Flamestorm Flare!

She came in and Maria followed.

Maria: We can play too.

Me: Okay. Nebula Bikini we'll be right back. We got some urgent stuff to do.

Nebula Bikini: Okay.

Me and Firecracker went over to her.

Jiraiya: OOH! SHOW ME THOSE BEAUTIFUL...

KRASMASH! WHAM WHAM WHAM WHAM WHAM WHAM SMASH BIFF CRASH!

NICOLE THRASHED AND SMASHED JIRAIYA ALL OVER!

Nicole: SHUT YOUR FUCKING TRAP YOU PERVY SAGE!

Firecracker Burst: Flamestorm! It's me Firecracker!

All she did was charge at her and we dodged it.

Me: Whoa! Fast.

Firecracker Burst: Lets get her.

We fired waves of energy and blasted her all over.

Firecracker fired waves of fire and blasted her.

I then snapped my fingers and she reverted back and had red and orange hair and blue eyes and had Azelf in the middle of her forehead and had fire angel wings and had a red and orange version of Firecracker Burst's cutie mark on her arm.

I wrapped her in a blanket and she woke up.

Flamestorm Flare: (Groans) What hit me?

Firecracker Burst: Flamestorm?

Flamestorm Flare: Firecracker? (GASP) Firecracker!

They hugged.

Me: You were turned into an Azelf by Dark Gale.

Flamestorm Flare: (GASP) I remember!

* * *

Flamestorm was in a dark green suit and was injected and then she turned into energy and turned into Azelf and flew out of there.

FLASHBACK ENDS

Flamestorm Flare: It was awful.

Maria: Well we're in the middle of a battle but lets get you some clothes.

She was given blue green clothes and had an amazing fire scythe.

Flamestorm Flare: I look great!

Me: You sure do. Lets go.

We went to face her.

Nico: (gets out Indoraptor and Large Evil Demon Monkey's Ridewatches) Don't you monkey with the dinosaur!

Nico activated the ridewatches and fired waves of energy and blasted her.

Flamestorm Flare: Like old times sis?

Firecracker Burst: You know it!

Flamestorm and Firecracker: FIREWORK INFERNO BLAST!

They fired waves of fire and fireworks and blasted Nebula Bikini all over and we fired waves of energy and blasted her down and she was knocked out.

Nico: Your role in Sonya's team?

Flamestorm Flare: I'm the pyromancer and inferno mage of the team and I burn our enemies down. Outside the team I am a cajun chef at a great cajun restaurant too.

Me: Cool love spicy food.

Lincoln: Yep.

Nico: This was fun.

We left the simulator and everyone cheered wildly for us.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Morocco, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face

and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

The mascots were heading down to the surface.

Ashi: What are you guys doing now?

Poromon: Terrorists are coming! We're going to make a funny movie about us kililng them.

Me: OOH! This will be fun.

But then a call came.

Me: I'll get that.

I answered and to my shock it was WERTZ!

Me: (GASP) WERTZ!

Wertz: (LAUGHS INSANELY) Team Loud Phoenix Storm prepare to die! My friends are coming for you!

Me: Bring them on you insane monster!

I clicked the call off.

We went to face them.

Graveyard Fire Terrorist: Sir, we're approaching the area of the targets now.

Wertz: Excellent. We can't afford any mistakes this time.

Graveyard Fire Terrorist: Relax. This time, we're prepared.

Wertz: I remember you saying that before we did that failed ambush back in January. And look what happened there!

Graveyard Fire Terrorist: C'mon. How bad can it be this time?

Mascots: ATTACK!

The mascots jumped the terrorists and blasted and smashed them and kicked and blasted them all over.

THE SCREAMS WERE BRUTAL AND TERRIBLE!

We recorded it too.

SCREAMING AND BRUTAL RIPPING WAS HEARD!

Exile: (Russian Accent) Boy Muzzle that is rough! And I thought Chernobyl was rough!

Blitz: (German Accent) Ja the horror.

Colleen: (British Accent) But this is a good fight luv.

Me: It sure is.

After the carnage was done Muzzle was stuffed.

Me: Good boy Muzzle!

Wertz: WHAT HAPPENED DOWN THERE!?

I took the communicator from a dismembered man's ear.

Me: Sorry Wertz but the man you were trying to reach has been dismembered alive along with your ugly brain and soon your reign of evil's days will be fucking numbered.

Kevin Reynolds: And before this war with the Anti Monitor ends, I'm gonna have you killed myself!

Me: What he said!

CRUSH!

I crushed the communicator.

G1 Chase: Nice job. What should we call this one?

Poromon: Mascots and Muzzle VS Graveyard Fire.

Hunter: To the power of the pack!

Me and the Road Rovers: AWOOOOOOOO!

WERTZ SCREAMED IN A BALLISTIC RAGE!

Magnet Man: Wertz keeps getting insaner and insaner.

Poromon: Oh, forget about Wertz! Check out the views our video got already!

Me: WHOA! 900,000 views already!? That is amazing! Well done!

Nico: I'll say!

Qin: Yeah!

Poromon: Yeah that is cool!

Lincoln: And I got something for Wertz to be afraid of! (SNAPS FINGERS)

Lincoln snapped his fingers, and while Wertz was in hiding and instigating more terrorist groups to attack us again, ALL OF THE TERRORIST GROUPS SCREAMED IN AGONIZING PAIN AS ALL THEIR ENERGY AND LIFEFORCES WERE SUDDENLY BEING SUCKED OUT OF THEM AND THEY FLOWED OUT AS VISIBLE BLUE ENERGY AND THEY FLOWED INTO LINCOLN AND ALL OF US AS WE WERE GETTING STRONGER AND STRONGER!

AND WE SAW IT ON A ONE-WAY WINDOW AS THE TERRORIST GROUPS WERTZ GOT TOGETHER HAD SUDDENLY TURNED INTO WITHERED DESICCATED DRIED UP HUSKS DRAINED OF

LIFE AND ENERGY, AND LINCOLN SNAPPED HIS FINGERS AGAIN AND WERTZ WOUND UP GETTING ELECTROCUTED BY A SHIT TON OF BLACK LIGHTNING BOLTS THAT CAME DOWN FROM THE HEAVENS, AND IT GOT EVEN WORSE WHEN LINCOLN FIRED A MASSIVE BLACK ENERGY BALL THAT HAD ELDRITCH WRITINGS IN RED AND CREEPY EYES AND TENTACLES SURROUNDING IT AND THE ENERGY BALL HIT HIM AND WE SAW WHAT HAPPENED AS A RESULT: ELDRITCH WHISPERS AND CHANTS DESTROYED HIS ALREADY DECAYING SANITY AND HIS INSANITY HAD SUDDENLY GOTTEN A SHIT TON WORSE, THAT'S WHEN WE FOUND OUT: WERTZ WAS SUDDENLY HIT WITH A BRAND-NEW CURSE LINCOLN CREATED!

We then saw it: Wertz became even more Nth-Degree Fucked Up Insane and Crazy as the viewing window closed.

Me and Nico: HOLY FUCKING SHIT!

Kevin Reynolds: What kind of curse did you hit him with this time?

Lincoln: That was my special kind of curse meant for fucked-up insane basket cases like Wertz: I call this one The Forbidden Tongue of The Cthulhu Mythos Gods, it's one of the many Lovecraftian Curses that I created, and this one was perfect for a lunatic bastard like Wertz. After what he did, I think he deserves it, and what you guys also saw me do was basically drain the lifeforce and energy out of the huge majority of the terrorist groups Wertz had gotten together since January when Anti-Monitor came into the picture. Plus, now that Wertz is under that brand-new Lovecraftian Curse I put on him, I doubt he'll be causing us more trouble.

WE GULPED!

Me: That was Scary!

Nico: Yeah!

Live Action Hound: That's a ripoff of Cemetary Wind!

Me: Well done though Lincoln.

Lincoln: Thanks. But it's only reserved for the most insane people there is.

Me: Good thinking.

Nico: But this won't be the last we'll see of those Graveyard Fire assholes.

Live Action Hound: That's a ripoff of Cemetary Wind!

Me: Yeah!

Haruki: WOW! I didn't know Lincoln was that skilled with magic.

Me: Lincoln learned a lot.

I looked towards Lincoln's Guardian Angels.

Poromon: Next will probably be us riding a roller coaster with no supervision.

Me: OOH! The new roller coaster you just built?

Poromon: Yep. It's called (DEVILISH VOICE) THE CARDIAC ARREST!

THUNDER AND LIGHTNING CRASHES!

WE GASPED!

Me: WHOA!

He showed a picture of it and it was a roller coaster that goes really fast over a track that looks like a line on a heart monitor and the people come off it with white hair and are loaded into funeral hearses because of their hearts stopping and they are dead!

Me: WHOA! THAT IS A HEART ATTACK INDUCING ROLLER COASTER!

Nico: Quit Yelling in my ear!

Me: Sorry.

Timmy: That's like The Heartstopper at Adrenaland.

Poromon: We modeled it after that.

Timmy: COOL!

Qin: NICE!

Nico: And wait. NO SUPERVISION?!

Me: Nico the mascots aren't babies anymore.

Maria: Technically, Poromon is a baby level Digimon.

Me: Well yeah but he is old enough to drink beer.

Poromon: Yeah! He's right! And I've done a lot of things adults can do.

Lola: He does have a point.

May: What about Manaphy?!

Me: When I speak for one mascot I mean ALL the mascots too.

May: Oh right. I get it.

Nico: Yep.

Me: Yeah.

Nico: Alright. But they should be careful!

Poromon: Okay.

Nico: Alright. But they should be careful!

Me: Besides a roller coaster like that can't kill us.

Qin: Yep.

Lola: Neat!

Me: OOH! I got an idea.

Nico: What is it?

Me: Nico I've been thinking a lot about some of the adventures with the King Ohgers. When we are facing the Villains of Disney it brings back memories of some of the stories we used to read where Knights would battle evil sorcerers and slay dragons to save princesses.

Sakura Knudson: Those were some awesome stories back when I was a little girl.

Nico: They sure were! I loved those stories.

Sakura Knudson: And I'll be a King Ohger too for this.

Nico: COOL!

Lana: We'll cross that bridge tomorrow

Me: Okay. It just brought that up for some reason.

Xenia: Yeah.

We went back home.

We were watching TV.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Dr. Morocco, he's on the move and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're on the move, Morocco.

Eli: It's time.

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: it was Dr. Morocco, he's on the move and he's causing havoc.

EVERYONE GASPED!

Georgina: I knew he'd be on the move.

Lincoln: And just as King Kai told us, he also has an army of Sentinels that Sebastian created under the influence of The Rebellion Chip and his rebuilt army of Morbots.

Nico: But, with the blasters Buster had made for all of us, those tin cans are going to be turned into scrap metal, this should be good. So, where's he at, Lincoln?

Lincoln: He's at Griffin Rock planning to launch his final attack.

Me: Where it all began long ago.

Nico: And where it'll end once and for all. Alright, team, let's go, this'll be the last time we ever have to deal with Dr. Morocco.

Lincoln: This time, he's going to spend the rest of his life in The M.O.E. Prison.

Me: Good idea! After killing him once, he's not worth killing again.

Nico: Yeah.

The previous group came.

Mr. Mittens: Can me, White Lightning, Spymaster, Zexion, Toiletnator, Vulkanus, Control Freak, Amora, Loki and Captain Cold go with you guys?

Nico: You sure can.

Me: Yeah!

Mr. Mittens: We saw the battle with those terrorists and that was awesome! And it was really funny!

Control Freak: And Poromon we saw your video! Well done!

Poromon: Thanks! That was fun!

Loki: YEAH! And Lincoln that curse you made was scary and horrible!

Lincoln: I know. I learned it from Here.

He went and came back with a very ominous and scary book. It looked like a scary nightmarish book. It was a purple book and it had evil looking symbols. And had Cthulhu's face on it and it was emitting an evil aura!

Brittney: (GASP) I thought it was just a legend! Lincoln that is the Dark Tome of Lovecraftian Magic. It's the tome that houses all of the most dangerous and feared forms of dark magic ever known! It's so horrible and feared that not even the most feared dark wizards can even use.

WE GULPED IN FRIGHT!

Me: That is horrible! Like something out of your most horrible nightmares brought to life!

Lincoln: Exactly!

Me: WHOA!

Loki: I've heard legends about that book! Queen Bansheera was after that book for years but couldn't find it.

Lola: WHOA!

Lincoln: Yep. Lovecraftian Curses are literally the darkest and most forbidden forms of The Black Arts even my Gothic Guardian Angels also know of them and they never ever speak of them, only in hushed tones and whispers of nightmares, and these curses are meant for the truly insane and the truly irredeemably evil. Not even the dark wizards and witches of legend would ever use them!

Me: That's like the Hom Dai of Egypt, the worst and most feared curse of Egypt.

Lincoln: Right. The Lovecraftian Curses destroy the mental state of its victims and send them into a state of permanent insanity and no form of mental medicine or holy magic could free them from this darkness, and it doesn't result in someone coming back from the dead as a walking flesh-eating mummy like Imhotep.

WE WERE SHOCKED!

Qin: WHOA! That is scary!

Me: (GULP)

Qin: SCARY!

Me: Where did you girls find this book?

Callista Cthulhu: We found it in the dark fiery tombs of the 6h Circle of Hell and it was in the tomb of Conduit Edwards.

Me: Figures he would have it. He was an Esoterican Cult leader. Then again, Dagon is a monster from Lovecraftian Lore.

Julie: Scary.

Lola: Yeah.

Blade Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Lets see...

He got to thinking.

Nico: How about Anubismon next?

Me: Good idea!

Nico: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Nathan Matthews, the last of the five minions of Billie Muldoon, and he's coming after us completely driven mad by the news of Billie Muldoon's death. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move, Nathan.

Me: This is perfect, now we can finally get rid of the last piece of Billie Muldoon once and for all.

Brooke Nightshade: You said it, I've had it with that big gorilla to last an eternity.

Nico: Now, he can join that bitch and the rest of her minions in The Black Abyss. Alright, team, let's go, this is the last time we ever have to deal with Dr. Morocco.

Lincoln: After everything he's done, he's heading for a one-way trip to The M.O.E. Prison forever after we get done trashing him, and once we get done with him, you're next, Nathan Matthews.

Brooke Nightshade: I can't believe that you and those other dirt-filled piles of garbage have come back after finding out that Billie Muldoon has come back from The Black Gates. Well, too bad, Billie Muldoon is gone forever along with your other pals, and now, you'll be joining them very soon.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Griffin Rock to finally get rid of our old enemy, Dr. Morocco, who's come back to get revenge, and once we take him down and send him to The M.O.E. Prison forever, Lincoln and Brooke Nightshade, Bikini Babe of Darkness, are going to destroy Nathan Matthews, the last of the minions of Belle Muldoon's insane evil sister, Billie Muldoon, and send him straight to The Black Abyss to join Billie Muldoon and the rest of those dirt-filled piles of garbage!

We were off to Griffin Rock.

We arrived.

Me: Griffin Rock.

Cody Burns: Good to be home.

Lola: It sure is awesome.

Spymaster: Let's call Hsi Wu as well.

Me: Good idea.

Hsi Wu the Demon Sorcerer of Sky came.

Hsi Wu: I'm here and ready.

Gluko: Remember when you first met Cody, Georgina?

Georgina: How can I forget. That was so much fun.

Xenia: It sure was.

Camie: Yeah.

Qin: And this was one place that the war with the Decepticons didn't touch.

Nico: No kidding.

Vulkanus: The Aligned War at least.

Aligned Optimus: Because the Rescue Bots were more equipped for rescues

Aligned Hot Spot: Yeah we weren't prepared for it.

Me: You guys dodged a huge bullet there.

Camie: I agree there.

Xenia: Yeah.

Lola: I agree there too.

Grinnade beeped.

Nicole: He said that he agrees too.

Qin: Cool.

Amora: I honestly think Cody and Georgina's interactions were very cute

Me: I do too.

Nico: Yeah.

Georgina: Thanks guys.

Cody Burns: Don't embarrass us too much.

Qin: We won't.

Lola: Besides it's awesome.

Bruiser Cruiser: We're speaking nothing but facts

Me: I know.

Georgina: Same here.

But then...

KRASPLAT!

NICO GOT DRENCHED HEAD TO TOE IN MUD!

Me: WHOA!

We cleaned him off.

Nico: (SPITS)

Lana: Awesome!

Nico: HEY! OKAY WHO'S THE WISEASS!?

Captain Cold: Clayface!

Clayface: It wasn't me!

Lincoln: (GASP) OH MAN! This one is messy! I just had a premonition on who did that. It's Georgina's Akuma. Her name is Mudslopper. The hypothetical Akuma of Georgina and she is a golem made entirely out of mud and she makes EVERYTHING A MESS and covers it all in mud! She was made when Cody Burns got hurt and she vowed to find Morocco and drown him in mud and also cover EVERYTHING IN MUD! YUCK!

We gasped!

We saw a sketch of her and she was a golem made of mud!

Lana: AWESOME!

Krankcase: So instead of rock, it's mud?!

Me: Yeah!

Lana: Boy this is my kind of Akuma!

Dirt Lana: Mine too!

Clayface: Kind of like a female version of me!

Xenia: Crazy!

But then...

KRASPLAT!

WE ALL GOT DRENCHED IN MUD!

Me: OH YUCK!

May: YUCK!

Rarity: (SCREAMS) I AM SO FILTHY!

2003 Raph: At least Stonebiter wasn't this filthy!

Loki: No, he wasn't!

2003 Raph: (To Georgina) No offense.

Georgina: None taken.

KRASPLAT!

WE WERE DRENCHED MORE!

Me: YUCK! It's like battling the mud monsters from Goosebumps all over again.

Wolfgang: We need to find her!

Nico: I agree!

KRASPLAT!

We got drenched in mud more!

Me: OH YUCK!

Lana: Boy this is awesome!

Me: We know you would like Lana.

We followed the mud trail and saw her! We saw MUDSLOPPER!

Mudslopper: So you all came! Whoa! Sorry about that. I'm looking for Morocco and I'm making a mess all over.

She fired more mud and splashed us more!

KRASPLAT!

Me: OH YUCK!

Georgina: YUCK!

Control Freak: Who can I summon for this?

Nicole: I have an idea.

Nicole whispered into his ear and he summoned the Mud Monsters from Victor and Valentino Monster Kicks!

Control Freak: Good choice!

Me: Fitting too.

Hsi Wu: Georgina is that you!?

Mudslopper: Yes Hsi Wu. It's me. Sorry about the mess guys but I can't help it.

Coconuts: You're getting mud all over the place!

Aligned Grimlock: I don't mind!

Lana: VIVA LA MUDVILLE REVOLUTION!

Me: Lana loves you getting mud all over.

Lana: (LAUGHS) I love the mud!

Mudslopper: (LAUGHS) Yeah she sure does!

She fired more mud all over and drenched us!

KRASPLAT!

Me: YUCK!

Toiletnator: You need to calm down and clean this up!

Mudslopper: Well like I said, I can't help it. But not until Morocco dies.

Me: Morocco after today is not worth killing. But then you leave us no choice.

I fired a massive blast of fire and it hit Mudslopper's arm and hardened it and shattered it.

Me: Fire works.

She regenerated her arm.

Hsi Wu charged at her and blasted her with energy.

Mudslopper: My turn. (MASSIVE VOMIT!)

SHE VOMITED A MASSIVE TSUNAMI OF MUD AND SPLASHED US EVERYWHERE!

Me: OH YUCK!

Ben then turned into Heatblast!

Ben: HEATBLAST!

He flew at her and dove into her and then she hardened into solid rock and he came out.

Me: WHOA! Nice work Ben!

Camille Tennyson: Little big for the wedding cake. But it's the thought that counts.

Me: (LAUGHS) Little case of deja-vu there huh Camille.

Camie: What did she mean by that?

Rachel Stavenport: Ben did the same thing to Camille's so-called parents and hardened them. Camille said the same remark.

Me: Yeah I remember that.

Nico: Me too.

Me: Man we are a MESS!

Nauthilax: I'll wash us off

Me: Good idea. We'll go right into the tub when we get home.

Nauthilax washed us off anf we were clean.

Me: Ahh much better.

Zexion: You said it

Me: This had to be the messiest akuma's we've ever seen.

Camie: I agree.

Lana: But I loved it!

Merrick: Entrance time!

Me: Wait Merrick. We haven't found out where Morocco is yet.

Merrick: Oh right.

Boulder: But where's Morocco?

Eli: (Concentrates) WHOA! He's over on top of Griffin Rock. There.

He pointed to the rock.

Me: Okay NOW it's entrance time.

Nico: Yep.

We went there.

Morocco enraged. But then the spirits of the Autobots, Decepticons and transformers came and then swirled around him and then converged and then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and a phoenix cry was heard and then we landed.

Georgina: Hello Morocco. Long time no see.

Eli: In the name of the Galactic Senate of the Republic, (Ignites Lightsaber) You're under arrest Morocco!

Morocco: Anyway, Morbots. Show them the door.

Morbots came and I blasted them into scrapmetal.

Me: Not this time Morocco.

Cody Burns: It's time you got sent back to where you came from.

Morocco: You gonna kill me again?

Me: No. One time is more than enough. This time we're sending you to prison.

Nico: YEAH!

Me: You've got some nerve showing your face here again, Morocco!

Nico: I would've thought we were finally rid of you for good, but thanks to Sebastian's act of madness due to Billie Muldoon, looks like we've got to take you down once again, and this time, you're going to a more stricter prison where you'll stay there forever.

Dr. Morocco: I will never be thrown in prison ever again. Sentinels, Morbots, destroy them!

Then, we saw the army of Sentinels that Sebastian built along with Morocco's robots coming after us, and we used our new blasters that Buster Bunny made for us, and we fired them at the Sentinels and they exploded with incredible power and they got damaged, but were still in good shape.

Then, Lincoln went up to the damaged army of Sentinels and Morbots, and one by one, he touched them and he absorbed them all one by one into his body, and he gained not only an astronomical power boost, but also, tons of weapons and gadgets added to his arsenal as well.

Dr. Morocco: No! I thought those Sentinels were supposed to be invincible!

Buster Bunny: Should've never listened to the words of a lunatic with a bad reputation and who can't be trusted by what he said. Those Sentinels he built were very powerful, but the team has dealt with those robots before when Bolivar Trask was running loose, and we knew you'd one day return, but it's sad though: you return once more only to be defeated once again.

Georgina: Which is exactly what's going to happen to you, Morocco.

Suddenly, Georgina's dark blue eyes turned neon dark blue, and she was surrounded by a brown and orange, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, rocks, lava, golems, phoenixes, and angels surrounding her, she unholstered her massive Georgina Montgomery's Cosmic Eternal Underground Stonebiter Volcanic Lava Earth Golem Phoenix Angel Greatsword of Cosmic Eternal Underground Stonebiter Volcanic Lava Earth Golem Phoenix Angel Greatsword Justice from her back, and as she approached Dr. Morocco, she left brown and orange, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, rocks, lava, golems, phoenixes, and angels with every step.

Georgina: I'm still stunned to find out that you returned once again, Morocco, no doubt thanks to Sebastian turning against us thanks to that lowlife bitch, Billie Muldoon, but we've been made aware of everything yesterday, and we were ready for you once again. Now, we're going to take you down once again, and this time, you're never ever coming back.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF GEORGINA WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE GOLEM, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE GOLEM WENT BACK TO EARTH AND GEORGINA GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!
